I. Spade & Archer

(Спейд и Арчер)

Samuel Spade's jaw was long and bony (челюсть Сэмюэла Спейда была длинной и костлявой = заостренной; *bony* — *костный, костлявый, bone* — *кость*), his chin a jutting V under the more flexible V of his mouth (его подбородок — выступающее V под более гибким V его рта; *V* — *зд. имеющий форму буквы V, V-образный, клиновидный*). His nostrils curved back to make another, smaller, V (его ноздри загибались назад, чтобы сделать другое, поменьше, V). His yellow-grey eyes were horizontal (его желто-серые глаза были горизонтальными). The V motif was picked up again (мотив V возобновлялся снова; *to pick up* — *поднимать, подбирать*) by thickish brows rising outward (густоватыми: «толстоватыми» бровями, вырастающими: «восходящими наружу») from twin creases above a hooked nose (из двух складок-близнецов над крючковатым носом), and his pale brown hair grew down (и его тусклые каштановые: «бледные коричневые» волосы росли вниз) — from high flat temples (от высоких, гладких: «плоских» висков) — in a point on his forehead (в точку на его лбу). He looked rather pleasantly like a blond Satan

(он выглядел довольно приятно, как белокурый Сатана). He said to Effie Perine (он сказал Эффи Пирайн): "Yes, sweetheart (да, дорогая)?"

jutting ['dʒʌtɪŋ] nostril ['nɒstrɪl] sweetheart ['swi:thQ:t]

Samuel Spade's jaw was long and bony, his chin a jutting v under the more flexible V of his mouth. His nostrils curved back to make another, smaller, V. His yellow-grey eyes were horizontal. The V motif was picked up again by thickish brows rising outward from twin creases above a hooked nose, and his pale brown hair grew down — from high flat temples — in a point on his forehead. He looked rather pleasantly like a blond Satan. He said to Effie Perine: "Yes, sweetheart?"

She was a lanky sunburned girl (она была долговязой загорелой девушкой) whose tan dress of thin woolen stuff (чье желто-коричневое платье из тонкой шерстяной материи) clung to her with an effect of dampness (прилипало к ней с эффектом влажности). Her eyes were brown (ее глаза были карими) and playful (и игривыми) in a shiny boyish face (на сияющем мальчишеском лице; *shiny* — ясный, солнечный, отполированный). She finished shutting the door behind her (она закончила закрывать дверь за собой), leaned against it (прислонилась к ней), and said (и сказала): "There's a girl wants to see you (там какая-то девушка хочет тебя видеть). Her name's Wonderly (ее зовут Уондерли)."

"A customer (клиентка)?"

"I guess so (думаю, да: «так»; *to guess* — догадываться, приблизительно определять). You'll want to see her anyway (но ты захочешь ее увидеть в любом случае): she's a knockout (она красотка; *knockout* — нокаутирующий удар, зд. /сленг/ необыкновенная вещь, сенсация)."

lanky ['lXNkl] sunburned ['sAnbq:nt] shut [SAʔ]

She was a lanky sunburned girl whose tan dress of thin woolen stuff clung to her with an effect of dampness. Her eyes were brown and playful in a shiny boyish face. She finished shutting the door behind her, leaned against it, and said: "There's a girl wants to see you. Her name's Wonderly."

"A customer?"

"I guess so. You'll want to see her anyway: she's a knockout."

"Shoo her in, darling (пусти ее, дорогая)," said Spade (сказал Спейд).
"Shoo her in (пусти ее)."

Effie Perine opened the door again (Эффи Пирайн открыла дверь снова), following it back into the outer office (направив ее /дверь/ обратно, в приемную: «наружный офис»; *to follow* — следовать, идти), standing with a hand on the knob while saying (стоя, рука на /шарообразной/ ручке двери, когда говорила): "Will you come in, Miss Wonderly (ходите, пожалуйста, мисс Уондерли; *will* — зд. выражает просьбу, приглашение в вежливой форме)?"

A voice said (голос сказал), "Thank you (спасибо)," so softly (так мягко) that only the purest articulation made the words intelligible (что только чистейшее произношение сделало слова вразумительными), and a young woman came through the doorway (и молодая женщина прошла через дверной проем). She advanced slowly (она продвигалась /вперед/ медленно), with tentative steps (пробующими шагами), looking at Spade with cobalt-blue eyes (глядя на Спейда синими глазами; *cobalt-blue* — кобальтовая синь) that were both shy and probing (которые были одновременно робкими и испытующими). She was tall and pliantly slender (она была высокой и гибко стройной), without angularity anywhere (без угловатости где бы то ни было).

articulation [Q:'tIkjV'leIS(q)n] intelligible [In'telIdZqb(q)l]

tentative ['tentqtIv]

"Shoo her in, darling," said Spade. "Shoo her in."

Effie Perine opened the door again, following it back into the outer office, standing with a hand on the knob while saying: "Will you come in, Miss Wonderly?"

A voice said, "Thank you," so softly that only the purest articulation made the words intelligible, and a young woman came through the doorway. She advanced slowly, with tentative steps, looking at Spade with cobalt-blue eyes that were both shy and probing. She was tall and pliantly slender, without angularity anywhere.

Her body was erect and high-breasted (ее тело было прямым, с высокой грудью), her legs long (ее ноги длинными), her hands and feet narrow (ее кисти и ступни узкими). She wore two shades of blue (она была одета в одежду двух оттенков синего цвета; *shade* — *тень, полумрак, зд. оттенок, тон*) that had been selected because of her eyes (которые были выбраны из-за ее глаз). The hair curling from under her blue hat (волосы, вьющиеся из-под ее голубой шляпы) was darkly red (были темно-рыжими), her full lips more brightly red (ее полные губы были более ярко-красными). White teeth glistened in the crescent her timid smile made (белые зубы блестели в полумесяце ее робкой улыбки: «в полумесяце, который делала ее робкая улыбка»).

Spade rose bowing (Спейд поднялся, кланяясь) and indicating with a thick-fingered hand (и указывая ладонью с толстыми пальцами) the oaken armchair beside his desk (на дубовое кресло рядом с его рабочим столом). He was quite six feet tall (он был почти шесть футов ростом). The steep rounded slope of his shoulders (чрезмерная округлость: «крутая

округленная покатость» его плеч) made his body seem almost comical (делала его тело выглядящим почти комично; *to seem* — *казаться, представляться*) — no broader than it was thick (не шире, чем оно было в толщину: «чем оно было толстым») — and kept his freshly pressed grey coat from fitting very well (и не позволяла его только что выглаженному серому костюму сидеть на нем хорошо; *to keep smb., smth. from smth.* — *мешать, препятствовать кому-либо сделать что-либо, freshly* — *свежо, бодро, заново*).

Her body was erect and high-breasted, her legs long, her hands and feet narrow. She wore two shades of blue that had been selected because of her eyes. The hair curling from under her blue hat was darkly red, her full lips more brightly red. White teeth glistened in the crescent her timid smile made.

Spade rose bowing and indicating with a thick-fingered hand the oaken armchair beside his desk. He was quite six feet tall. The steep rounded slope of his shoulders made his body seem almost comical — no broader than it was thick — and kept his freshly pressed grey coat from fitting very well.

Miss Wonderly murmured (мисс Уондерли прошептала), "Thank you (спасибо)," softly as before (мягко, как и раньше) and sat down on the edge (и села на краешек) of the chair's wooden seat (деревянного сиденья кресла).

Spade sank into his swivel-chair (Спейд опустился в свое вращающееся кресло; *to sink (sank, sunk)* — *тонуть, утонать*), made a quarter-turn to face her (повернулся на четверть: «сделал четвертной поворот», чтобы находиться к ней лицом), smiled politely (вежливо улыбнулся). He smiled

without separating his lips (он улыбался, не раздвигая губ). All the V's in his face grew longer (все V его лица вытянулись; *to grow* — *расти*; *зд. как глагол-связка в составном именном сказуемом: становится, делается*). The tappity-tap-tap and the thin bell and muffled whirl of Effie Perine's typewriting (легкие удары /по клавиатуре/ и тихий звон, и приглушенный шум печатания на машинке Эффи Пирайн; *thin* — *тонкий, худой, слабый*) came through the closed door (доносились из-за закрытой двери; *to come through* — *проникать, проходить насквозь*). Somewhere in a neighboring office (где-то в соседнем офисе) a power-driven machine vibrated dully (уныло вибрировала электрическая печатающая машинка; *dull* — *тупой, бестолковый, тяжелый, медлительный*).

murmur ['mq:mq] swivel-chair ['swlv(q)l'tSeq] neighboring ['nei'b(q)rIN]

Miss Wonderly murmured, "Thank you," softly as before and sat down on the edge of the chair's wooden seat.

Spade sank into his swivel-chair, made a quarter-turn to face her, smiled politely. He smiled without separating his lips. All the V's in his face grew longer. The tappity-tap-tap and the thin bell and muffled whirl of Effie Perine's typewriting came through the closed door. Somewhere in a neighboring office a power-driven machine vibrated dully.

On Spade's desk (на письменном столе Спейда) a limp cigarette smoldered in a brass tray (самокрутка тлела в медной пепельнице; *limp* — *мягкий, слабый, нетвердый*; *tray* — *поднос, лоток*) filled with the remains of limp cigarettes (заполненной окурками: «остатками» от самокруток). Ragged grey flakes of cigarette-ash (неровные серые хлопья сигаретного пепла) dotted the yellow top of the desk (усеивали желтую поверхность: «верхнюю часть» стола) and the green blotter and the papers that were there (и зеленую промокательную бумагу, и документы, которые были там). А

buff-curtained window (занавешенное темно-желтыми шторами окно; *buff* — буйволовая кожа; цвет буйволовой кожи, темно-желтый цвет) eight or ten inches open (открытое на восемь или десять дюймов; *дюйм* — мера длины, равная 2,54 см), let in from the court a current of air (впускало со двора поток воздуха) faintly scented with ammonia (со слабым запахом нашатырного спирта; *scented* — надушенный, ароматный, пахнущий чем-либо). The ashes on the desk twitched and crawled in the current (пепел на столе подергивался и ползал в этом потоке).

ragged ['r x gld] curtain ['kq:tn] crawl [kr0:l]

On Spade's desk a limp cigarette smoldered in a brass tray filled with the remains of limp cigarettes. Ragged grey flakes of cigarette-ash dotted the yellow top of the desk and the green blotter and the papers that were there. A buff-curtained window, eight or ten inches open, let in from the court a current of air faintly scented with ammonia. The ashes on the desk twitched and crawled in the current.

Miss Wonderly watched the grey flakes twitch and crawl (мисс Уондерли наблюдала, как серые хлопья подергиваются и ползают). Her eyes were uneasy (ее глаза были беспокойными). She sat on the very edge of the chair (она сидела на самом краю кресла). Her feet were flat on the floor (ее ступни ровно стояли на полу), as if she were about to rise (словно она собиралась встать). Her hands in dark gloves (ее руки в темных перчатках) clasped a flat dark handbag in her lap (сжимали плоскую темную /дамскую/ сумочку, /лежащую/ у нее на коленях). Spade rocked back in his chair and asked (Спейд откинулся на своем стуле и спросил; *to rock* — качать(ся), колебать(ся), трястись): "Now what can I do for you, Miss Wonderly (ну, что я могу сделать для вас, мисс Уондерли)?"

She caught her breath and looked at him (она задержала дыхание и посмотрела на него; *to catch (caught)* — *поймать, схватить*). She swallowed and said hurriedly (она сглотнула и торопливо сказала): "Could you — (могли бы вы)? I thought — I — that is — (я думала — я — это —)" Then she tortured her lower lip with glistening teeth (потом она потерзала свою нижнюю губу блестящими зубами; *to torture* — *пытать*) and said nothing (и ничего не сказала). Only her dark eyes spoke now, pleading (только ее темные глаза говорили сейчас, умоляя).

Miss Wonderly watched the grey flakes twitch and crawl. Her eyes were uneasy. She sat on the very edge of the chair. Her feet were flat on the floor, as if she were about to rise. Her hands in dark gloves clasped a flat dark handbag in her lap. Spade rocked back in his chair and asked: "Now what can I do for you, Miss Wonderly?"

She caught her breath and looked at him. She swallowed and said hurriedly: "Could you — ? I thought — I — that is — " Then she tortured her lower lip with glistening teeth and said nothing. Only her dark eyes spoke now, pleading.

Spade smiled and nodded (Спейд улыбнулся и кивнул) as if he understood her (словно он понял ее), but pleasantly (но приятно), as if nothing serious were involved (словно ничего серьезного не было затронуто; *to involve* — *включать, подразумевать, влечь за собой*). He said (он сказал): "Suppose you tell me about it, from the beginning (предположим = предлагаю, вы расскажете мне об этом, с самого начала), and then we'll know what needs doing (а потом мы будем знать, что нужно делать: «нуждается в том, чтобы быть сделанным»)). Better

"That was in New York (это было в Нью-Йорке)."

"Yes (да)."

Spade smiled and nodded as if he understood her, but pleasantly, as if nothing serious were involved. He said: "Suppose you tell me about it, from the beginning, and then we'll know what needs doing. Better begin as far back as you can."

"That was in New York."

"Yes."

"I don't know where she met him (я не знаю, где она встретила его). I mean I don't know where in New York (я имею в виду, я не знаю, где в Нью-Йорке). She's five years younger than I (она на пять лет младше меня) — only seventeen (только семнадцать) — and we didn't have the same friends (и у нас не было общих друзей). I don't suppose (я не думаю) we've ever been as close as sisters should be (что мы когда-нибудь были так близки, как должны быть /близки/ сестры). Mama and Papa are in Europe (мама и папа в Европе). It would kill them (это убьет их). I've got to get her back before they come home (я должна вернуть ее: «получить ее назад», прежде чем они вернутся домой»)."

"Yes (да)," he said (сказал он).

"They're coming home the first of the month (они возвращаются домой первого /числа следующего/ месяца)."

Spade's eyes brightened (глаза Спейда прояснились). "Then we've two weeks (тогда у нас есть две недели)," he said.

"Yes," he said.

"They're coming home the first of the month."

Spade's eyes brightened. "Then we've two weeks," he said.

"I didn't know what she had done (я не знала, что она сделала) until her letter came (пока не пришло ее письмо). I was frantic (я была в ярости). Her lips trembled (ее губы дрожали). Her hands mashed the dark handbag in her lap (ее руки мяли темную сумочку, /лежащую/ на ее коленях). "I was too afraid (я слишком боялась) she had done something like this (что она сделала что-то такое /как, например/) to go to the police (пойти в полицию), and the fear that something had happened to her (а страх, что что-то случилось с ней /самой/) kept urging me to go (побуждал меня пойти; *to keep doing smth.* — *продолжать действовать, делать что-либо*). There wasn't anyone (не было никого) I could go to for advice (к кому я могла бы пойти за советом). I didn't know what to do (я не знала, что делать). What could I do (что я могла сделать)?"

"Nothing, of course (ничего, конечно)," Spade said (сказал Спейд), "but then her letter came (но потом пришло письмо)?"

"Nothing, of course," Spade said, "but then her letter came?"

"Yes, and I sent her a telegram (да, и я послала ей телеграмму) asking her to come home (упрашивая ее вернуться домой). I sent it to General Delivery here (я послала ее сюда «до востребования»; *delivery* — *доставка, разноска*). That was the only address she gave me (это был единственный адрес, который она дала мне). I waited a whole week (я ждала целую неделю), but no answer came (но ответ не пришел), not another word from her (ни одного словечка: «и не было другого слова» от нее). And Mama and Papa's return was drawing nearer and nearer (а возвращение мамы и папы приближалось все ближе и ближе). So I came to San Francisco to get her (так я приехала в Сан-Франциско, «чтобы получить ее» = за ней). I wrote her I was coming (я написала ей, что я приезжаю). I shouldn't have done that, should I (я не должна была этого делать, так)?"

"Maybe not (может быть, нет). It's not always easy to know what to do (не всегда легко знать, что делать). You haven't found her (вы не нашли ее)?"

"Maybe not. It's not always easy to know what to do. You haven't found her?"

"No, I haven't (нет, не нашла). I wrote her that I would go to the St. Mark (я написала ей, что я приеду в гостиницу «Св. Марка»), and I begged her to come (и я умоляла ее прийти) and let me talk to her (и позволить мне поговорить с ней) even if she didn't intend to go home with me (даже если она не намеревалась ехать домой со мной). But she didn't come (но она не пришла). I waited three days (я ждала три дня), and she didn't come (но она не пришла), didn't even send me a message of any sort (даже не прислала мне сообщение какого-либо рода)." Spade nodded his blond satan's head (Спейд кивнул своей сатанинской белокурой головой), frowned sympathetically (сочувственно сдвинул брови: «насупился»), and tightened his lips together (и сжал губы /вместе/).

"It was horrible (это было ужасно)," Miss Wonderly said, trying to smile (сказала мисс Уондерли, пытаюсь улыбнуться). "I couldn't sit there like that (я не могла там так сидеть) — waiting (ожидая) — not knowing what had happened to her (не зная, что /уже/ случилось с ней), what might be

"The only address I had was General Delivery (единственный адрес, который я знала: «был у меня», был «до востребования»). I wrote her another letter (я написала ей другое письмо), and yesterday afternoon I went to the Post Office (и вчера вечером я пошла на почту). I stayed there until after dark (я пробыла там до темноты; *until* — момент, вплоть до которого действие не совершалось: после того как, *after* — после), but I didn't see her (но я не увидела ее). I went there again this morning (я пошла туда снова этим утром), and still didn't see Corinne (и по-прежнему не увидела Коринну), but I saw Floyd Thursby (но я видела Флойда Терсби)."

"It was horrible," Miss Wonderly said, trying to smile. "I couldn't sit there like that — waiting — not knowing what had happened to her, what might be happening to her." She stopped trying to smile. She shuddered. "The only address I had was General Delivery. I wrote her another letter, and yesterday afternoon I went to the Post Office. I stayed there until after dark, but I didn't see her. I went there again this morning, and still didn't see Corinne, but I saw Floyd Thursby."

Spade nodded again (Спейд снова кивнул). His frown went away (его нахмуренность ушла). In its place came a look of sharp attentiveness (на ее место пришло выражение острого внимания). "He wouldn't tell me where Corinne was (он не сказал мне, где Коринна)," she went on, hopelessly—продолжала она, безнадежно). "He wouldn't tell me anything (он не сказал мне ничего), except that she was well and happy (за исключением того, что с ней все хорошо и она счастлива). But how can I believe that (но как я

могу поверить в это)? That is what he would tell me anyhow, isn't it (это то, что он бы сказал мне в любом случае, не так ли)?"

"Sure (конечно)," Spade agreed (согласился Спейд). "But it might be true (но это может быть правдой)."

"Sure," Spade agreed. "But it might be true."

"I hope it is (я надеюсь, это /правда/). I do hope it is (я очень надеюсь, что это так; *to do* — *зд.* употребляется для усиления глагола)," she exclaimed (воскликнула она). "But I can't go back home like this (но я не могу вернуться домой так), without having seen her (не увидев ее), without even having talked to her on the phone (даже не поговорив с ней по телефону). She broke off (она /внезапно/ прервалась; *to break (broke, broken)* — *ломать, разбивать, разрывать*) with a startled hand to her mouth (испуганно /поднеся/ руку ко рту) as the door opened (когда открылась дверь).

The man who had opened the door (мужчина, который открыл дверь) came in a step, said (вошел на шаг, сказал), "Oh, excuse me (о, извините /меня/)!" hastily took his brown hat from his head (поспешно снял свою коричневую шляпу со /своей/ головы), and backed out (и вышел, пятась; *to back — отходить, пятиться*).

"It's all right, Miles (все в порядке, Майлз)," Spade told him (сказал ему Спейд). "Come in (входи). Miss Wonderly, this is Mr. Archer, my partner (Мисс Уондерли, это мистер Арчер, мой компаньон: «партнер»)." *startle ['stQ:tl] excuse [lk'skju:z] hastily ['helstIII]*

"It's all right, Miles," Spade told him. "Come in. Miss Wonderly, this is Mr. Archer, my partner."

Miles Archer came into the office again (Майлз Арчер снова вошел в офис), shutting the door behind him (закрыв дверь за собой), ducking his head and smiling at Miss Wonderly (быстро кивнув головой и улыбаясь мисс Уондерли; *to duck* — нырнуть; наклониться), making a vaguely polite gesture with the hat in his hand (делая неясный/расплывчатый вежливый жест шляпой в своей руке; *vague* — неопределенный, неясный, смутный). He was of medium height (он был среднего роста), solidly built (плотного сложения; *to build (built)* — строить, сооружать), wide in the shoulders (широк в плечах), thick in the neck (толстый в шее), with a jovial heavy-jawed red face (с веселым красным лицом с тяжелой челюстью) and some grey in his close-trimmed hair (и небольшой сединой в его коротко подстриженных волосах; *to trim* — приводить в порядок, прибирать, подрезать). He was apparently as many years past forty (ему было явно так же много лет после сорока) as Spade was past thirty (как Спейду было после тридцати).

He was of medium height, solidly built, wide in the shoulders, thick in the neck, with a jovial heavy-jawed red face and some grey in his close-trimmed hair. He was apparently as many years past forty as Spade was past thirty.

Spade said (Спейд сказал): "Miss Wonderly's sister ran away from New York (сестра мисс Уондерли сбежала из Нью-Йорка) with a fellow named Floyd Thursby (с парнем по имени Флойд Терсби). They're here (они здесь). Miss Wonderly has seen Thursby (мисс Уондерли видела Терсби) and has a date with him tonight (и встречается с ним сегодня вечером; *date*

The embarrassment that had gradually been driven away (*замешательство, которое постепенно уходило; to drive (drove, driven) away — прогонять, разгонять, уезжать*) by Spade's ingratiating smiles and nods and assurances (*при помощи вкрадчивых улыбок и кивков, и уверений Спейда*), was pinkening her face again (*снова розовело на ее лице: «снова раскрасило ее лицо в розовый цвет»*). She looked at the bag in her lap (*она посмотрела на сумочку на своих коленях*) and picked nervously at it with a gloved finger (*и нервно ковырнула ее пальцем в перчатках; to pick — выбирать, собирать*).

Spade winked at his partner (*Спейд подмигнул своему компаньону*). Miles Archer came forward to stand at a corner of the desk (*Майлз Арчер вышел вперед, чтобы встать в углу стола*). While the girl looked at her bag

(пока девушка смотрела на свою сумку) he looked at her (он смотрел на нее). His little brown eyes (его маленькие карие глаза) ran their bold appraising gaze (бегали наглым оценивающим взглядом; *bold* — *храбрый, смелый*) from her lowered face to her feet (от ее опущенного лица к ее ногам) and up to her face again (и вверх к ее лицу снова). Then he looked at Spade (потом он взглянул на Спейда) and made a silent whistling mouth of appreciation (и сложил губы в беззвучном свисте одобрения; *to make a mouth* — *строить рожи, гримасничать, складывать губы определенным образом, mouth* — *рот*).

appraising [əˈpreɪzɪŋ]

"Yes," she said indistinctly. The embarrassment that had gradually been driven away by Spade's ingratiating smiles and nods and assurances was pinkening her face again. She looked at the bag in her lap and picked nervously at it with a gloved finger.

Spade winked at his partner. Miles Archer came forward to stand at a corner of the desk. While the girl looked at her bag he looked at her. His little brown eyes ran their bold appraising gaze from her lowered face to her feet and up to her face again. Then he looked at Spade and made a silent whistling mouth of appreciation.

Spade lifted two fingers (Спейд поднял два пальца) from the arm of his chair (с подлокотника своего кресла) in a brief warning gesture (коротким предостерегающим жестом) and said: "We shouldn't have any trouble with it (у нас не будет: «мы не должны иметь» никаких проблем с этим). It's simply a matter of having a man at the hotel this evening (дело просто в том, чтобы проследить: «чтобы иметь /своего/ человека» у отеля этим вечером) to shadow him away when he leaves (чтобы проследить за ним,

когда он уйдет; *to shadow* — *затенять, омрачать, зд. тайно следить*), and shadow him until he leads us to your sister (*и следить за ним, пока он не приведет нас к вашей сестре*). Otherwise (*иначе*) — if she doesn't want to leave him (*если она не захочет оставить его*) after we've found her (*после того, как мы найдем ее*) — well, we'll find a way of managing that (*ну, мы найдем способ справиться с этим; way — путь, дорога, направление, зд. метод, образ действия*)."

Archer said (*Арчер сказал*): "Yeh (*да*)."
His voice was heavy, coarse (*его голос был низким, грубым; heavy — тяжелый*).

Miss Wonderly looked up at Spade (*мисс Уондерли подняла взгляд на Спейда*), quickly, puckering her forehead between her eyebrows (*быстро, морща лоб между бровями*). "Oh, but you must be careful (*о, но вы должны быть осторожны*)!" Her voice shook a little (*ее голос немного задрожал*), and her lips shaped the words with nervous jerkiness (*и ее губы образовывали слова с нервной отрывистостью; to shape — придавать форму, делать*). "I'm deathly afraid of him (*я смертельно боюсь его*), of what he might do (*того, что он может сделать*). She's so young (*она так*

молода) and his bringing her here from New York is such a serious (и он привез ее сюда из Нью-Йорка — это так серьезно) — Mightn't he (не может ли он) — mightn't he do (не может ли он сделать) — something to her (что-то с ней)?"

Archer said: "Yeh." His voice was heavy, coarse.

Miss Wonderly looked up at Spade, quickly, puckering her forehead between her eyebrows. "Oh, but you must be careful!" Her voice shook a little, and her lips shaped the words with nervous jerkiness. "I'm deathly afraid of him, of what he might do. She's so young and his bringing her here from New York is such a serious — Mightn't he — mightn't he do — something to her?"

Spade smiled and patted the arms of his chair (Спейд улыбнулся и похлопал по подлокотникам своего кресла). "Just leave that to us (просто оставьте это нам)," he said (сказал он). "We'll know how to handle him (мы сообразим, как справиться с ним; *to handle* — *обращаться с кем-либо*)."

"But mightn't he (но не может ли он)?" she insisted (она настаивала).

"There's always a chance (всегда есть вероятность; *chance* — *случайность, возможность, шанс*)." Spade nodded judicially (Спейд рассудительно = раздумывая, оценивая, кивнул). "But you can trust us to take care of that (но вы можете доверить нам позаботиться об этом)."

"There's always a chance." Spade nodded judicially. "But you can trust us to take care of that."

"I do trust you (конечно, я доверяю вам)," she said earnestly (сказала она серьезно), "but I want you to know (но я хочу, чтобы вы знали) that he's a dangerous man (что он опасный человек). I honestly don't think (я честно не думаю) he'd stop at anything (что он перед чем-нибудь остановится). "You didn't threaten him, did you?"

"I told him (я сказала ему) that all I wanted was to get her home (что все, что я хочу — это вернуть ее домой) before Mama and Papa came (прежде чем приедут мама и папа) so they'd never know what she had done (так, чтобы они никогда не узнали, что она сделала). "Can he cover up by marrying her?" Archer asked.

The girl blushed and replied in a confused voice (девушка покраснела и ответила смущенным голосом): "He has a wife and three children in England (у него жена и трое детей в Англии). Corinne wrote me that (Коринна написала мне это), to explain why she had gone off with him (чтобы объяснить мне, почему она сбежала с ним)."

"They usually do (у них обычно есть /жена и дети/; *to do* — *зд. употребляется во избежание повторения глагола*)," Spade said (сказал Спейд), "though not always in England (хотя не всегда в Англии)." He leaned forward to reach for pencil and pad of paper (он наклонился вперед, чтобы дотянуться до карандаша и блока бумаги). "What does he look like (как он выглядит)?"

Spade went to the corridor-door with Miss Wonderly (Спейд пошел к двери в коридор вместе с мисс Уондерли). A telephone-bell rang in darkness (звонок телефона звучал в темноте; *to ring (rang, rung) — звенеть, звонить*). When it had rung three times (когда он прозвенел три раза) bed-springs creaked (заскрипели кроватные пружины), fingers fumbled on wood (пальцы пощупали по дереву), something small and hard thudded on a carpeted floor (что-то маленькое и твердое со стуком упало на покрытый ковром пол), the springs creaked again (пружины скрипнули снова), and a man's voice said (и мужской голос сказал): "Hello... A switch clicked (щелкнул выключатель) and a white bowl hung on three gilded chains (и белая чаша, свисающая на трех позолоченных цепях; *bowl* — миска, таз) from the ceiling's center (из центра потолка) filled the room with light (наполнила комнату светом). Spade, barefooted in green and white checked pajamas (Спейд, босоногий, в зеленой и белой клетчатой пижаме; *checked* — в клетку), sat on the side of his bed (сидел на краю своей кровати; *side* — сторона). He scowled at the telephone on the table (он сердито смотрел на телефон на столе) while his hands took from beside it (в то время как его руки взяли позади него /телефона/) a packet of brown papers (пачку коричневой бумаги; *packet* — пакет, связка) and a sack of Bull Durham tobacco (и мешочек табака «Булл Дархэм»). San Francisco's night-fog (ночной туман Сан-Франциско), thin, clammy, and penetrant (бледный, липкий и пронизывающий), blurred the street (расплылся по улице; *to blur* — *начкать, делать неясным*). A few yards from where Spade had dismissed the taxicab (в нескольких ярдах от места, где Спейд отпустил такси) a small group of men stood looking up an alley (стояла небольшая группа людей, что-то высматривая в узкой улочке; *yard* — *ярд — мера длины, равная 3 футам или 91,44 см*). Two women stood with a man on the other side of Bush Street (две женщины стояли с мужчиной на другой стороне Буш-стрит), looking at the alley (глядя на ту же улочку). There were faces at windows (в окнах были лица).

penetrant ['penɪtrənt] blurred [blɜːd] alley ['æli]

Where Bush Street roofed Stockton before slipping downhill to Chinatown, Spade paid his fare and left the taxicab. San Francisco's night-fog, thin, clammy, and penetrant, blurred the street. A few yards from where Spade had dismissed the taxicab a small group of men stood looking up an alley. Two women stood with a man on the other side of Bush Street, looking at the alley. There were faces at windows.

Spade crossed the sidewalk (Спейд пересек тротуар) between iron-railed hatchways (между обнесёнными железными перилами люками) that opened above bare ugly stairs (которые выходили на: «открывались над» истертые: «голые» уродливые ступеньки), went to the parapet (подошел к парапету), and, resting his hands on the damp coping (и, положив руки на влажные парапетные плиты; *to rest* — *отдыхать, покоеиться*), looked down into Stockton Street (посмотрел вниз на Стоктон-стрит). An automobile popped out of the tunnel beneath him (автомобиль выскочил из туннеля под ним; *to pop* — *хлопать, стрелять*) with a roaring swish (с грохочущим свистом), as if it had been blown out (словно был выдут оттуда), and ran away (и уехал; *to run (ran, run)* — *бежать*). Not far from the tunnel's mouth (недалеко от входа в туннель; *mouth* — *рот, уста*) a man was hunkered on his heels (мужчина сидел на корточках /на своих пятках/) before a billboard (перед рекламным щитом) that held advertisements of a moving picture (содержащим /рекламное/ объявление кинофильма; *moving picture* = *motion picture*) and a gasoline (и /перед/ бензиновой колонкой; *gasoline* = *gasoline*, зд. = *gasolene-station*) across the front of a gap between two store-buildings (через промежуток между двумя складскими помещениями).

Spade crossed the sidewalk between iron-railed hatchways that opened above bare ugly stairs, went to the parapet, and, resting his hands on the damp coping, looked down into Stockton Street. An automobile popped out of the tunnel beneath him with a roaring swish, as if it had been blown out, and ran away. Not far from the tunnel's mouth a man was hunkered on his heels before a billboard that held advertisements of a moving picture and a gasoline across the front of a gap between two store-buildings.

The hunkered man's head (голова сидящего на корточках мужчины) was bent almost to the sidewalk (была наклонена почти к тротуару) so he could look under the billboard (так, что он мог смотреть под рекламный щит). A hand flat on the paving (рука плашмя /лежащая/ на мостовой: «дорожном покрытии»), a hand clenched on the billboard's green frame (рука сжимающая зеленую раму рекламного щита), held him in this grotesque position (удерживали его в таком нелепом положении). Two other men stood awkwardly together (двое других мужчин стояли неуклюже вместе) at one end of the billboard (на одном конце рекламного щита), peeping through the few inches of space (заглядывая через несколько сантиметров пространства) between it and the building at that end (между ним и зданием в том конце). The building at the other end (здание с другой стороны) had a blank grey sidewall (имело бледно-серую боковую стену) that looked down on the lot behind the billboard (которая смотрела вниз, на участок земли за рекламным щитом; *lot* — жребий, судьба). Lights flickered on the sidewall (на боковой стене сверкали огни), and the shadows of men moving among lights (и тени людей, движущихся между огнями).

Spade turned from the parapet (Спейд отвернулся от парапета) and walked up Bush Street (и пошел вверх по Буш-стрит) to the alley where men were grouped (к узкой улочке, где сгруппировались = столпились мужчины). A uniformed policeman (полицейский в униформе) chewing gum (жующий жвачку; *gum* — смола, клей, резина) under an enameled sign (под эмалированным знаком) that said Burritt St. in white against dark blue (на котором было написано белым /шрифтом/ на темно-синем /фоне/: Бурритт-стрит; *to say* — говорить, гласить) put out an arm and asked (вытянул руку и сказал): "What do you want here (что вам здесь нужно)?"

"I'm Sam Spade (я Сэм Спейд). Tom Polhaus phoned me (Том Полхауз позвонил мне)."

"Sure you are (конечно, это вы)." The policeman's arm went down (рука полицейского опустилась: «пошла вниз»). "I didn't know you at first (я вас сначала не узнал). Well, they're back there (они там сзади)." He jerked a thumb over his shoulder (он дернул большим пальцем через плечо). "Bad business (плохое дело = грустная история)."

Spade turned from the parapet and walked up Bush Street to the alley where men were grouped. A uniformed policeman chewing gum under an enameled sign that said Burritt St. in white against dark blue put out an arm and asked: "What do you want here?"

"I'm Sam Spade. Tom Polhaus phoned me."

"Sure you are." The policeman's arm went down. "I didn't know you at first. Well, they're back there." He jerked a thumb over his shoulder. "Bad business."

"Bad enough (довольно плохое)," Spade agreed (согласился Спейд), and went up the alley (и пошел вверх по улице). Half-way up it (на полдороге), not far from the entrance (недалеко от входа), a dark ambulance stood (стояла темная машина скорой помощи). Behind the ambulance, to the left (позади машины скорой помощи, слева), the alley was bounded by a waist-high fence (улица была ограждена оградой на уровне талии; *to bound* — ограничивать, служить границей), horizontal strips of rough boarding (горизонтальными планками из грубых досок). From the fence (от ограды) dark ground fell away steeply (темная земля спускалась круто) to the billboard on Stockton Street below (к рекламному щиту, внизу, на Стоктон-стрит). A ten-foot length of the fence's top rail (верхняя планка ограды длиной в десять футов: «десятифутовая длина самой высокой планки ограды») had been torn from a post at one end (была оторвана от столба с одной стороны) and hung dangling from the other (и свисала, болтаясь, с другой).

Fifteen feet down the slope (в пятнадцати футах вниз по склону) a flat boulder stuck out (торчал плоский валун). In the notch between boulder and slope (в расселине между валуном и склоном) Miles Archer lay on his back (лежал Майлз Арчер на спине). Two men stood over him (двое

мужчин стояли над ним). One of them held the beam of an electric torch (один из них держал луч света от ручного фонаря; *electric* — *электрический*) on the dead man (на мертвеце; *dead* — *мертвый, умерший*). Other men with lights (другие мужчины с фонариками: «огнями») moved up and down the slope (двигались вверх и вниз по склону).

One of them hailed Spade (один из них окликнул: «приветствовал» Спейда), "Hello, Sam (привет, Сэм)," and clambered up to the alley (и вскарабкался /со склона/ на улицу), his shadow running up the slope before him (его тень бежала вверх по склону перед ним). He was a barrel-bellied tall man (он был толстобрюхим высоким человеком; *barrel-bellied*: *barrel* — *бочка*, *belly* — *живот*) with shrewd small eyes (с проницательными маленькими глазами), a thick mouth (крупным: «толстым» ртом) and carelessly shaven dark jowls (и небрежно выбритыми темными щеками).

His shoes (его туфли), knees (колени), hands (руки), and chin were daubed with brown loam (и подбородок были измазаны глиной). "I figured you'd want to see it before we took him away (я полагал, вы захотите это увидеть, прежде чем мы его заберем; *to figure* — *изображать*

графически, представлять)," he said as he stepped over the broken fence (сказал он, когда он шагнул = шагнув через сломанную ограду).

"Thanks, Tom (спасибо, Том)," Spade said. "What happened (что произошло: «случилось»)" He put an elbow on a fence-post (он положил локоть на стойку ограды) and looked down at the men below (и посмотрел вниз, на мужчин внизу), nodding to those who nodded to him (кивая тем, кто кивал ему).

Tom Polhaus poked his own left breast (Том Полхаус ткнул свою левую грудь) with a dirty finger (грязным пальцем).

Tom Polhaus poked his own left breast with a dirty finger.

"Got him right through the pump (/пуля/ попала ему прямо в сердце; *pumр* — насос, помпа; *разг. сердце*) — with this (из этого)." He took a fat revolver from his coat-pocket (он достал сальный револьвер из кармана своего пальто) and held it out to Spade (и протянул его Спейду). Mud inlaid the depressions (грязь выстилала впадины) in the revolver's surface (на поверхности револьвера). "A Webley («Уэбли»). English, ain't it (английский, не так ли)?"

Spade took his elbow from the fence-post (Спейд убрал: «взял» свой локоть со стойки ограды) and leaned down to look at the weapon (и наклонился, чтобы посмотреть на оружие), but he did not touch it (но он

не коснулся его). "Yes," he said, "Webley-Fosbery automatic revolver («Уэбли-фосбери», автоматический револьвер). That's it (это он). Thirty-eight, eight shot (калибр 3,8 миллиметра: «тридцать восьмой», восьми-зарядный: «восемь выстрелов»). They don't make them any more (они их больше не делают). He raised the muddy revolver (он поднял грязный револьвер). "Ever seen this before (видел когда-нибудь это раньше)?"

Spade nodded (Спейд кивнул). "I've seen Webley-Fosberys (я видел /револьверы/ «Уэбли-фосбери»)," he said without interest (сказал он без интереса), and then spoke rapidly (а потом быстро произнес): "He was shot up here, huh (он был застрелен здесь, а)? He went around in front of Tom (он прошелся перед Томом) and raised a hand breast-high (и поднял руку на уровень груди) with leveled forefinger (с нацеленным /как оружие/ указательным пальцем). "Lets him have it (допустим, он выстрелил) and Miles goes back (и Майлз опрокидывается: «отходит назад»), taking the top off the fence (снося верхушку ограды) and going on through (и дальше, сквозь /нее/; *to go on* — идти дальше, продолжать) and down till the rock catches him (и вниз, пока камень не задержал его; *to catch* — поймать, схватить). So he came up to look at it (так он пришел наверх, чтобы посмотреть на нее), and found him (и нашел его)."

"What about the machine (что насчет машины) that was turning around (которая поворачивала)?"

"Not a damned thing about it, Sam (ни одной проклятой зацепки: «вещи» по ней, Сэм). Shilling didn't pay any attention to it (Шиллинг не обратил никакого внимания на нее; *to pay* — платить), not knowing anything was wrong then (не зная, что что-то было не так).

He turned and put a leg over the fence (он повернулся и поставил ногу на ограду). "Coming down for a look at him (пойдешь вниз, чтобы посмотреть на него) before he's moved (прежде чем его увезут)?"

Spade said (Спейд сказал): "No (нет)."

Tom halted astride the fence (Том задержался на ограде; *astride — верхом на чем-либо*) and looked back at Spade with surprised small eyes (и посмотрел назад на Спейда удивленными маленькими глазами).

Spade said: "You've seen him. You'd see everything I could."

Tom, still looking at Spade (Том, все-еще глядя на Спейда), nodded doubtfully (с сомнением кивнул) and withdrew his leg over the fence (и перенес свою ногу /обратно/ через ограду; *to withdraw* — *отдергивать, забирать, брать назад*). "His gun was tucked away on his hip (его пистолет был спрятан /в кобуре/ на /его/ бедре)," he said. "It hadn't been fired (из него не стреляли; *to fire* — *зажигать, воодушевлять*). "What for (для чего)?"

Spade's tinny alarm-clock said three-forty (крошечный будильник Спейда показывал три часа сорок минут; *alarm* — тревога, сигнальный звук), when he turned on the light in the suspended bowl again (когда он включил свет в подвешенной чаше снова). He dropped his hat and overcoat on the bed (он бросил: «уронил» свою шляпу и пальто на кровать) and went into his kitchen (и пошел на свою кухню), returning to the bedroom (вернувшись в спальню) with a wineglass and a tall bottle of Bacardi (с фужером и высокой бутылкой «бакарди»; *wineglass* — бокал для вина). He poured a drink (он налил выпивку) and drank it standing (и выпил ее стоя). He put bottle and glass on the table (он поставил бутылку и фужер на стол), sat on the side of the bed facing them (сел на край кровати лицом к ним), and rolled a cigarette (и свернул сигарету). He had drunk his third glass of Bacardi (он уже выпил свой третий фужер «бакарди») and was lighting his fifth cigarette (и закуривал свою пятую сигарету; *to light* — зажигать, освещать) when the street-door-bell rang (когда зазвенел звонок парадной двери).

Spade's tinny alarm-clock said three-forty when he turned on the light in the suspended bowl again. He dropped his hat and overcoat on the bed and went into his kitchen, returning to the bedroom with a wineglass and a tall bottle of Bacardi. He poured a drink and drank it

standing. He put bottle and glass on the table, sat on the side of the bed facing them, and rolled a cigarette. He had drunk his third glass of Bacardi and was lighting his fifth cigarette when the street-door-bell rang.

The hands of the alarm-clock registered four-thirty (стрелки будильника показывали четыре тридцать; *to register* — *регистрировать, отмечать*). Spade sighed, rose from the bed (Спейд вздохнул, встал с кровати), and went to the telephone-box beside his bathroom door (и пошел к домофону: «телефонной будке» рядом с дверью его ванной комнаты). He pressed the button (он нажал кнопку) that released the street-door-lock (которая открыла замок на парадной двери; *to release* — *освобождать, отпускать*). He muttered (он проворчал), "Damn her (черт бы ее побрал; *to damn* — *проклинать*)," and stood scowling at the black telephone-box (и стоял, хмурясь на черный домофон), breathing irregularly (неровно: «нерегулярно» дыша) while a dull flush grew in his cheeks (в то время как тусклый румянец проявлялся на его щеках; *to grow* (*grew, grown*) — *расти, увеличиваться; dull* — *тупой; тусклый*).

He muttered, "Damn her," and stood scowling at the black telephone-box, breathing irregularly while a dull flush grew in his cheeks.

The grating and rattling of the elevator-door (скрип и грохот двери лифта) opening and closing (открывающегося и закрывающегося) came from the corridor (доносился из коридора). Spade sighed again (Спейд

снова вздохнул) and moved towards the corridor-door (и пошел в сторону двери в коридор). Soft heavy footsteps (мягкие тяжелые шаги) sounded on the carpeted floor outside (раздались на покрытом ковром полу снаружи), the footsteps of two men (шаги двух мужчин). Spade's face brightened (лицо Спейда прояснилось). His eyes were no longer harassed (его глаза больше не были встревожены). He opened the door quickly (он быстро открыл дверь). "Hello, Tom (привет, Том)," he said to the barrel-bellied tall detective (сказал он толстобрюхому, высокому детективу) with whom he had talked in Burritt Street (с которым он говорил на Барритт-стрит), and, "Hello, Lieutenant (и, привет, лейтенант)," to the man beside Tom (мужчине рядом с Томом). "Come in (входите)."

towards [tq'w0:dz] harassed ['h x rqt] quickly ['kwɪklɪ]

The grating and rattling of the elevator-door opening and closing came from the corridor. Spade sighed again and moved towards the corridor-door. Soft heavy footsteps sounded on the carpeted floor outside, the footsteps of two men. Spade's face brightened. His eyes were no longer harassed. He opened the door quickly. "Hello, Tom," he said to the barrel-bellied tall detective with whom he had talked in Burritt Street, and, "Hello, Lieutenant," to the man beside Tom. "Come in."

They nodded together (они вместе кивнули), neither saying anything (ничего не говоря; *neither* — ни тот, ни другой), and came in (и вошли). Spade shut the door (Спейд закрыл дверь) and ushered them into his bedroom (и проводил их в спальню). Toni sat on an end of the sofa by the windows (Том сел на край дивана у окон; *end* — конец). The Lieutenant sat on a chair beside the table (лейтенант сел на стул рядом со столом). The Lieutenant was a compactly built man (лейтенант был плотно сбитым мужчиной; *built* — построенный; *to build* — строить) with a round head

(с круглой головой) under short-cut grizzled hair (под коротко подстриженными седеющими волосами) and a square face (и квадратным лицом) behind a short-cut grizzled mustache (за коротко подстриженными седеющими усами). A five-dollar gold-piece was pinned to his necktie (пятидолларовая золотая монета была приколата к его галстуку; *piece* — кусок, штука) and there was a small (и был маленький) elaborate diamond-set secret-society-emblem on his lapel (тонкой работы, оправленный алмаз — знак тайного общества на его лацкане; *elaborate* — тщательный, продуманный, детальный).

usher ['ʌʃ] mustache [mʌ'stʃ:S] society [sq'saɪəti]

They nodded together, neither saying anything, and came in. Spade shut the door and ushered them into his bedroom. Toni sat on an end of the sofa by the windows. The Lieutenant sat on a chair beside the table. The Lieutenant was a compactly built man with a round head under short-cut grizzled hair and a square face behind a short-cut grizzled mustache. A five-dollar gold-piece was pinned to his necktie and there was a small elaborate diamond-set secret-society-emblem on his lapel.

Spade brought two wine-glasses in from the kitchen (Спейд принес два фужера из кухни), filled them and his own with Bacardi (наполнил их и свой /собственный бокал/ «бакарди»), gave one to each of his visitors (дал по одному /фужеру/ каждому из посетителей), and sat down with his on the side of the bed (и сам сел со своим /фужером/ на край кровати). His face was placid and uncurious (его лицо было спокойно и безразлично: «нелюбопытно»). He raised his glass, and said (он поднял свой фужер и сказал), "Success to crime (за успех преступлений)," and drank it down (и выпил /до дна/).

Tom emptied his glass (Том опустошил свой стакан), set it on the floor beside his feet (поставил его на пол рядом со своими ногами), and wiped his mouth with a muddy forefinger (и вытер свой рот грязным указательным пальцем). He stared at the foot of the bed (он смотрел на ножку кровати) as if trying to remember something (словно пытался вспомнить что-то) of which it vaguely reminded him (о чем она ему неясно напоминала).

uncurious [An 'kjV(q)rlqs] success [sqk'ses] vaguely ['velgli]

Spade brought two wine-glasses in from the kitchen, filled them and his own with Bacardi, gave one to each of his visitors, and sat down with his on the side of the bed. His face was placid and uncurious. He raised his glass, and said, "Success to crime," and drank it down.

Tom emptied his glass, set it on the floor beside his feet, and wiped his mouth with a muddy forefinger. He stared at the foot of the bed as if trying to remember something of which it vaguely reminded him.

The Lieutenant looked at his glass for a dozen seconds (лейтенант смотрел на свой фужер дюжину секунд), took a very small sip of its contents (сделал очень небольшой глоток его содержимого), and put the glass on the table at his elbow (поставил фужер на стол, у своего локтя). He examined the room (он осматривал комнату) with hard deliberate eyes (жесткими, размышляющими глазами), and then looked at Tom (а потом посмотрел на Тома). Tom moved uncomfortably on the sofa (Том неловко поерзал: «задвигался» на диване) and, not looking up, asked (и, не поднимая взгляда, спросил): "Did you break the news to Miles's wife, Sam (ты сообщил новость жене Майлза, Сэм)?"

Spade said (Спейд сказал): "Uh-huh (угу)."

"How'd she take it (как она это восприняла)?"

dozen ['dʌz(q)n] examine [ɪg'zæmɪn] deliberate [dɪ'lɪb(q)rɪt]

The Lieutenant looked at his glass for a dozen seconds, took a very small sip of its contents, and put the glass on the table at his elbow. He examined the room with hard deliberate eyes, and then looked at Tom. Tom moved uncomfortably on the sofa and, not looking up, asked: "Did you break the news to Miles's wife, Sam?"

Spade said: "Uh-huh."

"How'd she take it?"

Spade shook his head (Спейд покачал головой). "I don't know anything about women (я ничего не знаю о женщинах)."

Tom said softly (Том мягко сказал): "The hell you don't (как же, не знаешь; *hell* — ад)."

The Lieutenant put his hands on his knees (лейтенант положил руки на колени) and leaned forward (и наклонился вперед). His greenish eyes were fixed on Spade in a peculiarly rigid stare (его зеленоватые глаза были зафиксированы на Спейде = уставились на Спейда в особенно жестком взгляде), as if their focus were a matter of mechanics (словно их фокус был делом механики), to be changed only by pulling a lever or pressing a button (изменяемый только при потягивании рычага или нажатии кнопки). "What kind of gun do you carry (какое у вас оружие: «какого рода оружие вы носите»)" he asked (спросил он).

women ['wɪmɪn] greenish ['ɡri:nɪʃ] rigid ['rɪdʒɪd]

Spade shook his head. "I don't know anything about women."

Tom said softly: "The hell you don't."

The Lieutenant put his hands on his knees and leaned forward. His greenish eyes were fixed on Spade in a peculiarly rigid stare, as if their focus were a matter of mechanics, to be changed only by pulling a lever or pressing a button. "What kind of gun do you carry?" he asked.

"None (никакого). I don't like them much (я его: «их» не особенно люблю). Of course there are some in the office (конечно, в офисе есть какое-то)."

"I'd like to see one of them (я хотел бы увидеть одно из них)," the Lieutenant said (сказал лейтенант). "You don't happen to have one here (у вас случайно здесь нет какого-нибудь /оружия/)?"

"No (нет)."

"You sure of that (вы уверены в этом)?"

"Look around (посмотрите /вокруг/)." Spade smiled and waved his empty glass a little (Спейд улыбнулся и слегка махнул своим пустым фужером). "Turn the dump upside-down if you want (переверните свалку сверху донизу, если вы хотите). I won't squawk (я не буду возражать; *to squawk* — пронзительно кричать, громко жаловаться) — if you've got a search-warrant (если у вас есть ордер на обыск; *to search* — искать, обыскивать)."

Tom protested (Том запротестовал): "Oh, hell, Sam (о, черт возьми, Сэм)!"

course [k0:s] waved [weɪvd] squawk [skw0:k]

"None. I don't like them much. Of course there are some in the office."

"I'd like to see one of them," the Lieutenant said. "You don't happen to have one here?"

"No."

"You sure of that?"

"Look around." Spade smiled and waved his empty glass a little. "Turn the dump upside-down if you want. I won't squawk — if you've got a search-warrant."

Tom protested: "Oh, hell, Sam!"

Spade set his glass on the table (Спейд поставил фужер на стол) and stood up facing the Lieutenant (и встал перед: «лицом к» лейтенантом). "What do you want, Dundy (что вы хотите, Данди)?" he asked in a voice hard and cold as his eyes (спросил он таким же жестким и холодным голосом, как и его глаза).

Lieutenant Dundy's eyes had moved (глаза лейтенанта Данди передвинулись) to maintain their focus on Spade's (чтобы поддерживать свой фокус на глазах Спейда). Only his eyes had moved (двинулись только его глаза). Tom shifted his weight on the sofa again (Том поерзал всем телом: «сдвинул свой вес» снова на диване), blew a deep breath out through his nose (выдохнул глубоко через нос; *breath* — *дыхание, вздох*), and growled plaintively (и жалобно простонал): "We're not wanting to make army trouble, Sam (мы не хотим вооруженного конфликта, Сэм!)."

maintain [meɪn'teɪn] plaintively ['pleɪntɪvli] trouble [trʌb(q)l]

Spade set his glass on the table and stood up facing the Lieutenant. "What do you want, Dundy?" he asked in a voice hard and cold as his eyes.

Lieutenant Dundy's eyes had moved to maintain their focus on Spade's. Only his eyes had moved. Tom shifted his weight on the sofa again, blew a deep breath out through his nose, and growled plaintively: "We're not wanting to make army trouble, Sam."

Spade, ignoring Tom, said to Dundy (Спейд, игнорируя Тома, сказал Данди): "Well, what do you want (ну, что вы хотите)? Talk turkey (говорите прямо; *turkey* — индюк, индейка). Who in hell do you think you are (кто, черт возьми, вы такой: «вы думаете, вы есть»), coming in here trying to rope me (придя сюда и пытаясь заарканить меня; *to rope* — связывать, заманивать)?"

"All right (хорошо)," Dundy said in his chest (сказал Данди низким грудным голосом; *chest* — ящик, сундук; *грудная клетка*), "sit down and listen (садитесь и слушайте)."

"I'll sit or stand as I damned please (я буду сидеть или стоять, как мне, к черту, нравится)," said Spade, not moving (сказал Спейд, не двигаясь).

"For Christ's sake be reasonable (ради Христа, будь разумным)," Toni begged (попросил Том).

ignore [lg'n0:] moving ['mu:viN] reasonable ['ri:z(q)nqb(q)l]

Spade, ignoring Tom, said to Dundy: "Well, what do you want? Talk turkey. Who in hell do you think you are, coming in here trying to rope me?"

"All right," Dundy said in his chest, "sit down and listen."

"I'll sit or stand as I damned please," said Spade, not moving.

"For Christ's sake be reasonable," Toni begged.

"What's the use of us having a row (какая польза, если мы будем ссориться; *row* — шум, гвалт, спор)? If you want to know why we didn't talk turkey (если ты хочешь знать, почему мы не говорили начистоту) it's because when I asked you who this Thursby was (это потому, что, когда я спросил тебя, кто этот Терсби) you as good as told me it was none of my business (ты, в сущности, сказал мне, что это не мое дело). You can't treat us that way, Sam (ты не можешь так обращаться с нами, Сэм). It ain't right

(это не правильно) and it won't get you anywhere (и не приведет тебя никуда; *to get anywhere* — *продвинуться, добиться успеха*). We got our work to do (мы должны делать нашу работу)."

Lieutenant Dundy jumped up (лейтенант Данди вскочил), stood close to Spade (стал близко к Спейду), and thrust his square face up (и выставил свое квадратное лицо вверх) at the taller man's (к лицу более высокого человека). "I've warned you (я предупредил вас) your foot was going to slip one of these days (что вы поскользнетесь в один прекрасный день: «ваша нога должна была скользнуть в один из этих дней»)," he said (сказал он).

Lieutenant Dundy jumped up, stood close to Spade, and thrust his square face up at the taller man's. "I've warned you your foot was going to slip one of these days," he said.

Spade made a depreciative mouth (Спейд пренебрежительно скривил рот: «сделал презрительный рот»), raising his eyebrows (подняв /свои/ брови). "Everybody's foot slips sometime (каждый когда-нибудь поскользывается: «нога каждого иногда скользит»)," he replied with derisive mildness (ответил он с иронической кротостью).

"And this is yours (вот вы и поскользнулись: «и это ваша /нога/»)." "

Spade smiled and shook his head (Спейд улыбнулся и покачал своей головой). "No, I'll do nicely, thank you (нет, у меня будет все хорошо, спасибо)." He stopped smiling (он перестал улыбаться). His upper lip, on

the left side, twitched over his eyetooth (его верхняя губа, с левой стороны, подергивалась над его верхним клыком: «глазным зубом»). His eyes became narrow and sultry (его глаза стали узкими и разъяренными; *sultry* — *злойный, страстный*). His voice came out deep as the Lieutenant's (его голос исходил также глубоко /из грудной клетки/, как и у лейтенанта). "I don't like this (мне это не нравится). What are you sucking around for (что вы тут высасываете)? Tell me, or get out (скажите мне, или убирайтесь) and let me go to bed (и позвольте мне лечь спать: «дайте мне идти в постель»)."

depreciative [dl'pri:Slɛltɪv] mildness ['maldnɪs] sultry ['sʌltrɪ]

Spade made a depreciative mouth, raising his eyebrows. "Everybody's foot slips sometime," he replied with derisive mildness.

"And this is yours."

Spade smiled and shook his head. "No, I'll do nicely, thank you." He stopped smiling. His upper lip, on the left side, twitched over his eyetooth. His eyes became narrow and sultry. His voice came out deep as the Lieutenant's. "I don't like this. What are you sucking around for? Tell me, or get out and let me go to bed."

"Who's Thursby (кто такой Терсби)?" Dundy demanded (спросил Данди).

"I told Tom what I knew about him (я сказал Тому все, что знал о нем)."

"You told Tom damned little (вы сказали Тому чертовски мало)."

"I knew damned little (я знал чертовски мало)."

"Why were you tailing him (почему вы следили за ним)?"

"I wasn't (не я). Miles was (Майлз) — for the swell reason (по тому шикарному поводу) that we had a client (что у нас был клиент) who was

paying good United States money (который платил хорошие деньги Соединенных Штатов) to have him tailed (чтобы выследить его)."

swell [swel] client ['kɪlənt] money ['mʌni]

"Who's Thursby?" Dundy demanded.

"I told Tom what I knew about him."

"You told Tom damned little."

"I knew damned little."

"Why were you tailing him?"

"I wasn't. Miles was — for the swell reason that we had a client who was paying good United States money to have him tailed."

"Who's the client (кто клиент)?"

Placidity came back to Spade's face and voice (спокойствие снова вернулось на лицо и голос Спейда). He said reprovingly (он с осуждением сказал; *to reprove* — *упрекать, винить*): "You know I can't tell you that (вы же знаете, что я не могу вам сказать это) until I've talked it over with the client (пока не поговорю об этом с моим клиентом)."

"You'll tell it to me (вы скажете это мне) or you'll tell it in court (или вы скажете это в суде)," Dundy said hotly (сказал Данди горячо). "This is murder and don't you forget it (это убийство, и не забывайте об этом)."

"Maybe (может быть). And here's something for you to not forget, sweetheart (и есть кое-что для вас, чтобы вы не забывали, дорогой). I'll tell it or not as I damned please (я скажу это или не скажу, как мне, к черту, заблагорассудится). It's a long while since (прошло много времени с тех пор) I burst out crying (как я заливался слезами) because policemen didn't like me (из-за того, что полицейские меня не любят)."

placidity [plə'sɪdɪti] reprovingly [rɪ'pruːvɪŋli] court [kɔ:t]

"Who's the client?"

**Placidity came back to Spade's face and voice. He said reprovingly:
"You know I can't tell you that until I've talked it over with the client."**

"You'll tell it to me or you'll tell it in court," Dundy said hotly. "This is murder and don't you forget it."

"Maybe. And here's something for you to not forget, sweetheart. I'll tell it or not as I damned please. It's a long while since I burst out crying because policemen didn't like me."

Tom left the sofa (Том встал с дивана: «оставил диван») and sat on the foot of the bed (и сел у ножки кровати). His carelessly shaven mud-smeared face (его небрежно выбритое лицо в пятнах грязи) was tired and lined (было уставшим и морщинистым). "Be reasonable, Sam (будь разумным, Сэм)," he pleaded (просил он; *to plead* — *выступить в суде; молить*). "Give us a chance (дай нам шанс). How can we turn up anything on Miles's killing (как мы можем выяснить что-нибудь по убийству Майлза) if you won't give us what you've got (если ты не дашь нам, то, что ты знаешь: «что у тебя есть»)?"

"You needn't get a headache over that (у вас не должна болеть голова по этому поводу)," Spade told him (сказал ему Спейд). "I'll bury my dead (я сам похороню своего покойника)."

Lieutenant Dundy sat down and put his hands on his knees again (лейтенант Данди сел и снова положил руки на свои колени). His eyes were warm green discs (его глаза были теплыми зелеными дисками). "I thought you would (я думал, вы будете = я так и думал, что вы сами похороните)," he said. He smiled with grim content (он улыбнулся с мрачным удовлетворением).

shaven ['selv(q)n] smear [smlq] headache ['hedeɪk]

Tom left the sofa and sat on the foot of the bed. His carelessly shaven mud-smeared face was tired and lined. "Be reasonable, Sam," he pleaded. "Give us a chance. How can we turn up anything on Miles's killing if you won't give us what you've got?"

"You needn't get a headache over that," Spade told him. "I'll bury my dead."

Lieutenant Dundy sat down and put his hands on his knees again. His eyes were warm green discs. "I thought you would," he said. He smiled with grim content.

"That's just exactly why we came to see you (это именно то, почему мы к вам пришли). Isn't it, Tom (не так ли, Том)?"

Tom groaned, but said nothing articulate (Том застонал, но не сказал ничего членораздельного). Spade watched Dundy warily (Спейд осторожно смотрел на Данди).

"That's just exactly what I said to Tom (это именно то, что я сказал Тому)," the Lieutenant went on (продолжал лейтенант). "I said: 'Tom, I've got a hunch (Том, у меня подозрение; *hunch* — горб; интуиция, *подозрение*) that Sam Spade's a man (что Сэм Спейд — это человек) to keep the family troubles in the family (который держит семейные проблемы в семье).' Tom groaned, but said nothing articulate. Spade watched Dundy warily.

"That's just exactly what I said to Tom," the Lieutenant went on. "I said: 'Tom, I've got a hunch that Sam Spade's a man to keep the family troubles in the family.' That's just what I said to him."

The wariness went out of Spade's eyes (осторожность ушла из взгляда: «глаз» Спейда). He made his eyes dull with boredom (его глаза стали вялыми от скуки: «он сделал свои глаза скучными от тоски»). He turned his face around to Tom (он повернул свое лицо к Тому) and asked with great carelessness (и спросил с большой беззаботностью/безразличием): "What's itching your boy-friend now (что сейчас зудит у твоего друга)?"

Dundy jumped up (Данди вскочил) and tapped Spade's chest with the ends of two bent fingers (и постучал по груди Спейда кончиками двух согнутых пальцев). "Just this (только это)," he said, taking pains to make each word distinct (стараясь сделать каждое слово отчетливым; *to take pains* — *прилагать все усилия*), emphasizing them with his tapping finger-ends (подчеркивая их стуком кончиков своих пальцев): "Thursby was shot down (Терсби был застрелен) in front of his hotel (перед своим отелем) just thirty-five minutes after you left Burritt Street (как раз через тридцать пять минут после того, как вы покинули Баррит-стрит)."

Spade spoke (Спейд сказал), taking equal pains with his words (прилагая такие же усилия к своим словам): "Keep your Goddamned paws off me (уберите/держите подальше от меня свои проклятые лапы)."

itching ['ItSIN] emphasizing ['emfqsalzIN] paw [p0:]

The wariness went out of Spade's eyes. He made his eyes dull with boredom. He turned his face around to Tom and asked with great carelessness: "What's itching your boy-friend now?"

Dundy jumped up and tapped Spade's chest with the ends of two bent fingers. "Just this," he said, taking pains to make each word distinct, emphasizing them with his tapping finger-ends: "Thursby was shot down in front of his hotel just thirty-five minutes after you left Burritt Street."

Spade spoke, taking equal pains with his words: "Keep your Goddamned paws off me."

Dundy withdrew the tapping fingers (Данди отдернул свои стучащие пальцы), but there was no change in his voice (но его голос не изменился: «в его голосе не было изменения»): "Tom says you were in too much of a hurry (Том говорит, что вы слишком торопились) to even stop for a look at your partner (даже для того, чтобы задержаться и посмотреть на своего компаньона)."

Tom growled apologetically (Том извиняющимся голосом проворчал): "Well, damn it, Sam, you did run off like that (да, черт побери, Сэм, ты же убежал так)."

"And you didn't go to Archer's house (и вы не ездили к дому Арчера) to tell his wife (чтобы рассказать его жене)," the Lieutenant said. "We called up and that girl in your office was there (мы позвонили, и эта девушка в вашем офисе была там), and she said you sent her (и она сказала, что вы послали ее)."

Spade nodded (Спейд кивнул). His face was stupid in its calmness (его лицо было глупым в своем спокойствии).

"And you didn't go to Archer's house to tell his wife," the Lieutenant said. "We called up and that girl in your office was there, and she said you sent her."

Spade nodded. His face was stupid in its calmness.

Lieutenant Dundy raised his two bent fingers (лейтенант Данди поднял свои два согнутых пальца) towards Spade's chest (/по направлению/ к груди Спейда), quickly lowered them, and said (быстро опустил их и сказал): "I give you ten minutes (я даю вам десять минут) to get to a phone (чтобы добраться до телефона) and do your talking to the girl (и поговорить с девушкой). I give you ten minutes to get to Thursby's joint (я даю вам десять минут, чтобы добраться до дома Терсби; *joint* — место соединения; заведение, помещение) — Geary near Leavenworth (Гири-стрит недалеко от Левенворта) — you could do it easy in that time (вы могли бы сделать это легко за это время), or fifteen at the most (или пятнадцать самое большее). And that gives you ten or fifteen minutes of waiting (и это дает вам десять или пятнадцать минут ожидания) before he showed up (прежде чем он появился)."

"I knew where he lived (я знал, где он живет)?" Spade asked (спросил Спейд). "And I knew he hadn't gone straight home from killing Miles (и я знал, что он не пошел прямо домой после убийства Майлза)?"

"I knew where he lived?" Spade asked. "And I knew he hadn't gone straight home from killing Miles?"

"You knew what you knew (вы знали то, что вы знали)," Dundy replied stubbornly (ответил Данди упрямо). "What time did you get home (в котором часу вы пришли домой)?"

"Twenty minutes to four (без двадцати минут четыре). I walked around thinking things over (я бродил и обдумывал все это)."

The Lieutenant wagged his round head up and down (лейтенант покачал своей круглой головой вверх и вниз). "We knew you weren't home at three-thirty (мы знали, что вас не было дома в три тридцать). We tried to get you on the phone (мы пытались достать вас = связаться с вами по телефону). Where'd you do your walking (где вы ходили)?"

Tom said: "No, thanks, Sam (нет, спасибо, Сэм)." Dundy sat down (Данди сел), but paid no attention to his glass of rum (но не обратил ни малейшего внимания на свой фужер с ромом).

Spade filled his own glass (Спейд наполнил свой бокал), drank, set the empty glass on the table (выпил, поставил пустой бокал на стол), and returned to his bedside-seat (и вернулся к своему месту /для сидения/ у кровати). "I know where I stand now (я знаю, как мне сейчас поступить; *to stand* — *стоять, находиться*)," he said, looking with friendly eyes (глядя дружелюбными глазами) from one of the police-detectives to the other (с одного полицейского детектива на другого).

While the Lieutenant hesitated (пока лейтенант колебался) Tom said: "Yes."

bird [bq:d] nervous ['nq:vqs] knock [n0k]

"I'm sorry I got up on my hind legs, but you birds coming in and trying to put the work on me made me nervous. Having Miles knocked off bothered me, and then you birds cracking foxy. That's all right now, though, now that I know what you're up to."

Tom said: "Forget it." The Lieutenant said nothing.

Spade asked: "Thursby died?"

While the Lieutenant hesitated Tom said: "Yes."

Then the Lieutenant said angrily (потом лейтенант сердито сказал): "And you might just as well know it (и вы, наверное, знаете это с таким же успехом) — if you don't (если нет) — that he died before he could tell anybody anything (что он умер, прежде чем смог кому-нибудь что-то сказать)."

Spade was rolling a cigarette (Спейд скручивал сигарету). He asked, not looking up (он спросил, не поднимая взгляда): "What do you mean by that (что вы имеете в виду при этом)? You think I did know it (вы думаете, я знал об этом)?"

"I meant what I said (я имел в виду то, что сказал)," Dundy replied bluntly (ответил Данди резко; *blunt* — тупой; грубоватый).

die [daɪ] ask [Q:sk] bluntly ['blʌntli]

Then the Lieutenant said angrily: "And you might just as well know it — if you don't — that he died before he could tell anybody anything."

Spade was rolling a cigarette. He asked, not looking up: "What do you mean by that? You think I did know it?"

"I meant what I said," Dundy replied bluntly.

Spade looked up at him and smiled (Спейд взглянул на него и улыбнулся), holding the finished cigarette in one hand (держа скрученную: «законченную» сигарету в одной руке), his lighter in the other (свою зажигалку в другой). "You're not ready to pinch me yet, are you, Dundy (вы сейчас не готовы сцапать меня, не так ли, Данди; *to pinch* — ущипнуть, сжать)?" he asked (спросил он). Dundy looked with hard green eyes at Spade (Данди посмотрел жесткими зелеными глазами на Спейда) and did not answer him (и не ответил ему).

"Then (тогда)," said Spade, "there's no particular reason (нет никаких особых оснований) why I should give a damn what you think (почему я должен обращать внимание на то, что вы думаете; *damn* — проклятие, ругательство, *to give a damn* — наплевать на что-либо), is there, Dundy (не так ли: «имеется /ли основание, причина/», Данди)?"

Spade looked up at him and smiled, holding the finished cigarette in one hand, his lighter in the other. "You're not ready to pinch me yet, are

you, Dundy?" he asked. Dundy looked with hard green eyes at Spade and did not answer him.

"Then," said Spade, "there's no particular reason why I should give a damn what you think, is there, Dundy?"

Tom said: "Aw, be reasonable, Sam (о, будь разумным, Сэм)."

Spade put the cigarette in his mouth (Спейд сунул сигарету в рот), set fire to it (зажег ее), and laughed smoke out (и со смехом выпустил дым). "I'll be reasonable, Tom (я буду разумным, Том)," he promised (пообещал он). "How did I kill this Thursby (как я убил этого Терсби)? I've forgotten (я забыл)."

Tom grunted in disgust (Том что-то прмычал с отвращением; *to grunt* — *хрюкать; ворчать, бормотать*). Lieutenant Dundy said: "He was shot four times in the back (ему всадили четыре пули в спину; *to shoot (shot)* — *стрелять, производить выстрел, поразить; time* — *время, раз, случай*), with a forty-four or forty-five (из пистолета 44 или 45 калибра), from across the street (через улицу), when he started to go in the hotel (когда он собирался войти: «начал входить» в гостиницу). Nobody saw it (никто не видел этого), but that's the way it figures (но это именно так, как это представляется = как это, видимо, произошло)."

Tom said: "Aw, be reasonable, Sam."

Spade put the cigarette in his mouth, set fire to it, and laughed smoke out. "I'll be reasonable, Tom," he promised. "How did I kill this Thursby? I've forgotten."

Tom grunted in disgust. Lieutenant Dundy said: "He was shot four times in the back, with a forty-four or forty-five, from across the street,

when he started to go in the hotel. Nobody saw it, but that's the way it figures."

"And he was wearing a Luger (и у него был «Люгер»; *to wear* — *быть одетым, носить*) in a shoulder-holster (в наплечной кобуре)," Tom added (добавил Том). "It hadn't been fired (из него не стреляли)."

"What do the hotel-people know about him (что знают о нем люди из гостиницы)?" Spade asked (спросил Спейд).

"Nothing except that he'd been there a week (ничего, за исключением того, что он пробыл там неделю)."

"Alone (один)?"

"Alone."

"What did you find on him (что вы нашли на нем)? or in his room (или в его комнате)?"

"And he was wearing a Luger in a shoulder-holster," Tom added. "It hadn't been fired."

"What do the hotel-people know about him?" Spade asked.

"Nothing except that he'd been there a week."

"Alone?"

"Alone."

"What did you find on him? or in his room?"

Dundy drew his lips in and asked (Данди втянул губы и спросил): "What'd you think we'd find (что, вы думали, мы найдем)?"

Spade made a careless circle with his limp cigarette (Спейд сделал беззаботное движение своей самокруткой: «мягкой сигаретой»; *circle* — *круг, кольцо, сфера*). "Something to tell you who he was (что-нибудь, что

сказало бы вам, кто он был), what his story was (какая его история). Did you (так вы /нашли/)?"

"We thought you could tell us that (мы думали, вы могли сказать нам это)."

Spade looked at the Lieutenant with yellow-grey eyes (Спейд посмотрел на лейтенанта желто-серыми глазами) that held an almost exaggerated amount of candor (в которых было почти невероятное количество искренности; *exaggerated* — *преувеличенный*). "I've never seen Thursby, dead or alive (я никогда не видел Терсби, мертвого или живого)."

Dundy drew his lips in and asked: "What'd you think we'd find?"

Spade made a careless circle with his limp cigarette. "Something to tell you who he was, what his story was. Did you?"

"We thought you could tell us that."

Spade looked at the Lieutenant with yellow-grey eyes that held an almost exaggerated amount of candor. "I've never seen Thursby, dead or alive."

Lieutenant Dundy stood up looking dissatisfied (лейтенант Данди встал, выглядя неудовлетворенным). Tom rose yawning and stretching (Том встал, зевая и потягиваясь). "We've asked what we came to ask (мы спросили то, что мы пришли спросить)," Dundy said, frowning over eyes hard as green pebbles (нахмурившись над глазами, твердыми, как зеленая галька). He held his mustached upper lip tight to his teeth (он плотно прижал верхнюю губу с усами к зубам: «держал свою верхнюю усатую губу близко к своим зубам»), letting his lower lip push the words out (предоставив своей нижней губе выталкивать слова). "We've told you more than you've told us (мы сказали вам больше, чем вы сказали нам).

That's fair enough (это достаточно честно). You know me, Spade (вы меня знаете, Спейд). If you did or you didn't (если вы /это/ сделали или не сделали = сделали вы это или нет) you'll get a square deal out of me (я буду вести с вами честную игру: «вы получите честную сделку от меня»), and most of the breaks (и /получите/ достаточно шансов; *break* — пролом, перерыв, /зд. амер. разг./ шанс, счастливый случай). I don't know that I'd blame you a hell of a lot (я не думаю, что я буду вас чертовски много обвинять) — but that wouldn't keep me from nailing you (но это не удержит меня от того, чтобы вас поймать: «пригвоздить»; *to nail* — приколачивать, пригвождать, сл. сцанать, сгрести)."

"Fair enough (достаточно честно)," Spade replied evenly (ответил Спейд невозмутимо). "But I'd feel better about it (но я бы чувствовал себя лучше) if you'd drink your drink (если бы вы допили вашу выпивку)."

Lieutenant Dundy turned to the table (лейтенант Данди повернулся к столу), picked up his glass (поднял свой стакан), and slowly emptied it (и медленно опустошил его). Then he said (потом он сказал), "Good night (спокойной ночи)," and held out his hand (и протянул руку). They shook hands ceremoniously (они церемонно пожали руки; *to shake* (*shook*,

shaken) — *трясти, дрожать*). Tom and Spade shook hands ceremoniously (Том и Спейд церемонно пожали руки). Spade let them out (Спейд выпустил = проводил их). Then he undressed (потом он разделся), turned off the lights (выключил свет), and went to bed (и лег спать: «пошел в постель»).

Lieutenant Dundy turned to the table, picked up his glass, and slowly emptied it. Then he said, "Good night," and held out his hand. They shook hands ceremoniously. Tom and Spade shook hands ceremoniously. Spade let them out. Then he undressed, turned off the lights, and went to bed.

III. Three Women

(Три женщины)

When Spade reached his office at ten o'clock the following morning (когда Спейд добрался до своего офиса в десять часов на следующее утро) Effie Perine was at her desk opening the morning's mail (Эффи Пирайн была за своим столом, открывая утреннюю почту). Her boyish face was pale under its sunburn (ее мальчишеское лицо было бледным под /своим/ загаром). She put down the handful of envelopes (она положила /на стол/ кучу конвертов; *handful* — *горсть, пригоршня*) and the brass paper-knife she held (и медный нож для бумаги, который она держала) and said (и сказала): "She's in there (она там)." Her voice was low and warning (ее голос был тихим и предупреждающим).

"I asked you to keep her away (я же просил тебя держать ее подальше)," Spade complained (выразил неудовольствие Спейд; *to complain* — жаловаться, выразить недовольство). He too kept his voice low (он тоже говорил тихо: «держал свой голос тихим»).

mail [meɪl] pale [peɪl] warning ['wɔ:nɪŋ]

When Spade reached his office at ten o'clock the following morning Effie Perine was at her desk opening the morning's mail. Her boyish face was pale under its sunburn. She put down the handful of envelopes and the brass paper-knife she held and said: "She's in there." Her voice was low and warning.

"I asked you to keep her away," Spade complained. He too kept his voice low.

Effie Perine's brown eyes opened wide (карие глаза Эффи Пирайн широко открылись) and her voice was irritable as his (и ее голос был таким же раздражительным, как и его): "Yes, but you didn't tell me how (да, но ты не сказал мне, как)." Her eyelids went together a little (ее веки немного прищурились: «сошлись вместе») and her shoulders drooped (и ее плечи поникли). "Don't be cranky, Sam (не злись, Сэм; *cranky* — расшатанный, раздраженный, капризный)," she said wearily (сказала она устало). "I had her all night (я с ней всю ночь)."

Spade stood beside the girl (Спейд встал рядом с девушкой), put a hand on her head (положил руку ей на голову), and smoothed her hair away from its parting (и погладил ее волосы от пробора). "Sorry, angel, I haven't (извини, ангел, я не) —" He broke off as the inner door opened (он перестал: «оборвал», когда внутренняя дверь открылась). "Hello, Iva (привет, Ива)," he said to the woman who had opened it (сказал он женщине, которая открыла ее).

eyelid ['aɪlɪd] cranky ['krʌŋki] beside [bɪ'saɪd]

Effie Perine's brown eyes opened wide and her voice was irritable as his: "Yes, but you didn't tell me how." Her eyelids went together a little and her shoulders drooped. "Don't be cranky, Sam," she said wearily. "I had her all night."

Spade stood beside the girl, put a hand on her head, and smoothed her hair away from its parting. "Sorry, angel, I haven't — " He broke off as the inner door opened. "Hello, Iva," he said to the woman who had opened it.

"Oh, Sam (о, Сэм)!" she said (сказала она). She was a blonde woman (она была светловолосой женщиной) of a few more years than thirty (немного старше тридцати лет; *year* — *год*). Her facial prettiness was perhaps (красота ее лица, вероятно; *facial* — *лицевой*) five years past its best moment (уже прошла лет пять назад: «была на пять лет после своего лучшего момента»; *past* — *прошлый, минувший*). Her body for all its sturdiness (ее тело, несмотря на коренастость; *sturdy* — *сильный, крепкий*) was finely modeled and exquisite (было прекрасно сложено и изящно). She wore black clothes from hat to shoes (на ней была черная одежда от шляпы до туфель). They had as mourning an impromptu air (в качестве траура она выглядела слегка неожиданно: «имела импровизированный вид»). Having spoken (сказав), she stepped back from the door (она отступила от двери) and stood waiting for Spade (и стояла, ожидая Спейда).

He took his hand from Effie Perine's head (он убрал свою руку с головы Эффи Пирайн) and entered the inner office (и вошел во внутренний офис), shutting the door (закрывая дверь).

facial ['feɪs(q)l] exquisite [ɪk'skwɪzɪt, 'ɛkskwɪzɪt]

impromptu [Im'prɒmptju:]

"Oh, Sam!" she said. She was a blonde woman of a few more years than thirty. Her facial prettiness was perhaps five years past its best moment. Her body for all its sturdiness was finely modeled and exquisite. She wore black clothes from hat to shoes. They had as mourning an impromptu air. Having spoken, she stepped back from the door and stood waiting for Spade.

He took his hand from Effie Perine's head and entered the inner office, shutting the door.

Iva came quickly to him (Ива быстро подошла к нему), raising her sad face for his kiss (подставляя: «поднимая» свое печальное лицо для его поцелуя). Her arms were around him (ее руки обвили его: «были вокруг него») before he held her (прежде, чем его руки обняли: «поддержали» ее). When they had kissed (когда они поцеловались) he made a little movement (он сделал небольшое движение) as if to release her (словно чтобы освободить ее), but she pressed her face to his chest (но он прижала свое лицо к его груди) and began sobbing (и начала всхлипывать).

He stroked her round back, saying (он гладил ее по округлой спине, говоря): "Poor darling (бедняжка)." His voice was tender (его голос был нежным). His eyes (его глаза), squinting at the desk (укладкой смотревшие на стол) that had been his partner's (который был /столом/ его компаньона), across the room from his own (на другом конце комнаты от его /стола/; *own* — *свой собственный*), were angry (были сердитыми).

movement ['mu:vmənt] release [rɪ'li:s] squinting ['skwɪntɪŋ]

Iva came quickly to him, raising her sad face for his kiss. Her arms were around him before he held her. When they had kissed he made a

little movement as if to release her, but she pressed her face to his chest and began sobbing.

He stroked her round back, saying: "Poor darling." His voice was tender. His eyes, squinting at the desk that had been his partner's, across the room from his own, were angry.

He drew his lips back over his teeth (он прижал губы к зубам; *to draw back* — *отодвигать, оттягивать*) in an impatient grimace (в нетерпеливой гримасе) and turned his chin aside (и отвернул подбородок в сторону) to avoid contact with the crown of her hat (чтобы избежать соприкосновения: «контакта» с верхушкой ее шляпы; *crown* — *корона, венец*). "Did you send for Miles's brother (ты послала за братом Майлза)?" he asked (спросил он).

"Yes, he came over this morning (да, он заходил этим утром)." The words were blurred (слова были размазаны) by her sobbing (ее всхлипыванием) and his coat against her mouth (и его пиджаком/пальто у ее рта; *against* — *против, напротив*).

impatient [ɪmˈpeɪs(q)nt] crown [kraʋn] brother ['brʌðə]

He drew his lips back over his teeth in an impatient grimace and turned his chin aside to avoid contact with the crown of her hat. "Did you send for Miles's brother?" he asked.

"Yes, he came over this morning." The words were blurred by her sobbing and his coat against her mouth.

He grimaced again (он соорил гримасу снова) and bent his head (и наклонил голову) for a surreptitious look (для взгляда исподтишка) at the watch on his wrist (на часы на запястье). His left arm was around her (его левая рука обнимала ее: «была вокруг нее»), the hand on her left shoulder

(ладонь /лежала/ на ее левом плече). His cuff was pulled back far enough (/его/ манжета была оттянута назад достаточно далеко) to leave the watch uncovered (чтобы оставить часы неприкрытыми). It showed ten-ten (они показывали десять /часов/ десять /минут/).

The woman stirred in his arms (женщина пошевелилась в его объятиях: «руках») and raised her face again (и снова подняла лицо). Her blue eyes were wet (ее голубые глаза были влажными), round, and white-ringed (круглыми и широко распахнутыми: «с белком глаза, окружающим зрачок»). Her mouth was moist (ее рот был влажным). "Oh, Sam," she moaned (простонала она), "did you kill him (его убил ты)?"

grimace [grɪ'meɪs] surreptitious [ˈsʌrqp'tɪʃs] cuff [kʌf]

He grimaced again and bent his head for a surreptitious look at the watch on his wrist. His left arm was around her, the hand on her left shoulder. His cuff was pulled back far enough to leave the watch uncovered. It showed ten-ten.

The woman stirred in his arms and raised her face again. Her blue eyes were wet, round, and white-ringed. Her mouth was moist. "Oh, Sam," she moaned, "did you kill him?"

Spade stared at her with bulging eyes (Спейд уставился на нее выпученными глазами; *to bulge* — выдаваться, выпячиваться, оттопыриваться). His bony jaw fell down (его костлявая челюсть упала). He took his arms from her and stepped back out of her arms (он убрал свои руки /с нее/ и отступил из ее объятий). He scowled at her (он сердито посмотрел на нее) and cleared his throat (и прочистил горло). She held her arms up (она подняла руки) as he had left them (когда он отпустил их). Anguish clouded her eyes (боль/тоска затуманила ее глаза; *to cloud* — покрывать облаками, омрачать), partly closed them (частично закрыла

их) under eyebrows pulled up at the inner ends (под бровями, поднятыми у внутренних концов; *to pull* — *тянуть, тащить, натягивать*). Her soft damp red lips trembled (ее мягкие, влажные, красные губы дрожали).

Spade laughed a harsh syllable (Спейд засмеялся резким смешком; *syllable* — *слог, звук*), "Ha (ха)!" and went to the buff-curtained window (и пошел к окну, занавешенному темно-желтыми шторами).

bulging ['bʌldʒɪn] anguish ['ʌŋɡwɪʃ] syllable ['sɪləb(ə)l]

Spade stared at her with bulging eyes. His bony jaw fell down. He took his arms from her and stepped back out of her arms. He scowled at her and cleared his throat. She held her arms up as he had left them. Anguish clouded her eyes, partly closed them under eyebrows pulled up at the inner ends. Her soft damp red lips trembled.

Spade laughed a harsh syllable, "Ha!" and went to the buff-curtained window.

He stood there (он стоял там) with his back to her (спиной к ней) looking through the curtain into the court (глядя через занавески во двор) until she started towards him (пока он не направилась к нему). Then he turned quickly (потом он быстро обернулся) and went to his desk (и пошел к своему столу). He sat down, put his elbows on the desk (он сел, положил локти на стол), his chin between his fists (/свой/ подбородок между /своих/ кулаков), and looked at her (и посмотрел на нее). His yellowish eyes glittered between narrowed lids (его желтоватые глаза блестели между суженных век). "Who (кто)," he asked coldly (холодно спросил он), "put that bright idea in your head (вложил эту светлую/яркую идею в твою голову)?"

"I thought (я думала) —" She lifted a hand to her mouth (она подняла ладонь к /своему/ рту) and fresh tears came to her eyes (и слезы снова подступили к ее глазам; *fresh* — *свежий*).

curtain ['kq:tn] court [k0:t] elbow ['elbqV]

He stood there with his back to her looking through the curtain into the court until she started towards him. Then he turned quickly and went to his desk. He sat down, put his elbows on the desk, his chin between his fists, and looked at her. His yellowish eyes glittered between narrowed lids. "Who," he asked coldly, "put that bright idea in your head?"

"I thought — " She lifted a hand to her mouth and fresh tears came to her eyes.

She came to stand beside the desk (она подошла, чтобы встать рядом со столом), moving with easy surefooted grace (двигаясь с простой уверенной грацией; *surefooted* — *твердо стоящий на ногах*; *sure* — *уверенный*) in black slippers (в черных туфлях-лодочках) whose smallness and heel-height were extreme (чья маленькие размеры и высота каблуков были исключительными; *extreme* — *крайний, экстремальный*). "Be kind to me, Sam (будь добр ко мне, Сэм)," she said humbly (сказала он кротко).

He laughed at her (он засмеялся, глядя на нее), his eyes still glittering (его глаза все еще блестели). "You killed my husband, Sam (ты убил моего мужа, Сэм), be kind to me (будь добр ко мне)." He clapped his palms together and said (он хлопнул ладонями и сказал; *together* — *вместе, воедино, одновременно*): "Jesus Christ (Бог ты мой)."

She began to cry audibly (она начала плакать громко; *audibly* — *слышно, вслух*), holding a white handkerchief to her face (держала белый носовой платок у лица). He got up and stood close behind her (он поднялся и встал близко за ней = за ее спиной).

sure-footed [ˈSVq'fVtId] extreme [Ik'stri:m] audibly ['O:dlɪl]

She came to stand beside the desk, moving with easy surefooted grace in black slippers whose smallness and heel-height were extreme. "Be kind to me, Sam," she said humbly.

He laughed at her, his eyes still glittering. "You killed my husband, Sam, be kind to me." He clapped his palms together and said: "Jesus Christ."

She began to cry audibly, holding a white handkerchief to her face. He got up and stood close behind her.

He put his arms around her (он обнял ее: «положил свои руки вокруг нее»). He kissed her neck between ear and coat-collar (он поцеловал ее шею между ухом и воротником пальто). He said: "Now, Iva, don't (ну, Ива, перестань)." His face was expressionless (его лицо было невыразительным). When she had stopped crying (когда она перестала плакать) he put his mouth to her ear and murmured (он приложил свой рот к ее уху и прошептал): "You shouldn't have come here today, precious (ты не должна была сюда приходить сегодня, дорогая). It wasn't wise (это было неблагоприятно: «это не было мудро»). You can't stay (ты не можешь остаться). You ought to be home (ты должна быть дома)."

She turned around in his arms to face him (она повернулась в его объятиях, чтобы смотреть ему в лицо) and asked (и спросила): "You'll come tonight (ты придешь сегодня вечером)?"

He shook his head gently (он мягко покачал головой). "Not tonight (не сегодня /вечером/)."

expressionless [Ik'spreʃ(q)nlqs] wise [waɪz] tonight [tɒ'naɪt]

He put his arms around her. He kissed her neck between ear and coat-collar. He said: "Now, Iva, don't." His face was expressionless. When she had stopped crying he put his mouth to her ear and murmured: "You shouldn't have come here today, precious. It wasn't wise. You can't stay. You ought to be home."

She turned around in his arms to face him and asked: "You'll come tonight?"

He shook his head gently. "Not tonight."

"Soon (скоро)?"

"Yes."

"How soon (как скоро)?"

"As soon as I can (как только смогу: «так скоро, как смогу»)."

He kissed her mouth (он поцеловал ее рот), led her to the door (проводил ее к двери), opened it, said (открыл ее, сказал), "Goodbye, Iva (до свидания, Ива)," bowed her out (поклонился ей на прощание), shut the door (закрыл дверь), and returned to his desk (и вернулся к своему столу). He took tobacco and cigarette-papers from his vest-pockets (он достал табак и сигаретную бумагу из карманов жилета), but did not roll a cigarette (но не свернул сигарету). He sat holding the papers in one hand (он сидел, держа бумаги в одной руке), the tobacco in the other (табак в другой), and looked with brooding eyes (и смотрел задумчивыми глазами; *to brood* — *высиживать яйца; размышлять*) at his dead partner's desk (на стол своего мертвого компаньона).

soon [su:n] door [d0:] bowed [baVd]

"Soon?"

"Yes."

"How soon?"

"As soon as I can."

He kissed her mouth, led her to the door, opened it, said, "Goodbye, Iva," bowed her out, shut the door, and returned to his desk. He took tobacco and cigarette-papers from his vest-pockets, but did not roll a cigarette. He sat holding the papers in one hand, the tobacco in the other, and looked with brooding eyes at his dead partner's desk.

Effie Perine opened the door and came in (Эффи Пирайн открыла дверь и вошла). Her brown eyes were uneasy (ее карие глаза были беспокойны). Her voice was careless (ее голос был беззаботным). She asked (она спросила): "Well (ну)?" Spade said nothing (Спейд ничего не сказал). His brooding gaze did not move from his partner's desk (его задумчивый взгляд не двигался со стола компаньона). The girl frowned and came around to his side (девушка нахмурилась и обогнула стол, подойдя к его стороне). "Well (ну)," she asked in a louder voice (спросила она более громким голосом), "how did you and the widow make out (как вы и вдова разобрались = к чему вы пришли; *to make out* — *разобрать; увидеть, различить; справиться*)?"

"She thinks I shot Miles (она думает, что я застрелил Майлза)," he said. Only his lips moved (двигались только его губы).

"So you could marry her (таким образом, ты можешь жениться на ней)?"

brooding ['bru:dɪn] loud [laʊd] voice [vɔɪs]

Effie Perine opened the door and came in. Her brown eyes were uneasy. Her voice was careless. She asked: "Well?" Spade said nothing. His brooding gaze did not move from his partner's desk. The girl frowned and came around to his side. "Well," she asked in a louder voice, "how did you and the widow make out?"

"She thinks I shot Miles," he said. Only his lips moved.

"So you could marry her?"

Spade made no reply to that (Спейд не ответил на это: «не сделал ответа»). The girl took his hat from his head (девушка сняла /его/ шляпу с /его/ головы) and put it on the desk (и положила ее на стол). Then she leaned over (потом она наклонилась) and took the tobacco-sack and the papers from his inert fingers (и взяла мешочек с табаком и бумаги из его инертных пальцев). "The police think I shot Thursby (полиция думает, я застрелил Терсби)," he said.

"Who is he (кто он)?" she asked (спросила она), separating a cigarette-paper from the packet (отделяя сигаретную бумагу из пачки), sifting tobacco into it (насыпая: «просеивая» в нее табак).

"Who do you think I shot (кого, ты думаешь, я застрелил)?" he asked (спросил он). When she ignored that question he said (когда она проигнорировала этот вопрос, он сказал): "Thursby's the guy (Терсби — тот самый парень) Miles was supposed to be tailing (за которым должен был следить Майлз) for the Wonderly girl (для этой девушки Уондерли)."

reply [rɪˈplaɪ] inert [ɪˈnɜːt] separating [ˈsepəreɪtɪŋ]

Spade made no reply to that. The girl took his hat from his head and put it on the desk. Then she leaned over and took the tobacco-sack and the papers from his inert fingers. "The police think I shot Thursby," he said.

"Who is he?" she asked, separating a cigarette-paper from the packet, sifting tobacco into it.

"Who do you think I shot?" he asked. When she ignored that question he said: "Thursby's the guy Miles was supposed to be tailing for the Wonderly girl."

Her thin fingers finished shaping the cigarette (ее тонкие пальцы закончили формировать сигарету). She licked it (она лизнула ее), smoothed it (разгладила ее), twisted its ends (скрутила ее концы), and placed it between Spade's lips (и вложила между губ Спейда; *to place* — *ставит, размещать*). He said, "Thanks, honey (спасибо, милая; *honey* — *мед*)," put an arm around her slim waist (положил руку на ее стройную талию: «вокруг ее стройной талии» = обнял ее за талию), and rested his cheek wearily against her hip (и прислонил устало свою щеку к ее бедру; *to rest* — *отдыхать, покоемся, лежать*), shutting his eyes (закрывая глаза).

"Are you going to marry Iva (ты собираешься жениться на Иве)?" she asked (спросила она), looking down at his pale brown hair (посмотрев вниз на его светло-каштановые волосы; *pale* — *бледный, тусклый*).

"Don't be silly (не глупи)," he muttered (пробормотал он). The unlighted cigarette bobbed up and down (незажженная сигарета качалась вверх и вниз) with the movement of his lips (с движениями его губ).

"Don't be silly," he muttered. The unlighted cigarette bobbed up and down with the movement of his lips.

"She doesn't think it's silly (она не думает, что это глупо). Why should she (почему она должна /так думать/) — the way you've played around with her (то, как ты флиртовал с ней; *to play around* = *to play about* — *забавляться, развратничать*)?"

He sighed and said (он вздохнул и сказал): "I wish to Christ (я искренне хотел бы; *Christ* — *Христос*) I'd never seen her (чтобы я ее никогда не встречал)."

"Maybe you do now (может быть, сейчас ты этого и хочешь; *to do* — *зд. употребляется во избежание повторения глагола*)." A trace of spitefulness came into the girl's voice (примесь злорадства прозвучала: «пришла» в голосе девушки; *trace* — *след, отпечаток*; *spiteful* — *злой, злорадный, язвительный*). "But there was a time (но, было время)."

"I never know what to do or say to women (я никогда не знаю, что делать или говорить женщинам) except that way (за исключением этого способа)," he grumbled (проворчал он), "and then I didn't like Miles (и тогда мне не нравился Майлз)."

"She doesn't think it's silly. Why should she — the way you've played around with her?"

He sighed and said: "I wish to Christ I'd never seen her."

"Maybe you do now." A trace of spitefulness came into the girl's voice. "But there was a time."

"I never know what to do or say to women except that way," he grumbled, "and then I didn't like Miles."

"That's a lie, Sam (это ложь, Сэм)," the girl said (сказала девушка). "You know I think she's a louse (ты знаешь, что я считаю ее паршивкой:

«вошью»), but I'd be a louse too (но я бы тоже была паршивкой) if it would give me a body like hers — (если бы это дало мне такое же тело, как у нее). "

Spade rubbed his face impatiently against her hip (Спейд нетерпеливо потерся лицом о ее бедро), but said nothing (но ничего не сказал). Effie Perine bit her lip (Эффи Пирайн прикусила свою губу), wrinkled her forehead (сморщила лоб), and, bending over for a better view of his face, asked (и нагнувшись, чтобы лучше видеть его лицо, спросила; *to bend (bent)* — *гнуть, сгибать, изгибать*): "Do you suppose she could have killed him (ты считаешь, что она могла убить его)?"

Spade sat up straight (Спейд сел прямо) and took his arm from her waist (и убрал свою руку с ее талии). He smiled at her (он улыбнулся ей). His smile held nothing but amusement (его улыбка не выражала ничего, кроме веселости /от сказанного собеседником/ = его позабавило сказанное; *to hold* — *держать, удерживать*). He took out his lighter, snapped on the flame (он вытащил зажигалку, щелкнул огнем; *to snap* — *хватать, ловить; трещать*), and applied it to the end of his cigarette (и поднес его к концу своей сигареты; *to apply* — *применять, прикладывать*). "You're an angel (ты ангел)," he said tenderly through smoke (сказал он нежно сквозь

дым), "a nice rattle-brained angel (милый, пустоголовый ангел; *rattle* — треск; *трещотка*; *пустомеля*; *brain* — мозг)."

She smiled a bit wryly (она улыбнулась немного криво). "Oh, am I (о, да)? Suppose I told you (предположим, что я сказала тебе) that your Iva hadn't been home many minutes (что твоей Ивы не было дома много минут) when I arrived to break the news (когда я приехала, чтобы сообщить новость) at three o'clock this morning (в три часа этим утром)?"

She smiled a bit wryly. "Oh, am I? Suppose I told you that your Iva hadn't been home many minutes when I arrived to break the news at three o'clock this morning?"

"Are you telling me (так ты говоришь мне)?" he asked (спросил он). His eyes had become alert (его глаза насторожились; *alert* — бдительный, осторожный) though his mouth continued to smile (хотя его рот продолжал улыбаться).

"She kept me waiting at the door (она заставила меня прождать у дверей) while she undressed or finished undressing (пока она разделась или заканчивала раздеваться). I saw her clothes where she had dumped them on a chair (я видела ее одежду, где она ее свалила на стуле). Her hat and coat were underneath (ее шляпа и пальто были там, в самом низу). Her singlette, on top, was still warm (ее комбинация, лежащая сверху, была еще теплой; *top* — верхушка, верхняя часть). She said she had been asleep (она сказала, что она спала), but she hadn't (но она не спала). She had

Spade took the girl's hand and patted it (Спейд взял руку девушки и похлопал ее). "You're a detective, darling, but (ты — детектив, дорогая, но)" — he shook his head (он покачал головой) — "she didn't kill him (она не убивала его)."

Effie Perine snatched her hand away (Эфии Пирайн вырвала руку). "That louse wants to marry you, Sam (эта паршивка хочет выйти за тебя замуж, Сэм)," she said bitterly (сказала она горько). He made an impatient gesture with his head and one hand (он сделал нетерпеливый жест головой и одной рукой). "Uh-huh (угу). He and Tom Polhaus dropped in for a drink at four o'clock (он и Том Полхаус зашли ко мне выпить в четыре часа)."

"Do they really think (они действительно считают) you shot this what's-his-name (что ты застрелил этого, как там его /зовут/; *name* — *имя, фамилия*)?"

"Thursby (Терсби)." He dropped what was left of his cigarette (он бросил то, что осталось от его сигареты) into the brass tray (в медную пепельницу) and began to roll another (и начал скручивать другую).

"Do they (они так считают)?" she insisted (она настаивала).

"God knows (Бог знает)." His eyes were on the cigarette he was making (его взгляд: «глаза» были на сигарете, которую он делал). "They did have some such notion (у них действительно была некая такая идея). I don't know how far I talked them out of it (я не знаю, насколько мне удалось их переубедить в этом: «насколько далеко я их отговорил от этого»)."

"Look at me, Sam (посмотри на меня, Сэм)." He looked at her and laughed (он посмотрел на нее и засмеялся) so that for the moment merriment mingled with the anxiety in her face (так, что на мгновение веселье смешалось с беспокойством в ее лице). Spade went through the St. Mark's long purplish lobby to the desk (Спейд прошел через багрянистый вестибюль /гостиницы/ «Св. Марка» к стойке /регистрации/; *purple* — *пурпур, пурпурный*) and asked a red-haired dandy (и спросил рыжеволосого франта) whether Miss Wonderly was in (на месте ли: «внутри ли» мисс Уондерли). Spade (она расплатилась и выехала этим утром, мистер Спейд; *to check out* — *освободить номер в гостинице*)."

"Thanks (спасибо)."

Spade walked past the desk (Спейд прошел мимо стойки регистрации) to an alcove off the lobby (в отгороженную комнату: «альков», за пределами вестибюля) where a plump young-middle-aged man in dark clothes sat (где сидел пухлый, средних лет /молодой/ человек в темной одежде) at a flat-topped mahogany desk (за столом из красного дерева; *flat-topped* — *с плоской вершиной/поверхностью*).

"Thanks."

Spade walked past the desk to an alcove off the lobby where a plump young-middle-aged man in dark clothes sat at a flat-topped mahogany desk.

On the edge of the desk facing the lobby (на том краю стола, что был обращен к вестибюлю) was a triangular prism (была треугольная призма) of mahogany and brass (из красного дерева и меди) inscribed Mr. Freed (с надписью «мистер Фрид»).

The plump man got up (пухлый мужчина встал) and came around the desk (и прошел вокруг стола) holding out his hand (протягивая руку). "I was awfully sorry to hear about Archer, Spade (мне было ужасно жаль слышать об Арчере, Спейд)," he said in the tone of one (сказал он тоном человека) trained to sympathize readily (который выучен выражать

сочувствие с готовностью) without intrusiveness (/но/ без навязчивости; *intrusive* — навязчивый; *to intrude* — вторгаться; навязывать/ся/). "I've just seen it in the Call (я только что видел это в /газете/ «Колл»). He was in here last night, you know (он был здесь прошлой ночью, вы знаете)."

"Thanks, Freed. Were you talking to him?"

"No (нет). He was sitting in the lobby (он сидел в вестибюле) when I came in early in the evening (когда я вошел, ранним вечером). I didn't stop (я не остановился). Spade stood still, shaking his head (Спейд спокойно стоял, качая головой). "I don't want to show in it (я не хочу там показываться)."

Freed nodded and went out of the alcove (Фрид кивнул и вышел из ниши). In the lobby he halted suddenly (в вестибюле он неожиданно остановился) and came back to Spade (и вернулся назад к Спейду). "Harriman was the house-detective on duty last night (Гарриман был внутренним детективом на дежурстве этой ночью)," he said. "He's sure to have seen Archer (он точно должен был видеть Арчера). His smile brought a fainter smile to her face. Her eyes, of blue that was almost violet, did not lose their troubled look. She lowered her head and said in a hushed, timid voice: "Come in, Mr. Spa de."

She led him past open kitchen-, bathroom-, and bedroom-doors in a cream and red living-room, apologizing for its confusion: "Everything is upside-down. I haven't even finished unpacking."

She laid his hat on a table (она положила его шляпу на стол) and sat down on a walnut settee (и села на небольшой диванчик из орехового дерева; *walnut* — *грецкий орех*). He sat on a brocaded oval-backed chair (он сел на парчовый стул с овальной спинкой) facing her (лицом к ней). She looked at her fingers (она посмотрела на свои пальцы), working them together (шевелия ими), and said: "Mr. Spade, I've a terrible, terrible confession to make (мистер Спейд, я должна сделать ужасное, ужасное признание)." Spade smiled a polite smile (Спейд улыбнулся вежливой улыбкой), which she did not lift her eyes to see (на которую она не подняла глаз, чтобы увидеть /ее/), and said nothing (и ничего не сказала).

"That — that story I told you yesterday was all — a story (та — та история, которую я рассказала вам вчера, была полностью — выдумкой)" she stammered (она запнулась/пробормотала, запинаясь), and looked up at him now (и посмотрела на него /вверх/ теперь) with miserable frightened eyes (жалкими, испуганными глазами).

Spade smiled a polite smile, which she did not lift her eyes to see, and said nothing.

"That — that story I told you yesterday was all — a story," she stammered, and looked up at him now with miserable frightened eyes.

"Oh, that (о, это)," Spade said lightly (сказал Спейд беспечно). "We didn't exactly believe your story (мы не очень-то поверили вашей истории; *exactly — точно, в точности*)."

"Then (тогда) —?" Perplexity was added to the misery and fright in her eyes (недоумение добавилось к страданию и страху в ее глазах).

"We believed your two hundred dollars (мы поверили вашим двумстам долларам)."

"You mean (вы имеете в виду) —?" She seemed to not know what he meant (казалось, она не знала, что он имеет в виду).

"I mean that you paid us more (я имею в виду, что вы заплатили нам больше) than if you'd been telling the truth (чем если бы вы говорили нам правду)," he explained blandly (мягко объяснил он), "and enough more to make it all right (и достаточно больше, чтобы не вызывать возражений)."

"I mean that you paid us more than if you'd been telling the truth," he explained blandly, "and enough more to make it all right."

Her eyes suddenly lighted up (ее глаза вдруг оживились; *to light up* — *зажигать, освещать*). She lifted herself a few inches from the settee (она поднялась на несколько дюймов с диванчика), settled down again (уселась снова), smoothed her skirt (разгладила свою юбку), leaned forward (наклонилась вперед), and spoke eagerly (и сказала нетерпеливо): "And even now you'd be willing to (и даже сейчас вы захотите = будете согласны) —?"

Spade stopped her (Спейд остановил ее) with a palm-up motion of one hand (поднятием ладони одной руки; *motion* — *движение, ход*). The upper part of his face frowned (верхняя часть его лица нахмурилась). The lower part smiled (нижняя часть улыбалась). "That depends (как сказать: «это зависит»)," he said. "That means I'm not supposed to question you about it?"

She nodded shyly (она робко кивнула). He frowned (он нахмурился). She moved his hat a little in her hands (она немного подвигала его шляпу в своих руках). He laughed impatiently and said (он нетерпеливо засмеялся и сказал): "Stop waving the hat in my face (перестаньте махать шляпой

She smiled contritely (она покаянно улыбнулась), returned the hat to the table (вернула шляпу на стол), and sat beside him on the settee again (и села рядом с ним снова на диванчик). He said: "I've got nothing against trusting you blindly (я ничего не имею против того, чтобы поверить вам слепо) except that I won't be able to do you much good (исключая то, что я не смогу быть вам особенно полезным: «сделать вам много хорошего») if I haven't some idea of what it's all about (если я не буду иметь хоть какого-то представления, о чем идет речь). "I don't care (мне безразлично: «я не забочусь») if she's got all the names in the phone-book (даже если она имеет все имена из телефонной книги). That girl is all right, and you know it (девушка в порядке, и ты знаешь это)."

"I wonder (не знаю, но интересно: «задаюсь вопросом»)." Spade blinked sleepily at Effic Perine (Спейд сонно мигнул Эффи). He chuckled (он тихо засмеялся). "Anyway she's given up seven hundred smacks in two

Effie Perine sat up straight and said (Эффи Пирайн села прямо и сказала): "Sam, if that girl's in trouble (Сэм, если эта девушка в трудном положении) and you let her down (и ты подведешь ее/не поможешь ей), or take advantage of it to bleed her (или воспользуешься этим, чтобы вымогать деньги у нее; *to bleed* — *кровоточить, пускать кровь*), I'll never forgive you (я никогда тебя не прощу), never have any respect for you (никогда не буду уважать тебя), as long as I live (пока я живу)."

Spade smiled unnaturally (Спейд неестественно улыбнулся). Then he frowned (потом он нахмурился). The frown was unnatural (нахмуренность была ненатуральная). He opened his mouth to speak (он открыл свой рот, чтобы говорить), but the sound of someone's entrance through the corridor-door stopped him (но звук кого-то входящего через дверь из коридора остановил его). Effie Perine rose and went into the outer office (Эффи Пирайн встала и пошла в приемную: «внешний офис»). Spade took off his hat (Спейд снял свою шляпу) and sat in his chair (и сел на свой стул). The

girl returned with an engraved card — Mr. Joel Cairo (девушка вернулась с выгравированной карточкой — мистер Джоэль Кейро).

"This guy is queer (этот парень странный)," she said.

"This guy is queer," she said.

"In with him, then, darling (тогдапусти его, дорогая)," said Spade. Mr. Joel Cairo was a small-boned dark man of medium height (мистер Кейро был тонкокостным, смуглым человеком среднего роста). His hair was black and smooth and very glossy (его волосы были черными и гладкими, и очень лоснящимися). His features were Levantine (его черты были левантийскими). A square-cut ruby (четырехгранный рубин), its sides paralleled by four baguette diamonds (его стороны обрамленные четырьмя прямоугольными бриллиантами; *baguette* — /фр./ палочка; валик), gleamed against the deep green of his cravat (светился на темно-зеленом галстуке). His black coat, cut tight to narrow shoulders (его черное пальто, скроенное плотно по узким плечам), flared a little over slightly plump hips (расширялось немного над слегка полными бедрами). His trousers fitted his round legs more snugly (его брюки облегли его круглые ноги более плотно) than was the current fashion (чем было в последней моде; *current* — текущий, нынешний).

He held a black derby hat (он держал черную шляпу-котелок) in a chamois-gloved hand (в руке в замшевой перчатке) and came towards Spade with short, mincing, bobbing steps (и подошел к Спейду короткими, семенящими, подпрыгивающими шагами; *to mince* — крошить, рубить /мясо/; семенить ногами, ступать маленькими шажками). The fragrance of chypre came with him (от него исходил аромат «шипра»).

Spade inclined his head at his visitor (Спейд наклонил голову к посетителю) and then at a chair, saying (потом к стулу, говоря): "Sit down, Mr. Cairo (садитесь, мистер Кейро)."

Cairo bowed elaborately over his hat (Кейро изысканно поклонился над своей шляпой), said, "I thank you (я благодарю вас)," in a high-pitched thin voice and sat down (пронзительным тонким голосом и сел; *pitch* — высота /тона, звука/). He sat down primly (он сел чопорно), crossing his ankles (перекрестив лодыжки), placing his hat on his knees (положив свою шляпу на свои колени), and began to draw off his yellow gloves (и начал стягивать свои желтые перчатки).

The amiable negligence of his tone (дружеская небрежность в его тоне), his motion in the chair (его движение на стуле), were precisely as they had been (были точно такими же) when he had addressed the same question to Brigid O'Shaughnessy (каким они были, когда он адресовал такой же вопрос Бриджит О'Шонессе) on the previous day (днем раньше; *previous* — *предыдущий*).

Cairo turned his hat over (Кейро перевернул свою шляпу), dropping his gloves into it (бросив свои перчатки в нее), and placed it bottom-up (и поставил ее кверху дном) on the corner of the desk nearest him (на углу стола, расположенного ближе всего к нему).

V.The Levantine

(Левантинец)

Spade did not look at the pistol (Спейд не смотрел на пистолет). He raised his arms and (он поднял свои руки и), leaning back in his chair (откидываясь в своем кресле), intertwined the fingers of his two hands (сплел пальцы своих двух рук) behind his head (за своей головой). His eyes, holding no particular expression (его глаза, не содержащие особого выражения), remained focused on Cairo's dark face (оставались сфокусированными на смуглом лице Кейро).

Cairo coughed a little apologetic cough (Кейро закашлял мелким извиняющимся кашлем) and smiled nervously with lips (и нервно улыбнулся губами) that had lost some of their redness (потерявшими несколько свою красноту). His dark eyes were humid and bashful and very earnest (его темные глаза были влажными и застенчивыми, и очень серьезными). "I intend to search your offices, Mr. Spade (я собираюсь обыскать ваши комнаты, мистер Спейд). I warn you (я предупреждаю вас) that if you attempt to prevent me (что если вы попытаетесь помешать мне; *to prevent* — *предотвращать, предупреждать; мешать, не допускать*) I shall certainly shoot you (я наверняка вас застрелю)."

"Go ahead (действуйте)." Spade's voice was as empty of expression (голос Спейда был так же лишен какого-либо выражения; *empty* — *пустой, порожний*) as his face (как и его лицо).

Spade did not look at the pistol. He raised his arms and, leaning back in his chair, intertwined the fingers of his two hands behind his head. His eyes, holding no particular expression, remained focused on Cairo's dark face.

Cairo coughed a little apologetic cough and smiled nervously with lips that had lost some of their redness. His dark eyes were humid and bashful and very earnest. "I intend to search your offices, Mr. Spade. I warn you that if you attempt to prevent me I shall certainly shoot you."

"Go ahead." Spade's voice was as empty of expression as his face.

"You will please stand (встаньте, пожалуйста)," the man with the pistol instructed him (приказал человек с пистолетом ему) at whose thick chest (на чью толстую грудь) the pistol was aimed (был нацелен пистолет). "I shall have to make sure (я должен убедиться) that you are not armed (что вы не вооружены)."

Spade stood up (Спейд встал) pushing his chair back with his calves (толкая назад свое кресло /своими/ икрами) as he straightened his legs (когда он выпрямил ноги).

Cairo went around behind him (Кейро обошел его сзади). He transferred the pistol from his right hand to his left (он переложил пистолет из своей правой руки в свою левую руку). He lifted Spade's coat-tail (он поднял фалду пальто Спейда) and looked under it (и посмотрел под ней). Holding the pistol close to Spade's back (держа пистолет близко к спине Спейда), he put his right hand around Spade's side (он обнял бок Спейда правой

рукой: «положил правую руку вокруг бока Спейда») and patted his chest (и похлопал по его груди). The Levantine face was then (лицо левантинца было тогда) no more than six inches (не более, чем в шести дюймах) below and behind Spade's right elbow (внизу и сзади от правого локтя Спейда).

"You will please stand," the man with the pistol instructed him at whose thick chest the pistol was aimed. "I shall have to make sure that you are not armed."

Spade stood up pushing his chair back with his calves as he straightened his legs.

Cairo went around behind him. He transferred the pistol from his right hand to his left. He lifted Spade's coat-tail and looked under it. Holding the pistol close to Spade's back, he put his right hand around Spade's side and patted his chest. The Levantine face was then no more than six inches below and behind Spade's right elbow.

Spade's elbow dropped (локоть Спейда упал) as Spade spun to the right (когда Спейд резко повернулся направо; *to spin (spin)* — *крутить/ся/, вертеть/ся/*). Cairo's face jerked back (лицо Кейро резко дернулось назад) not far enough (недостаточно далеко): Spade's right heel on the patent-leathered toes (правый каблук Спейда /стоящий/ на носке ботинка из лакированной кожи) anchored the smaller man (пригвоздил маленького человека; *to anchor* — *ставить на якорь, скреплять, фиксировать*) in the elbow's path (на пути локтя). The elbow struck him (локоть ударил его) beneath the cheek-bone (ниже скулы), staggering him so (пошатнув его так) that he must have fallen (что он должен был упасть) had he not been held by Spade's foot on his foot (если бы не был удержан ногой Спейда на его ноге). Spade's elbow went on (локоть Спейда пошел дальше) past the

astonished dark face (мимо изумленного смуглого лица) and straightened (и выпрямился) when Spade's hand struck down at the pistol (когда рука Спейда ударила по пистолету). Cairo let the pistol go (Кейро выпустил пистолет из рук; *to let go* — *освободить*) the instant (в то мгновение) that Spade's fingers touched it (когда пальцы Спейда коснулись его). The pistol was small in Spade's hand (пистолет был маленьким в руке Спейда).

elbow ['elbɒV] jerk [dʒɜ:k] anchor ['xNkɒ]

Spade's elbow dropped as Spade spun to the right. Cairo's face jerked back not far enough: Spade's right heel on the patent-leathered toes anchored the smaller man in the elbow's path. The elbow struck him beneath the cheek-bone, staggering him so that he must have fallen had he not been held by Spade's foot on his foot. Spade's elbow went on past the astonished dark face and straightened when Spade's hand struck down at the pistol. Cairo let the pistol go the instant that Spade's fingers touched it. The pistol was small in Spade's hand.

Spade took his foot off Cairo's (Спейд убрал свою ногу с ноги Кейро) to complete his about-face (чтобы завершить свой поворот кругом). With his left hand (своей левой рукой) Spade gathered together the smaller man's coat-lapels (Спейд собрал вместе лацканы пальто маленького человека) — the ruby-set green tie (зеленый галстук с рубиновым украшением) bunching out over his knuckles (выступающий над костяшками его пальцев) — while his right hand (в то время, как его правая рука) stowed the captured weapon away (укладывала захваченное оружие) in a coat-pocket (в карман пальто). Spade's yellow-grey eyes were somber (желто-серые глаза Спейда были мрачными). His face was wooden (его лицо было деревянным), with a trace of sullenness around the mouth (со следами угрюмости вокруг рта).

Cairo's face was twisted by pain and chagrin (лицо Кейро было искажено болью и досадой). There were tears in his dark eyes (слезы были в его темных глазах). His skin was the complexion of polished lead (его кожа была цвета полированного свинца; *complexion* — *цвет лица*) except where the elbow (исключая то место, где локоть) had reddened his cheek (сделал красным его щеку).

Cairo's face was twisted by pain and chagrin. There were tears in his dark eyes. His skin was the complexion of polished lead except where the elbow had reddened his cheek.

Spade by means of his grip (Спейд посредством захвата) on the Levantine's lapels (лацканов левантинца) turned him slowly (медленно повернул его) and pushed him back (и толкал его назад) until he was standing close in front of the chair (пока он не стоял близко перед стулом = перед самым стулом) he had lately occupied (который он недавно занимал). A puzzled look replaced the look of pain (озадаченный взгляд заменил взгляд боли) in the lead-colored face (на лице цвета свинца). Then Spade smiled (потом Спейд улыбнулся). His smile was gentle (его улыбка была мягкой), even dreamy (даже мечтательной). His right shoulder raised a few inches (его правое плечо поднялось на несколько дюймов). His bent right arm (его согнутая правая рука) was driven up by the shoulder's lift

(пошла вверх, направляемая поднятием плеча; *to drive* — *водить, править, ездить*). Fist, wrist, forearm, crooked elbow (кулак, запястье, предплечье, согнутый локоть), and upper arm seemed all one rigid piece (и плечо казались единым жестким целым; *piece* — *кусок, часть*), with only the limber shoulder giving them motion (и /только/ проворный плечевой сустав придавал им движение). The fist struck Cairo's face (кулак ударил лицо Кейро), covering for a moment one side of his chin (накрыв на мгновение одну сторону его подбородка), a corner of his mouth (угол его рта), and most of his cheek (и большую часть его щеки) between cheek-bone and jaw-bone (между скулой и челюстью).

Spade lowered the limp body into the chair (Спейд опустил безвольное тело в кресло; *limp* — *мягкий, вялый*), where it lay with sprawled arms and legs (где оно лежало с раскинувшимися ногами и руками), the head

lolling back against the chair's back (голова откинулась назад, к спинке кресла), the mouth open (рот открыт).

Spade emptied the unconscious man's pockets one by one (Спейд опустошил карманы бессознательного мужчины один за другим), working methodically (действуя методически), moving the lax body when necessary (двигая вялое тело, когда нужно), making a pile of the pockets' contents on the desk (делая кучу из содержимого карманов на столе). When the last pocket had been turned out (когда последний карман был вывернут) he returned to his own chair (он вернулся на свое кресло), rolled and lighted a cigarette (скрутил и зажег сигарету), and began to examine his spoils (и начал обследовать свои трофеи). He examined them with grave unhurried thoroughness (он исследовал их с серьезной неторопливой основательностью; *to hurry* — *спешить*).

wallet ['wɒlɪt] bearing ['be(q)rɪn] orchestra ['ɔ:kɪstrə]

There was a large wallet of dark soft leather. The wallet contained three hundred and sixty-five dollars in United States bills of several sizes; three five-pound notes; a much-visaed Greek passport bearing Cairo's name and portrait; five folded sheets of pinkish onion-skin paper covered with what seemed to be Arabic writing; a raggedly clipped newspaper-account of the finding of Archer's and Thursby's bodies; a post-card-photograph of a dusky woman with bold cruel eyes and a

tender drooping mouth; a large silk handkerchief, yellow with age and somewhat cracked along its folds; a thin sheaf of Mr. Joel Cairo's engraved cards; and a ticket for an orchestra seat at the Geary Theatre that evening.

Besides the wallet and its contents (кроме бумажника и его содержимого) there were three gaily colored silk handkerchiefs (там были три ярко окрашенных носовых платка) fragrant of chypre (с ароматом «шипра»); a platinum Longines watch (платиновые часы «Лонгин») on a platinum and red gold chain (на цепи из платины и красного золота), attached at the other end (прикрепленной на другом конце) to a small pearshaped pendant (к маленькому грушевидному кулону) of some white metal (из какого-то белого металла); a handful of United States, British, French, and Chinese coins (пригоршня американских, британских, французских и китайских монет); a ring holding half a dozen keys (кольцо, содержащее с полдюжины ключей); a silver and onyx fountain-pen (серебряная и ониксовая авторучка); a metal comb in a leatherette case (металлический гребень в футляре из искусственной кожи; *case* — *ящик, коробка, контейнер*); a nail-file in a leatherette case (пилка для ногтей в футляре из искусственной кожи); a small street-guide to San Francisco (маленький путеводитель по Сан-Франциско); a Southern Pacific baggage-check (багажный чек «Саузерн Пэсифик»); a half-filled package of violet pastilles (наполовину полная упаковка душистых: «фиалковых» пастилок); a Shanghai insurance-broker's business-card (визитная карточка шанхайского страхового брокера); and four sheets of Hotel Belvedere writing paper (и четыре листа писчей бумаги отеля «Бельведер»), on one of which (на одном из которых) was written in small precise letters (было написано маленькими четкими буквами) Samuel Spade's name (имя Сэмюеля Спейда) and the addresses of his office and his apartment (и адреса его офиса и его квартиры).

Having examined these articles carefully (тщательно исследовав эти предметы) — he even opened the back of the watch-case (он даже открыл крышку футляра для часов) to see that nothing was hidden inside (чтобы увидеть, что внутри ничего не спрятано) — Spade leaned over (Спейд наклонился) and took the unconscious man's wrist (и взял запястье бессознательного мужчины) between finger and thumb (между указательным и большим пальцем), feeling his pulse (щупая его пульс). Then he dropped the wrist (потом он бросил запястье), settled back in his chair (уселся снова в свое кресло; *to settle* — *устроиться, усесться*), and rolled and lighted another cigarette (и скрутил, и зажег другую сигарету). His face while he smoked was (его лицо, пока он курил, было), except for occasional slight and aimless movements of his lower lip (за исключением легких и бесцельных движений его нижней губы), so still and reflective (таким спокойным и задумчивым) that it seemed stupid (что казалось

глупым); but when Cairo presently moaned (но когда Кейро вскоре застонал) and fluttered his eyelids (и зашевелил своими векам) Spade's face became bland (и лицо Спейда стало ласковым), and he put the beginning of a friendly smile (и он вложил начало дружеской улыбки) into his eyes and mouth (в свои глаза и рот).

Having examined these articles carefully — he even opened the back of the watch-case to see that nothing was hidden inside — Spade leaned over and took the unconscious man's wrist between finger and thumb, feeling his pulse. His face while he smoked was, except for occasional slight and aimless movements of his lower lip, so still and reflective that it seemed stupid; but when Cairo presently moaned and fluttered his eyelids Spade's face became bland, and he put the beginning of a friendly smile into his eyes and mouth.

Joel Cairo awakened slowly (Джоэль Кейро приходил в себя: «пробуждался» медленно). His eyes opened first (сначала открылись его глаза), but a full minute passed (но прошла целая минута) before they fixed their gaze (прежде чем они зафиксировали свой взгляд) on any definite part of the ceiling (на какой-либо определенной части потолка). Then he shut his mouth and swallowed (потом он закрыл свой рот и сглотнул), exhaling heavily through his nose afterward (тяжело выдыхая через нос после этого). He drew in one foot (придвинул одну ногу) and turned a hand over on his thigh (он и перенес руку на свое бедро). Then he raised his head from the chair-back (потом он поднял голову со спинки кресла), looked around the office in confusion (осмотрелся в комнате в замешательстве), saw Spade, and sat up (увидел Спейда и сел прямо). He

opened his mouth to speak (он открыл рот, чтобы говорить), started (начал), clapped a hand to his face (резко поднес руку к лицу) where Spade's fist had struck (где ударил кулак Спейда) and where there was now a florid bruise (и где сейчас был красный синяк; *florid* — напыщенный, цветистый; покрасневший, порозовевший).

Joel Cairo awakened slowly. His eyes opened first, but a full minute passed before they fixed their gaze on any definite part of the ceiling. Then he shut his mouth and swallowed, exhaling heavily through his nose afterward. He drew in one foot and turned a hand over on his thigh. Then he raised his head from the chair-back, looked around the office in confusion, saw Spade, and sat up. He opened his mouth to speak, started, clapped a hand to his face where Spade's fist had struck and where there was now a florid bruise.

Cairo said through his teeth, painfully (Кейро сказал сквозь зубы, болезненно): "I could have shot you, Mr. Spade (я мог застрелить вас, мистер Спейд)."

"You could have tried (вы могли попытаться)," Spade conceded (признал Спейд).

"I did not try (я не пытался)."

"I know (я знаю)."

"Then why did you strike me (тогда почему вы ударили меня) after I was disarmed (после того, как я был разоружен)?"

"Sorry (извините)," Spade said (сказал Спейд), and grinned wolfishly, showing his jaw-teeth (и по-волчьи оскалился, показывая коренные зубы; *jaw* — челюсть, подбородок), "but imagine my embarrassment (но представьте мое смущение) when I found (когда я обнаружил) that five-

thousand-dollar offer (что предложение на пять тысяч долларов) was just hooley (было просто ерундой = липой)."

"Sorry," Spade said, and grinned wolfishly, showing his jaw-teeth, "but imagine my embarrassment when I found that five-thousand-dollar offer was just hooley."

"You are mistaken, Mr. Spade (вы ошибаетесь, мистер Спейд). That was, and is, a genuine offer (это было, и есть реальное предложение)."

"What the hell (что за черт)?" Spade's surprise was genuine (удивление Спейда было искренним).

"I am prepared to pay five thousand dollars for the figure's return (я готов заплатить пять тысяч долларов за возвращение фигурки)." Cairo took his hand away from his bruised face (Кейро убрал свою руку от своего лица с синяками; *bruise* — синяк, кровоподтек; *to bruise* — делать синяки; *ушибать*) and sat up prim and business-like again (и снова сел чопорно и деловито). "You have it (она у вас)?"

"No (нет)."

"If it is not here (если она не здесь)" — Cairo was very politely skeptical (Кейро был чрезвычайно вежливо-скепичен) — "why should you have risked serious injury (почему вы отважились на серьезное телесное повреждение) to prevent my searching for it (мешая моему обыску)?"

"No."

"If it is not here" — Cairo was very politely skeptical — "why should you have risked serious injury to prevent my searching for it?"

"I should sit around (я должен сидеть без дела) and let people come in (и позволять людям приходить) and stick me up (и грабить меня; *to stick up* — *поставить, выставить, совершить налет*)?" Spade flicked a finger (Спейд слегка стукнул пальцем) at Cairo's possessions on the desk (по вещам: «собственности» Кейро, /лежащим/ на столе). "You've got my apartment-address (у вас адрес моей квартиры). Been up there yet (были уже там)?"

"Yes, Mr. Spade (да, мистер Спейд). I am ready to pay five thousand dollars (я готов заплатить пять тысяч долларов) for the figure's return (за возвращении фигурки), but surely it is natural enough (но, конечно, это достаточно естественно) that I should try first to spare the owner (что я должен сначала попытаться сберечь владельцу) that expense if possible (эти расходы, если возможно)."

"Who is he?"

Cairo shook his head and smiled (Кейро покачал головой и улыбнулся). "You will have to forgive my not answering that question (вам придется простить меня за то, что я не отвечу на этот вопрос).

"Will I (мне придется)?" Spade leaned forward (Спейд наклонился вперед) smiling with tight lips (улыбаясь сжатыми губами). "I've got you by the neck, Cairo (я держу вас за шею). You've walked in (вы влезли: «вошли» /в это дело/) and tied yourself up (и связали себя), plenty strong enough (достаточно сильно) to suit the police (для того, чтобы подойти полиции), with last night's killings (с последними ночными убийствами). Cairo's smile was demure (улыбка Кейро было сдержанной/серьезной) and not in any way alarmed (и никак не тревожной). "I made somewhat extensive inquiries about you (я навел довольно обширные справки о вас) before taking any action (прежде чем предпринять какое-нибудь действие)," he said, "and was assured (и был убежден) that you were far too reasonable (что вы слишком уж разумны) to allow other considerations (чтобы позволить другим соображениям) to interfere with profitable business relations (вмешаться в выгодные деловые отношения; *profitable* — *полезный, прибыльный*)."

Spade shrugged (Спейд пожал плечами). "Where are they (где они)?" he asked (спросил он).

Spade shrugged. "Where are they?" he asked.

"I have offered you five thousand dollars for — "

Spade thumped Cairo's wallet (Спейд тяжело ударил по бумажнику Кейро) with the backs of his fingers and said (тыльной частью своих пальцев и сказал): "There's nothing like five thousand dollars here (здесь нет ничего похожего на пять тысяч долларов). You're betting your eyes (вы держите пари на свои глаза). You could come in (вы могли бы войти) and say you'd pay me a million for a purple elephant (и сказать, вы

заплатите мне миллион за фиолетового слона), but what in hell would that mean (но что, черт побери, это бы значило)?"

"I see, I see (я понимаю, я понимаю)," Cairo said thoughtfully (задумчиво сказал Кейро), screwing up his eyes (прищурившись; *to screw up* — *завинчивать, сжимать, морщить*). "You wish some assurance of my sincerity (вы хотите гарантии моей искренности)." He brushed his red lower lip with a fingertip (он погладил свою красную нижнюю губу кончиком пальца). "A retainer, would that serve (аванс, может это помочь: «послужить»)?"

"It might (может)."

"I see, I see," Cairo said thoughtfully, screwing up his eyes. "You wish some assurance of my sincerity." He brushed his red lower lip with a fingertip. "A retainer, would that serve?"

"It might."

Cairo put his hand out towards his wallet (Кейро протянул свою руку к своему бумажнику), hesitated (поколебался), withdrew the hand, and said (отдернул руку и сказал): "You will take, say, a hundred dollars (вы возьмете, скажем, сто долларов)?"

Spade picked up the wallet (Спейд поднял бумажник) and took out a hundred dollars (и взял сто долларов). Then he frowned, said (потом он нахмурился, сказал), "Better make it two hundred (лучше скажем: «сделаем» двести)," and did (и взял).

Cairo said nothing (Кейро ничего не сказал).

Cairo put his hand out towards his wallet, hesitated, withdrew the hand, and said: "You will take, say, a hundred dollars?"

Spade picked up the wallet and took out a hundred dollars. Then he frowned, said, "Better make it two hundred," and did.

Cairo said nothing.

"Your first guess was (вашим первым предположением было) that I had the bird (что птица у меня)," Spade said in a crisp voice (сказал он бодрым голосом) when he had put the two hundred dollars into his pocket (когда он положил двести долларов в свой карман) and had dropped the wallet on the desk again (и снова бросил бумажник на стол). "There's nothing in that (это оказалось не так: «в этом ничего не оказалось»). What's your second (какое ваше второе /предположение/)?"

"That you know where it is (что вы знаете, где она /фигурка птицы/), or, if not exactly that (или, если не именно это), that you know it is where you can get it (то вы знаете, где вы можете достать ее)."

Spade neither denied nor affirmed that (Спейд не опроверг и не подтвердил это): he seemed hardly to have heard it (казалось, он едва ли слышал это). He asked (он спросил): "What sort of proof can you give me (какого рода доказательства вы мне можете дать) that your man is the owner (что ваш человек — владелец)?"

Spade neither denied nor affirmed that: he seemed hardly to have heard it. He asked: "What sort of proof can you give me that your man is the owner?"

"Very little, unfortunately (очень немного /доказательств/, к сожалению). There is this (есть одно: «это»), though (хотя): nobody else (никто еще) can give you any authentic evidence (не сможет дать какие-либо подлинные доказательства) of ownership at all (прав собственности вовсе). And if you know as much about the affair (и если вы знаете так много об этом деле) as I suppose (как я предполагаю) — or I should not be here (или я бы не был здесь) — you know that the means (вы знаете, что способы) by which it was taken from him (которыми она была отнята у него) shows that his right to it (показывают, что его право на нее) was more valid than anyone else's (было более обоснованным, чем чье-либо еще; *valid* — *действительный, имеющий силу; правомерный*) — certainly more valid than Thursby's (конечно, более обоснованным, чем /право/ Терсби)."

"What about his daughter (что по поводу его дочери)?" Spade asked (спросил Спейд).

Excitement opened Cairo's eyes and mouth (волнение открыло глаза и рот Кейро), turned his face red (сделало его лицо красным), made his voice shrill (его голос пронзительным). "He is not the owner (он — не владелец)!"

"What about his daughter?" Spade asked.

Excitement opened Cairo's eyes and mouth, turned his face red, made his voice shrill. "He is not the owner!"

Spade said, "Oh," mildly and ambiguously (мягко и двусмысленно).

"Is he here, in San Francisco, now (он сейчас здесь, в Сан-Франциско)?" Cairo asked in a less shrill, but still excited, voice (спросил Кейро мене пронзительным, но еще взволнованным голосом).

Spade blinked his eyes sleepily and suggested (Спейд моргнул сонно своими глазами и предположил): "It might be better all around (будет лучше со всех сторон) if we put our cards on the table (если выложим наши карты на стол)."

Cairo recovered composure with a little jerk (Кейро вернул самообладание, слегка вздрогнув; *jerk* — резкое движение, толчок). "I do not think it would be better (я не думаю, что так будет лучше)." His voice was suave now (его голос был теперь учтивым). "If you know more than I (если вы знаете больше, чем я), I shall profit by your knowledge (я извлеку пользу: «прибыль» от ваших знаний), and so will you to the extent of five thousand dollars (и вы тоже — в размере пяти тысяч долларов; *extent* — протяжение, объем, степень). If you do not (если нет: «если вы не знаете больше, чем я») then I have made a mistake in coming to you (то я совершил ошибку, придя к вам), and to do as you suggest (и сделать, как вы предлагаете) would be simply to make that mistake worse (было бы просто усугублением ошибки: «сделать ошибку худшей»)."

Cairo recovered composure with a little jerk. "I do not think it would be better." His voice was suave now. "If you know more than I, I shall profit by your knowledge, and so will you to the extent of five thousand dollars. If you do not then I have made a mistake in coming to you, and to do as you suggest would be simply to make that mistake worse."

Spade nodded indifferently (Спейд безразлично кивнул) and waved his hand at the articles on the desk (и махнул рукой на вещи на столе), saying (говоря): "There's your stuff" (вот ваши вещи); and then, when Cairo was returning them to his pockets (а потом, когда Кейро вернул их в свои карманы): "It's understood (понятно) that you're to pay my expenses (что вы должны оплатить мои расходы) while I'm getting this black bird for you (пока я буду добывать для вас эту черную птицу), and five thousand dollars when it's done (и пять тысяч долларов, когда это будет сделано)?"

"Yes, Mr. Spade (да, мистер Спейд); that is (это так), five thousand dollars less whatever moneys have been advanced to you (пять тысяч долларов минус какие-либо деньги, выданные вам в качестве аванса) — five thousand in all (всего пять тысяч)."

"Yes, Mr. Spade; that is, five thousand dollars less whatever moneys have been advanced to you — five thousand in all."

"Right (хорошо). And it's a legitimate proposition (это справедливое: «законное» предложение)." Spade's face was solemn (лицо Спейда было серьезным; *solemn* — торжественный, важный; серьезный) except for wrinkles at the corners of his eyes (за исключением морщинок в уголках глаз). "You're not hiring me to do any murders (вы не нанимаете меня для совершения каких-либо убийств) or burglaries for you (или краж для вас), but simply to get it back (а просто, чтобы вернуть ее) if possible in an honest and lawful way (если возможно, честным и законным образом)."

"If possible (если возможно)," Cairo agreed (согласился Кейро). His face also was solemn except for the eyes (его лицо тоже было серьезным, за исключением глаз). "And in any event with discretion (и в любом случае, с осмотрительностью)." He rose and picked up his hat (он встал и взял шляпу). "I am at the Hotel Belvedere (я в отеле «Бельведер») when you wish to communicate with me (если вы захотите со мной связаться) — room six-thirty-five (комната шесть-тридцать-пять). I confidently expect (я с уверенностью ожидаю) the greatest mutual benefit (самой большой взаимной выгоды) from our association, Mr. Spade (от нашего сотрудничества, мистер Спейд)." Spade took the pistol out of his coat-pocket (Спейд вынул пистолет из кармана своего пальто) and handed it to Cairo (и вручил его Кейро).

Cairo pointed the pistol at Spade's chest (Кейро направил пистолет на грудь Спейда).

VI. The Undersized Shadow

(Низкорослая тень)

For half an hour after Joel Cairo had gone (полчаса после того, как Джоэль Кейро ушел) Spade sat alone, still and frowning, at his desk (Спейд сидел один, неподвижно и нахмурившись, за своим столом). Then he said aloud (потом он сказал вслух) in the tone of one dismissing a problem (тоном человека, отбрасывающего проблему; *to dismiss* — *распускать, объявлять закрытым /собрание/, увольнять, освобождать*), "Well, they're paying for it (ну, они платят за это)," and took a bottle of Manhattan cocktail (и взял бутылку коктейля «Манхэттен») and a paper drinking-cup from a desk-drawer (и бумажную чашку из ящика стола). He filled the cup two-thirds full, drank (он наполнил стакан на две трети, выпил), returned the bottle to the drawer (вернул бутылку в ящик), tossed the cup into the wastebasket (бросил чашку в мусорную корзину), put on his hat and overcoat (надел шляпу и пальто), turned off the lights (выключил огни), and went down to the night-lit street (и пошел вниз, на освещенную ночную улицу).

Then he said aloud in the tone of one dismissing a problem, "Well, they're paying for it," and took a bottle of Manhattan cocktail and a paper drinking-cup from a desk-drawer. He filled the cup two-thirds full, drank, returned the bottle to the drawer, tossed the cup

into the wastebasket, put on his hat and overcoat, turned off the lights, and went down to the night-lit street.

An undersized youth of twenty or twenty-one (низкорослый юнец двадцати или двадцати одного года) in neat grey cap and overcoat (в аккуратной серой кепке и пальто) was standing idly on the corner below Spade's building (стоял праздно на углу, вниз /по улице/ за зданием Спейда).

Spade walked up Sutter Street to Kearny (Спейд прошел вверх по Саттер-стрит к Керни), where he entered a cigar store (где он вошел в магазин табачных изделий) to buy two sacks of Bull Durham (чтобы купить два мешочка «Булл Дархэм»). When he came out (когда он вышел) the youth was one of four people waiting for a street-car (молодой человек был одним из четырех людей, ждущих трамвай) on the opposite corner (на противоположном углу).

When he left the Grill (когда он покинул «Гриль»), at a quarter to eight (без четверти восемь), the youth was looking into a nearby haberdasher's window (молодой человек смотрел в витрину ближайшего галантерейного магазина).

Spade went to the Hotel Belvedere (Спейд пошел в отель «Бельведер»), asking at the desk for Mr. Cairo (спрашивая у стойки регистрации мистера Кейро). He was told that Cairo was not in (ему сказали, что Кейро не было). The youth sat in a chair (молодой человек сидел на стуле) in a far corner of the lobby (в дальнем углу вестибюля).

Spade went to the Geary Theatre (Спейд пошел к «Гири Театру»), failed to see Cairo in the lobby (не встретившись с Кейро в вестибюле /гостиницы/; *to fail* — *терпеть неудачу, не удаваться*), and posted himself on the curb in front (и расположился на краю тротуара перед /театром/), facing the theatre (лицом к театру). Spade ate dinner at Herbert's Grill in Powell Street. When he left the Grill, at a quarter to eight, the youth was looking into a nearby haberdasher's window.

Spade went to the Hotel Belvedere, asking at the desk for Mr. Cairo. He was told that Cairo was not in. The youth sat in a chair in a far corner of the lobby.

Spade went to the Geary Theatre, failed to see Cairo in the lobby, and posted himself on the curb in front, facing the theatre. The youth loitered with other loiterers before Marquard's restaurant below.

At ten minutes past eight Joel Cairo appeared (в десять минут девятого появился Джоэль Кейро), walking up Geary Street with his little mincing bobbing steps (идуший /вверх/ по Гири-стрит своими мелкими семенящими подпрыгивающими шагами). Apparently he did not see Spade (он явно не видел Спейда) until the private detective touched his shoulder

(пока частный детектив не тронул его за плечо). He seemed moderately surprised for a moment (казалось, он умеренно удивлен на мгновение), and then said (а потом сказал): "Oh, yes, of course you saw the ticket (о да, конечно, вы же видели мой билет)."

"Uh-huh (угу). I've got something I want to show you (у меня есть кое-что, что я хочу показать вам)." Spade drew Cairo back towards the curb (Спейд потянул Кейро назад, к бордюру) a little away from the other waiting theatre-goers (немного в сторону от остальных ожидающих театралов). "The kid in the cap down by Marquard's (мальчик в кепке внизу у «Маркара»)."

Cairo murmured (Кейро прошептал), "I'll see (я посмотрю)," and looked at his watch (и посмотрел на свои часы). He looked up Geary Street (он посмотрел вверх по Гири-Стрит). He looked at a theatre-sign in front of him (он посмотрел на вывеску театра перед собой) on which George Arliss was shown costumed as Shylock (на которой Джордж Эрлис был показан в костюме Шейлока), and then his dark eyes crawled sidewise in their sockets (и потом его темные глаза поползли вбок в своих орбитах; *socket* – *впадина, углубление*) until they were looking at the kid in the cap (пока они

не стали смотреть на юнца в кепке), at his cool pale face (на его холодное бледное лицо) with curling lashes hiding lowered eyes (с изогнутыми ресницами, скрывающими опущенные глаза).

"Who is he (кто он)?" Spade asked (спросил Спейд).

"Who is he?" Spade asked.

Cairo smiled up at Spade (Кейро улыбнулся Спейду). "I do not know him (я не знаю его)."

"He's been tailing me around town (он ходит за мной хвостом по всему городу)."

Cairo wet his lower lip with his tongue and asked (Кейро увлажнил свою нижнюю губу своим языком и спросил): "Do you think it was wise, then (думаете ли вы, что было умно, в этом случае), to let him see us together (позволить ему увидеть нас вместе)?"

"How do I know (откуда мне знать)?" Spade replied (ответил Спейд). "Anyway, it's done (в любом случае, это сделано)."

"How do I know?" Spade replied. "Anyway, it's done."

Cairo removed his hat (Кейро снял свою шляпу) and smoothed his hair with a gloved hand (и пригладил свои волосы рукой в перчатке). He replaced his hat carefully on his head (он водрузил обратно свою шляпу осторожно на свою голову) and said with every appearance of candor (и сказал со всяческим проявлением искренности): "I give you my word (даю вам слово) I do not know him, Mr. Spade (что я не знаю его, мистер Спейд). I give you my word I have nothing to do with him (я даю вам слово, я не имею никакого отношения к нему). I have asked nobody's assistance (я не просил ничьего содействия) except yours (за исключением вашего), on my word of honor (мое честное слово)."

"That may be (это может быть)."

"Then he's one of the others?"

"That may be."

"I just wanted to know (я просто хотел знать), because if he gets to be a nuisance (потому что, если он станет мешаться мне; *nuisance* — *досада*,

нудный человек, помеха) I may have to hurt him (я могу быть вынужден сделать ему больно)."

"Do as you think best (делайте, как считаете лучшим). He is not a friend of mine (он не мой друг)."

"That's good (это хорошо). There goes the curtain (скоро поднимут занавес: «идет занавес»). Good night (доброй ночи)," Spade said, and crossed the street (и пересек улицу) to board a westbound street-car (чтобы сесть на трамвай, идущий в западную сторону).

The youth in the cap (молодой человек в кепке) boarded the same car (сел в тот же трамвай).

Spade left the car at Hyde Street (Спейд вышел из трамвая на Хайд-стрит) and went up to his apartment (и поднялся наверх в свою квартиру). His rooms were not greatly upset (его жилье было не очень перевернуто), but showed unmistakable signs (но показывало безошибочные /при/знаки; *mistake* — *ошибка*) of having been searched (того, что оно было обыскано). When Spade had washed (когда Спейд умылся) and had put on a fresh shirt and collar (и надел свежую рубашку и воротник) he went out again (он снова вышел), walked up to Sutter Street (пошел по Саттер-стрит), and boarded a westbound car (и сел в трамвай в западном

Within half a dozen blocks of the Coronet (в пределах полдюжины кварталов от гостиницы «Коронет») Spade left the car (Спейд сошел с трамвая: «оставил трамвай») and went into the vestibule of a tall brown apartment-building (и вошел в вестибюль высокого коричневого многоквартирного дома). He pressed three bell-buttons together (он нажал три кнопки звонка вместе). The street-door-lock buzzed (звонок уличной двери жужжал). He entered (он вошел), passed the elevator and stairs (прошел мимо лифта и лестницы), went down a long yellow-walled corridor (прошел вдоль по длинному коридору с желтыми стенами) to the rear of the building (к задней части здания), found a back door fastened by a Yale lock (нашел заднюю дверь, закрытую /американским/ автоматическим замком /«Йель»/), and let himself out into a narrow court (и вышел в узкий двор). The court led to a dark back street (двор вел в темную заднюю улицу), up which Spade walked for two blocks (по которой Спейд прошел два квартала). Then he crossed over to California Street (потом он перешел к Калифорния-стрит) and went to the Coronet (и пошел к «Коронет»). It was not quite half-past nine o'clock (была почти половина десятого).

The eagerness with which Brigid O'Shaughnessy welcomed Spade (пыл, с которым Бриджит О'Шонессии приветствовала Спейда) suggested that she had been not entirely certain of his coming (предполагал, что она не была полностью уверена в его приходе). She had put on a satin gown (она надела атласное платье) of the blue shade called Artoise that season (синего оттенка, называемого «артуаз» в этом сезоне; *shade* — *тень*), with chalcedony shoulder-straps (с халцедоновыми бретельками; *strap* — *ремень, полоска, лямка*), and her stockings amid slippers were Artoise (и ее чулки в туфлях-лодочках были /оттенка/ «артуаз»).

Three small rough-barked logs (три маленьких неотесанных бревнышка; *log* — бревно, колода, чурбан) burned in the fireplace (горели в камине). Spade watched them burn (Спейд смотрел как они горят) while she put away his hat and coat (пока она убирала его шляпу и пальто).

"Do you bring me good news (вы принесли мне хорошие новости)?" she asked when she came into the room again (спросила она, когда она снова вошла в комнату). Anxiety looked through her smile (тревога проглядывала сквозь ее улыбку), and she held her breath (и она задерживала = затаила свое дыхание).

Well, if I'm peddling it (ну так, если я торгую этим; *to peddle* — *торговать вразнос*), why shouldn't I let it go to the highest bidder (почему я не должен отдать это за большее предложение; *bidder* — *покупщик, претендент*)?"

accepted [qk'septɪd] loyalty ['lɒlɪqɪtɪ] peddling ['pedlɪŋ]

She lifted her shoulders and hands and let them fall in a gesture that accepted defeat. "It is," she agreed in a small dull voice. "It is far more than I could ever offer you, if I must bid for your loyalty."

Spade laughed. His laughter was brief and somewhat bitter. "That is good," he said, "coming from you. What have you given me besides money? Have you given me any of your confidence? any of the truth? any help in helping you? Haven't you tried to buy my loyalty with money and nothing else? Well, if I'm peddling it, why shouldn't I let it go to the highest bidder?"

"I've given you all the money I have (я отдала вам все деньги, которые у меня были)." Tears glistened in her white ringed eyes (слеза блеснули в ее распахнутых глазах). Her voice was hoarse, vibrant (ее голос был хриплым, вибрирующим). "I've thrown myself on your mercy (я отдалась: «бросила себя» на вашу милость), told you (сказала вам) that without your help (что без вашей помощи) I'm utterly lost (я совершенно пропала). What else is there (что же еще)?" She suddenly moved close to him on the settee (она неожиданно подвинулась близко к нему на диванчике) and

cried angrily (и гневно крикнула): "Can I buy you with my body (я смогу купить вас своим телом)?"

Their faces were few inches apart (их лица разделяли несколько дюймов; *apart* — в отдалении, обособленно). Spade took her face between his hands (Спейд взял ее лицо в свои руки) and he kissed her mouth roughly and contemptuously (и он поцеловал ее рот грубо и презрительно). Then he sat back and said (потом от снова откинулся /на диванчике/ и сказал): "I'll think it over (я обдумую это)." His face was hard and furious (его лицо было жестким и взбешенным).

She sat still (она неподвижно сидела) holding her numb face (держа в руках свое оцепеневшее лицо) where his hands had left it (где его руки оставили его).

He stood up and said (он встал и сказал): "Christ (Боже)! there's no sense to this (в этом нет смысла)." He took two steps towards the fireplace and stopped (он сделал два шага в сторону камина и остановился), glowering at the burning logs (сердито глядя на горящие поленья), grinding his teeth together (скрежеща зубами; *to grind* — *молоть, перемалывать*).

She did not move (она не двигалась).

He turned to face her (он повернулся к ней лицом). The two vertical lines (две вертикальные линии) above his nose (над его носом) were deep clefts (были глубокими расщелинами) between red wales (между двумя красными рубцами). "I don't give a damn about your honesty (мне наплевать на вашу честность)," he told her (сказал он ей), trying to make himself speak calmly (пытаясь заставить себя говорить спокойно). "I don't care (мне все равно) what kind of tricks you're up to (какого рода трюки вы собираетесь сделать), what your secrets are (какие у вас секреты), but I've got to have something (но мне нужно что-нибудь) to show that you know what you're doing (показывающее что вы знаете, что вы делаете»)."

She did not move.

He turned to face her. The two vertical lines above his nose were deep clefts between red wales. "I don't give a damn about your honesty," he told her, trying to make himself speak calmly. "I don't care what kind of tricks you're up to, what your secrets are, but I've got to have something to show that you know what you're doing."

"Can't you trust me just a little longer?"

"How much is a little (насколько дольше)? And what are you waiting for (и чего вы ждете)?"

She bit her lip and looked down (она прикусила губу и посмотрела вниз). "I must talk to Joel Cairo (я должна поговорить с Джоэлем Кейро)," she said almost inaudibly (сказала она почти неслышно).

"You can see him tonight (вы можете увидеть его сегодня вечером)," Spade said, looking at his watch (сказал Спейд, глядя на свои часы). "His show will be out soon (его спектакль скоро заканчивается). We can get him on the phone at his hotel (мы сможем застать его по телефону в его отеле)."

She raised her eyes, alarmed (она подняла свои глаза, встревоженная). "But he can't come here (но он не может прийти сюда). I can't let him know where I am (я не могу дать ему узнать, где я). I'm afraid (я боюсь)."

She raised her eyes, alarmed. "But he can't come here. I can't let him know where I am. I'm afraid."

"My place (у меня)," Spade suggested (предложил Спейд).

She hesitated (она колебалась), working her lips together (потирая губы друг о друга), then asked (потом спросила): "Do you think he'd go there (вы считаете, он туда придет)?"

Spade nodded (Спейд кивнул).

"All right (хорошо)," she exclaimed (воскликнула она), jumping up (вскакивая), her eyes large and bright (ее глаза большие и светящиеся). "Shall we go now (может пойдём сейчас)?"

She went into the next room (она пошла в соседнюю комнату). Spade went to the table in the corner (Спейд подошел к столу в углу) and silently pulled the drawer out (и тихо вытянул ящик). The drawer held two packs of playingcards (в ящике были две пачки игральных карт), a pad of score-cards for bridge (пачка карточек для подсчета очков в бридже), a brass screw (медный винт), a piece of red string (кусочек красного шнура), and a gold pencil (и золотой карандаш). He had shut the drawer (он закрыл ящик) and was lighting a cigarette (и зажигал сигарету) when she returned (когда она вернулась) wearing a small dark hat (одетая в маленькую темную шляпу) and a grey kidskin coat (и серое лайковое пальто; *kid* — козленок; *skin* — кожа, шкура), carrying his hat and coat (неся его шляпу и пальто).

Spade nodded.

She went into the next room. Spade went to the table in the corner and silently pulled the drawer out. The drawer held two packs of playingcards, a pad of score-cards for bridge, a brass screw, a piece of red string, and a gold pencil. He had shut the drawer and was lighting a cigarette when she returned wearing a small dark hat and a grey kidskin coat, carrying his hat and coat.

Spade lifted his hat to her (Спейд поднял свою шляпу, приветствуя ее: «перед ней») and went indoors with Brigid O'Shaughnessy (и вошел внутрь вместе с Бриджит О'Шонессси). In the lobby he halted (в вестибюле он остановился) beside one of the benches (рядом с одной из скамеек) and asked (и спросил): "Do you mind waiting here a moment (вы не возражаете подождать здесь один момент)? I won't be long (я не задержусь: «не буду долго»)."

"That's perfectly all right (это совершенно в порядке)," Brigid O'Shaughnessy said, sitting down (сказала Бриджит О'Шонессси, присаживаясь). "You needn't hurry (вам не нужно торопиться)."

Spade went out to the sedan (Спейд вышел к седану). When he had opened the sedan's door (когда он открыл дверь седана) Iva spoke quickly (Ива быстро спросила): "I've got to talk to you, Sam (мне нужно поговорить с тобой, Сэм). Spade went out to the sedan. When he had opened the sedan's door Iva spoke quickly: "I've got to talk to you, Sam. Can't I come in?" Her face was pale and nervous.

"Not now (не сейчас)."

Iva clicked her teeth together (она щелкнула зубами) and asked sharply (и резко спросила): "Who is she (кто она)?"

"I've only a minute, Iva (у меня только одна минута, Ива)," Spade said patiently (терпеливо сказал Спейд). "What is it (что такое)?"

Spade said nothing (Спейд ничего не сказал).

When the sedan began to move (когда седан начал двигаться) Spade said, "Good night, Iva (спокойной ночи, Ива)," shut the door (закрыл дверь), and stood at the curb (и стоял у бордюра) with his hat in his hand (со своей шляпой в своей руке) until it had been driven away (пока он не уехал). Flitcraft had inherited seventy thousand dollars from his father, and, with his success in real estate, was worth something in the neighborhood of two hundred thousand dollars at the time he vanished. His affairs were in order, though there were enough loose ends to indicate that he had not been setting them in order preparatory to vanishing. A deal that would have brought him an attractive profit, for instance, was to have been concluded the day after the one on which he disappeared.

There was nothing to suggest that he had more than fifty or sixty dollars in his immediate possession at the time of his going. His habits for months past could be accounted for too thoroughly to justify any suspicion of secret vices, or even of another woman in his life, though either was barely possible.

"He went like that," Spade said, "like a fist when you open your hand."

When he had reached this point in his story the telephone-bell rang.

Brigid O'Shaughnessy frowned and stirred in her chair, but did not say anything.

Spade put the telephone down and told her: "He'll be up in a few minutes.

Well, that was in 1922. In 1927 I was with one of the big detective agencies in Seattle. Mrs. Flitcraft came in and told us somebody had seen a man in Spokane who looked a lot like her husband. I went over there. It was Flitcraft, all right. He had been living in Spokane for a couple of years as Charles — that was his first name — Pierce. He had an automobile-business that was netting him twenty or twenty-five thousand a year, a wife, a baby son, owned his home in a Spokane suburb, and usually got away to play golf after four in the afternoon during the season."

Spade had not been told very definitely (Спейду не сказали совершенно определенно) what to do (что делать) when he found Flitcraft (когда он найдет Флиткрафта). They talked in Spade's room at the Davenport (они поговорили в номере Спейда в Давенпорте). Flitcraft had no feeling of guilt (у Флиткрафта не было никакого чувства вины). He had left his first family well provided for (он оставил свою семью хорошо обеспеченной), and what he had done (и то что он сделал) seemed to him perfectly reasonable (казалось ему совершенно разумным). The only thing that bothered him (единственная вещь, которая беспокоила его) was a doubt (было сомнение) that he could make that reasonableness clear to Spade (что он сможет сделать эту разумность ясной Спейду). He had never told anybody (он никогда никому не рассказывал) his story before (свою историю прежде), and thus had not had to attempt (и поэтому не должен был пытаться) to make its reasonableness explicit (сделать эту разумность явной). He tried now (он попытался теперь).

Spade had not been told very definitely what to do when he found Flitcraft. They talked in Spade's room at the Davenport. Flitcraft had no feeling of guilt. The only thing that bothered him was a doubt that he could make that reasonableness clear to Spade. He had never told anybody his story before, and thus had not had to attempt to make its reasonableness explicit. He tried now.

"I got it all right (я все хорошо понял)," Spade told Brigid O'Shaughnessy (сказал Спейд Бриджит О'Шонесса), "but Mrs. Flitcraft never did (но миссис Флиткрафт никогда /и не поняла/). She thought it was silly (она думала, что это глупо). Maybe it was (может быть так и было). Anyway (во всяком случае), it came out all right (закончилось все хорошо). She didn't want any scandal (она не хотела скандала), and, after the trick he had played on her (и, после той подлой шутки, которую он сыграл с ней; *trick* — хитрость, обман) — the way she looked at it (то, как она на это смотрела) — she didn't want him (она не захотела его). So they were divorced (итак, они развелись) on the quiet (по-тихому) and everything was swell all around (и все было отлично со всех сторон).

"Here's what had happened to him (вот что случилось с ним). Going to lunch he passed (идя на обед, он проходил мимо) an office-building that was being put up (возводившегося офисного здания) — just the skeleton (только каркас: «скелет»). A beam or something (балка или что-то еще) fell eight or ten stories down (упала с восьмого или десятого этажа) and smacked the sidewalk (и шлепнулась на тротуар) alongside him (рядом с ним). It brushed pretty close to him (она прошла совсем рядом с ним; *to brush* — зд. *легко касаться, задевать*), but didn't touch him (но не тронула его), though a piece of the sidewalk (хотя кусочек асфальта) was chipped off (был отколот) and flew up (взлетел) and hit his cheek (и ударил его щеку). It only took a piece of skin off (он только сорвал кусочек кожи), but he still had time scar (но у него все еще был временный шрам) when I saw him (когда я видел его). He rubbed it with his finger (он потирал его своим пальцем) — well, affectionately (ну, с любовью) — when he told me about it (когда он говорил мне о нем). He was scared stiff of course (он был, конечно, напуган до смерти; *stiff* — *жесткий, окоченевший*), he said (сказал он), but he was more shocked than really frightened (но он был больше шокирован, чем действительно испуган) He felt (он почувствовал) like somebody had taken the lid off life (словно кто-то открыл ему секрет жизни: «снял крышку с жизни») and let him look at the works (и дал ему посмотреть на механизм)."

Flitcraft had been a good citizen (Флиткрафт был хорошим гражданином) amid a good husband and father (хорошим мужем и отцом *amid* — *среди, между; помимо*), not by any outer compulsion (не по внешнему принуждению), but simply because he was a man (а просто потому, что он был человеком) who was most comfortable (который чувствовал себя наиболее удобно) in step with his surroundings (в соответствии со своим окружением; *step* — *шаг, небольшое расстояние*). He had been raised that way (он был воспитан таким образом; *to raise* — *поднимать, повышать*). The people he knew (люди, которых он знал) were like that (были такими же). The life he knew (жизнь, которую он знал) was a clean orderly sane responsible affair (была чистым, организованным, здравым, ответственным делом). Now a falling beam (теперь = и вот, падающая балка) had shown him (показала ему) that life was fundamentally none of these things (что жизнь не была, кардинальным образом, ни одним из таких явлений). He, the good citizen-husband-father (он, хороший гражданин-муж-отец), could be wiped out (мог быть уничтожен; *to wipe* — *вытирать; стирать, уничтожать*) between office and restaurant (между офисом и рестораном) by the accident of a falling beam (несчастливым случаем с подающей балкой). He knew then (он тогда понял) that men died at haphazard like that (что люди гибли от случайности, подобной этой), and lived only while (и жили только пока) blind chance spared them (слепой случай щадил их).

citizen ['sɪtɪz(q)n] compulsion [kəm'pʌls(q)n]

haphazard [ˈhæpˈhæzəd]

Flitcraft had been a good citizen amid a good husband and father, not by any outer compulsion, but simply because he was a man who was most comfortable in step with his surroundings. He had been raised that way. The people he knew were like that. The life he knew was a clean orderly sane responsible affair. Now a falling beam had shown him that life was fundamentally none of these things. He, the good citizen-husband-father, could be wiped out between office and restaurant by the accident of a falling beam. He knew then that men died at haphazard like that, and lived only while blind chance spared them.

It was not (это не была), primarily (главным образом), the injustice of it (несправедливость этого) that disturbed him (что волновала его): he accepted that (он принял это) after the first shock (после первого шока). What disturbed him (что беспокоило его) was the discovery (было открытие того) that in sensibly ordering his affairs (что в разумном упорядочивании своих дел) he had got out of step, and not into step (он выпал из ритма жизни, а не шел в ногу; *out of step* — не в ногу, *into step* — в ногу, *синхронно*), with life (с жизнью). He said (он сказал) he knew (что он знал) before he had gone twenty feet from (прежде чем он прошел двадцать футов) the fallen beam (от упавшей балки) that he would never know peace again (что он никогда не будет знать покоя снова) until he had adjusted himself (пока не приспособится) to this new glimpse of life (к этому новому проблеску жизни). By the time he had eaten his luncheon (к тому времени, когда он съел свой обед) he had found his means of adjustment (он нашел свои средства приспособления). Life could be ended for him (жизнь может закончиться для него) at random (случайно) by a falling beam (посредством упавшей балки): he would change his life (он изменит свою жизнь) at random (случайно) by simply going away (просто

у́дя). He loved his family (о́н лю́бил сво́ю се́мью), he said (ска́зал о́н), as much as (та́к си́льно) he supposed (ка́к о́н полагал) was usual (бы́ло обы́чно), but he knew (но о́н зна́л) he was leaving them adequately provided for (о́н оста́вляет их, соотве́тствующим обра́зом обеспе́ченными), and his love for them (и его́ лю́бовь к ним) was not of the sort (бы́ла не того́ ро́да) that would make absence painful (что сде́лала бы́ отсутст́вие болезненным).

injustice [In'dʒʌstɪs] disturbed [dɪs'tɜːbd] peace [piːs]

It was not, primarily, the injustice of it that disturbed him: he accepted that after the first shock. What disturbed him was the discovery that in sensibly ordering his affairs he had got out of step, and not into step, with life. He said he knew before he had gone twenty feet from the fallen beam that he would never know peace again until he had adjusted himself to this new glimpse of life. By the time he had eaten his luncheon he had found his means of adjustment. Life could be ended for him at random by a falling beam: he would change his life at random by simply going away. He loved his family, he said, as much as he supposed was usual, but he knew he was leaving them adequately provided for, and his love for them was not of the sort that would make absence painful.

"How perfectly fascinating (как совершенно очаровательно)," Brigid O'Shaughnessy said (сказала Бриджит О'Шонесса). She left her chair (она покинула свое кресло) and stood in front of him, close (и встала перед ним, близко). Her eyes were wide and deep (ее глаза были широкими и глубокими). "I don't have to tell you (мне не нужно вам говорить) how utterly at a disadvantage you'll have me (что я буду в совершенно невыгодном положении, перед вами), with him here (когда он здесь), if you choose (если вы захотите этого; *to choose* — *выбирать, предпочитать*)."

Spade smiled slightly (Спейд слегка улыбнулся) without separating his lips (не разделяя губ). "No, you don't have to tell me (нет, вам не нужно мне говорить)," he agreed (согласился он).

"And you know (и вы знаете) I'd never have placed myself in this position (я бы никогда не поставила себя в это положение) if I hadn't trusted you completely (если бы я не доверяла вам полностью)." Her thumb and forefinger (ее большой и указательный палец) twisted a black button (крутили черную пуговицу) on his blue coat (на его синем пальто).

"How perfectly fascinating," Brigid O'Shaughnessy said. She left her chair and stood in front of him, close. Her eyes were wide and deep. "I don't have to tell you how utterly at a disadvantage you'll have me, with him here, if you choose."

Spade smiled slightly without separating his lips. "No, you don't have to tell me," he agreed.

"And you know I'd never have placed myself in this position if I hadn't trusted you completely." Her thumb and forefinger twisted a black button on his blue coat.

Spade said, "That again (опять это)!" with mock resignation (с шутливой покорностью).

"But you know it's so (но вы знаете, что это так)," she insisted (настаивала она).

"No, I don't know it (нет, я не знаю этого)." He patted the hand (он похлопал по руке) that was twisting the button (которая крутила пуговицу). "My asking for reasons (мои вопросы о причинах) why I should trust you (почему я должен верить вам) brought us here (привели нас сюда). Don't let's confuse things (давайте не будем путать вещи). You don't have to trust me (вам необязательно доверять мне), anyhow (что бы то ни было), as long as you can persuade me (пока вы можете убедить меня) to trust you (доверять вам)."

She studied his face (она изучала его лицо). Her nostrils quivered (ее ноздри дрожали).

She studied his face. Her nostrils quivered.

Spade laughed (Спейд засмеялся). He patted her hand again and said (он снова похлопал по ее руке и сказал): "Don't worry about that now (не волнуйтесь об этом сейчас). He'll be here in a moment (он будет здесь через мгновение). "Sure (конечно)."

She turned her hand under his so (она повернула свою руку под его так) that her fingers pressed his (что ее пальцы сжали его). She said softly (она мягко сказала): "You're a God-send (вы просто находка: «вы Богом посланный»)."

Spade said: "Don't overdo it (не преувеличивайте)."

She looked reproachfully at him (она укоризненно посмотрела на него; *reproach* — упрек, укор), though smiling (хотя улыбаясь), and returned to the padded rocker (вернулась к обитому креслу-качалке).

"And you'll let me go about it — with him — in my own way?"

" Sure."

She turned her hand under his so that her fingers pressed his. She said softly: "You're a God-send."

Spade said: "Don't overdo it."

She looked reproachfully at him, though smiling, and returned to the padded rocker.

Joel Cairo was excited (Джоэль Кейро был взволнован). His dark eyes (его темные глаза) seemed all irises (казались сплошными зрачками; *iris* — радужная оболочка глаза) and his highpitched thin-voiced words (и его пронзительные писклявые слова) were tumbling out before Spade had the door half-open (вырвались прежде, чем Спейд открыл дверь наполовину; *to tumble* — упасть, бросать).

"That boy is out there (тот парень снаружи) watching the house, Mr. Spade (наблюдает за домом, мистер Спейд), that boy you showed me (тот парень, которого вы мне показали), or to whom you showed me (или которому вы показали меня), in front of the theatre (перед театром). "A kid who's been trying to tail me (мальчик, который пытается следить за мной) around town (по всему городу) all evening (весь вечер)," Spade

said carelessly over his shoulder (сказал Спейд беззаботно через свое плечо), not turning to face the girl (не поворачиваясь, чтобы стать лицом к девушке). "Come on in, Cairo (входите, Кейро). There's no use standing here (нет никакой пользы в том, чтобы стоять здесь) talking for all the neighbors (и говорить для всех соседей)."

Brigid O'Shaughnessy grasped Spade's arm above the elbow and demanded (Бриджит О'Шонесси сжала руку Спейда над локтем и потребовала): "Did he follow you to my apartment (он следовал за вами до моей квартиры)?"

"No (нет). I shook him before that (я оторвался от него: «стряхнул его» перед этим). Then I suppose he came back here (потом, я думаю, он снова пришел сюда) to try to pick me up again (чтобы попытаться подцепить меня снова)."

Cairo, holding his black hat to his belly (Кейро, держа свою черную шляпу у своего живота) with both hands (обеими руками), had come into the passageway (прошел в коридор). Spade shut the corridor-door behind him (Спейд закрыл за ним дверь коридора) and they went into the living-room (и они прошли в гостиную). There Cairo bowed stiffly (там Кейро

чопорно поклонился) over his hat once more and said (над своей шляпой еще раз и сказал): "I am delighted to see you again, Miss O'Shaughnessy (я рад видеть вас снова, мисс О'Шонесси)."

"I was sure you would be, Joe (я была уверена, что вы будете, Джо)," she replied, giving him her hand (ответила она, подавая ему руку).

She sat in the padded rocker (она села в обитое кресло-качалку) she had occupied before (которое она занимала до этого). Cairo sat in the armchair by the table (Кейро сел в кресло рядом со столом). Spade, when he had hung Cairo's hat and coat in the closet (Спейд, когда он повесил шляпу и пальто Кейро в платяной шкаф), sat on an end of the sofa (сел на край дивана) in front of the windows (перед окнами) and began to roll a cigarette (и начал скручивать сигарету).

Brigid O'Shaughnessy said to Cairo (Бриджит О'Шонесси сказала Кейро): "Sam told me (Сэм сказал мне) about your offer for the falcon (о вашем предложении за сокола). How soon can you have the money ready (как скоро вы сможете приготовить деньги)?"

Cairo's eyebrows twitched (брови Кейро дернулись). He smiled (он улынулся). "It is ready (они готовы)." He continued to smile at the girl for a little while (он продолжал улыбаться девушке некоторое время) after he had spoken (после того как сказал), and then looked at Spade (а потом посмотрел на Спейда).

Cairo's eyebrows twitched. He smiled. "It is ready." He continued to smile at the girl for a little while after he had spoken, and then looked at Spade.

Spade was lighting his cigarette (Спйэд зажигал сигарету). His face was tranquil (его лицо было спокойно).

"In cash (наличными)?" the girl asked (спросила девушка).

"Oh, yes (о, да)," Cairo replied (ответил Кейро).

She frowned (она нахмурилась), put her tongue between her lips (высунула /свой/ язык между /своих/ губ), withdrew it (убрала его), and asked (и спросила): "You are ready (вы готовы) to give us five thousand dollars (дать нам пять тысяч долларов), now (сейчас), if we give you the falcon (если мы отдадим вам сокола)?"

"Oh, yes," Cairo replied.

"Oh!" She looked at Spade (она посмотрела на Спейда).

Spade blew cigarette-smoke (Спейд выпустил: «выдохнул» сигаретный дым) down the front of his vest (вниз перед своим жилетом) and said (и сказал): "That's probably right (это, наверное, верно). When her eyes opened round and wide (когда ее глаза округлились и

The Levantine bent forward in his chair (левантинец наклонился вперед

Cairo's face was darkened (лицо Кейро потемнело) by a flush of
annoyance (от прилива раздражения). He put an ugly hand (он положил
уродливые руки/кисти рук) on either arm of his chair (на каждый
подлокотник своего кресла), holding his small-boned body erect (держа

свое худое тело прямо) and stiff between them (и напряженно между ними). His dark eyes were angry (его темные глаза были сердитыми). He did not say anything (он ничего не сказал).

The girl made a mock-placatory face at him (девушка показала ему насмешливо-успокоительное лицо). "I'll have it in a week at the most, though (хотя, он будет у меня через неделю, самое большее)," she said.

"Where is it (где он)?" Cairo used politeness of mien (Кейро воспользовался вежливым выражением лица) to express skepticism (чтобы выразить скептицизм).

"Where Floyd hid it (где Флойд его спрятал)."

darken ['dʌ:k(q)n] annoyance [ə'nɒɪəns] skepticism ['skeptɪslz(q)m]

Cairo's face was darkened by a flush of annoyance. He put an ugly hand on either arm of his chair, holding his small-boned body erect and stiff between them. His dark eyes were angry. He did not say anything.

The girl made a mock-placatory face at him. "I'll have it in a week at the most, though," she said.

"Where is it?" Cairo used politeness of mien to express skepticism.

"Where Floyd hid it."

"Floyd? Thursby?"

She nodded (она кивнула).

"And you know where that is (и вы знаете, где это)?" he asked (спросил он).

"I think I do (я думаю, да)."

"Then why must we wait a week (тогда почему мы должны ждать неделю)?"

"Perhaps not a whole week (возможно, не целую неделю). Whom are you buying it for, Joe (для кого вы его покупаете, Джо)?"

Cairo raised his eyebrows (Кейро поднял свои брови). "I told Mr. Spade (я сказал мистеру Спейду). For its owner (для его владельца)."

Surprise illuminated the girl's face (удивление осветило лицо девушки).
"So you went back to him (так вы вернулись: «пошли обратно» к нему)?"

Cairo raised his eyebrows. "I told Mr. Spade. For its owner."

Surprise illuminated the girl's face. "So you went back to him?"

"Naturally I did (естественно, да)."

She laughed softly in her throat and said (она мягко засмеялась своим горлом и сказала): "I should have liked to have seen that (мне бы хотелось увидеть это)."

Cairo shrugged (Кейро пожал плечами). "That was the logical development (это было логическим продолжением; *development* — *развитие, рост*)." He rubbed the back of one hand (он потер тыльную сторону одной ладони) with the palm of the other (ладонью другой). His upper lids came down (его верхние веки опустились вниз) to shade his eyes (чтобы прикрыть его глаза; *to shade* — *затенять, защищать*). "Why (пожалуй), if I in turn (если я, в свою очередь) may ask a question (могу задать вопрос), are you willing to sell to me (вы хотите продать /его/ мне)?"

"I'm afraid (я боюсь)," she said simply (просто сказала она), "after what happened to Floyd (после того, что случилось с Флойдом). That's why (именно поэтому) I haven't it now (у меня его сейчас нет). Spade, propped on an elbow on the sofa (Спейд, опершись локтем на диван), looked at and listened to them impartially (смотрел и слушал их безучастно). In the comfortable slackness of his body (в удобной расслабленности его тела), in the easy stillness of his features (в простом спокойствии его черт), there was no indication (не было никаких признаков) of either curiosity or impatience (ни любопытства, ни нетерпения).

"Exactly what (что именно)," Cairo asked in a low voice (спросил Кейро тихим голосом), "happened to Floyd (случилось с Флойдом)?"

The tip of Brigid O'Shaughnessy's right forefinger (кончик правого указательного пальца Бриджит О'Шонесси) traced a swift G in the air (прочертил быстрое «G» в воздухе).

Cairo said (Кейро сказал), "I see (я понимаю)," but there was something doubting (но было что-то сомневающееся) in his smile (в его улыбке). "Is he here (он здесь)?"

Spade, propped on an elbow on the sofa, looked at and listened to them impartially. In the comfortable slackness of his body, in the easy stillness of his features, there was no indication of either curiosity or impatience.

The tip of Brigid O'Shaughnessy's right forefinger traced a swift G in the air.

Cairo said, "I see," but there was something doubting in his smile. "Is he here?"

"I don't know (я не знаю)." She spoke impatiently (она говорила нетерпеливо). "What difference does it make (какое это имеет значение: «какую разницу это делает»)?"

The doubt in Cairo's smile deepened (сомнения в улыбке Кейро углубились). "It might make a world of difference (это может быть совсем иное дело; *world* — мир, планета)," he said (сказал он), and rearranged his hands in his lap so (и передвинул /свои/ руки на /своих/ коленях так; *rearrange* — передвигать, переустраивать) that, intentionally or not (что, намеренно или нет), a blunt forefinger pointed at Spade (тупой указательный палец указывал на Спейда).

The girl glanced at the pointing finger and made an impatient motion with her head. "Or me," she said, "or you."

"Exactly, and shall we add more certainly the boy outside?"

"Yes," she agreed and laughed (согласилась она и улыбнулась). "Yes, unless he's the one (если он не тот) you had in Constantinople (который был у вас в Константинополе)."

Sudden blood mottled Cairo's face (внезапно кровь прилила: «покрыла пятнами» к лицу Кейро; *mottle* — крапинка, пятнышко; пятнистая окраска). In a shrill enraged voice he cried (пронзительным, яростным голосом он закричал): "The one you couldn't make (тот, с которым вы не смогли сговориться; *to make* — делать, подготавливать)?"

Brigid O'Shaughnessy jumped up from her chair (Бриджит О'Шонесси вскочила со своего стула). Her lower lip was between her teeth (ее нижняя губа была между ее зубов). Her eyes were dark and wide (ее глаза были темными и широкими) in a tense white face (на напряженном белом

лице). She took two quick steps towards Cairo (она сделала два быстрых шага в направлении Кейро). He started to rise (он начал вставать). Her right hand went out (ее правая рука выдвинулась) and cracked sharply against his cheek (и резко стукнула по его щеке; *to crack* — *щелкать, трескаться, раскалывать*), leaving the imprint of fingers there (оставляя на ней: «там» отпечаток пальцев).

Spade, wooden of face (Спейд, с деревянным лицом), was up from the sofa (вскочил с софы) and close to them (и приблизился к ним) by then (к этому времени). He caught Cairo by the throat (он схватил Кейро за горло) and shook him (и потряс его). Cairo gurgled (Кейро булькнул) and put a hand inside his coat (и сунул руку в свое пальто). Spade grasped the

Levantine's wrist (Спейд схватил запястье левантинца), wrenched it away from the coat (выкрутил его из пальто), forced it straight out to the side (с силой отвел его прямо в сторону), and twisted it (и выкручивал его) until the clumsy flaccid fingers (пока неповоротливые слабые пальцы) opened (не открылись) to let the black pistol fall down (чтобы дать упасть черному пистолету) on the rug (на ковер).

Brigid O'Shaughnessy quickly picked up the pistol (Бриджит О'Шонесси быстро подняла пистолет).

Brigid O'Shaughnessy quickly picked up the pistol.

Cairo, speaking with difficulty (Кейро, говоря с трудом) because of the fingers on his throat (из-за пальцев на его горле), said: "This is the second time (это второй раз) you've put your hands on me (когда вы подняли: «положили» ваши руки на меня)." His eyes (его глаза), though the throttling pressure (хотя удушающее давление; *throttle* — *гортань*, *глотка*; *to throttle* — *душить*) on his throat (на его горло) made them bulge (сделало их выпуклыми), were cold and menacing (были холодными и угрожающими).

"Yes," Spade growled (зарычал Спейд). "And when you're slapped (и когда вас бьют; *to slap* — *шлепать, хлопать*) you'll take it (вы примете это) and like it (и вам это должно понравиться)." He released Cairo's wrist (он отпустил запястье Кейро) and with a thick open hand (и толстой ладонью: «открытой рукой») struck the side of his face (ударил его по щеке: «стороне его лица») three times (три раза), savagely (свирепо).

Cairo tried to spit in Spade's face (Кейро попытался плюнуть в лицо Спейду), but the dryness of the Levantine's mouth (но сухость рта левантинца) made it only an angry gesture (сделала это только сердитым жестом). Spade slapped the mouth (Спейд ударил /его/ в рот), cutting the lower lip (и рассек нижнюю губу; *to cut* — *резать, нанести резанную рану*).

Cairo tried to spit in Spade's face, but the dryness of the Levantine's mouth made it only an angry gesture. Spade slapped the mouth, cutting the lower lip.

The door-bell rang (зазвонил дверной звонок).

Cairo's eyes jerked (глаза Кейро дернулись) into focus on the passageway (сфокусировавшись на проходе) that led to the corridor-door (который вел к двери в коридор). His eyes had become unangry and wary

(его глаза стали не сердитыми и осторожными). The girl had gasped (девушка открыла рот от изумления; *to gasp* — дышать с трудом) and turned to face the passageway (и повернула свое лицо к проходу). Her face was frightened (ее лицо было испуганным). Spade stared gloomily for a moment at the blood (Спейд какой-то момент мрачно смотрел на кровь) trickling from Cairo's lip (тонкой струйкой стекавшую с губы Кейро), and then stepped back (и потом отступил назад), taking his hand from the Levantine's throat (убирая свою руку с горла левантинца).

Spade stared gloomily for a moment at the blood trickling from Cairo's lip, and then stepped back, taking his hand from the Levantine's throat.

"Who is it (кто это)?" the girl whispered (прошептала девушка), coming close to Spade (подходя близко к Спейду); and Cairo's eyes jerked back (и глаза Кейро дернулись назад) to ask the same question (чтобы задать тот же самый вопрос).

Spade gave his answer irritably (Спейд ответил раздраженно): "I don't know (я не знаю)."

The bell rang again (звонок зазвенел снова), more insistently (более настойчиво).

"Well, keep quiet (так, не шуметь: «держаться тихо/спокойно»)," Spade said, and went out of the room (и вышел из комнаты), shutting the door behind him (закрывая дверь за собой).

"Well, keep quiet," Spade said, and went out of the room, shutting the door behind him.

Spade turned on the light in the passageway (Спейд включил свет в проходе) and opened the door to the corridor (и открыл дверь в коридор). Lieutenant Dundy and Tom Polhaus were there (там были лейтенант Данди и Том Полхауз).

"Hello, Sam (привет, Сэм)," Tom said. "We thought (мы подумали) maybe (что, может быть) you wouldn't've gone to bed yet (ты еще не лег в постель)."

Dundy nodded (Данди кивнул), but said nothing (но ничего не сказал).

Spade said good-naturedly (Спейд добродушно сказал): "Hello (привет). You guys pick swell hours (вы, ребята, находите прекрасное время: «часы») to do your visiting in (для своих визитов). What is it this time (что такое в этот раз)?"

Spade said good-naturedly: "Hello. You guys pick swell hours to do your visiting in. What is it this time?"

Dundy spoke then, quietly (Данди сказал потом, спокойно): "We want to talk to you, Spade (мы хотим поговорить с вами, Спейд)."

"Well (ну)?" Spade stood in the doorway (Спейд стоял в дверном проеме), blocking it (преграждая: «блокируя» его). "Go ahead (давайте: «идите вперед») and talk (и говорите)."

Tom Polhaus advanced saying (Том продвинулся /вперед/, говоря): "We don't have to do it (мы же не должны делать это) standing here (стоя здесь), do we (не так ли)?"

Spade stood in the doorway (Спейд стоял в дверном проеме) and said (и сказал): "You can't come in (вы не можете войти)." His tone was very slightly apologetic (его тон был слегка извиняющимся).

Tom's thick-featured face (лицо Тома с крупными чертами; *thick* — толстый, жирный, дородный), even in height with Spade's (ровно на одной высоте с лицом Спейда), took on an expression (приняло выражение) of friendly scorn (дружеской насмешки; *scorn* — презрение, пренебрежение; насмешка), though there was a bright gleam (хотя был

яркий блеск) in his small shrewd eyes (в его маленьких проницательных глазах). "What the hell, Sam (какого черта, Сэм)?" he protested (запротестовал он) and put a big hand playfully (и положил большую руку игриво) on Spade's chest (на грудь Спейда).

Spade leaned against the pushing hand (Спейд наклонился к толкающей руке), grinned wolfishly (по-волчьи ухмыльнулся), and asked (и спросил): "Going to strong-arm me, Tom (собираешься применить силу, Том)?"

Tom grumbled (Том проворчал), "Aw, for God's sake (О, ради Бога)," and took his hand away (и убрал свою руку).

Dundy clicked his teeth together (Данди щелкнул зубами) and said through them (и сказал сквозь них): "Let us in (дайте нам войти)."

Spade's lip twitched over his eyetooth (губа Спейда дернулась над его верхним клыком: «глазным зубом»). He said: "You're not coming in (вы не войдете). "What's this (что это)?" Spade asked (спросил Спейд). "Charades (бессмысленная суэта: «шарады»)"

"All right, Spade, we're going (хорошо, Спейд, мы уходим)." Dundy buttoned his overcoat (Данди застегнул на пуговицы свое пальто). "We'll be in to see you (мы будем заходить повидать тебя) now and then (время от времени). Maybe you're right (может, быть ты прав) in bucking us (что

сопротивляешься нам; *buck* — *самец животного /особ. оленя/; to buck* — *взбрыкивать; сопротивляться*). Think it over (Подумай над этим)."

grim [grɪm] satisfaction ["sɪtɪs'fæks(q)n] charade [ʃɑ'rɑ:d]

Dundy's mouth-corners lifted in a smile of grim satisfaction. "There must've been something to it," he told Tom.

Tom shifted his feet and, not looking at either man, mumbled: "God knows."

"What's this?" Spade asked. "Charades?"

"All right, Spade, we're going." Dundy buttoned his overcoat. "We'll be in to see you now' and then. Maybe you're right in bucking us. Think it over."

"Uh-huh (угу)," Spade said, grinning (сказал Спейд, ухмыляясь). "Glad to see you any time (рад вас видеть всегда), Lieutenant (лейтенант), and whenever I'm not busy (каждый раз, когда я не занят) I'll let you in (я вас впущу)."

A voice in Spade's living-room screamed (голос в гостиной Спейда закричал): "Help (помогите)! Help (помогите)! Police (полиция)! Help (помогите)!" The voice (голос), high amid thin and shrill (высокий, в то же время тонкий и пронзительный), was Joel Cairo's (был голосом Джоэля Кейро).

Lieutenant Dundy stopped turning away (лейтенант Данди перестал поворачиваться) from the door (от двери), confronted Spade again (решительно встал перед Спейдом снова), and said decisively (и решительно сказал): "I guess we're going in (я думаю: «полагаю», мы войдем)."

"Uh-huh," Spade said, grinning. "Glad to see you any time, Lieutenant, and whenever I'm not busy I'll let you in."

A voice in Spade's living-room screamed: "Help! Help! Police! Help!" The voice, high amid thin and shrill, was Joel Cairo's.

Lieutenant Dundy stopped turning away from the door, confronted Spade again, and said decisively: "I guess we're going in."

The sounds of a brief struggle (звуки короткой борьбы), of a blow (удара), of a subdued cry (подавленного крика), came to them (дошли до них).

Spade's face twisted into a smile (лицо Спейда исказилось улыбкой) that held little joy (в которой было мало радости). He said, "I guess you are (я думаю, да)," and stood out of the way (и отступил в сторону: «с дороги»).

When the police-detectives had entered (когда полицейские детективы вошли) he shut the corridor-door (он закрыл дверь в коридор) and followed them back to the living-room (и проследовал за ними назад, в гостиную).

struggle ['strAg(q)l] subdued [sAb'dju:d, sqb-] joy [dZOl]

The sounds of a brief struggle, of a blow, of a subdued cry, came to them.

Spade's face twisted into a smile that held little joy. He said, "I guess you are," and stood out of the way.

When the police-detectives had entered he shut the corridor-door and followed them back to the living-room.

VIII. Horse Feathers

(Чушь собачья; досл. перья лошади)

Brigid O'Shaughnessy was huddled (Бриджит О'Шонессси съежилась) in the armchair by the table (в кресле у стола). Her forearms were up (ее предплечья были подняты вверх) over her cheeks (над ее щеками), her knees drawn up until (ее колени подняты до тех пор) they hid the lower part of her face (пока они не скрыли нижнюю часть ее лица). Her eyes were white-circled (ее глаза были широко распахнуты: «с белыми кругами») and terrified (и испуганы).

huddle [hʌdl] forearm ['f0:rQ:m] terrify ['terɪfai]

Brigid O'Shaughnessy was huddled in the armchair by the table. Her forearms were up over her cheeks, her knees drawn up until they hid the lower part of her face. Her eyes were white-circled and terrified.

Joel Cairo stood in front of her (Джоэль Кейро стоял перед ней), bending over her (склонившись над ней), holding in one hand the pistol (держа в одной руке пистолет) Spade had twisted out of his hand (который Спейд выкрутил у него из рук). His other hand (его другая рука) was clapped to his forehead (была прижата к его лбу). Blood ran through the fingers of that hand (кровь бежала сквозь пальцы этой руки) and down under them (и вниз, под них) to his eyes (к его глазам). A smaller trickle (струйка поменьше) from his cut lip (с его рассеченной губы) made three wavy lines (делала три извилистые линии) across his chin (через его подбородок = по его подбородку).

bending ['bendɪn] pistol ['plstl] chin [tʃɪn]

Joel Cairo stood in front of her, bending over her, holding in one hand the pistol Spade had twisted out of his hand. His other hand was

clapped to his forehead. Blood ran through the fingers of that hand and down under them to his eyes. A smaller trickle from his cut lip made three wavy lines across his chin.

Cairo did not heed the detectives (Кейро не обратил внимания на детективов; *heed* — внимание, осторожность; *to heed* — обращать внимание, учитывать). He was glaring at the girl (он уставился на девушку) huddled in front of him (сжежившуюся перед ним). His lips were working spasmodically (его губы двигались судорожно), but no coherent sound (но никакого связного звука) came from between them (они не издавали: «между ними не исходило»).

Dundy, the first of the three into the living-room (Данди, первый из трех вошедший в гостиную), moved swiftly to Cairo's side (поспешно двинулся в сторону Кейро), put a hand on his own hip (положил руку на свое собственное бедро) under his overcoat (под своим пальто), a hand on the Levantine's wrist (руку на запястье левантинца), and growled (и прорычал): "What are you up to here (чего это вы замышляете /здесь/)?"

glaring ['gle(q)rɪn] spasmodically [spɪz'mɒdɪkəl] under ['ʌndə]

Cairo did not heed the detectives. He was glaring at the girl huddled in front of him. His lips were working spasmodically, but no coherent sound came from between them.

Dundy, the first of the three into the living-room, moved swiftly to Cairo's side, put a hand on his own hip under his overcoat, a hand on the Levantine's wrist, and growled: "What are you up to here?"

Cairo took the red-smeared hand (Кейро убрал измазанную красным руку) from his head (со своей головы) and flourished it (и взмахнул ею) close to the Lieutenant's face (близко к лицу лейтенанта). Uncovered by the

hand (больше не покрытый рукой), his forehead showed (его лоб показал) a three-inch ragged tear (рваную царапину в три дюйма; *tear* — *разрыв, прореха, дыра*). "This is what she has done (это то, что она сделала)," he cried (крикнул он). "Look at it (посмотрите на это)."

smear [smlq] flourish ['flArlS] uncovered [An'kAvqd]

Cairo took the red-smear hand from his head and flourished it close to the Lieutenant's face. Uncovered by the hand, his forehead showed a three-inch ragged tear. "This is what she has done," he cried. "Look at it."

The girl put her feet down on the floor (девушка опустила свои ноги на пол) and looked warily from Dundy (и осторожно перевела взгляд от Данди), holding Cairo's wrist (держущего запястье Кейро), to Tom Polhaus (на Тома Полхауза), standing a little behind them (стоявшего немного за ними), to Spade (на Спейда), leaning against the door-frame (прислонившегося к дверной коробке: «раме»). Spade's face was placid (лицо Спейда было безмятежно). When his gaze met hers (когда его взгляд встретился с ее) his yellow-grey eyes glinted for an instant (его желто-серые глаза на мгновение блеснули) with malicious humor (злобным юмором) and then became expressionless again (а потом снова стали невыразительными; *expression* — *выражение*).

leaning ['li:nIN] frame [freIm] malicious [mq'IIsqS]

The girl put her feet down on the floor and looked warily from Dundy, holding Cairo's wrist, to Tom Polhaus, standing a little behind them, to Spade, leaning against the door-frame. Spade's face was placid.

When his gaze met hers his yellow-grey eyes glinted for an instant with malicious humor and then became expressionless again.

"Did you do that (это сделали вы)?" Dundy asked the girl (спросил девушку Данди), nodding at Cairo's cut head (кивая на рассеченную голову Кейро).

She looked at Spade again (она снова посмотрела на Спейда). He did not in any way (он никаким образом) respond (не ответил) to the appeal in her eyes (на призыв ее глаз). He leaned against the door-frame (он прислонился к дверной раме) and observed the occupants of the room (и наблюдал за находящимися в комнате) with the polite detached air (с вежливым отстраненным выражением лица; *air* — *воздух, атмосфера; манера, вид*) of a disinterested spectator (незаинтересованного наблюдателя).

respond [rɪ'spɒnd] observed [qb'zq:vd] occupant ['OkjVpɒnt]

"Did you do that?" Dundy asked the girl, nodding at Cairo's cut head.

She looked at Spade again. He did not in any way respond to the appeal in her eyes. He leaned against the door-frame and observed the occupants of the room with the polite detached air of a disinterested spectator.

The girl turned her eyes up to Dundy's (девушка повернула свои глаза к глазам Данди). Her eyes were wide (ее глаза были широко распахнутыми) and dark (и темными) and earnest (и серьезными). "I had to (я была вынуждена)," she said in a low throbbing voice (сказала она тихим трепещущим голосом; *to throb* — *сильно биться/пульсировать; беспокоиться, трепетать*). "I was all alone in here with him (я была совсем одна с ним здесь) when he attacked me (когда он напал на меня). I

couldn't (я не могла) — I tried to keep him off (я пыталась держать его подальше). I (я) — I couldn't make myself shoot him (я не смогла заставить себя застрелить его)."

The girl turned her eyes up to Dundy's. Her eyes were wide and dark and earnest. "I had to," she said in a low throbbing voice. "I was all alone in here with him when he attacked me. I couldn't — I tried to keep him off. I — I couldn't make myself shoot him."

"Oh, you liar (о, вы — лгунья)!" Cairo cried (закричал Кейро), trying unsuccessfully to pull the arm (безуспешно пытаюсь вытащить руку; *success* — *успех*) that held his pistol (которая держала пистолет) out of Dundy's grip (из хватки Данди). "Oh, you dirty filthy liar (о, вы — грязная, низкая лгунья)!" He twisted himself around (он повернулся) to face Dundy (чтобы стать лицом к Данди). "She's lying awfully (она ужасно лжет). I came here in good faith (я пришел сюда с честными намерениями) and was attacked by both of them (и подвергся нападению их обоих), and when you came (а когда вы пришли) he went out to talk to you (он вышел, чтобы поговорить с вами), leaving her here with this pistol (оставив ее здесь с этим пистолетом), and then she said (и потом она сказала) they were going to kill me (что они собираются убить меня) after you left (после того, как вы уйдете), and I called for help (и я позвал на помощь), so you wouldn't leave me here (чтобы вы не оставили меня здесь) to be murdered (на убийство), and then she struck me (и потом она ударила меня) with the pistol (этим пистолетом)."

unsuccessfully ["Ansɤk'sesf(q)II] awfully ['O:f(q)II] struck [strAk]

"Oh, you liar!" Cairo cried, trying unsuccessfully to pull the arm that held his pistol out of Dundy's grip. "Oh, you dirty filthy liar!" He twisted himself around to face Dundy. "She's lying awfully. I came here in good faith and was attacked by both of them, and when you came he went out to talk to you, leaving her here with this pistol, and then she said they were going to kill me after you left, and I called for help, so you wouldn't leave me here to be murdered, and then she struck me with the pistol."

"Here, give me this thing (ну-ка, дайте мне этот пистолет)," Dundy said, and took the pistol from Cairo's hand (и взял пистолет из руки Кейро), "Now let's get this straight (теперь давайте разберемся; *straight* — *прямо*). What'd you come here for (для чего вы сюда пришли)?"

"He sent for me (он послал за мной)." Cairo twisted his head around (Кейро повернул голову; *to twist* — *крутить, вить/ся/*) to stare defiantly at Spade (чтобы вызываяще уставиться на Спейда). "He called me up on the phone (он позвонил мне по телефону) and asked me to come here (и попросил меня прийти сюда)."

Spade blinked sleepily at the Levantine (Спейд сонно моргнул на левантинца) and said nothing (и ничего не сказал).

defiantly [dl'falqntll] call [k0:l] blink [blINK]

"Here, give me this thing," Dundy said, and took the pistol from Cairo's hand, "Now let's get this straight. What'd you come here for?"

"He sent for me." Cairo twisted his head around to stare defiantly at Spade. "He called me up on the phone and asked me to come here."

Spade blinked sleepily at the Levantine and said nothing.

Dundy asked (Данди спросил): "What'd he want you for (для чего вы ему были нужны)?"

Cairo withheld his reply (Кейро задержал свой ответ) until he had mopped his bloody forehead (пока он не вытер свой окровавленный лоб) and chin (и подбородок) with a lavender-barred silk handkerchief (бледно-лиловым: «лавандовым» полосатым шелковым носовым платком). By then (к этому времени) some of the indignation in his manner (некоторое негодование в его манере поведения) had been replaced by caution (сменилось на осторожность). "He said he wanted (он сказал, он хочет) — they wanted (они хотят) — to see me (видеть меня). I didn't know what about (я не знал, для чего)."

Tom Polhaus lowered his head (Том Полхауз наклонил голову), sniffed the odor of chypre (вдохнул запах шипра) that the mopping handkerchief (который носовой платок, которым он вытирал /лицо/) had released in the air (распространял в воздухе; *to release* — *освобождать*), and turned his head (и повернул голову) to scowl interrogatively at Spade (чтобы сердито и вопросительно посмотреть на Спейда). Spade winked at him (Спейд подмигнул ему) and went on rolling a cigarette (и продолжал сворачивать сигарету).

Tom Polhaus lowered his head, sniffed the odor of chypre that the mopping handkerchief had released in the air, and turned his head to scowl interrogatively at Spade. Spade winked at him and went on rolling a cigarette.

Dundy asked (Данди спросил): "Well, what happened then (ну, что случилось потом)?"

"Then they attacked me (потом они напали на меня). She struck me first (она ударила меня первой), and then he choked me (а потом он стал душить меня) and took time pistol (и взял мой пистолет) out of my pocket (из моего кармана). I don't know (я не знаю) what they would have done next (что бы они сделали после этого: «следующим») if you hadn't arrived at that moment (если бы вы не пришли: «прибыли» в этот момент). I dare say (осмелюсь сказать) they would have murdered me (они убили бы меня) then and there (тут же, на месте: «тогда и там»). When he went out (когда он вышел) to answer the bell (чтобы ответить на звонок = открыть дверь) he left her here with the pistol (он оставил ее здесь с пистолетом) to watch over me (чтобы следить за мной)."

I dare say they would have murdered me then and there. When he went out to answer the bell he left her here with the pistol to watch over me."

Brigid O'Shaughnessy jumped out of the armchair (Бриджит О'Шонесси выскочила из кресла) crying (крича), "Why don't you make him (почему вы не заставите его) tell the truth (сказать правду)?" and slapped Cairo on the cheek (и ударила Кейро по щеке).

Cairo yelled inarticulately (Кейро нечленораздельно завопил).

Dundy pushed the girl back into the chair (Данди толкнул девушку обратно в кресло) with the hand (рукой) that was not holding the Levantine's arm (которая не держала руку левантинца) and growled (и зарычал): "None of that now (прекратите уж это, хватит: «ничего из этого сейчас»)."

Brigid O'Shaughnessy jumped out of the armchair crying, "Why don't you make him tell the truth?" and slapped Cairo on the cheek.

Cairo yelled inarticulately.

Dundy pushed the girl back into the chair with the hand that was not holding the Levantine's arm and growled: "None of that now."

Spade, lighting his cigarette (Спейд, зажигая свою сигарету), grinned softly through smoke (мягко улыбнулся сквозь дым) and told Tom (и сказал Тому): "She's impulsive (а она импульсивна)."

"Yeah (да)," Tom agreed (согласился Том).

Dundy scowled down at the girl (Данди сердито посмотрел на девушку) and asked (и спросил): "What do you want (что вы хотите) us to think the truth is (чтобы мы считали правдой)?"

"Not what he said (не то, что он сказал)," she replied (ответила она). "Not anything he said (абсолютно ничего из того, что он сказал)." She turned to Spade (она повернулась к Спейду). "Is it (так)?"

"How do I know (откуда я знаю)?" Spade responded (ответил Спейд). "I was out in the kitchen (я был там, на кухне) mixing an omelette (смешивая омлет = готовя омлет) when it all happened, wasn't I (когда все это случилось, не так ли)?"

Spade, lighting his cigarette, grinned softly through smoke and told Tom: "She's impulsive."

"Yeah," Tom agreed.

Dundy scowled down at the girl and asked: "What do you want us to think the truth is?"

"Not what he said," she replied. "Not anything he said." She turned to Spade. "Is it?"

"How do I know'?" Spade responded. "I was out in the kitchen mixing an omelette when it all happened, wasn't I?"

She wrinkled her forehead (она нахмурила лоб; *to wrinkle* — морщинить, покрывать складками), studying him with eyes (изучая его глазами) that perplexity clouded (которые омрачило недоумение).

Tom grunted in disgust (Том /что-то/ промычал с отвращением; *to grunt* — хрюкать; ворчать, бормотать).

Dundy, still scowling at the girl (Данди, все еще сердито смотря на девушку), ignored Spade's speech (проигнорировал речь Спейда) and asked her (и спросил ее): "If he's not telling the truth (если он не говорит правду), how come (как так получилось, что) he did the squawking for help (он орал о помощи), and not you (а не вы)?"

"Oh, he was frightened to death (о, он был до смерти напуган) when I struck him (когда я ударила его)," she replied (ответила она), looking contemptuously at the Levantine (презрительно глядя на левантинца; *contempt* — презрение).

"Oh, he was frightened to death when I struck him," she replied, looking contemptuously at the Levantine.

Cairo's face flushed (лицо Кейро покрылось румянцем) where it was not blood-smeared (там, где оно не было замазано кровью). He exclaimed (он воскликнул): "Pfoo! Another lie (фу! опять ложь: «другая ложь»)!"

She kicked his leg (она пнула его ногу), the high heel of her blue slipper (высокий каблук ее голубой туфли) striking him (ударила его) just below the knee (прямо под колено). Dundy pulled him away from her (Данди оттащил его от нее) while big Tom came (в то время, как большой Том подошел) to stand close to her (чтобы стать к ней ближе), rumbling (громыхая): "Behave, sister (ведите себя хорошо, сестренка). "Then make him tell the truth (тогда заставьте его говорить правду)," she said defiantly (сказала она вызывающе).

"We'll do that all right (мы это сделаем, будьте уверены)," he promised (пообещал он). "Just don't get rough (только не грубите; *rough* — *неровный, шершавый; грубый*)." Dundy, looking at Spade (Данди, глядя на Спейда) with green eyes (зелеными глазами) hard and bright and satisfied (жестко и радостно, и удовлетворенно), addressed his subordinate (обратился к своему подчиненному): "Well, Tom (ну, Том), I don't guess (я не думаю) we'll go wrong (что мы ошибемся) pulling the lot of them in (если арестуем их всех; *to pull* — *тащить, тянуть*)."

Tom nodded gloomily.

Spade left the door (Спейд оставил дверь) and advanced to the center of the room (и приблизился к центру комнаты; *to advance* — *идти вперед, продвигаться*), dropping his cigarette into a tray on the table (бросая сигарету в пепельницу на столе) as he passed it (когда он проходил мимо нее). Spade interrupted him (Спейд прервал его) in a quite loud (довольно громким), but still genial, voice (но еще доброжелательным голосом): "I hired her just recently (я нанял ее совсем недавно), yesterday (вчера). As Spade talked (*когда Спейд говорил*) anxiety came into Cairo's reddened face (*беспокойство появилось на покрасневшем лице Кейро*). As Spade talked anxiety came into Cairo's reddened face. His eyes moved jerkily up and down, shifting their focus uneasily between the floor and Spade's bland face.

Dundy confronted Cairo (*Данди встал перед Кейро*) and briskly demanded (*и оживленно/живо = быстро, энергично потребовал*): "Well, what've you got to say to that (*ну, что вы можете сказать на это*)?"

Cairo had nothing to say (*Кейро не мог ничего сказать*) for nearly a minute (*приблизительно минуту*) while he stared at the Lieutenant's chest (*пока он пристально смотрел на грудь лейтенанта*). When he lifted his eyes (*когда он поднял свои глаза*) they were shy and wary (*они были робкими и настороженными*). "I don't know what I should say (*я не знаю, что я должен сказать*)," he murmured (*пробормотал он*). His

embarrassment seemed genuine (его замешательство казалось неподдельным).

"Try telling the facts (попытайтесь рассказать факты)," Dundy suggested (предложил Данди).

"The facts?" Cairo's eyes fidgeted (глаза Кейро беспокойно двигались), though their gaze did not actually leave the Lieutenant's (хотя их взгляд, на самом деле, не покидал взгляда лейтенанта). "What assurance have I (какую гарантию я имею) that the facts will be believed (что фактам поверят)?"

briskly [brɪskli] shy [ʃaɪ] fact [fækt]

Dundy confronted Cairo and briskly demanded: "Well, what've you got to say to that?"

Cairo had nothing to say for nearly a minute while he stared at the Lieutenant's chest. When he lifted his eyes they were shy and wary. "I don't know what I should say," he murmured. His embarrassment seemed genuine.

"Try telling the facts," Dundy suggested.

"The facts?" Cairo's eyes fidgeted, though their gaze did not actually leave the Lieutenant's. "What assurance have I that the facts will be believed?"

"Quit stalling (бросьте увиливать). All you've got to do (все, что вы должны сделать) is swear to a complaint (это дать показания по поводу жалобы на то; *to swear* — клясться, давать клятву) that they took a poke at you (что они подняли на вас руку; *poke* — толчок, удар кулаком) and the warrant-clerk will believe you enough (и офицер /выписывающий ордер на арест/ поверит вам достаточно) to issue a warrant (чтобы выписать ордер на арест) that'll let us throw them in the can (который позволит нам

бросить их в каталажку; *can* — коробка, консервная банка, бидон, чехол).

Spade spoke in an amused tone (Спейд сказал веселым тоном): "Go ahead, Cairo (вперед/давай, Кейро). Make him happy (сделайте его счастливым). Tell him you'll do it (скажите ему, что вы сделаете это), and then we'll swear to one against you (и тогда мы дадим показания против вас), and he'll have the lot of us (и он будет иметь всех нас)."

Cairo cleared his throat (Кейро прочистил свое горло) and looked nervously around the room (и нервно оглядел комнату), not into the eyes of anyone there (но не в глаза кого бы то ни было).

Cairo cleared his throat and looked nervously around the room, not into the eyes of anyone there.

Dundy blew breath through his nose (Данди выдохнул через /свой/ нос) in a puff (коротким выдохом) that was not quite a snort (который был почти что фырканием) and said (и сказал): "Get your hats (возьмите ваши шляпы)."

Cairo's eyes (глаза Кейро), holding worry and a question (сохраняя беспокойство и вопрос), met Spade's mocking gaze (встретил насмешливый взгляд Спейда). Spade winked at him (Спейд подмигнул ему) and sat on the arm (и сел на подлокотник) of the padded rocker

(обитого кресла-качалки). "Well, boys amid girls (ну, мальчики с девочками)," he said, grinning at the Levantine (улыбаясь левантинцу) and at the girl (и девушке) with nothing but delight (ни с чем иным, как с восторгом) in his voice and grin (в голосе и улыбке), "we put it over nicely (мы мило все это проделали)."

Dundy's hard square face (жесткое квадратное лицо Данди) darkened the least of shades (потемнело чрезвычайно: «до малейших оттенков»). He repeated peremptorily (он повторил категорично): "Get your hats (возьмите ваши шляпы)."

blew [blu:] puff [pʌf] peremptory [pɹɪˈmpt(ə)rɪ]

Dundy blew breath through his nose in a puff that was not quite a snort and said: "Get your hats."

Cairo's eyes, holding worry and a question, met Spade's mocking gaze. Spade winked at him and sat on the arm of the padded rocker. "Well, boys amid girls," he said, grinning at the Levantine and at the girl with nothing but delight in his voice and grin, "we put it over nicely."

Dundy's hard square face darkened the least of shades. He repeated peremptorily: "Get your hats."

Spade turned his grin on the Lieutenant (Спейд повернул свою ухмылку к лейтенанту), squirmed into a more comfortable position (устроился в более удобное положение; *to squirm* — корчиться, увиливать, извиваться) on the chair-arm (на подлокотнике кресла) and asked lazily (и лениво спросил): "Don't you know (/разве/ вы не видите: «знаете») when you're lacing kidded (когда над вами так явно подшутили; *to lace* — украшать кружевом, шнуровать; бить, стегать)?"

Tom Polhaus's face became red and shiny (лицо Тома Полхауза стало красным и блестящим).

Dundy's face, still darkening (лицо Данди, все еще темнея), was immobile (было неподвижным) except for lips moving stiffly (исключая губы, натянуто двигающихся) to say (чтобы сказать): "No, but we'll let that wait (нет, но это может подождать) till we get down to the Hall (до тех пор, когда мы доберемся в управление)."

Spade rose (Спейд встал) and put his hands in his trousers-pockets (и сунул свои руки в карманы своих брюк). He stood erect (он стоял прямо) so he might look that much farther down at the Lieutenant (так что он мог смотреть настолько дальше вниз на лейтенанта = еще более свысока). His grin was a taunt (его улыбка была насмешкой) and self-certainty spoke in every line of his posture (и самоуверенность говорила в каждой линии его позы).

lacing ['leɪsɪŋ] shiny ['ʃaɪni] immobile [ɪ'mɒbɪl]

Spade turned his grin on the Lieutenant, squirmed into a more comfortable position on the chair-arm and asked lazily: "Don't you know when you're lacing kidded?"

Tom Polhaus's face became red and shiny.

Dundy's face, still darkening, was immobile except for lips moving stiffly to say: "No, but we'll let that wait till we get down to the Hall."

Spade rose and put his hands in his trousers-pockets. He stood erect so he might look that much farther down at the Lieutenant. His grin was a taunt and self-certainty spoke in every line of his posture.

"I dare you (только попробуйте; *to dare* — *сметь, отважиться, рисковать; бросать вызов*) to take us in, Dundy (арестовать нас, Данди)," he said (сказал он). "We'll laugh at you (мы будем смеяться над вами) in every newspaper in San Francisco (в каждой газете Сан-Франциско). You don't think (вы же не думаете) any of us (что кто-нибудь из нас) is going

to swear to any complaints (собирается давать любые показания) against the others (против других), do you (не так ли)? Wake up (проснитесь). You've been kidded (над вами подшутили). When the bell rang (когда звонок зазвонил) I said to Miss O'Shaughnessy and Cairo (я сказал мисс О'Шонессе и Кейро): 'It's those damned bulls again (это снова те проклятые копы; *bull* — бык, буйвол; полицейский). They're getting to be nuisances (они становятся занудливы). Let's play a joke on them (давайте подшутим над ними; *joke* — шутка). When you hear them going (когда вы услышите, что они уходят) one of you scream (пусть один из вас закричит), and then we'll see (а потом мы посмотрим) how far we can string them along (как далеко мы можем водить их за нос; *to string* — натягивать, напрягать, связывать) before they tumble (пока они не догадаются; *to tumble* — упасть, обрушиться).' And (и) —."

"I dare you to take us in, Dundy," he said. "We'll laugh at you in every newspaper in San Francisco. You don't think any of us is going to swear to any complaints against the others, do you? Wake up. You've been kidded. When the bell rang I said to Miss O'Shaughnessy and Cairo: 'It's those damned bulls again. They're getting to be nuisances. Let's play a joke on them. Brigid O'Shaughnessy bent forward (Бриджит О'Шонессе нагнулась вперед) in her chair (в своем кресле) and began to laugh hysterically (и начала истерически хохотать).

Cairo started and smiled (Кейро вздрогнул и улыбнулся; *to start* — начинать, отправляться в путь). There was no vitality in his smile (в его

улыбке не было жизненности), but he held it fixed on his face (но он держал ее неподвижно на своем лице).

Tom, glowering, grumbled (Том, глядя сердито, прогрохотал): "Cut it out, Sam (перестань, Сэм)."

Spade chuckled and said (Спейд захихикал и сказал): "But that's the way it was (но это то, как все было). We (мы) —"

"And the cut on his head and mouth (а рана на его голове и губах: «рту»)" Dundy asked scornfully (спросил Данди презрительно). "Where'd they come from (откуда они появились)?"

Brigid O'Shaughnessy bent forward in her chair and began to laugh hysterically.

Cairo started and smiled. There was no vitality in his smile, but he held it fixed on his face.

Tom, glowering, grumbled: "Cut it out, Sam."

Spade chuckled and said: "But that's the way it was. We —"

"And the cut on his head and mouth?" Dundy asked scornfully. "Where'd they come from?"

"Ask him (спросите его)," Spade suggested (предложил Спейд). "Maybe he cut himself shaving (может, он порезался, когда брился)."

Cairo spoke quickly (Кейро быстро заговорил), before he could be questioned (прежде чем он мог быть спрошен), and the muscles of his face quivered (и мускулы его лица дрожали) under the strain of holding his smile in place (под напряжением от удержания улыбки на месте) while he spoke (пока он говорил). "I fell (я упал). We intended to be struggling for the pistol (мы собирались бороться за пистолет) when you came in (когда вы войдете), but I fell (но я упал). I tripped on the end of the rug (я

споткнулся о край ковра) and fell (и упал) while we were pretending to struggle (когда мы собирались изобразить борьбу)."

Dundy said (Данди сказал): "Horse feathers (чушь собачья; *horse* — лошадь, *feather* — перо)."

shaving ['SelvIN] tripped [tript] rug [rAg]

"Ask him," Spade suggested. "Maybe he cut himself shaving."

Cairo spoke quickly, before he could be questioned, and the muscles of his face quivered under the strain of holding his smile in place while he spoke. "I fell. We intended to be struggling for the pistol when you came in, but I fell. I tripped on the end of the rug and fell while we were pretending to struggle."

Dundy said: "Horse feathers."

Spade said: "That's all right, Dundy (все хорошо, Данди), believe it or not (верьте в это или нет). The point is (дело в том) that that's our story (что это наша история) and we'll stick to it (и мы будем придерживаться ее; *to stick* — *наклеивать, приклеивать*). The newspapers will print it (газеты напечатают ее) whether they believe it or not (поверят они в нее или нет), and it'll be just as funny (и это будет также забавно) one way as the other (в любом случае: «одним образом, как и другим»), or more so (или даже больше). What are you going to do about it (что вы собираетесь делать с этим)? It's no crime (это же не преступление) to kid a copper (подшутить над полицейским), is it (не так ли)? You haven't got anything on anybody here (у вас ничего нет, на кого бы то ни было здесь). Everything we told you (все, что мы вам рассказали) was part of the joke (было частью шутки). Dundy put his back to Spade (Данди повернулся спиной к Спейду) and gripped Cairo by the shoulders (и схватил Кейро за плечи). "You can't get away with that (вы не увильнете таким образом)," he snarled (прорычал он), shaking the Levantine (тряся левантинца). "You belched for help (вы скулили о помощи) and you've got to take it (и вам придется ее принять)."

"No, sir (нет, сэр)," Cairo sputtered (пробормотал Кейро). "It was a joke (это была шутка). He said you were friends of his (он сказал, что вы его друзья) and would understand (и поймете)."

Spade laughed (Спейд засмеялся).

grip [grip] snarl [snQ:l] sputter ['spAtq]

Dundy put his back to Spade and gripped Cairo by the shoulders. "You can't get away with that," he snarled, shaking the Levantine. "You belched for help and you've got to take it."

"No, sir," Cairo sputtered. "It was a joke. He said you were friends of his and would understand."

Spade laughed.

Dundy pulled Cairo roughly around (Данди дернул Кейро грубо /вокруг/), holding him now (держа его теперь) by one wrist (за одно

запястье) and the nape of his neck (и за заднюю часть шеи). "I'll take you along (я заберу вас с собой) for packing the gun (за ношение при себе оружия; *to pack* — *упаковывать, укладывать*), anyway (в любом случае)," he said. "And I'll take the rest of you along (и я заберу оставшихся из вас) to see who laughs at the joke (чтобы посмотреть, кто будет смеяться над шуткой)."

Cairo's alarmed eyes jerked sidewise (встревоженные глаза Кейро дернулись в сторону) to focus on Spade's face (чтобы сфокусироваться на лице Спейда).

nape [neɪp] along [ə'loʊn] sidewise ['saɪdwaɪz]

Dundy pulled Cairo roughly around, holding him now by one wrist and the nape of his neck. "I'll take you along for packing the gun, anyway," he said. "And I'll take the rest of you along to see who laughs at the joke."

Cairo's alarmed eyes jerked sidewise to focus on Spade's face.

Spade said: "Don't be a sap, Dundy (не будьте олухом, Данди). The gun was part of the plant (пистолет был частью розыгрыша; *plant* — *растение, урожай; поза, позиция*). It's one of mine (это один из моих)." He laughed (он засмеялся). "Too bad it's only a thirty-two (слишком плохо, он только тридцать второго калибра), or maybe (или, может быть) you could find (вы сможете обнаружить) it was the one (что это тот) Thursby and Miles were shot with (которым застрелили Терсби и Майлза)."

Dundy released Cairo (Данди отпустил Кейро), spun on his heel (повернувшись на своих пятках), and his right fist clicked on Spade's chin (и его правый кулак стукнул по подбородку Спейда).

Brigid O'Shaughnessy uttered a short cry (Бриджит О'Шонесси издала короткий крик).

sap [s x p] plant [pla:nt] heel [hi:l]

Spade said: "Don't be a sap, Dundy. The gun was part of the plant. It's one of mine." He laughed. "Too bad it's only a thirty-two, or maybe you could find it was the one Thursby and Miles were shot with."

Dundy released Cairo, spun on his heel, and his right fist clicked on Spade's chin.

Brigid O'Shaughnessy uttered a short cry.

Spade's smile flickered out (улыбка Спейда исчезла) at the instant of the impact (в момент удара), but returned immediately (но вернулась немедленно) with a dreamy quality added (с добавившимся мечтательным свойством; *quality* — *качество, сорт, уровень*). He steadied himself (он придал себе устойчивости) with a short backward step (коротким шагом в назад) and his thick sloping shoulders (и его полные покатые плечи) writhed under his coat (напряглись под его пиджаком/пальто; *to writhe* — *скручивать, сплетать*). Before his fist could come up (прежде чем его кулак смог подняться) Tom Polhaus had pushed himself (Том Полхауз втолкнул себя) between the two men (между двумя мужчинами), facing Spade (глядя на Спейда), encumbering Spade's arms (задерживая руки Спейда) with the closeness of his barrel-like belly (близостью своего бочкообразного живота) and his own arms (и своими собственными руками).

Spade's smile flickered out at the instant of the impact, but returned immediately with a dreamy quality added. He steadied himself with a short backward step and his thick sloping shoulders writhed under his

coat. Before his fist could come up Tom Polhaus had pushed himself between the two men, facing Spade, encumbering Spade's arms with the closeness of his barrel-like belly and his own arms.

"No, no, for Christ's sake (нет, нет, ради Христа)!" Tom begged (умолял Том).

After a long moment (после долгого момента) of motionlessness (неподвижности; *motion* — движение) Spade's muscles relaxed (мускулы Спейда расслабились). "Then get him out of here quick (тогда быстро убери его отсюда)," he said. His smile had gone away again (его улыбка снова ушла), leaving his face sullen (оставив его лицо угрюмым) and somewhat pale (и каким-то бледным).

Tom, staying close to Spade (Том, стоя близко к Спейду), keeping his arms on Spade's arms (держа свои руки на руках Спейда), turned his head (повернул свою голову) to look over his shoulder at Lieutenant Dundy (чтобы взглянуть через плечо на лейтенанта Данди). Tom's small eyes were reproachful (маленькие глаза Тома были укоризненными).

beg [beg] relaxed [rɪ'ɪksɪt] reproachful [rɪ'prɔʊtʃfʊl]

"No, no, for Christ's sake!" Tom begged.

After a long moment of motionlessness Spade's muscles relaxed. "Then get him out of here quick," he said. His smile had gone away again, leaving his face sullen and somewhat pale.

Tom, staying close to Spade, keeping his arms on Spade's arms, turned his head to look over his shoulder at Lieutenant Dundy. Tom's small eyes were reproachful.

Dundy's fists were clenched (кулаки Данди были сжаты) in front of his body (перед его телом) and his feet were planted firm (и его ноги стояли

крепко) and a little apart (и слегка в стороны) on the floor (на полу), but the truculence in his face (но жестокость на его лице; *truculent* — жестокий, свирепый) was modified (была смягчена) by thin rims of white (тонкими ободками белка глаза) showing between green irises (видимого между зелеными зрачками) and upper eyelids (и верхними веками).

"Get their names and addresses (возьми их имена и адреса)," he ordered (приказал он).

Tom looked at Cairo (Том посмотрел на Кейро), who said quickly (который быстро сказал): "Joel Cairo, Hotel Belvedere (Джоэль Кейро, отель «Бельведер»)."

Dundy's fists w'ere clenched in front of his body and his feet were planted firm and a little apart on the floor, but the truculence in his face was modified by thin rims of white showing between green irises and upper eyelids.

"Get their names and addresses," he ordered.

Tom looked at Cairo, who said quickly: "Joel Cairo, Hotel Belvedere."

Spade spoke before (Спейд сказал прежде) Tom could question the girl (чем Том смог спросить девушки). "You can always get in touch with Miss O'Shaughnessy (вы всегда можете связаться с мисс О'Шонессси; *touch* — прикосновение, осязание, контакт) through me (через меня)."

Tom looked at Dundy (Том посмотрел на Данди). Dundy growled (Данди прорычал): "Get her address (возьми ее адрес)."

Spade said (Спейд сказал): "Her address is in care of my office (ее адрес находится под попечением моей фирмы: «офиса»)."

Dundy took a step forward (Данди шагнул перед), halting in front of the girl (останавливаясь перед девушкой). "Where do you live (где вы живете)?" he asked (спросил он).

Spade addressed Tom (Спейд обратился к Тому): "Get him out of here (забери его отсюда). I've had enough of this (мне уже достаточно этого)."

touch [tAtS] address [q'dres] forward ['f0:wqɔd]

Spade spoke before Tom could question the girl. "You can always get in touch with Miss O'Shaughnessy through me."

Tom looked at Dundy. Dundy growled: "Get her address."

Spade said: "Her address is in care of my office."

Dundy took a step forward, halting in front of the girl. "Where do you live?" he asked.

Spade addressed Tom: "Get him out of here. I've had enough of this."

Tom looked at Spade's eyes (Том посмотрел в глаза Спейда) — hard and glittering (жесткие и сверкающие) — and mumbled (и пробормотал): "Take it easy, Sam (не волнуйся, Сэм)." He buttoned his coat (он застегнул на пуговицы свое пальто) and turned to Dundy (и повернулся к Данди), asking (спрашивая), in a voice that aped casualness (голосом, который изображал небрежность; *to ape* — обезьянничать, подделывать), "Well, is that all (ну, это все)?" and taking a step towards the door (и делая шаг в направлении двери).

Dundy's scowl failed to conceal indecision (нахмуренность Данди не смогла скрыть нерешительность).

Cairo moved suddenly towards the door (вдруг Кейро двинулся в сторону двери), saying (говоря): "I'm going too (я тоже ухожу), if Mr. Spade will be kind enough (если мистер Спейд будет достаточно добр) to give me my hat and coat (чтобы дать мне мою шляпу и пальто)."

glittering ['glɪt(q)rɪn] buttoned [bʌtnd] indecision ["ɪndɪ'sɪz(q)n]

Tom looked at Spade's eyes — hard and glittering — and mumbled: "Take it easy, Sam." He buttoned his coat and turned to Dundy, asking, in a voice that aped casualness, "Well, is that all?" and taking a step towards the door.

Dundy's scowl failed to conceal indecision.

Cairo moved suddenly towards the door, saying: "I'm going too, if Mr. Spade will be kind enough to give me my hat and coat."

Spade asked (Спейд спросил): "What's the hurry (что за спешка)?"

Dundy said angrily (Данди сердито сказал): "It was all in fun (это все было в шутку), but just the same (но все равно) you're afraid to be left here with them (вы боитесь остаться здесь с ними)."

"Not at all (совсем нет)," the Levantine replied (ответил левантинец), fidgeting (беспокойно двигаясь), looking at neither of them (не глядя ни на кого), "but it's quite late and (но довольно поздно и) — and I'm going (и я ухожу). I'll go out with you (я выйду с вами) if you don't mind (если вы не возражаете)."

Dundy put his lips together firmly (Данди твердо сжал губы) and said nothing (и ничего не сказал). A light was glinting in his green eyes (свет блестел в его зеленых глазах).

same [seɪm] fidget ['fɪdʒɪt] neither ['neɪdʒ]

Spade asked: "What's the hurry?"

Dundy said angrily: "It was all in fun, but just the same you're afraid to be left here with them."

"Not at all," the Levantine replied, fidgeting, looking at neither of them, "but it's quite late and — and I'm going. I'll go out with you if you don't mind."

Dundy put his lips together firmly and said nothing. A light was glinting in his green eyes.

Spade went to the closet (Спейд пошел к платяному шкафу) in the passageway (в проходе) and fetched Cairo's hat and coat (и принес шляпу и пальто Кейро). Spade's face was blank (лицо Спейда было невыразительным; *blank* — *белый; бледный, бесцветный*). His voice held the same blankness (его голос содержал ту же невыразительность) when he stepped back (когда он отступил назад) from helping the Levantine into his coat (после того, как помог левантинцу одеть пальто) and said to Tom (и сказал Тому): "Tell him to leave the gun (скажи ему оставить пистолет)."

Dundy took Cairo's pistol (Данди взял пистолет Кейро) from his overcoat-pocket (из кармана своего пальто) and put it on the table (и положил его на стол). He went out first (он вышел первым), with Cairo at his heels (с Кейро, /идушим/ по пятам: «на пятках»). Tom halted in front of Spade (Том встал перед Спейдом), muttering (бормоча), "I hope to God you know what you're doing (я надеюсь, ради Бога, что ты знаешь, что делаешь)," got no response (не получил ответа), sighed (вздыхнул), and followed the others out (и вышел вслед за остальными). Spade went after them (Спейд пошел за ними) as far as the bend in the passageway (до поворота в проходе; *bend* — *сгиб, изгиб*), where he stood (где он стоял) until Tom had closed the corridor-door (пока Том /не/ закрыл дверь в коридор).

fetch [fetʃ] blank [blæŋk] response [rɪ'spɒns]

Spade went to the closet in the passageway and fetched Cairo's hat and coat. Spade's face was blank. His voice held the same blankness when he stepped back from helping the Levantine into his coat and said to Tom: "Tell him to leave the gun."

Dundy took Cairo's pistol from his overcoat-pocket and put it on the table. He went out first, with Cairo at his heels. Tom halted in front of Spade, muttering, "I hope to God you know what you're doing," got no response, sighed, and followed the others out. Spade went after them as far as the bend in the passageway, where he stood until Tom had closed the corridor-door.

IX. Brigid

(Бриджит)

Spade returned to the living-room (Спейд вернулся в гостиную) and sat on an end of the sofa (и сел на конец дивана), elbows on knees (локти на коленях), cheeks in hands (щеки в руках), looking at the floor (глядя на пол) and not at Brigid O'Shaughnessy smiling weakly at him (а не на Бриджит О'Шонессси, слабо улыбающуюся ему) from the armchair (из кресла). His eyes were sultry (его глаза были разъяренными: «жаркими»). The creases between brows (складки между бровями) over his nose (над его носом) were deep (были глубокими). His nostrils moved in and out (его ноздри двигались внутрь и наружу) with his breathing (вместе с его дыханием).

weakly ['wi:kli] sultry ['sAltri] nostril ['nOstrIl]

Spade returned to the living-room and sat on an end of the sofa, elbows on knees, cheeks in hands, looking at the floor and not at Brigid

O'Shaughnessy smiling weakly at him from the armchair. His eyes were sultry. The creases between brows over his nose were deep. His nostrils moved in and out with his breathing.

Brigid O'Shaughnessy (Бриджит О'Шонессси), when it became apparent (когда стало очевидно) that he was not going to look up at her (что он не собирался взглянуть на нее), stopped smiling (перестала улыбаться) and regarded him with (и рассматривала его) growing uneasiness (с растущим беспокойством).

Red rage came suddenly into his face (раздраженное бешенство вдруг проявилась на его лице; *red* — *красный*) and he began to talk (и он начал говорить) in a harsh guttural voice (грубым/резким, гортанным голосом). Holding his maddened face in his hands (держа свое яростное лицо в своих руках), glaring at the floor (глядя на пол), he cursed Dundy (он ругал: «проклинал» Данди) for five minutes without break (пять минут без остановки), cursed him obscenely (ругал его грязно), blasphemously (оскорбительно: «богохульно»; *blasphemy* — *богохульство*), repetitiously (многословно: «повторяясь»), in a harsh guttural voice (грубым, гортанным голосом).

regard [rɪ'gQ:d] uneasiness [An'i:zɪnɪs] repetitiously ["repl'tɪsqslɪ]

Brigid O'Shaughnessy, when it became apparent that he was not going to look up at her, stopped smiling and regarded him with growing uneasiness.

Red rage came suddenly into his face and he began to talk in a harsh guttural voice. Holding his maddened face in his hands, glaring at the floor, he cursed Dundy for five minutes without break, cursed him obscenely, blasphemously, repetitiously, in a harsh guttural voice.

Then he took his face out of his hands (потом он отнял свое лицо от своих рук), looked at the girl (посмотрел на девушку), grinned sheepishly, and said (застенчиво улыбнулся и сказал): "Childish, huh (ребячество: «ребячески», да)? I know (я знаю), but, by God (но, ради Бога), I do hate being hit (я не люблю/ненавижу быть битым) without hitting back (без того, чтобы не дать сдачи: «бить в ответ»)." He touched his chin (он потрогал свой подбородок) with careful fingers (осторожными пальцами). "Not that it was so much of a sock at that (не то, чтобы удар был сильным, к тому же; *sock* — удар)." He laughed (он засмеялся) and lounged back on the sofa (и откинулся на диване), crossing his legs (скрестив ноги). "A cheap enough price (достаточно дешевая цена) to pay for winning (чтобы заплатить за победу)." Then he took his face out of his hands, looked at the girl, grinned sheepishly, and said: "Childish, huh? I know, but, by God, I do hate being hit without hitting back." He touched his chin with careful fingers. "Not that it was so much of a sock at that." He laughed and lounged back on the sofa, crossing his legs. "A cheap enough price to pay for winning." His brows came together in a fleeting scowl. "Though I'll remember it."

The girl, smiling again (девушка, снова улыбаясь), left her chair (покинула свое кресло) and sat on the sofa beside him (и села на диван рядом с ним). "You're absolutely the wildest person (вы совершенно самый дикий человек) I've ever known (которого я когда-нибудь знала)," she said. "Do you always carry on so high-handed (вы всегда ведете себя так

"I let him hit me, didn't I (я позволил ему ударить себя, не так ли)?"

"Oh, yes, but a police official (о, да, но полицейский чиновник)."

"It wasn't that (это было не из-за этого)," Spade explained (объяснил Спейд). "It was that in losing his head (это было из-за того, что, потеряв голову) and slugging me (и ударив меня кулаком) he overplayed his hand (он перестарался; *to overplay one's hand* — *картежн. не взять установленного числа взяток*). He stared thoughtfully at the girl (он задумчиво посмотрел на девушку), and asked (и спросил): "What did you do to Cairo (что вы сделали с Кейро)?"

"And then you smacked him with the gun (а потом вы ударили его пистолетом)?"

"I had to (я должна была). He attacked me (он напал на меня)."

"You don't know what you're doing (вы не знаете, что вы делаете)." Spade's smile (улыбка Спейда) did not hide (не скрыла) his annoyance (его досады). "I'm sorry (мне жаль)," she said, face and voice soft with contrition (лицо и голос мягкие от раскаяния), "Sam."

"Sure you are (конечно, вам жаль)." He took tobacco and papers (он достал табак и бумаги) from his pockets (из своих карманов) and began to make a cigarette (и начал делать сигарету). She stopped frowning (она перестала хмуро смотреть) at her knees (на свои колени) and looked at Spade (и посмотрела на Спейда) with clear candid eyes (ясными, искренними глазами). "We were interrupted (нас прервали: «мы были прерваны») almost before we had begun (почти прежде, чем мы начали)."

Spade lighted his cigarette (Спейд зажег свою сигарету) and laughed his mouth empty of smoke (и засмеявшись, выпустил весь дым изо рта; *empty* — *пустой, порожний*). "Want me to phone him (хотите, чтобы я позвонил ему) and ask him to come back (и попросил его вернуться)?"

She shook her head (она покачала головой), not smiling (не улыбаясь). Her eyes moved back and forth (ее глаза двигались назад и вперед)

She leaned back (она откинулась назад) into the bend of his arm (к изгибу его руки). He said: "Well, I'm listening (ну, я слушаю)."

She twisted her head around (она повернула свою голову) to smile up at him (чтобы улыбнуться ему) with playful insolence (и с игривой дерзостью), asking (спрашивая): "Do you need your arm there for that (для этого вам нужна ваша рука там)?"

"He's still there (он все еще там)," Spade said.

She bit the inside of her lip (она прикусила внутреннюю сторону своей губы) and turned slowly (и медленно повернулась), going back into the living-room (идя назад в гостиную). Spade followed her in (Спейд последовал за ней), put his hat and overcoat on a chair (положил свою шляпу и пальто на стул), said, "So we'll have time to talk (итак, у нас есть время, чтобы поговорить)," and went into the kitchen (и пошел на кухню).

He had put the coffee-pot on the stove (он поставил кофейник на плиту) when she came to the door (когда она пришла к двери), and was slicing (и резал на куски) a slender loaf of French bread (узкую булку французского хлеба). "To help them get it from the man who had it," she said slowly when she had lowered her cup, "a Russian named Kemidov."

"How («как»)?"

"Oh, but that's not important (о, но это неважно)," she objected (возразила она), "and wouldn't help you (и не поможет вам)" — she smiled impudently (она дерзко улыбнулась; *impudent* — нахальный, дерзкий;

"Then I'd have been in a position (тогда у меня была бы возможность; *position* — *положение, место*) to talk terms with Mr. Floyd Thursby (обсуждать условия с мистером Флойдом Терсби)."

Spade squinted at her (Спейд взглянул на нее укорякой; *to squint* — *косить /глазами/; смотреть искоса, укорякой*) and suggested (и предложил): "But you wouldn't have known (но вы, видимо, не знали) where to take it (куда ее отвезти) to get more money (чтобы получить больше денег) than he'd give you (чем он бы вам дал), the larger sum (большую сумму) that you knew (за которую, вы знали) he expected to sell it for (он ожидал продать ее)?"

"I did not know," she said.

Spade scowled at the ashes (Спейд хмуро смотрел на пепел) he had dumped (который он свалил кучкой) on his plate (на своей тарелке). "What makes it worth all that money (что делает ее стоящей таких денег)?" he demanded (/требовательно/ спросил он). "Porcelain or black stone (из фарфора или черного камня). I don't know (я не знаю). I've never touched it (я никогда не касалась ее). I've only seen

"Porcelain or black stone. I don't know. I've never touched it. I've only seen it once, for a few minutes. Floyd showed it to me when we'd first got hold of it."

Spade mashed the end of his cigarette (Спейд расплющил конец своей сигареты) in his plate (в своей тарелке) and made one draught of the coffee and brandy (и сделал один глоток кофе и бренди) in his cup (в своей чашке). His scowl had gone away (его нахмуренность ушла). He wiped his lips with his napkin (он вытер свои губы своей салфеткой), dropped it crumpled on the table (бросил его смятым на стол), and spoke casually (и сказал ненароком): "You are a liar (вы — лгунья)."

She got up (она встала) and stood at the end of the table (и встала у конца стола), looking down at him (глядя вниз на него) with dark abashed eyes (темными сконфуженными глазами) in a pinkening face (на розовеющем лице). "Don't brag about it (не хвастайтесь этим). It's childish (это ребячество)." His voice was good-humored (его голос был добродушным). She hung her head (она повесила голову). Dampness glistened on her dark lashes (влага блеснула на ее темных ресницах). "Some (немного)," she whispered (прошептала она).

"Not — not very much."

Spade put a hand under her chin (Спейд положил руку под ее подбородок) and lifted her head (и поднял ее голову). He laughed into her wet eyes and said (он засмеялся в ее мокрые глаза и сказал): "We've got all night before us (у нас вся ночь впереди). She put her hands up (она подняла свои руки) to Spade's cheeks (к щекам Спейда), put her open mouth (прижала свой открытый рот) hard against his mouth (жестко к его рту), her body flat against his body (ее тело как раз напротив его тела; *flat* — плоский, ровный, плашмя).

Spade's arms went around her (руки Спейда обвились вокруг нее), holding her to him (прижимая ее к себе), muscles bulging his blue sleeves (мускулы выпячивали его синие рукава), a hand cradling her head (рука,

X. The Belvedere Divan

(Диван в «Бельведере»)

Beginning day (начинающийся день) had reduced night to a thin smokiness (свел ночь к тонкому дымку) when Spade sat up (когда Спейд приподнялся). At his side (рядом с ним) Brigid O'Shaughnessy's soft breathing (мягкое дыхание Бриджит О'Шонессе) had the regularity (имело регулярность) of utter sleep (глубокого сна; *utter* — полный, явный). Spade was quiet leaving bed and bedroom (Спейд тихо покинул кровать и спальню) and shutting the bedroom-door (и закрыл дверь спальни). He dressed in the bathroom (он оделся в ванной). Then he examined the sleeping girl's clothes (потом он проверил одежду спящей девушки), took

a flat brass key (взял плоский медный ключ) from the pocket of her coat (из кармана ее пальто), and went out (и вышел).

He went to the Coronet (он пошел в «Коронет»), letting himself into the building (войдя: «впуская себя» в здание) and into her apartment (и в ее квартиру) with the key (с помощью ключа). To the eye (для /непосвященного/ глаза) there was nothing furtive (не было ничего потаенного/вороватого) about his going in (в его входе): he entered boldly and directly (он вошел уверенно и прямо). To the ear (для /непосвященного/ уха) his going in (его вход) was almost unnoticeable (был почти незаметен; *to notice* — замечать, обращать внимание): he made as little sound (он произвел так мало шума; *sound* — звук) as might be (как только возможно).

In the girl's apartment (в квартире девушки) he switched on all the lights (он зажег все огни). He searched the place (он обыскивал квартиру; *place* — *место*) from wall to wall (от стены до стены). When he had finished (когда он закончил) he made and drank a cup of coffee (он сделал и выпил чашку кофе). Then he unlocked the kitchen-window (потом он отпер окно на кухне), scarred the edge of its lock a little (немного поцарапал край его задвижки) with his pocket-knife (своим карманным ножом), opened the window (открыл окно) — over a fire-escape (рядом с пожарным выходом; *escape* — бегство, избавление) — got his hat and overcoat (взял свою шляпу и пальто) from the settee in the living-room (с диванчика в гостиной), and left the apartment (и покинул квартиру) as he had come (как он и пришел).

On his way home (по пути домой) he stopped at a store (он остановился у магазина) that was being opened (который открывался) by a puffy-eyed shivering plump grocer (бакалейщиком с опухшими глазами, дрожащим и полным/пухлым) and bought oranges (и купил апельсинов), eggs (яиц), rolls (булочек; *roll* — рулон, свиток, труба), butter (масла), and cream (и сливок).

Spade went quietly into his apartment (Спейд вошел тихо в свою квартиру), but before he had shut the corridor-door behind him (но прежде чем он закрыл дверь в коридор за собой) Brigid O'Shaughnessy cried (Бриджит О'Шонесси закричала): "Who is that (кто там)?"

Spade put his packages (Спейд положил свои пакеты) on the kitchen-table (кухонный стол) and went into the bedroom (и вошел в спальню). He

sat on the bed (он сел на кровать) beside the girl (рядом с девушкой), kissed her smooth shoulder (поцеловал ее гладкое плечо), and said (и сказал): "I wanted to see (я хотел увидеть) if that kid was still on the job (на месте: «работе» ли еще тот юнец), and to get stuff for breakfast (и добыть продукты для завтрака)."

Their breakfast was on the table when she returned to the kitchen. They sat where they had sat the night before and ate heartily.

"Now about the bird (теперь о птице)?" Spade suggested presently (предложил Спейд вскоре/некоторое время спустя) as they ate (как они поели).

She put her fork down (она положила свою вилку) and looked at him (и посмотрела на него). They kissed. She went into the Coronet. He told the chauffeur: "Hotel Belvedere."

When he reached the Belvedere he saw the youth who had shadowed him sitting in the lobby on a divan from which the elevators could be seen. Apparently the youth was reading a newspaper.

At the desk Spade learned (у стойки регистрации Спейд узнал) that Cairo was not in (что Кейро не было). He frowned (он нахмурился) and pinched his lower lip (и прикусил свою нижнюю губу; *to pinch* — *щипать*). Points of yellow light (точки желтого света) began to dance

(начали плясать) in his eyes (в его глазах). "Thanks (спасибо)," he said softly to the clerk (сказал он мягко клерку) and turned away (и отвернулся).

Sauntering (медленной походкой; *to saunter* — гулять, прогуливаться, прохаживаться, фланировать), he crossed the lobby (он пересек вестибюль) to the divan (к дивану) from which the elevators could be seen (с которого можно было видеть лифты) and sat down beside (и сел рядом) — not more than a foot from (не дальше, чем в футе от) — the young man (того молодого человека) who was apparently reading a newspaper (который, очевидно, читал газету).

The young man did not look up (молодой человек не поднял взгляда) from his newspaper (от своей газеты). Seen at this scant distance (увиденный с такого маленького расстояния; *scant* — скудный, недостаточный; ограниченный), he seemed certainly less than twenty years old (он казался определенно младше двадцать лет). His features were small (его черты были мелкими), in keeping with his stature (соответствующими его росту), and regular (и правильными). His skin was very fair (его кожа была очень светлой). The whiteness of his cheeks (белизна его щек) was as little blurred by any considerable growth of beard (была также мало отмечена сколько-нибудь заметным: «значительным»

ростом бороды; *to blur* — *пачкать, затемнять*) as by the glow of blood (как и румянцем /от крови/). His clothing was neither new (его одежда не была ни новой) nor of more than ordinary quality (ни более чем обычного качества), but it (но она), and his manner of wearing it (и его манера носить ее), was marked by a hard masculine neatness (были отмечены твердой мужественной чистоплотностью).

Spade asked casually (Спейд спросил небрежно), "Where is he (где он)?" while shaking tobacco down into a brown paper (тряся табак вниз в коричневую бумагу) curved to catch it (согнутую, чтобы подхватить его /табак/).

The boy lowered his paper (юноша опустил свою газету) and looked around (и осмотрелся), moving with a purposeful sort of slowness (двигаясь с намеренной медлительностью; *sort* — *вид, род, разновидность*; *purpose* — *цель*; *slow* — *медленный*), as of a more natural swiftness restrained (как будто более естественное проворство сдерживалось). He looked with small hazel eyes (он посмотрел маленькими светло-коричневыми глазами; *hazel* — *ореховый, красно-коричневый*) under somewhat long curling lashes (под несколько длинными, завивающимися ресницами) at Spade's chest (на грудь Спейда). He said, in a voice as colorless (голосом

столь же бесцветным) and composed (и невозмутимым) and cold (и холодным) as his young face (как и его юное лицо): "What (что)?"

"Where is he (где он)?" Spade was busy with his cigarette (Спейд был занят своей сигаретой).

"Who (кто)?"

"The fairy (эльф; *fairy* — фея, волшебница)."

The hazel eyes' gaze (взгляд светло-коричневых глаз) went up Spade's chest (поднялся по груди Спейда) to the knot of his maroon tie (к узлу его темно-бордового галстука) and rested there (и остался там). "What do you think you're doing, Jack (что, вы думаете, вы делаете, парень; *Jack* — Джек; друг — при обращении к неизвестному)?" the boy demanded (настойчиво спросил юнец). "Kidding me (подшучиваете надо мной)?"

"I'll tell you when I am (я скажу вам, когда я буду /подшучивать/)." Spade licked his cigarette (Спейд облизал свою сигарету) and smiled amiably at the boy (и дружелюбно улыбнулся парню). "New York, aren't you (из Нью-Йорка, не так ли)?"

"I'll tell you when I am." Spade licked his cigarette and smiled amiably at the boy. "New York, aren't you?"

The boy stared at Spade's tie (парень смотрел на галстук Спейда) and did not speak (и не говорил). Spade nodded (Спейд кивнул) as if the boy had said yes (словно парень сказал «да») and asked (и спросил): "Bum's rush (выдворили из города; *bum* — лоботряс, бродяга; *rush* — стремительное движение, бросок, напор, натиск)?"

The boy stared at Spade's tie (парень посмотрел на галстук Спейда) for a moment longer (на мгновение дольше), then raised his newspaper (потом поднял газету) and returned his attention to it (и вернул свое внимание к ней). "Shove off (убирайтесь)," he said from the side of his mouth (сказал он сквозь зубы: «из уголка своего рта»).

Spade lighted his cigarette (Спейд зажег свою сигарету), leaned back comfortably on the divan (откинулся удобно на диване), and spoke with good-natured carelessness (сказал с добродушной беззаботностью): "You'll have to talk to me (вы должны будете поговорить со мной) before you're through (прежде чем вы закончите), sonny (сын) — some of you will (некоторые из вас /должны будут/) — and you can tell G. I said so (и вы можете сказать Джи, что я так сказал)."

Spade lighted his cigarette, leaned back comfortably on the divan, and spoke with good-natured carelessness: "You'll have to talk to me before you're through, sonny — some of you will — and you can tell G. I said so."

The boy put his paper down quickly (парень положил быстро свою газету) and faced Spade (и посмотрел на Спейда), staring at his necktie (глядя на его галстук) with bleak hazel eyes (мрачными светло-коричневыми глазами). The boy's small hands (маленькие руки парня) were spread flat over his belly (лежали плашмя на его животе). "Keep asking for it (продолжайте просить об этом) and you're going to get it (и вы получите это)," he said, "plenty (очень много; *plenty* — изобилие, множество)." His voice was low (его голос был низким) and flat (ровным) and menacing (и угрожающим; *to menace* — угрожать). "I told you to shove off (я сказал вам убираться). Shove off (убирайтесь)."

Spade waited (Спейд подождал) until a bespectacled pudgy man (пока низенький и толстый человек в очках; *spectacles* — очки) and a thin-legged blonde girl (и тонконогая белокурая девушка) had passed out of hearing (вышли за пределы слышимости). Then he chuckled and said (затем он усмехнулся и сказал): "That would go over big back on Seventh Avenue (это может иметь большой успех там, на Седьмой авеню). But you're not in Romeville now (но вы сейчас не в Ромвилле). You're in my burg (вы в моем городе; *burg* — /разг./ город)." He inhaled cigarette-smoke (он вдохнул дым сигареты) and blew it out (и выдохнул его) in a long pale cloud (длинным бледным облаком). "Well, where is he (ну, где он)?"

The boy spoke two words (парень сказал два слова), the first a short guttural verb (первое — короткий гортанный глагол), the second "you (второе — «вы»)."

"People lose teeth (люди теряют зубы) talking like that (разговаривая так)." Spade's voice was still amiable (голос Спейда был все еще дружелюбным) though his face had become wooden (хотя его лицо стало деревянным). "If you want to hang around (если вы хотите /продолжать/ слоняться: «висеть» здесь) you'll be polite (будьте вежливым)."

The boy repeated his two words (парень повторил свои два слова).

The boy repeated his two words.

Spade dropped his cigarette (Спейд бросил свою сигарету) into a tall stone jar (в высокую каменную банку) beside the divan (рядом с диваном) and with a lifted hand (и поднятой рукой) caught the attention of a man (привлек внимание мужчины) who had been standing at an end of the cigar-stand (который стоял в конце табачного киоска) for several minutes (уже несколько минут). The man nodded (мужчина кивнул) and came towards them (и подошел в их сторону). He was a middle-aged man (он был мужчиной средних лет) of medium height (среднего роста), round and sallow of face (круглый и желтоватый в лице), compactly built (плотно сложенный), tidily dressed in dark clothes (опрятно одетый в темную одежду).

"Hello, Sam (привет, Сэм)," he said as he came up (сказал он, подходя).

They shook hands (они пожали руки) and Luke said: "Say (слушай), that's too bad about Miles (это очень плохо /то, что случилось с/ Майлзом)."

"Uh-huh, a bad break (угу, не повезло; *break* — пролом, пауза, ошибка)." Spade jerked his head (Спейд дернул головой) to indicate the boy (чтобы обозначить парня) on the divan beside him (на диване рядом с ним). "What do you let these cheap gunmen (зачем ты позволяешь этим дешевым вооруженным бандитам) hang out in your lobby for (болтаться в твоём вестибюле), with their tools (с их оружием; *tool* — инструмент) bulging their clothes (выпирающими /через/ их одежду; *to bulge* — выпячивать)?"

"Yes?" Luke examined the boy with crafty brown eyes (Люк осмотрел парня хитрыми карими глазами) set in a suddenly hard face (неподвижными, на неожиданно жестком лице). "What do you want here (что вам здесь нужно)?" he asked (спросил он).

The boy stood up (парень встал). Spade stood up (Спейд встал). The boy looked at the two men (парень посмотрел на двух мужчин), at their neckties (на их галстуки), from one to the other (с одного на другого).

Luke's necktie was black (галстук Люка был черным). The boy looked like a schoolboy (парень выглядел как школьник) standing in front of them (стоящий перед ними).

Luke said (Люк сказал): "Well (так), if you don't want anything (если вы ничего не хотите), beat it (убирайтесь; *to beat* — *бить, ударять*; /разг./ *удирать*), and don't come back (и не возвращайтесь)."

The boy said (парень сказал), "I won't forget you guys (я не забуду вас, ребята)," and went out (и вышел).

They watched him go out (они смотрели ему вслед: «как он уходит»). Spade took off his hat (Спейд снял свою шляпу) and wiped his damp forehead (и вытер свой влажный лоб) with a handkerchief (носовым платком).

The hotel-detective asked (гостиничный детектив спросил): "What is it (в чем дело)?"

"Damned if I know (черт побери, если я знаю)," Spade replied (ответил Спейд). "I just happened to spot him (мне просто случилось отследить его). Know anything about Joel Cairo (знаешь что-нибудь о Джоэле Кейро) — six-thirty-five (/номер/ шесть — тридцать — пять)?"

"Oh, that one (о, этот)!" The hotel-detective leered (гостиничный детектив хитро/злобно покосился).

"Four days (четыре дня). This is the fifth (это пятый)."

"Four days. This is the fifth."

"What about him (что с ним такое)?"

"Find out (выяснишь) if he came in last night (пришел ли он прошлой ночью)?"

"Try to (попытаюсь)," the hotel-detective promised and went away (пообещал гостиничный детектив и ушел). Spade sat on the divan (Спейд сидел на диване) until he returned (пока он не вернулся). It was twenty-one minutes past eleven (была двадцать одна минута двенадцатого) by the clock over the elevator doors (на часах над дверями лифта) when Joel Cairo came in from the street (когда Джоэль Кейро вошел с улицы). His forehead was bandaged (его лоб был перевязан). His clothes had the limp unfreshness (его одежда имела ту мягкую несвежесть; *fresh* — *свежий*) of too many hours' consecutive wear (/которая проявляется/ от слишком длительного ношения: «от слишком многих часов последовательного = подряд ношения»). His face was pasty (его лицо было одутловатым), with sagging mouth and eyelids (с провисшим ртом и веками; *to sag* — *провисать, обвисать; прогибаться*).

Spade met him in front of the desk (Спейд встретил его перед стойкой регистрации). "Good morning (доброе утро)," Spade said easily (просто сказал Спейд).

"Good morning (доброе утро)," he responded without enthusiasm (ответил он без энтузиазма).

There was a pause (повисла: «была» пауза).

Spade said: "Let's go some place (давайте пойдём в какое-нибудь место) where we can talk (где мы можем поговорить)."

Cairo raised his chin (Кейро поднял свой подбородок). "Please excuse me (пожалуйста, извините меня)," he said. "Our conversations in private have not been such (наши разговоры наедине не были такими) that I am anxious to continue them (чтобы я страстно желал продолжить их). "You mean last night (вы имеете в виду прошлую ночь)?" Spade made an impatient gesture (Спейд сделал нетерпеливое движение) with head and hands (головой и руками). "What in hell else could I do (что, к черту, я мог еще сделать)? I thought you'd see that (я думал, вы поймете это). If you pick a fight with her (если вы начали борьбу с ней; *to pick* — выбирать,

Cairo hesitated (Кейро колебался), said dubiously (сказал нерешительно: «сомнительно»): "You have always (у вас всегда), I must say (должен сказать), a smooth explanation ready (наготове гладкое объяснение)."

Spade scowled (Спейд нахмурился). "What do you want me to do (что вы хотите, чтобы я делал)? Learn to stutter (научиться заикаться)? Well, we can talk over here (ну, мы можем поговорить здесь)." He led the way to the divan (он повел его к дивану; *to lead (led) the way — идти впереди, показывать дорогу*). "How long did they work on you?"

"Until a very little while ago (до совсем недавнего времени), and very much against my will (и очень сильно против моей воли)." Pain and indignation (боль и возмущение) were mixed in Cairo's face and voice (смешались в лице и голосе Кейро). "I shall certainly take the matter up (я конечно доведу дело) with the Consulate General of Greece (до Генерального консульства Греции) and with an attorney (и адвоката)."

There was prim satisfaction (довольное удовлетворение было) in Cairo's smile (в улыбке Кейро). "Not a single thing (ни единой вещи). Spade grinned mockingly (Спейд насмешливо улыбнулся). "Sure (конечно)," he said, "but its goofiness (но ее глупость) is what makes it good (это то, что делает ее хорошей). You sure you didn't give them anything (вы уверены, что вы ничего им не рассказали: «дали»)?"

"You may rely upon it, Mr. Spade, I did not."

Spade drummed with his fingers (Спейд постучал своими пальцами) on the leather seat between them (по кожаному сиденью между ними). "You'll be hearing from Dundy again (Данди снова даст о себе знать: «вы снова услышите о Данди»). Stay dummed-up on him (молчите с ним; *to dummy*

"Yes, I'll have him call you as soon as he comes in," she said aloud and replaced the receiver on its prong. "That's the third time she's called up this morning," she told Spade.

He made an impatient growling noise.

The girl moved her brown eyes (девушка сделала движение своими карими глазами) to indicate the inner office (чтобы показать на внутренний офис). "Your Miss O'Shaughnessy's in there (твоя мисс О'Шонесси там). She's been waiting (она ждет) since a few minutes after nine (с нескольких минут десятого)."

Spade nodded (Спейд кивнул) as if he had expected that (словно ожидал этого) and asked (и спросил): "What else (что еще)?"

"Sergeant Polhaus called up (сержант Полхауз звонил). He didn't leave any message (он не оставил никакого сообщения)."

"Get him for me (свяжи меня с ним /по телефону/: «достань его для меня»)."

"And G. called up (и Джи: «Г» звонил)."

The girl moved her brown eyes to indicate the inner office. "Your Miss O'Shaughnessy's in there. She's been waiting since a few minutes after nine."

Spade nodded as if he had expected that and asked: "What else?"

"Sergeant Polhaus called up. He didn't leave any message."

"Get him for me."

"And G. called up."

Spade's eyes brightened (глаза Спейда засияли; *bright* — светлый, яркий). He asked (он спросил): "Who (кто)?"

"G (Джи). That's what he said (это то, что он сказал)." Her air of personal indifference (ее вид личного безразличия) to the subject (к этой теме: «предмету») was flawless (был безукоризненным; *flaw* — трещина, щель; изъян). "When I told him (когда я сказала ему) you weren't in (что тебя нет) he said: 'When he comes in (когда он придет), will you please tell him (скажите ему, пожалуйста) that G. (что Джи), who got his message (который получил его сообщение), phoned and will phone again (звонил и снова позвонит)?'."

"G. That's what he said." Her air of personal indifference to the subject was flawless. "When I told him you weren't in he said: 'When he comes in, will you please tell him that G., who got his message, phoned and will phone again?'"

Spade worked his lips together (Спейд подвигал губами) as if tasting something (словно пробуя то) he liked (что ему нравилось). "Thanks, darling (спасибо, дорогая)," he said. "See if you can get Tom Polhaus

(выясни, сможешь ли ты связаться с Томом Полхаузом)." He opened the inner door (он открыл внутреннюю дверь) and went into his private office (и вошел в свой личный офис), pulling the door behind him (потянув дверь за собой).

Brigid O'Shaughnessy (Бриджит О'Шонессси), dressed as on her first visit (одетая, как и в свой первый визит) to the office (в офис), rose from a chair beside his desk (встала со стула рядом с его столом) and came quickly towards him (и быстро пошла в его сторону/подошла к нему). "Somebody has been in my apartment (кто-то был в моей квартире)," she exclaimed (воскликнула она). "It is all upside-down (все вверх дном), every which way (все в беспорядке: «во все стороны, по всем направлениям»)."

Spade worked his lips together as if tasting something he liked. "Thanks, darling," he said. "See if you can get Tom Polhaus." He opened the inner door and went into his private office, pulling the door to behind him.

Brigid O'Shaughnessy, dressed as on her first visit to the office, rose from a chair beside his desk and came quickly towards him. "Somebody has been in my apartment," she exclaimed. "It is all upside-down, every which way."

He seemed moderately surprised (он казался умеренно удивленным). "Anything taken (что-нибудь забрали)?"

"I don't think so (я не думаю). I don't know (я не знаю). I was afraid to stay (я побоялась остаться). I changed as fast as I could (я переоделась так быстро, как могла) and came down here (и пришла сюда). Oh, you must've

let that boy (о, ты, должно быть, дал тому юнцу) follow you there (проследить тебя туда)!"

Spade shook his head (Спейд покачал головой). "No, angel (нет, ангел)." He took an early copy (он взял ранний номер; *copy* — *экземпляр, копия*) of an afternoon paper from his pocket (дневной газеты из своего кармана), opened it (открыл ее), and showed her a quarter-column (и показал ей статью: «колонку» на четверть листа) headed (озаглавленную) SCREAM ROUTS BURGLAR (крик обращает грабителя в бегство; *rout* — *беспорядочное бегство; стремительное отступление*).

Spade shook his head. "No, angel." He took an early copy of an afternoon paper from his pocket, opened it, and showed her a quarter-column headed SCREAM ROUTS BURGLAR.

A young woman named Carolin Beale (молодая женщина по имени Кэролайн Бил), who lived alone (которая жила одна) in a Sutter Street apartment (в квартире на Саттер-стрит), had been awakened (была разбужена) at four that morning (в четыре тем утром) by the sound of somebody (звуком кого-то) moving in her bedroom (двигающегося в ее спальне). She had screamed (она закричала). The mover had run away (двигавшийся убежал). Two other women (две другие женщины) who lived alone (живущие одни) in the same building (в том же здании) had discovered (обнаружили), later in the morning (позже утром), signs of (признаки того) the burglar's having visited their apartments (что вор

посетил их квартиры). Nothing had been taken from any of the three (ничего не было похищено: «взято» ни у одной из трех /женщин/).

A young woman named Carolin Beale, who lived alone in a Sutter Street apartment, had been awakened at four that morning by the sound of somebody moving in her bedroom. She had screamed. The mover had run away. Two other women who lived alone in the same building had discovered, later in the morning, signs of the burglar's having visited their apartments. Nothing had been taken from any of the three.

"That's where I shook him (это то, где я оторвался от него: «стряхнул его»)," Spade explained (объяснил Спейд). "I went into that building (я пошел в это здание) and ducked out the back door (и вынырнул из задней двери). That's why (именно по этому) all three (все три) were women who lived alone (были женщинами, живущими одиноко). He tried the apartments (он пробовал те квартиры) that had women's names (у которых были /написаны/ женские имена) in the vestibule-register (в списке в вестибюле; *register* — журнал записей, реестр), hunting for you (охотясь за тобой) under an alias (под вымышленным именем)."

"But he was watching your place (но он следил за твоей квартирой) when we were there (когда мы были там)," she objected (возразила она).

"That's where I shook him," Spade explained. "I went into that building and ducked out the back door. That's why all three were women who lived alone. He tried the apartments that had women's names in the vestibule-register, hunting for you under an alias."

"But he was watching your place when we were there," she objected.

Spade shrugged (Спейд пожал плечами). "There's no reason to think (нет причины думать) he's working alone (что он работает один). Or maybe he went to Sutter Street (или может быть он отправился на Саттер-стрит) after he had begun to think (после того, как он начал думать) you were going to stay all night (что ты собираешься остаться на всю ночь) in my place (у меня в квартире). There are a lot of maybes (есть много всяких «может быть»), but I didn't lead him to the Coronet (но я не приводил его к «Коронет»)."

She was not satisfied (она не была удовлетворена). "But he found it (но он нашел его), or somebody did (или кто-то еще нашел)."

Spade shrugged. "There's no reason to think he's working alone. Or maybe he went to Sutter Street after he had begun to think you were going to stay all night in my place. There are a lot of maybes, but I didn't lead him to the Coronet."

She was not satisfied. "But he found it, or somebody did."

"Sure (конечно)." He frowned at her feet (он хмуро смотрел на ее ноги). "I wonder if it could have been Cairo (интересно, мог ли это быть Кейро). He wasn't at his hotel all night (он не был в своем отеле всю ночь), didn't get in (возвратился: «не возвращался») till a few minutes ago (всего несколько минут назад: «до нескольких минут назад»). He told me (он сказал мне) he had been standing up (что он противостоял) under a police-grilling (полицейскому допросу; *to grill* — жарить, запекать, допрашивать с пристрастием) all night (всю ночь). I wonder (не знаю, но интересно/задаюсь вопросом)." He turned (он повернулся), opened the

door (открыл дверь), and asked Effie Perine (и спросил Эффи Пирайн):

"He's not in. I'll try again in a few minutes."

"Thanks (спасибо)." Spade shut the door (Спейд закрыл дверь) and faced Brigid O'Shaughnessy (и встал перед Бриджит О'Шонесси).

She looked at him (она смотрела на него) with cloudy eyes (хмурыми глазами). "You went to see Joe this morning (ты ходил встретиться с Джо этим утром)?" she asked (спросила она).

"Yes."

She hesitated (она колебалась). "Why (почему)?"

"Thanks." Spade shut the door and faced Brigid O'Shaughnessy.

She looked at him with cloudy eyes. "You went to see Joe this morning?" she asked.

"Yes."

She hesitated. "Why?"

"Why (почему)?" He smiled down at her (он улыбнулся ей). "Because (потому), my own true love (моя настоящая любовь), I've got to keep in some sort of touch (что я должен держать какую-то связь) with all the loose ends (со всеми свободными концами) of this dizzy affair (этого головокружительного = дурацкого дела) if I'm ever going to make heads or tails of it (если я когда-нибудь вообще собираюсь распутать его; *head* — *голова*, *tail* — *хвост*)."

He put an arm around her shoulders (он положил руку вокруг ее плеч = обнял ее за плечи) and led her over (и повел ее) to his swivel-chair (к своему крутящемуся креслу). He kissed the tip of her nose lightly (он слегка поцеловал кончик ее носа) and set her down in the chair (и усадил ее в кресло). He sat on the desk (он сел на стол) in front of her (перед ней). He said: "Now we've got to find (теперь мы должны найти) a new home for you, haven't we (новый дом для тебя, не так ли)?"

He said: "Now we've got to find a new' home for you, haven't we?"

She nodded with emphasis (она кивнула выразительно: *emphasis* — *выразительность, сила, ударение; эмфаза*). "I won't go back there (я туда не вернусь)."

He patted the desk (он похлопал по столу) beside his thighs (рядом со своими бедрами) and made a thoughtful face (и сделал задумчивое лицо). "I think I've got it (я думаю, что понял)," he said presently (сказал он вскоре). "Wait a minute (подожди минуту)." He went into the outer office

(он вышел в приемную: «внешний офис»), shutting the door (закрывая за собой дверь).

Effie Perine reached for the telephone (Эффи Пирайн потянулась к телефону), saying (говоря): "I'll try again (я попробую снова)."

"Afterwards (потом). Does your woman's intuition still tell you (твоя женская интуиция все еще говорит тебе) that she's a madonna or something (что она мадонна или что-то в этом роде)?"

He patted the desk beside his thighs and made a thoughtful face. "I think I've got it," he said presently. "Wait a minute." He went into the outer office, shutting the door.

Effie Perine reached for the telephone, saying: "I'll try again."

"Afterwards. Does your woman's intuition still tell you that she's a madonna or something?"

She looked sharply up at him (она резко взглянула на него). "I still believe (я все еще уверена) that no matter what kind of trouble she's gotten into (что неважно, в какую бы беду она ни попала; *trouble* — *беспокойство, неприятность*) she's all right (она хорошая), if that's what you mean (если это то, что ты имеешь в виду)."

"That's what I mean (это то, что я имею в виду)," he said. "Are you strong enough (ты достаточно сильна) for her (для нее) to give her a lift (чтобы помочь ей; *to give smb. a lift* — *подсадить, подвезти, оказать услугу*)?"

"How (как)?"

"That's what I mean," he said. "Are you strong enough for her to give her a lift?"

"How?"

"Could you put her up for a few days?"

"You mean at home?"

"Yes. Her joint's been broken into (в ее квартиру вломились; *joint* — *стык, сустав; заведение, дом*). That's the second burglary (это уже вторая ночная кража со взломом) she's had this week (которая произошла с ней за эту неделю). It'd be better for her (для нее будет лучше) if she wasn't alone (если она не будет одна). It would help a lot (это очень помогло бы) if you could take her in (если бы ты смогла взять ее к себе)."

Effie Perine leaned forward (Эффи Пирайн наклонилась вперед), asking earnestly (серьезно спрашивая): "Is she really in danger, Sam (она действительно в опасности, Сэм)?"

"I think she is (я думаю, да)."

She scratched her lip with a fingernail (она потерла губу ногтем пальца). "That would scare Ma into a green hemorrhage (это испугает мою маму до инсульта: «до зеленого кровотечения»). I'll have to tell her (я должна буду сказать ей) she's a surprise-witness (что она важный свидетель; *surprise-witness* — *свидетель, дающий неожиданные показания*) or something (или что-то) that you're keeping under cover (что ты держишь в тайне: «под прикрытием») till the last minute (до последней минуты)."

Effie Perine leaned forward, asking earnestly: "Is she really in danger, Sam?"

"I think she is."

She scratched her lip with a fingernail. "That would scare Ma into a green hemorrhage. I'll have to tell her she's a surprise-witness or something that you're keeping under cover till the last minute."

"You're a darling (ты очаровательна)," Spade said. "Better take her out there now (лучше заведи ее домой сейчас). XI. The Fat Man

(Толстяк)

The telephone-bell was ringing (телефонный звонок звенел) when Spade returned to his office (когда Спейд вернулся в свой офис) after sending Brigid O'Shaughnessy off (после отправления Бриджит О'Шонесса) to Effie Perine's house (в дом Эффи Пирайн). He went to the telephone (он подошел к телефону).

"Hello. Yes, this is Spade (алло, да, это Спейд)... Yes, I got it (да, я получил его /сообщение/). I've been waiting (я ждал) to hear from you (что вы свяжитесь со мной: «услышать от вас»)... Who (кто)? ... Mr. Gutman (мистер Гутман...)? Oh, yes, sure (о, да, конечно)! ... Now (сейчас) — the sooner the better (чем скорее, тем лучше)... Twelve C (двенадцать «С»)... Right (хорошо). Say fifteen minutes (скажем, пятнадцать минут). Right (хорошо»)."

telephone ['tɛlɪfəʊn] sending ['sendɪŋ] twelve [twelv]

The telephone-bell was ringing when Spade returned to his office after sending Brigid O'Shaughnessy off to Effie Perine's house. He went to the telephone.

"Hello. Yes, this is Spade... Yes, I got it. I've been waiting to hear from you... Who? ... Mr. Gutman? Oh, yes, sure! ... Now — the sooner the better... Twelve C... Right. Say fifteen minutes. Right."

Spade sat on the corner of his desk (Спейд сел на угол своего стола) beside the telephone (рядом с телефоном) and rolled a cigarette (и скрутил сигарету). His mouth was a hard (его рот был жестким) complacent v (самодовольным «v»). His eyes (его глаза), watching his fingers (наблюдали, как его пальцы) make the cigarette (делают сигарету), smoldered (тлели; *to smolder* — медленно гореть /без огня/, тлеть) over lower lids (над нижними веками) drawn up straight (подтянутыми вверх = прищуренными: «подтянутыми прямо»).

The door opened (дверь открылась) and Iva Archer came in (и вошла Ива Арчер).

Spade said, "Hello, honey (привет, дорогая)," in a voice as lightly amiable (голосом, таким же слегка дружелюбным) as his face had suddenly become (каким вдруг стало его лицо).

Spade said, "Hello, honey," in a voice as lightly amiable as his face had suddenly become.

"Oh, Sam, forgive me (о, Сэм, прости меня)! forgive me (прости меня)!" she cried in a choked voice (закричала она задыхающимся голосом). She stood just inside the door (она стояла прямо в дверях; *inside*

He removed his arm from around her (он убрал свою руку /с нее/), took a card out of his pocket (вынул карточку из своего кармана), scribbled three lines on its back (нацарапал три строчки на ее оборотной стороне), and gave it to her (и отдал ее ей). "You can tell Sid everything (ты можешь рассказать Сиду все)." He frowned (он нахмурился). "Or almost everything (или почти все). Where were you the night (где ты была в ночь) Miles was shot (когда Майлза застрелили)?"

"The drug-store up above your place. Oh, Sam, dearest, I — "

He patted her, shoulder and said pleasantly: "It was a dumb trick, all right, but it's done now. You'd better run along home and think up things to tell the police. You'll be hearing from them. Maybe it'd be best to say 'no' right across the board." He frowned at something distant. "Or maybe you'd better see Sid Wise first." He removed his arm from around her, took a card out of his pocket, scribbled three lines on its back, and gave it to her. "You can tell Sid everything." He frowned. "Or almost everything. Where were you the night Miles was shot?"

"Home (дома)," she replied without hesitating (ответила она без колебаний).

He shook his head (он покачал головой), grinning at her (ухмыляясь ей).

"I was (я была /дома/)," she insisted (настаивала она).

"No," he said, "but if that's your story (но если это твоя история) it's all right with me (для меня это нормально). Go see Sid (поезжай, встретись с Сидом). It's up on the next corner (это вверх /по улице/ на следующем углу), the pinkish building (розоватое здание), room eight-twenty-seven (комната восемь-двадцать-семь)."

Her blue eyes (ее голубые глаза) tried to probe his yellow-grey ones (пытались выведать что-нибудь в его желто-серых глазах). "What makes you think (что заставляет тебя думать) I wasn't home (что меня не было дома)?" she asked slowly (спросила она медленно).

Her blue eyes tried to probe his yellow-grey ones. "What makes you think I wasn't home?" she asked slowly.

"Nothing except (ничего, за исключением того) that I know you weren't (что я знаю, что ты там не была)."

"But I was, I was (но я была, я была)." Her lips twisted (ее губы искривились) and anger darkened her eyes (и гнев затемнил ее глаза). "Effie Perine told you that (Эффи Пирайн сказала это тебе)," she said indignantly (сказала она с негодованием). "Jesus (Боже: «Иисус»), you women (вы, женщины)," Spade said mildly (сказал Спейд мягко). He looked at the watch (он посмотрел на часы) on his wrist (на своем запястье). The mahogany door (дверь красного дерева) of suite 12-C (номера люкс 12-C) at the Alexandria Hotel (в отеле «Александрия») was opened by the boy (была открыта тем юношей) Spade had talked to (с которым Спейд разговаривал) in the Belvedere lobby (в вестибюле отеля «Бельведер»). Spade said, "Hello (привет)," good-naturedly (добродушно). The boy did not say anything (юноша ничего не сказал). He stood aside (он стоял в стороне) holding the door open (держа дверь открытой).

Spade went in (Спейд вошел). A fat man came to meet him (толстяк вышел встретить его).

The mahogany door of suite 12-C at the Alexandria Hotel was opened by the boy Spade had talked to in the Belvedere lobby. Spade said, "Hello," good-naturedly. The boy did not say anything. He stood aside holding the door open.

Spade went in. A fat man came to meet him.

The fat man was flabbily fat (толстяк был дрябло толст) with bulbous pink cheeks (с отвисшими розовыми щеками; *bulbous* — имеющий форму луковицы, выпуклый) and lips (и губами) and chins (и подбородками) and neck (и шеей), with a great soft egg of a belly (с большим мягким животом)

в форме яйца) that was all his torso (который был всем его туловищем), and pendant cones (и болтающимися конусами) for arms and legs (вместо рук и ног). As he advanced to meet Spade (когда он продвигался вперед, чтобы поприветствовать: «встретить» Спейда) all his bulbs rose (все его отвислости-луковицы поднимались) and shook (и тряслись) and fell separately (и падали по отдельности) with each step (с каждым шагом), in the manner of clustered soap-bubbles (подобно собранным пучками мыльным пузырям) not yet released from the pipe (пока еще не освобожденным от трубки) through which they had been blown (через которую они были выдуты). His eyes (его глаза), made small by fat puffs around them (уменьшенные жирными вздутиями вокруг них), were dark and sleek (были темными и лоснящимися).

flabbily ['flɪxblɪ] egg [eg] clustered ['klʌstəd]

The fat man was flabbily fat with bulbous pink cheeks and lips and chins and neck, with a great soft egg of a belly that was all his torso, and pendant cones for arms and legs. As he advanced to meet Spade all his bulbs rose and shook and fell separately with each step, in the manner of clustered soap-bubbles not yet released from the pipe through which they had been blown. His eyes, made small by fat puffs around them, were dark and sleek.

Dark ringlets (темные локоны: «завитки») thinly covered (редко: «плохо» покрывали) his broad scalp (его широкую голову; *scalp* — кожа черепа, скальп). He wore a black cutaway coat (на нем была черная визитка /короткий однобортный сюртук с закругленными, расходящимися спереди лапами/), black vest (черный жилет), black satin Ascot tie (черный атласный аскотский галстук /с широкими как у шарфа концами/) holding a pinkish pearl (украшенный розовой жемчужиной; *to*

hold — *держать, содержать, владеть*), striped grey worsted trousers (полосатые серые шерстяные брюки; *worsted* — *ткань из гребенной шерсти; камвольная ткань; шерстяная материя*), and patent-leather shoes (и лакированные туфли).

His voice was a throaty purr (его голос был горловым урчанием). "Ah, Mr. Spade (а, мистер Спейд)," he said with enthusiasm (сказал он с энтузиазмом) and held out a hand (и вытянул руку) like a fat pink star (как толстую розовую звезду).

Spade took the hand (Спейд взял руку) and smiled (и улыбнулся) and said: "How do you do, Mr. Gutman (как поживаете, мистер Гутман)?"

Dark ringlets thinly covered his broad scalp. He wore a black cutaway coat, black vest, black satin Ascot tie holding a pinkish pearl, striped grey worsted trousers, and patent-leather shoes.

His voice was a throaty purr. "Ah, Mr. Spade," he said with enthusiasm and held out a hand like a fat pink star.

Spade took the hand and smiled and said: "How do you do, Mr. Gutman?"

Holding Spade's hand (держа руку Спейда), the fat man turned beside him (толстяк повернулся рядом с ним), put his other hand (положил свою другую руку) to Spade's elbow (на локоть Спейда), and guided him (и проводил его) across a green rug (по зеленому ковру) to a green plush chair (к зеленому плюшевому креслу) beside a table (рядом со столом) that held a siphon (на котором стоял сифон), some glasses (несколько фужеров), and a bottle of Johnnie Walker whiskey (и бутылка виски «Джонни Уокер») on a tray (на подносе), a box of cigars (коробка сигар) — Coronas del Ritz («Коронас дель Риц») — two newspapers (две газеты), and a small

and plain yellow soapstone box (и маленькая и невзрачная желтая коробочка из мыльного камня).

Holding Spade's hand, the fat man turned beside him, put his other hand to Spade's elbow, and guided him across a green rug to a green plush chair beside a table that held a siphon, some glasses, and a bottle of Johnnie Walker whiskey on a tray, a box of cigars — Coronas del Ritz — two newspapers, and a small and plain yellow soapstone box.

Spade sat in the green chair (Спейд сел в зеленое кресло). The fat man began to fill two glasses (толстяк начал наполнять два фужера) from bottle and siphon (из бутылки и сифона). The boy had disappeared (юнец исчез). Doors set in three of the room's walls (двери, установленные в стенах трех боковых комнат) were shut (были закрыты). The fourth wall (четвертая стена), behind Spade (за Спейдом), was pierced by two windows (была пробита двумя окнами; *to pierce* — *пронзать, протыкать*) looking out over Geary Street (выходящими на Гири-стрит).

"We begin well, sir (мы начинаем хорошо, сэр)," the fat man purred (проурчал толстяк), turning with a proffered glass (поворачиваясь с фужером, предлагаемым /Спейду/; *to proffer* — *предлагать*) in his hand (в своей руке). "I distrust a man (я не доверяю людям: «человеку») that says when (которые говорят «достаточно»; *say when* — *скажи, когда довольно* — *говорят, когда наливают алкогольные напитки*). Spade sat in the green chair. The fat man began to fill two glasses from bottle and siphon. The boy had disappeared. Doors set in three of the room's walls were shut. The fourth wall, behind Spade, was pierced by two windows looking out over Geary Street.

"We begin well, sir," the fat man purred, turning with a proffered glass in his hand. "I distrust a man that says when. If he's got to be careful not to drink too much it's because he's not to be trusted when he does."

Spade took the glass (Спейд поднял фужер) and, smiling (и, улыбаясь), made the beginning of a bow over it (слегка поклонился: «сделал начало поклона» над ним).

The fat man raised his glass (толстяк поднял свой фужер) and held it against a window's light (и подержал его напротив света из окна). He nodded approvingly (он одобрительно кивнул; *to approve* — *одобрять*) at the bubbles running up in it (пузырькам, бежавшим вверх в нем). He said: "Well, sir (ну, сэр), here's to plain speaking (за откровенный разговор; *here's to smth* — *за что-либо* — *при произнесении тоста*) and clear understanding (и ясное понимание)."

They drank (они выпили) and lowered their glasses (и опустили свои фужеры).

The fat man (толстяк) hooked shrewdly at Spade (проницательно посмотрел на Спейда) and asked (и спросил): "You're a closemouthed man (вы неразговорчивый человек)?"

Spade shook his head (Спейд покачал головой). "I like to talk (я люблю поговорить)."

They drank and lowered their glasses.

The fat man hooked shrewdly at Spade and asked: "You're a closemouthed man?"

Spade shook his head. "I like to talk."

"Better and better (лучше и лучше)!" the fat man exclaimed (воскликнул толстяк). "I distrust a closemouthed man (я не верю неразговорчивому человеку). He generally (он, как правило) picks the wrong time (выбирает неправильное время) to talk (чтобы поговорить) and says the wrong things (и говорит неправильные вещи). He bent over his glass (он склонился над своим фужером). "We'll get along, sir (мы поладим, сэр), that we will (мы поладим: «это мы будем = ладить»)." He set his glass on the table (он поставил свой фужер на стол) and held the box of Coronas del Ritz out to Spade (и протянул коробку «Коронас дель Риц» Спейду). "A cigar, sir (сигару, сэр)."

Spade took a cigar (Спейд взял сигару), trimmed the end of it (обрезал ее конец; *to trim* — *подрезать, подстригать*), and lighted it (и закурил). Meanwhile (тем временем) the fat man pulled another green plush chair around (толстяк притянул другое зеленое плюшевое кресло) to face Spade's (чтобы смотреть прямо на Спейда) within convenient distance (с удобного расстояния) and placed a smoking-stand (и расположил пепельницу; *stand* — *стойка, подставка*) within reach (в пределах досягаемости) of both chairs (обоих кресел). Then he took his glass (потом он взял свой фужер) from the table (со стола), took a cigar from the box (взял сигару из коробки), and lowered himself into his chair (и опустился в свое кресло). His bulbs stopped jouncing (его луковички-отвислости перестали трястись; *to jounce* — *ударять(ся), наталкиваться на что-л., насакивать, трясти(сь)*) and settled into flabby rest (и утихли в дряблом покое). "Swell (прекрасно). Will we talk about the black bird (мы будем говорить о черной птице)?"

The fat man laughed (толстяк засмеялся) and his bulbs rode up and down (и его округлости скакали вверх и вниз) on his laughter (по его смеху = от его смеха). "Will we (мы будем)?" he asked and (спросил он, и), "We will (мы будем)," he replied (ответил он). His pink face (его розовое лицо) was shiny with delight (светилось от восторга). Spade blew smoke (Спейд выдул дым) above the fat man's head (над головой толстяка) in a long slanting plume (длинной пологой струйкой). He frowned thoughtfully (он задумчиво и нахмуренно смотрел) at the ash-tipped end (на кончик из пепла; *tipped* — с наконечником; *tip* — тонкий конец; кончик) of his cigar (своей сигары). He looked up at the fat man (он поднял взгляд на толстяка) and stopped frowning (и перестал хмуриться). "It depends (это зависит от...)."

"It depends on — (зависит от чего)?"

Spade shook his head (Спейд покачал головой). "If I knew (если бы я знал) what it depends on (от чего это зависит) I could say yes or no (я мог бы сказать да или нет)."

The fat man took a mouthful (толстяк сделал глоток) from his glass (из своего фужера), swallowed it (проглотил его), and suggested (и предложил): "Maybe it depends on Joel Cairo (может быть, это зависит от Джоэля Кейро)?"

Spade shook his head. "If I knew what it depends on I could say yes or no."

The fat man took a mouthful from his glass, swallowed it, and suggested: "Maybe it depends on Joel Cairo?"

Spade's prompt "Maybe" was noncommittal (быстрое «может быть» Спейда было уклончивым). He drank (он выпил).

The fat man leaned forward (толстяк наклонялся вперед) until his belly stopped him (пока его живот не остановил его). His smile was ingratiating (его улыбка была вкрадчивой) and so was his purring voice (и таким же был его мурлыкающий голос). The fat man's eyes glistened (глаза толстяка блеснули). His voice sank (его голос упал) to a throaty whisper (до горлового шепота) asking (спрашивая): "Who else is there (кто еще в этом /замешан/)?"

Spade pointed his cigar (Спейд указал своей сигарой) at his own chest (на свою грудь). "There's me (это я/еще есть я)," he said.

The fat man leaned forward again (толстяк снова наклонился вперед) and put a bloated pink hand (и положил жирную розовую руку; *to bloat* — *раздувать(ся)*, *пухнуть*) on the arm of Spade's chair (на подлокотник кресла Спейда). "Well, sir (ну, сэр), if I told you (если бы я сказал вам) — by Gad (ей-Богу), if I told you half (если бы я назвал вам и половину) — you'd call me a liar (вы назвали бы меня лжецом)."

Spade smiled (Спейд улыбнулся). "No," he said, "not even if I thought it (нет, даже, если бы я подумал это). But if you won't take the risk (но, если вы не хотите рисковать) just tell me (просто скажите мне) what it is (что это) and I'll figure out the profits (и я подсчитаю прибыли)."

bloated ['blɒvɪd] risk [rɪsk] profit ['prɒfɪt]

The fat man leaned forward again and put a bloated pink hand on the arm of Spade's chair. "Well, sir, if I told you — by Gad, if I told you half! — you'd call me a liar."

Spade smiled. "No," he said, "not even if I thought it. But if you won't take the risk just tell me what it is and I'll figure out the profits."

The fat man laughed (толстяк засмеялся). "You couldn't do it, sir (вы не смогли бы, сэр). Nobody could do it (никто не смог бы сделать это) that hadn't had a world of experience (который не имел целый мир опыта) with

things of that sort, and (с вещами подобного рода, и)" — he paused impressively (он сделал выразительную паузу) — "there aren't any other things of that sort (других вещей такого рода не существует)." His bulbs jostled one another (его отвислости столкнулись друг с другом) as he laughed again (когда он снова засмеялся). He stopped laughing (он перестал смеяться), abruptly (внезапно). His fleshy lips (его мясистые губы) hung open (висели наружу) as laughter had left them (когда смех сошел с них). He stared at Spade (он уставился на Спейда) with an intentness (с такой пристальностью) that suggested myopia (которая предполагала близорукость). He asked (он спросил): "You mean (вы имеете в виду) you don't know (что не знаете) what it is (что это)?" Amazement took the throatiness out of his voice (удивление лишило его голос гортанности; *to take (took, taken) out* — *вынимать, забирать*).

experience [ɪk'spl(ɪ)riəns] jostle ['dʒɒs(ɪ)l] myopia [maɪ'ɒpiə]

The fat man laughed. "You couldn't do it, sir. Nobody could do it that hadn't had a world of experience with things of that sort, and" — he paused impressively — "there aren't any other things of that sort." His bulbs jostled one another as he laughed again. He stopped laughing, abruptly. His fleshy lips hung open as laughter had left them. He stared at Spade with an intentness that suggested myopia. He asked: "You mean you don't know what it is?" Amazement took the throatiness out of his voice.

Spade made a careless gesture with his cigar (Спейд сделал беззаботное движение своей сигарой). "Oh, hell (о, черт)," he said lightly (сказал он легко = небрежно), "I know (я знаю) what it's supposed to look like (как она, предположительно, выглядит). I know (я знаю) the value in life (о ее стоимости в человеческих жизнях) you people put on it (в которую вы

оценили ее; *people* — народ, люди, /амер. жарг./ — человек, особа /в обращении/. I don't know what it is (я не знаю, что это)."

"She didn't tell you (она не сказала вам)?"

"Miss O'Shaughnessy (мисс О'Шонесси)?"

"Yes. A lovely girl, sir (красивая девушка, сэр)."

"Uh-huh. No."

value ['v x lju:] people ['pi:p(q)l] lovely ['lAvll]

Spade made a careless gesture with his cigar. "Oh, hell," he said lightly, "I know what it's supposed to look like. I know the value in life you people put on it. I don't know what it is."

"She didn't tell you?"

"Miss O'Shaughnessy?"

"Yes. A lovely girl, sir."

"Uh-huh. No."

The fat man's eyes (глаза толстяка) were dark gleams (были темным вспылками) in ambush (в засаде) behind pink puffs of flesh (за розовыми выпуклостями плоти). He said indistinctly (он сказал невнятно), "She must know (она должна знать)," and then (а потом), "And Cairo didn't either (а Кейро тоже нет = не сказал)?"

"Cairo is cagey (Кейро скрытен). He's willing to buy it (он хочет купить ее), but he won't risk (но он не рискнет) telling me anything (рассказав мне что-нибудь) I don't know already (/чего/ я уже не знаю = готов рассказать мне лишь то, что я и так знаю)."

The fat man moistened his lips (толстяк увлажнил свои губы) with his tongue (своим языком). "How much is he willing (за сколько он хочет) to buy it for (ее купить)?" he asked (спросил он).

ambush ['xmbʌʃ] flesh [fleʃ] moisten ['mɔɪs(q)n]

The fat man's eyes were dark gleams in ambush behind pink puffs of flesh. He said indistinctly, "She must know," and then, "And Cairo didn't either?"

"Cairo is cagey. He's willing to buy it, but he won't risk telling me anything I don't know already."

The fat man moistened his lips with his tongue. "How much is he willing to buy it for?" he asked.

"Ten thousand dollars (десять тысяч долларов)."

The fat man laughed scornfully (толстяк презрительно засмеялся). "Ten thousand (десять тысяч), and dollars (и долларов), mind you (заметьте), not even pounds (даже не фунтов). That's the Greek for you (вот вам грек). Humph (хм)! And what did you say to that (и что вы на это сказали)?"

"I said if I turned it over to him (я сказал, что если я верну ее ему) I'd expect the ten thousand (я буду ожидать десять тысяч)."

"Ah, yes, if (ах, да, если)! Nicely put, sir (хорошо сказано, сэр)." The fat man's forehead squirmed (лоб толстяка изогнулся) in a flesh-blurred frown (в мясистой расплывчатой нахмуренности). "They must know (они должны знать)," he said only partly aloud (сказал он вполголоса: «только частично вслух»; *partly* — *частично, отчасти*), then (потом): "Do they (они знают)? Do they know (они знают) what the bird is, sir (что представляет из себя эта птица, сэр)? What was your impression (каково было ваше впечатление)?"

"Ten thousand dollars."

The fat man laughed scornfully. "Ten thousand, and dollars, mind you, not even pounds. That's the Greek for you. Humph! And what did you say to that?"

"I said if I turned it over to him I'd expect the ten thousand."

"Ah, yes, if! Nicely put, sir." The fat man's forehead squirmed in a flesh-blurred frown. "They must know," he said only partly aloud, then: "Do they? Do they know what the bird is, sir? What was your impression?"

"I can't help you there (здесь я не могу вам помочь)," Spade confessed (признался Спейд). "There's not much to go by (по этому судить нельзя; *to go by* — зд. следовать чему-либо). Cairo didn't say (Кейро не сказал) he did (что знает) and he didn't say (и не сказал) he didn't (что не знает). She said she didn't (она сказала, что нет), but I took it for granted (но я считаю очевидным; *to grant* — дарить, признавать) that she was lying (что она лгала)."

"That was not an in judicious thing to do (это не было благоразумно)," the fat man said (сказал толстяк), but his mind was obviously (но его мысли были явно; *mind* — ум, разум) not on his words (не на этих словах). He scratched his head (он почесал голову). He frowned (он хмурился) until his forehead (пока его лоб) was marked by (не обозначился) raw red creases (грубыми красными складками; *raw* — сырой, необработанный). He fidgeted in his chair (он поерзал в своем кресле) as much as his size (насколько его размеры) and the size of the chair (и размеры кресла) permitted fidgeting (позволяли ерзание).

confessed [kɒn'fest] granted ['grɑ:ntɪd] judicious [dʒu:'dɪʃs]

"I can't help you there," Spade confessed. "There's not much to go by. Cairo didn't say he did and he didn't say he didn't. She said she didn't, but I took it for granted that she was lying."

"That was not an in judicious thing to do," the fat man said, but his mind was obviously not on his words. He scratched his head. He frowned until his forehead was marked by raw red creases. He fidgeted in his chair as much as his size and the size of the chair permitted fidgeting.

He shut his eyes (он закрыл свои глаза), opened them suddenly (открыл их неожиданно) — wide (широко) — and said to Spade (и сказал Спейду): "Maybe they don't (может быть, они не знают)." His bulbous pink face (его луковичеобразное розовое лицо) slowly lost its worried frown (медленно утратило свою озабоченную нахмуренность) and then, more quickly (и потом, более быстро), took on an expression (оно приняло выражение) of ineffable happiness (неописуемого счастья). "If they don't (если они не знают)," he cried (закричал он), and again (и снова): "If they don't (если они не знают) I'm the only one (я единственный) in the whole wide sweet world (на всем широком сладком свете) who does (кто знает)!"

Spade drew his lips back (Спейд поджал губы) in a tight smile (в плотной улыбке). "I'm glad (я рад) I came (что я пришел) to the right place (в правильное место)," he said.

ineffable [In'efqɒ(q)l] happiness ['h x pɪnlz] does [dAz]

He shut his eyes, opened them suddenly — wide — and said to Spade: "Maybe they don't." His bulbous pink face slowly lost its worried frown and then, more quickly, took on an expression of ineffable happiness. "If they don't," he cried, and again: "If they don't I'm the only one in the whole wide sweet world who does!"

Spade drew his lips back in a tight smile. "I'm glad I came to the right place," he said.

The fat man smiled too (толстяк тоже улыбнулся), but somewhat vaguely (но как-то неясно). Happiness had gone out of his face (счастье сошло с его лица), though he continued to smile (хотя он продолжал улыбаться), and caution had come into his eyes (и осторожность вошла в его глаза). His face (его лицо) was a watchful-eyed smiling mask (было настороженной улыбающейся маской) held up between his thoughts and Spade (державшейся между его мыслями и Спейдом). His eyes (его глаза), avoiding Spade's (избегающие глаза Спейда), shifted to the glass (переместились на фужер) at Spade's elbow (у локтя Спейда). His face brightened (его лицо прояснилось). "By Gad, sir (ей-Богу, сэр)," he said, "your glass is empty (ваш фужер пустой)." He got up (он поднялся) and went to the table (и пошел к столу) and clattered glasses (и звенел стаканами) and siphon (и сифоном) and bottle (и бутылкой) mixing two drinks (смешивая два напитка).

vaguely ['veɪɡli] watchful ['wɒtsf(ə)l] avoiding [ə'vɔɪdɪŋ]

The fat man smiled too, but somewhat vaguely. Happiness had gone out of his face, though he continued to smile, and caution had come into his eyes. His face was a watchful-eyed smiling mask held up between his thoughts and Spade. His eyes, avoiding Spade's, shifted to the glass at Spade's elbow. His face brightened. "By Gad, sir," he said, "your glass is empty." He got up and went to the table and clattered glasses and siphon and bottle mixing two drinks.

Spade was immobile (Спейд был неподвижен) in his chair (в своем кресле) until the fat man (пока толстяк), with a flourish and a bow (с

претенциозным жестом и поклоном; *flourish* — цветение плодового дерева; дерево в цвету; показные движения /телом, оружием и т. п./; салют /перед поединком в фехтовании/) and a jocular (и шутливым) "Ah, sir (ах, сэ́р), this kind of medicine (этот вид лекарства) will never hurt you (вовсе не повредит вам)!" had handed him his refilled glass (передал ему его снова наполненный бокал; *to fill* — наполнять; *to refill* — наполнять снова). Then Spade rose (затем Спейд встал) and stood close to the fat man (и стал близко к толстяку), looking down at him (глядя на него вниз), and Spade's eyes were hard and bright (и глаза Спейда были жесткими и смышленными: «светлыми, яркими»). He raised his glass (он поднял свой фужер). His voice was deliberate (его голос был нарочитым), challenging (вызывающим; *to challenge* — бросать вызов, вызывать): "Here's to plain speaking (за откровенный разговор) and clear understanding (и ясное понимание)."

immobile [l'mɒvəbəl] flourish ['flaʊrɪʃ] challenging ['tʃælɪndʒɪŋ]

Spade was immobile in his chair until the fat man, with a flourish and a bow and a jocular "Ah, sir, this kind of medicine will never hurt you!" had handed him his refilled glass. Then Spade rose and stood close to the fat man, looking down at him, and Spade's eyes were hard and bright. He raised his glass. His voice was deliberate, challenging: "Here's to plain speaking and clear understanding."

The fat man chuckled (толстяк хихикнул) and they drank (и они выпили). The fat man sat down (толстяк сел). He held his glass (он держал свой фужер) against his belly (у своего живота) with both hands (обеими руками) and smiled up at Spade (и улыбнулся Спейду). He said: "Well, sir, it's surprising (ну, сэ́р, это удивительно), but it well may be a fact (но это вполне может быть фактом) that neither of them (что никто из них) does

know exactly (не знает точно) what that bird is (что представляет эта птица), and that nobody (и что никто) in all this whole wide sweet world (во всем этом большом сладком мире) knows what it is (не знает, что это за птица), saving and excepting (за исключением; *saving* — экономный, бережливый, зд. содержащий оговорку) only your humble servant (только вашего скромного слуги), Casper Gutman, Esquire (Каспера Гутмана, эсквайра)."

The fat man chuckled and they drank. The fat man sat down. He held his glass against his belly with both hands and smiled up at Spade. He said: "Well, sir, it's surprising, but it well may be a fact that neither of them does know exactly what that bird is, and that nobody in all this whole wide sweet world knows what it is, saving and excepting only your humble servant, Casper Gutman, Esquire."

"Swell (прекрасно)." Spade stood with legs apart (Спейд стоял, расставив ноги в стороны), one hand in his trousers-pocket (одна рука в кармане его брюк), the other holding his glass (другая, держащая его фужер). "When you've told me (когда вы мне расскажете) there'll only be two of us (будет только двое из нас) who know (кто знает)."

"Mathematically correct, sir (математически правильно, сэр)" — the fat man's eyes twinkled (глаза толстяка блеснули) — "but (но)" — his smile spread (его улыбка расплылась) — "I don't know for certain (я не знаю точно) that I'm going to tell you (что я намерен рассказать /это/ вам)."

"Don't be a damned fool (не будьте проклятым дураком)," Spade said patiently (сказал Спейд терпеливо). "You know what it is (вы знаете, что это). I know where it is (я знаю, где это). That's why we're here (вот почему мы здесь)."

"Swell." Spade stood with legs apart, one hand in his trousers-pocket, the other holding his glass. "When you've told me there'll only be two of us who know."

"Mathematically correct, sir" — the fat man's eyes twinkled — "but" — his smile spread — "I don't know for certain that I'm going to tell you."

"Don't be a damned fool," Spade said patiently. "You know what it is. I know where it is. That's why we're here."

"Well, sir, where is it (ну, сэр, где она)?"

Spade ignored the question (Спейд проигнорировал вопрос).

The fat man bunched his lips (толстяк вытянул губы: «собрал в пучок»), raised his eyebrows (поднял свои брови), and cocked his head a little (вздернул голову немного) to the left (налево). "You see (понимаете)," he said blandly (сказал он вежливо), "I must tell you (я должен сказать вам) what I know (что я знаю), but you will not tell me (но вы не скажете мне) what you know (что вы знаете). That is hardly equitable, sir (это вряд ли справедливо/равноценно, сэр). No, no (нет, нет), I do not think (я не думаю) we can do business (что мы можем делать дела) along those lines (на таких условиях)."

bunched [bʌntst] equitable [ˈɛkwɪtəb(ə)l] those [ðəʊz]

"Well, sir, where is it?"

Spade ignored the question.

The fat man bunched his lips, raised his eyebrows, and cocked his head a little to the left. "You see," he said blandly, "I must tell you what

I know, but you will not tell me what you know. That is hardly equitable, sir. No, no, I do not think we can do business along those lines."

Spade's face became pale and hard (лицо Спейда стало бледным и жестким). He spoke rapidly (он говорил быстро) in a low furious voice (низким яростным голосом): "Think again (подумайте снова) and think fast (и подумайте быстро). I told that punk of yours (я сказал это вашему молокососу; *punk* — гнилушка, «салага», *простофиля*) that you'd have to talk to me (что вам придется поговорить со мной) before you got through (прежде чем вы закончите это дело). I'll tell you now (я скажу вам сейчас) that you'll do your talking today (что вы расскажете все сегодня) or you are through (или с вами покончено; *through* — через, сквозь; *насквозь*, *совершенно*). What are you wasting my time for (для чего вы тратите мое время)? You and your lousy secret (вы и ваш вшивый секрет; *louse* — *вошь*)! Christ (Боже)! I know exactly (я знаю точно) what that stuff is (что представляет собой те вещи) that they keep in the subtreasury vaults (что хранятся: «они держат» в полуподвалах казначейства), but what good does that do me (но что хорошего в этом для меня)? I can get along without you (я могу обойтись и без вас). God damn you (проклятье: «Бог да проклянет вас»)! Maybe you could have got along without me (может быть, вы и могли бы обойтись без меня) if you'd kept clear of me (если бы вы держались подальше от меня; *clear* — ясно, целиком, в стороне от чего-либо). You can't now (теперь вы не можете). Not in San Francisco (не в Сан-Франциско). You'll come in (вы вступите в дело) or you'll get out (или вы выйдете из него) — and you'll do it today (и вы сделаете это сегодня)."

Spade's face became pale and hard. He spoke rapidly in a low furious voice: "Think again and think fast. I told that punk of yours that you'd

have to talk to me before you got through. I'll tell you now that you'll do your talking today or you are through. What are you wasting my time for? You and your lousy secret! Christ! I know exactly what that stuff is that they keep in the subtreasury vaults, but what good does that do me? I can get along without you. God damn you! Maybe you could have got along without me if you'd kept clear of me. You can't now. Not in San Francisco. You'll come in or you'll get out — and you'll do it today."

He turned (он повернулся) and with angry heedlessness (и с сердитой небрежностью) tossed his glass (швырнул свой фужер) at the table (на стол). The glass struck the wood (фужер ударился о дерево), burst apart (раскололся на части; *to burst* — *взрываться, лопаться*), and splashed its contents (и разбрызгал свое содержимое) and glittering fragments (и блестящие осколки) over table and floor (по столу и полу). Spade, deaf and blind (Спейд, не слыша и не видя: «глухой и слепой») to the crash (грохота: «к грохоту»), wheeled (повернулся; *to wheel* — *катить, описывать круги*) to confront (чтобы встать перед) the fat man again (толстяком снова).

The fat man paid (толстяк обратил) no more attention (не больше внимания) to the glass's fate (на судьбу фужера) than Spade did (чем Спейд): lips pursed (губы поджаты), eyebrows raised (брови подняты), head cocked a little to the left (голова вздернута = наклонена немного влево), he had maintained (он поддерживал) his pink-faced blandness (свою розоволицую вежливость) throughout Spade's angry speech (во время гневной речи Спейда), and he maintained it now (и он поддерживал ее сейчас).

heedlessness ['hi:dli:snls] splash [splʌʃ] purse [pɜ:s]

He turned and with angry heedlessness tossed his glass at the table. The glass struck the wood, burst apart, and splashed its contents and glittering fragments over table and floor. Spade, deaf and blind to the crash, wheeled to confront the fat man again.

The fat man paid no more attention to the glass's fate than Spade did: lips pursed, eyebrows raised, head cocked a little to the left, he had maintained his pink-faced blandness throughout Spade's angry speech, and he maintained it now.

Spade, still furious, said (Спейд, все еще злой, сказал): "And another thing (и еще одно). I don't want (я не хочу) — "

The door to Spade's left opened (дверь слева от Спейда открылась). The boy (юноша) who had admitted Spade (впустивший Спейда) came in (вошел). He shut the door (он закрыл дверь), stood in front of it (встал перед ней) with his hands flat against his flanks (со своими руками вдоль его боков), and looked at Spade (и посмотрел на Спейда). The boy's eyes were wide open (глаза юноши были широко раскрыты) and dark (и темны) with wide pupils (с широкими зрачками). Their gaze ran over Spade's body (его взгляд пробежал по телу Спейда) from shoulders to knees (от плеч до колен), and up again (и вверх снова) to settle on the handkerchief (и остановился на носовом платке) whose maroon border (чей темно-бордовый край) peeped from the breast-pocket (выглядывал из грудного кармана) of Spade's brown coat (коричневого пальто Спейда).

Spade, still furious, said: "And another thing. I don't want — "

The door to Spade's left opened. The boy who had admitted Spade came in. He shut the door, stood in front of it with his hands flat against his flanks, and looked at Spade. The boy's eyes were wide open and dark

with wide pupils. Their gaze ran over Spade's body from shoulders to knees, and up again to settle on the handkerchief whose maroon border peeped from the breast-pocket of Spade's brown coat.

"Another thing (еще одно: «другая вещь»)," Spade repeated (повторил Спейд), glaring at the boy (пристально глядя на юношу): "Keep that gunsel (держите этого ублюдка-стукача; *gunsel* — юный гомосексуалист /обычно живущий на улице и вращающийся в кругах взрослых бродяг/; информатор, стукач, доносчик /в криминальной среде/) away from me (подальше от меня) while you're making up your mind (пока вы принимаете решение). I'll kill him (я убью его). I don't like him (он мне не нравится). He makes me nervous (он нервирует меня). I'll kill him the first time (я убью его сразу; *the first time* — в первый раз) he gets in my way (как только он окажется на моем пути). I won't give him (я не дам ему) an even break (равных шансов; *break* — пролом, пауза, разрыв). I won't give him a chance (я не дам ему шанса). I'll kill him (я убью его)."

The boy's lips twitched (губы юноши искривились) in a shadowy smile (в мрачной улыбке). He neither raised his eyes (он ни поднял свои глаза) nor spoke (ни заговорил).

The fat man said tolerantly (толстяк сказал терпимо): "Well, sir, I must say (ну, сэр, я должен сказать) you have a most violent temper (у вас весьма буйный нрав; *violent* — неистовый, яростный, сильный)."

gunsel ['gʌns(q)l] *tolerant* ['tɒl(q)rənt] *temper* ['tempq]

"Another thing," Spade repeated, glaring at the boy: "Keep that gunsel away from me while you're making up your mind. I'll kill him. I don't like him. He makes me nervous. I'll kill him the first time he gets in my way. I won't give him an even break. I won't give him a chance. I'll kill him."

The boy's lips twitched in a shadowy smile. He neither raised his eyes nor spoke.

The fat man said tolerantly: "Well, sir, I must say you have a most violent temper."

"Temper (нрав)?" Spade laughed crazily (Спейд безумно засмеялся). He crossed to the chair (он перешел к креслу) on which he had dropped his hat (на которое он раньше бросил свою шляпу), picked up the hat (поднял шляпу), and set it on his head (и надел ее на свою голову). He held out a long arm (он протянул длинную руку) that ended in a thick forefinger (которая заканчивалась толстым указательным пальцем) pointing at the fat man's belly (указывающим на живот толстяка). His angry voice (его гневный голос) filled the room (наполнил комнату). "Think it over (обдумайте это) and think like hell (и думайте побыстрее: «как ад»)." You've got till five-thirty (у вас времени до пяти тридцати) to do it in (чтобы сделать это). Then you're either in or out (потом вы либо в игре, либо нет), for keeps (окончательно)." He let his arm drop (он уронил руку: «дал своей руке упасть»), scowled at the bland fat man (сердито глянул на вежливого толстяка) for a moment (на мгновение), scowled at the boy (сердито глянул на юношу), and went to the door (и пошел к двери) through which he had entered (через которую он вошел). When he opened the door (когда он открыл дверь) he turned (он повернулся) and said harshly (и грубо сказал): "Five-thirty — then the curtain (пять тридцать — потом конец всему; *curtain* — занавес)."

"Temper?" Spade laughed crazily. He crossed to the chair on which he had dropped his hat, picked up the hat, and set it on his head. He held out a long arm that ended in a thick forefinger pointing at the fat man's

belly. His angry voice filled the room. "Think it over and think like hell. You've got till five-thirty to do it in. Then you're either in or out, for keeps." He let his arm drop, scowled at the bland fat man for a moment, scowled at the boy, and went to the door through which he had entered. When he opened the door he turned and said harshly: "Five-thirty — then the curtain."

The boy (парень), staring at Spade's chest (глядя на грудь Спейда), repeated the two words (повторил те два слова) he had twice spoken (которые он сказал два раза) in the Belvedere lobby (в вестибюле отеля «Бельведер»). His voice was not loud (его голос не был громким). It was bitter (он был ожесточенным; *bitter* — горький, мучительный, резкий).

Spade went out (Спейд вышел) and slammed the door (и хлопнул дверью).

The boy, staring at Spade's chest, repeated the two words he had twice spoken in the Belvedere lobby. His voice was not loud. It was bitter. Spade went out and slammed the door.

XII. Merry-Go-Round

(Карусель; *merry* — восхитительный, веселый)

Spade rode down (Спейд спустился вниз; *to ride* (*rode, ridden*) — ехать, ездить верхом) from Gutman's floor in an elevator (с этажа Гутмана в лифте). His lips were dry and rough (его губы были сухими и шершавыми) in a face (на лице) otherwise (в остальном; *otherwise* — иначе, иным способом; иным образом; по-другому) pale and damp

(бледном и влажном). When he took out his handkerchief (когда он взял свой носовой платок) to wipe his face (чтобы вытереть свое лицо) he saw his hand trembling (он увидел, что его рука трясется). He grinned at it and said (он усмехнулся на это и сказал), "Whew (фюйть)!" so loudly (так громко) that the elevator-operator (что лифтер) turned his head over his shoulder (повернул свою голову через свое плечо) and asked (и спросил): "Sir (сэр)?"

Spade rode down from Gutman's floor in an elevator. His lips were dry and rough in a face otherwise pale and damp. When he took out his handkerchief to wipe his face he saw his hand trembling. He grinned at it and said, "Whew!" so loudly that the elevator-operator turned his head over his shoulder and asked: "Sir?"

Spade walked down Geary Street (Спейд пошел вниз по Гири-стрит) to the Palace Hotel (к «Палас-отелю»), where he ate luncheon (где он съел обед). His face had lost its pallor (его лицо потеряло свою бледность), his lips their dryness (его губы свою сухость; *dry* — *сухой*), and his hand its trembling (и его рука свое дрожание; *to tremble* — *дрожать*) by the time (к тому времени) he had sat down (когда он сел). He ate hungrily (он ел жадно; *hungry* — *голодный*) without haste (без спешки), and then went to Sid Wise's office (а потом пошел в офис Сида Уайза).

When Spade entered (когда Спейд вошел), Wise was biting a fingernail (Уайз кусал ноготь) and staring at the window (и смотрел в окно). He took his hand from his mouth (он вынул свою руку из своего рта/отвел руку ото рта), screwed his chair around (повернул свое кресло; *screw* — *винт, болт; to screw* — *завинчивать; вертеть*) to face Spade (чтобы смотреть

на Спейда), and said: "Hello. Push a chair up (подтолкни = пододвинь стул)."

pallor ['pʌlɹ] office ['ɒfɪs] fingernail ['fɪŋɡnəl]

Spade walked down Geary Street to the Palace Hotel, where he ate luncheon. His face had lost its pallor, his lips their dryness, and his hand its trembling by the time he had sat down. He ate hungrily without haste, and then went to Sid Wise's office.

When Spade entered, Wise was biting a fingernail and staring at the window. He took his hand from his mouth, screwed his chair around to face Spade, and said: "Hello. Push a chair up."

Spade moved a chair (Спейд подвинул стул) to the side (в сторону) of the big paper-laden desk (большого, заваленного бумагами стола) and sat down (и сел). "Mrs. Archer come in (миссис Арчер приходила)?" he asked (спросил он).

"Yes." The faintest of lights (едва заметные: «слабейшие» огоньки; *faint* — слабый, вялый; тусклый, нечеткий) flickered in Wise's eyes (блеснули в глазах Уайза). "Going to marry the lady, Sammy (хочешь жениться на леди, Сэмми)?"

Spade sighed irritably (Спейд раздраженно вздохнул) through his nose (через нос). "Christ, now you start that (о Боже, теперь ты начал это)!" he grumbled (проворчал он).

A brief tired smile (короткая усталая улыбка) lifted the corners (подняла уголки) of the lawyer's mouth (рта адвоката). "If you don't (если не хочешь)," he said, "you're going to have a job on your hands (тебе придется основательно потрудиться: «будешь иметь работу на твоих руках)."

Spade moved a chair to the side of the big paper-laden desk and sat down. "Mrs. Archer come in?" he asked.

"Yes." The faintest of lights flickered in Wise's eyes. "Going to marry the lady, Sammy?"

Spade sighed irritably through his nose. "Christ, now you start that!" he grumbled.

A brief tired smile lifted the corners of the lawyer's mouth. "If you don't," he said, "you're going to have a job on your hands."

Spade looked up from the cigarette (Спейд поднял взгляд от сигареты) he was making (которую он делал) and spoke sourly (и кисло сказал): "You mean you are (ты имеешь в виду, что тебе /придется потрудиться/)? Well, that's what you're for (ну, именно для этого ты и существуешь). What did she tell you (что она тебе сказала)?"

"About you (о тебе)?"

"About anything (обо всем) I ought to know (что я должен знать)."

Wise ran fingers through his hair (Уайз пробежал пальцами по своим волосам), sprinkling dandruff down on his shoulders (разбрасывая перхоть вниз по своим плечам; *to sprinkle* — брызгать, кропить, опрыскивать). "She told me (она сказала мне) she had tried to get a divorce from Miles (что она пыталась получить развод от Майлза) so she could (чтобы она могла) — "

Wise ran fingers through his hair, sprinkling dandruff down on his shoulders. "She told me she had tried to get a divorce from Miles so she could — "

"I know all that (я знаю все это)," Spade interrupted him (прервал его Спейд). "You can skip it (ты можешь опустить это). Get to the part (перейди к той части) I don't know (которую я не знаю)."

"How do I know (откуда я знаю) how much she (сколько она) —?"

"Quit stalling, Sid (перестань вилять, Сид)." Spade held the flame of his lighter (Спейд поднес: «держал» пламя своей зажигалки) to the end of his cigarette (к концу своей сигареты). "What did she tell you (что она сказала тебе) that she wanted kept from me (что она хотела скрыть от меня)?"

Wise looked reprovingly at Spade (Уайз с упреком взглянул на Спейда). "Now, Sammy (ну, Сэмми)," he began (начал он), "that's not (это не) — "

"Quit stalling, Sid." Spade held the flame of his lighter to the end of his cigarette. "What did she tell you that she wanted kept from me?"

Wise looked reprovingly at Spade. "Now, Sammy," he began, "that's not — "

Spade looked heavenward (Спейд посмотрел ввысь; *heaven* — *небо*) at the ceiling (на потолок) and groaned (и застонал): "Dear God (Боже

милостивый), he's my own lawyer (он мой собственный адвокат) that's got rich off me (который разбогател на мне) and I have to get down on my knees (и я должен становиться на мои колени) and beg him (и просить его) to tell me things (рассказать мне «вещи» = что-либо)!" He lowered at Wise (он наклонился к Уайзу). "What in hell (какого черта) do you think (ты думаешь) I sent her to you for (я послал ее к тебе)?"

Wise made a weary grimace (Уайз сделал утомленную гримасу). "Just one more client (только еще один клиент) like you (как ты)," he complained (пожаловался он), "and I'd be in a sanitarium (и я окажусь в санатории = в сумасшедшем доме) — or San Quentin (или Сан Квентине /тюрьма/) —."

Wise made a weary grimace. "Just one more client like you," he complained, "and I'd be in a sanitarium — or San Quentin."

"You'd be (ты окажешься там) with most of your clients (с большинством своих клиентов). Did she tell you (она сказала тебе) where she was (где она была) the night he was killed (в ту ночь, когда, он был убит)?"

"Yes."

"Where (где)?"

"Following him (следила за ним)."

Spade sat up straight and blinked (Спейд сел прямо и прищурился). He exclaimed incredulously (он недоверчиво воскликнул): "Jesus (Боже),

these women (эти женщины»)" Then he laughed (потом он засмеялся), relaxed (расслабился), and asked (и спросил): "Well, what did she see (ну, что она видела)?"

Spade sat up straight and blinked. He exclaimed incredulously: "Jesus, these women!" Then he laughed, relaxed, and asked: "Well, what did she see?"

Wise shook his head (Уайз покачал своей головой). "Nothing much (немного). When he came home (когда он вернулся домой) for dinner that evening (на обед тем вечером) he told her (он сказал ей) he had a date with a girl at the St. Mark (что у него свидание с девушкой в /гостинице/ «Св.Марка»), ragging her (дразня ее), telling her (говоря ей) that was her chance (что это был ее шанс) to get the divorce (получить развод) she wanted (которого она хочет). "I will (я скажу) if you'll give me a chance (если та дашь мне шанс). After he had gone out (после того, как он ушел) she began to think (она начала думать) that maybe (что, может быть) he might have had that date

"I know the family history," Spade said. "Skip it. Tell me what she did."

"I will if you'll give me a chance. After he had gone out she began to think that maybe he might have had that date. You know Miles. It would have been like him to — "

"You can skip Miles's character too (ты можешь опустить характер Майлза тоже)."

"I oughtn't to tell you (я не должен рассказывать тебе) a damned thing (ни одной проклятой вещи)," the lawyer said (сказал юрист). "So she got their car (так она взяла их машину) from the garage (из гаража) and drove down to the St. Mark (и приехала к отелю «Св. Марка»), sitting in the car across the street (и сидела в машине на другой стороне улицы: «через улицу»). She saw him come out of the hotel (она видела, как он выходит из отеля) and she saw (и она видела) that he was shadowing a man and a girl (что он следил за мужчиной и девушкой) — she says (она говорит) she saw the same girl (что она видела эту же девушку) with you last night (с тобой прошлой ночью) — who had come out just ahead of him (которая вышла прямо перед ним). She knew then (она тогда поняла) that he was working (что он работал), had been kidding her (и до этого разыгрывал ее). I suppose she was disappointed (я думаю, она была разочарована), and

mad (и взбешена) — she sounded that way (это звучало: «она звучала» именно таким образом) when she told me about it (когда она рассказывала мне об этом). She followed Miles long enough (она следовала за Майлзом достаточно долго) to make sure (чтобы удостовериться) he was shadowing the pair (что он следит за парой), and then she went up to your apartment (и потом она поехала к тебе на квартиру). You weren't home (тебя дома не было)."

She followed Miles long enough to make sure he was shadowing the pair, and then she went up to your apartment. You weren't home."

"What time was that (в какое время это было)?" Spade asked (спросил Спейд).

"When she got to your place (когда она пришла к тебе домой)? Between half-past nine (между половиной десятого) and ten (и десятью) the first time (в первый раз)."

"The first time (первый раз)?"

"Yes. She drove around (она поездила по округе) for half an hour or so (полчаса или приблизительно столько) and then tried again (а потом попыталась еще). That would make it (тогда было), say, ten-thirty (скажем,

десять тридцать). You were still out (тебя все еще не было), so she drove back downtown (поэтому она поехала назад, в центр города) and went to a movie (и пошла в кино) to kill time until after midnight (чтобы убить время до после полуночи), when she thought (когда, как она думала) she'd be more likely to find you in (она более вероятно = скорее всего, застанет тебя)."

"Yes. She drove around for half an hour or so and then tried again. That would make it, say, ten-thirty. You were still out, so she drove back downtown and went to a movie to kill time until after midnight, when she thought she'd be more likely to find you in."

Spade frowned (Спейд нахмурился). "She went to a movie at ten-thirty («она пошла в кино в десять тридцать»)?"

"So she says (так она говорит) — the one on Powell Street (в кинотеатр на Пауэлл-стрит) that stays open (который открыт) till one in the morning (до часа утра). She didn't want to go home (она не хотела идти домой), she said, because she didn't want to be there (потому что не хотела быть там) when Miles came (когда Майлз придет). That always made him mad (это всегда приводило его в бешенство), it seems (кажется), especially (особенно) if it was around midnight (если это было около полуночи). She stayed in the movie (она оставалась в кинотеатре) till it closed (пока он не закрылся)." Wise's words came out slower now (слова Уайза выходили

теперь медленнее) and there was a sardonic glint in his eye (и в его глазах был сардонический блеск).

That always made him mad, it seems, especially if it was around midnight. She stayed in the movie till it closed." Wise's words came out slower now and there was a sardonic glint in his eye.

"She says (она говорит) she had decided by then (что она решила к этому времени) not to go back to your place again (не ехать обратно к твоему дому снова). She says she didn't know (что она не знала) whether you'd like (понравится ли тебе) having her drop in (ее приезд; *to drop in* — заходить, заглядывать) that late (столь поздно). So she went to Tait's (поэтому она поехала в Тейт) — the one on Ellis Street (тот, который на Эллис-стрит) — had something to eat (взяла что-то поесть) and then went home (и потом поехала домой) — alone (одна)." Wise rocked back (Уайз откинулся: «качнулся назад») in his chair (в своем кресле) and waited for Spade to speak (и ждал, пока заговорит Спейд).

Spade's face was expressionless (лицо Спейда было невыразительно; *expression* — выражение). He asked (он спросил): "You believe her (ты веришь ей)?"

So she went to Tait's — the one on Ellis Street — had something to eat and then went home — alone." Wise rocked back in his chair and waited for Spade to speak.

Spade's face was expressionless. He asked: "You believe her?"

"Don't you (а ты нет)?" Wise replied (ответил Уайз).

"How do I know (откуда я знаю)? How do I know (откуда я знаю) it isn't something (что это не история) you fixed up between you (о которой вы договорились между собой; *to fix* — *устанавливать; прикреплять; чинить; подготовить*) to tell me (рассказать мне)?"

Wise smiled (Уайз улыбнулся). "You don't cash many checks for strangers (ты же не платишь кучи денег незнакомым людям: «ты не обналичиваешь много чеков для незнакомцев»), do your Sammy (не так ли, Сэмми)?"

"Not basketfuls (не корзинами). Well, what then (ну, что потом)? Miles wasn't home (Майлза не было дома). It was at least two o'clock by then (было, по меньшей мере, два часа, к тому времени) — must've been (должно было быть) — and he was dead (и он был мертв)."

Wise smiled. "You don't cash many checks for strangers, do your Sammy?"

"Not basketfuls. Well, what then? Miles wasn't home. It was at least two o'clock by then — must've been — and he was dead."

"Miles wasn't home (Майлза не было дома)," Wise said. "That seems to have made her mad again (это, кажется, снова привело ее в бешенство) — his not being home first (то, что его не было дома первым) to be made mad (чтобы он сошел с ума) by her not being home (от того, что ее нет дома). So she took the car out of the garage again (она взяла машину из гаража снова) and went back to your place (и отправилась обратно к твоему дому)."

"And I wasn't home (и меня не было дома). I was down (я был внизу) looking at Miles's corpse (глядя на труп Майлза). Jesus (Боже), what a swell lot of merry-go-round riding (какие прекрасные скачки на карусели). Then what (что потом)?"

"She went home (она отправилась домой), and her husband still wasn't there (и ее мужа все еще не было), and while she was undressing (и пока она раздевалась) your messenger came (твоя посланница пришла) with the news of his death (с новостью о его смерти)."

Spade didn't speak (Спейд не говорил) until he had with great care rolled (пока он не свернул с большой осторожностью) and lighted another cigarette (и не закурил другую сигарету). Then he said: "I think that's an all right spread (я думаю, это хорошо разложено; *to spread* — *развертывать(ся)*; *раскидывать(ся)*; *простирать(ся)*; *расстилать(ся)*).

Wise's fingers (пальцы Уайза), running through his hair again (пробегающие снова по его волосам), combed more dandruff (вычесали больше перхоти) down on his shoulders (на его плечи). He studied Spade's face (он изучал лицо Спейда) with curious eyes and asked (любопытными глазами и спросил): "But you don't believe it (но ты не веришь в это)?"

Spade plucked his cigarette (Спейд выдернул сигарету) from between his lips (из /между/ своих губ). "I don't believe it (я не верю в это) or disbelieve it, Sid (и не /то чтобы/ не верю, Сид). I don't know a damned thing about it (я не знаю, черт возьми, ничего об этом)."

A wry smile twisted the lawyer's mouth (кривая улыбка исказила рот Сиды). He moved his shoulders wearily and said (он устало двинул своими плечами и сказал): "That's right (это верно) — I'm selling you out (я предаю тебя). Effie Perine was standing in the center of Spade's outer office (Эффи Пирайн стояла в центре приемной Спейда) when he entered (когда он вошел). She looked at him (она посмотрела на него) with worried brown

eyes (обеспокоенными карими глазами) and asked (и спросила): "What happened (что случилось)?"

Spade's face grew stiff (лицо Спейда стало жестким). "What happened where (что случилось где)?" he demanded (потребовал он).

"Why didn't she come (почему она не пришла)?"

Spade took two long steps (Спейд сделал два широких: «длинных» шага) and caught Effie Perine by the shoulders (и схватил Эффи Пирайн за плечи). "She didn't get there (она не пришла к тебе: «туда»)" he bawled into her frightened face (завопил он в ее испуганное лицо; *to bawl* — /усл./ лаять, рычать; орать во всю глотку).

Spade took two long steps and caught Effie Perine by the shoulders. "She didn't get there?" he bawled into her frightened face.

She shook her head violently (она покачала своей головой яростно = очень сильно) from side to side (из одной стороны в сторону). "I waited and waited (я ждала и ждала) and she didn't come (и она не пришла), and I couldn't get you on the phone (я не могла связаться с тобой по телефону), so I came down (поэтому я вернулась)."

Spade jerked his hands away from her shoulders (Спейд отдернул свои руки от ее плеч), thrust them far down (засунул из глубоко: «далеко» вниз) in his trousers-pockets, said (в карманы своих брюк и сказал), "Another merry-go-round (еще одна карусель)," in a loud enraged voice

(громким взбешенным голосом), and strode into his private office (и быстро прошел в свой личный офис; *to stride* — *идти большими шагами*). He came out again (он снова вышел). He walked up and down the office (он ходил туда-сюда по офису) while the girl used the telephone (пока девушка говорила по телефону: «использовала телефон»). "No (нет)," she said when she had finished (сказала она, когда она закончила). "Did — did you send her out in a taxi (ты— ты отправил ее на такси)?"

His grunt probably meant yes (его ворчание, возможно, означало «да»).

"Are you sure she (ты уверен, что она) — Somebody must have followed her (должно быть, кто-то следил за ней) —!"

Spade stopped pacing the floor (Спейд перестал расхаживать по полу; *to pace* — *шагать, расхаживать, прохаживаться; pace* — *шаг*). He put his hands on his hips (он положил свои руки на свои бедра) and glared at the girl (и уставился на девушку).

He addressed her in a loud savage voice (он обратился к ней громким свирепым голосом): "Nobody followed her (никто не следил за ней). "Well, but — "

"But she didn't get there. You've told me that. I believe it. Do you think I think she did get there?"

Effie Perine sniffed (Эффи Пирайн фыркнула). "You certainly act (ты определенно ведешь себя) like a God-damned schoolboy (как чертов школьник)," she said.

Spade made a harsh noise (Спейд издал резкий звук) in his throat (горлом: «в своем горле») and went to the corridor-door (и пошел к двери в коридор). "I'm going out (я ухожу) and find her (и найду ее) if I have to dig up sewers (если мне придется раскопать канализацию)," he said. He went out (он вышел), walked half the distance to the elevators (прошел половину расстояния к лифтам), and retraced his steps (и вернулся назад: «по своим шагам»). Effie Perine was sitting at her desk (Эффи Пирайн сидела за своим столом) when he opened the door (когда он открыл дверь). Effie Perine sniffed. "You certainly act like a God-damned schoolboy," she said.

Spade made a harsh noise in his throat and went to the corridor-door. "I'm going out and find her if I have to dig up sewers," he said. "Stay here till I'm back or you hear from me. For Christ's sake let's do something right."

He went out, walked half the distance to the elevators, and retraced his steps. Effie Perine was sitting at her desk when he opened the door. He said: "You ought to know better than to pay any attention to me when I talk like that."

"If you think (если ты думаешь) I pay any attention to you (я обращаю какое-то внимание на тебя) you're crazy (ты — сумасшедший)," she replied (ответила она), "only (только)" — she crossed her arms (она перекрестила руки) and felt her shoulders (и ошупала плечи), and her mouth twitched uncertainly (и ее рот дернулся неуверенно) — "I won't be able to wear an evening gown (я не смогу носить вечернее платье) for two weeks (две недели), you big brute (ты, огромный грубиян; *brute* — животное, тварь)."

He grinned humbly, said (он скромно усмехнулся, сказал), "I'm no damned good, darling (я вовсе не хорош = да, я плохой, дорогая)," made an exaggerated bow (сделал преувеличенный поклон), and went out again (и снова вышел).

Two yellow taxicabs (два желтых такси) were at the corner-stand (были на угловой стоянке) to which Spade went (к которой пошел Спейд). Their chauffeurs were standing together talking (их шоферы стояли вместе,

разговаривая). Spade asked (Спейд спросил): "Where's the red-faced blond driver (где краснолицый, светловолосый водитель) that was here at noon (который был здесь в полдень)?"

"Got a load (взял пассажира: «груз»)," one of the chauffeurs said (сказал один из шоферов).

"Will he be back here (он вернется сюда)?"

"I guess so (я так думаю)."

"I guess so."

The other chauffeur (другой шофер) ducked his head (быстро наклонил свою голову) to the east (на восток). "Here he comes now (вон он теперь едет)."

Spade walked down to the corner (Спейд пошел к углу) and stood by the curb (и встал у края тротуара) until the red-faced blond chauffeur (пока краснолицый, белокурый шофер) had parked his cab (не припарковал свое такси) and got out (и вышел). Then Spade went up to him and said (потом Спейд подошел к нему и сказал): "I got into your cab with a lady at noontime (я сел в ваше такси с леди в полдень). We went out Stockton Street (мы вышли из Стоктон-стрит) and up Sacramento to Jones (и вверх по Сакраменто к Джонс), where I got out (где я вышел)."

"I told you to take her (я сказал вам отвезти ее) to a Ninth-Avenue-number (к Девятой авеню). You didn't take her there (вы не доставили ее туда). Where did you take her (куда вы ее отвезли)?"

The chauffeur rubbed his cheek (шофер почесал свою щеку) with a grimy hand (грязной рукой) and looked doubtfully at Spade (и с сомнением посмотрел на Спейда; *doubt* — *сомнение*). "I don't know about this (я не знаю об этом)."

"It's all right (это хорошо)," Spade assured him (уверил его Спейд), giving him one of his cards (давая ему одну из своих визитных карточек). "If you want to play safe, though (хотя, если вы хотите действовать: «играть» наверняка; *safe* — *безопасный*), we can ride up to your office (мы можем поехать в ваш офис) and get your superintendent's OK (и получить согласие вашего начальника)."

"I guess it's all right (я думаю, все в порядке). I took her to the Ferry Building (я отвез ее к паромной переправе)."

"By herself (одну)?"

"Yeah. Sure (да, конечно)."

"Didn't take her anywhere else first (сначала никуда не заезжали)?"

"No (нет). Spade bought a copy of the Call (Спейд купил экземпляр «Колл») and carried it into an office-building vestibule (и отнес его в вестибюль офисного здания) to examine it (чтобы изучить его) out of the wind (не стоя на ветру).

For five minutes (пять минут) he stood there (он стоял там) in the office-building-vestibule (в вестибюле офисного здания) smoking (куря) and staring sulkily at nothing (и глядя угрюмо ни на что). Then he walked up to Stockton Street (потом он пошел вверх к Стоктон-стрит), hailed a

taxicab (окликнул такси), and had himself driven to the Coronet (и поехал к «Коронету»).

He let himself into the building (он вошел в здание) and into Brigid O'Shaughnessy's apartment (и в квартиру Бриджит О'Шонесси) with the key (с помощью ключа) she had given him (который она дала ему). The blue gown (голубое платье) she had worn the previous night (которое было на ней предыдущей ночью) was hanging across the foot of her bed (висело в ногах ее кровати). Her blue stockings (ее голубые чулки) and slippers (и туфли) were on the bedroom floor (были на полу спальни).

For five minutes he stood there in the office-building-vestibule smoking and staring sulkily at nothing. Then he walked up to Stockton Street, hailed a taxicab, and had himself driven to the Coronet.

He let himself into the building and into Brigid O'Shaughnessy's apartment with the key she had given him. The blue gown she had worn the previous night was hanging across the foot of her bed. Her blue stockings and slippers were on the bedroom floor.

The polychrome box (разноцветная коробочка) that had held jewelry (которая содержала украшения) in her dressing-table-drawer (в ящике ее туалетного стола) now stood empty (стояла теперь пустой) on the dressing table-top (на поверхности туалетного стола). Spade frowned at it (Спейд хмуро посмотрел на нее), ran his tongue across his lips (пробежал языком по своим губам), strolled through the rooms (прошелся по комнатам), looking around (оглядываясь вокруг) but not touching anything (но не касаясь ничего), then left the Coronet (потом покинул «Коронет») and went downtown again (и пошел снова в центр города).

In the doorway of Spade's office-building (в дверном проеме офисного здания Спейда) he came face to face (он лицом к лицу столкнулся) with the boy he had left at Gutman's (с юношей, которого он оставил у Гутмана). The boy put himself in Spade's path (юноша встал на пути Спейда), blocking the entrance (закрывая вход), and said: "Come on (пойдем). He wants to see you (он хочет видеть вас)."

polychrome ['p0lɪkrɔVm] path [pQ:T] said [sed]

The polychrome box that had held jewelry in her dressing-table-draw-er now stood empty on the dressing-table-top. Spade frowned at it, ran his tongue across his lips, strolled through the rooms, looking around but not touching anything, then left the Coronet and went downtown again.

In the doorway of Spade's office-building he came face to face with the boy he had left at Gutman's. The boy put himself in Spade's path, blocking the entrance, and said: "Come on. He wants to see you."

The boy's hands (руки парня) were in his overcoat-pockets (были в карманах его пальто). His pockets bulged more (его карманы оттопыривались больше) than his hands need have made them bulge (чем его руки должны были их оттопыривать).

Spade grinned (Спейд усмехнулся) and said mockingly (и сказал насмешливо): "I didn't expect you till five twenty-five (я не ждал вас до пяти двадцати пяти). I hope I haven't kept you waiting (я надеюсь, я не заставил вас ждать)."

The boy raised his eyes (парень поднял свои глаза) to Spade's mouth (на рот Спейда) and spoke in the strained voice (и сказал напряженным голосом) of one in physical pain (человека с физической болью): "Keep on riding me (продолжайте подшучивать надо мной; *to ride* — ехать верхом,

скакать) and you're going to be picking iron (*и вы будете выковыривать пулю: «железо»*) out of your navel (*из вашего пупка*)."

The boy's hands were in his overcoat-pockets. His pockets bulged more than his hands need have made them bulge.

Spade grinned and said mockingly: "I didn't expect you till five twenty-five. I hope I haven't kept you waiting."

The boy raised his eyes to Spade's mouth and spoke in the strained voice of one in physical pain: "Keep on riding me and you're going to be picking iron out of your navel."

Spade chuckled (*Спейд хмыкнул; chuckle — тихий смех; хихиканье; смех про себя*). "The cheaper the crook (*чем дешевле проходимец; crook — крючок*), the gaudier the patter (*тем крикливее базар; gaudy — большое празднество; безвкусный, кричащий, яркий; patter — воровской жаргон*)," he said cheerfully (*сказал он бодро*). "Well, let's go (*ну, пойдём*)."

They walked up Sutter Street (*они пошли вверх по Саттер-стрит*) side by side (*рядом друг с другом*). The boy kept his hands (*парень держал свои руки*) in his overcoat-pockets (*в карманах своего пальто*). They walked a little more (*они прошли чуть больше*) than a block (*квартала*) in silence (*в молчании*). Then Spade asked pleasantly (*потом Спейд весело спросил*): "How long have you been off the gooseberry lay, son (*как давно ты оставил колючую проволоку, сынок; gooseberry — крыжовник, проволочные ежи, lay — месторасположение*)?"

crook [krʊk] gaudy ['gɔ:dl] patter ['pætɪ]

Spade chuckled. "The cheaper the crook, the gaudier the patter," he said cheerfully. "Well, let's go."

They walked up Sutter Street side by side. The boy kept his hands in his overcoat-pockets. They walked a little more than a block in silence. Then Spade asked pleasantly: "How long have you been off the gooseberry lay, son?"

The boy did not show (парень не показал) that he had heard the question (что он слышал вопрос).

"Did you ever (ты когда-нибудь) — ?" Spade began, and stopped (начал Спейд и остановился). A soft light began to glow (мягкий свет начал светиться) in his yellowish eyes (в его желтоватых глазах). He did not address the boy again (он не обратился снова к парню).

They went into the Alexandria (они вошли в «Александрию»), rode up to the twelfth floor (поднялись на двенадцатый этаж), and walked down the corridor (и пошли вдоль по коридору) towards Gutman's suite (в сторону номера-люкс Гутмана). Nobody else was in the corridor (никого больше в коридоре не было).

began [bl'g x n] twelfth [twelfT] was [wOz]

The boy did not show that he had heard the question.

"Did you ever — ?" Spade began, and stopped. A soft light began to glow in his yellowish eyes. He did not address the boy again.

They went into the Alexandria, rode up to the twelfth floor, and walked down the corridor towards Gutman's suite. Nobody else was in the corridor.

Spade lagged a little (Спейд немного отстал), so that (так), when they were (что когда они были) within fifteen feet of Gutman's door (в

пятнадцати футах от двери Гутмана), he was perhaps a foot and a half behind the boy (он был, наверное, в полутора футах за юношей; *half* — *половина*). He leaned sidewise suddenly (он неожиданно наклонился в сторону) and grasped the boy from behind (и схватил парня сзади) by both arms (обеими руками), just beneath the boy's elbows (как раз под локтями юноши). He forced the boy's arms forward (он с силой толкнул руки парня вперед) so that the boy's hands (так что ладони парня), in his overcoat-pockets (в кармане его пальто), lifted the overcoat up before him (подняли пальто перед ним). The boy struggled and squirmed (парень боролся и изгибался), but he was impotent (но он был беспомощен) in the big man's grip (в хватке большого человека). The boy kicked back (парень пнул ногой назад), but his feet went between (но его ноги прошли между) Spade's spread legs (расставленными ногами Спейда).

lag [lɪg] impotent ['ɪmpɒt(ə)nt] kick [kɪk]

Spade lagged a little, so that, when they were within fifteen feet of Gutman's door, he was perhaps a foot and a half behind the boy. He leaned sidewise suddenly and grasped the boy from behind by both arms, just beneath the boy's elbows. He forced the boy's arms forward so that the boy's hands, in his overcoat-pockets, lifted the overcoat up before him. The boy struggled and squirmed, but he was impotent in the big man's grip. The boy kicked back, but his feet went between Spade's spread legs.

Spade lifted the boy straight up from the floor (Спейд поднял парня прямо с пола) and brought him down hard (и с силой опустил его вниз) on his feet again (снова на его ноги). The impact made little noise (удар вызвал небольшой шум) on the thick carpet (на толстом ковре). At the руки Спейда скользнули вниз) and got a fresh grip (и снова схватили;

fresh — *свежий, новый*) on the boy's wrists (*запястья парня*). The boy, teeth set hard together (*парень, зубы крепко сжаты*), did not stop straining (*не перестал напрягаться*) against the man's big hands (*сопротивляясь большим рукам мужчины*), but he could not tear himself loose (*но он не мог освободиться; to tear — разрывать, loose — свободный*), could not keep the man's hands (*не мог держать руки мужчины*) from crawling down (*от медленного продвижения вниз; to crawl — ползти*) over his own hands (*по его собственным рукам*). The boy's teeth ground together audibly (*зубы парня скрежетали друг о друга слышно*), making a noise (*делая шум*) that mingled with the noise of Spade's breathing as Spade (*который смешивался с шумом дыхания Спейда*) crushed the boy's hands (*сдавившего руки парня*).

carpet ['kQ:plt] crawling ['kr0:llN] breathing ['bri:DIN]

Spade lifted the boy straight up from the floor and brought him down hard on his feet again. The impact made little noise on the thick carpet. At the moment of impact Spade's hands slid down and got a fresh grip on the boy's wrists. The boy, teeth set hard together, did not stop straining against the man's big hands, but he could not tear himself loose, could not keep the man's hands from crawling down over his own hands. The boy's teeth ground together audibly, making a noise that mingled with the noise of Spade's breathing as Spade crushed the boy's hands.

They were tense and motionless (*они были напряжены и неподвижны*) for a long moment (*долгое время*). Then the boy's arms (*потом руки парня*) became limp (*стали мягкими*). Spade released the boy (*Спейд отпустил парня*) and stepped back (*и шагнул в сторону*). In each of Spade's hands (*в каждой руке Спейда*), when they came out of the boy's overcoat-pockets

(когда они вышли из карманов пальто парня), there was a heavy automatic pistol (был тяжелый автоматический пистолет).

The boy turned (парень повернулся) and faced Spade (и посмотрел на Спейда). The boy's face was a ghastly white blank (лицо парня было жутко белым; *ghastly* — *наводящий ужас, жуткий, страшный*). He kept his hands (он держал свои руки) in his overcoat-pockets (в карманах своего пальто). He looked at Spade's chest (он посмотрел на грудь Спейда) and did not say anything (и ничего не сказал).

The boy turned and faced Spade. The boy's face was a ghastly white blank. He kept his hands in his overcoat-pockets. He looked at Spade's chest and did not say anything.

Spade put the pistols (Спейд положил пистолеты) in his own pockets (в свои карманы) and grinned derisively (и иронично усмехнулся). "Come on (пойдем)." he said. "This will put you in solid (это прибавит тебе солидности; *solid* — *твердый; сплошной; цельный*) with your boss (с твоим боссом)."

They went to Gutman's door (они подошли к двери Гутмана) and Spade knocked (и Спейд постучал).

Spade put the pistols in his own pockets and grinned derisively.
"Come on," he said. "This will put you in solid with your boss."

XIII. The Emperor's Gift

(Дар императора)

Gutman opened the door (Гутман открыл дверь). A glad smile lighted his fat face (довольная улыбка осветила его жирное лицо). He held out a hand and said (он протянул руку и сказал): "Ah, come in, sir (а, заходите, сэр)! Thank you for coming (спасибо вам, что пришли). Come in (заходите)."

Spade shook the hand and entered (Спейд потряс руку и вошел). The boy went in behind him (парень вошел за ним). The fat man shut the door (толстяк закрыл дверь). Spade took the boy's pistols (Спейд взял пистолеты юноши) from his pockets (из своих карманов) and held them out to Gutman (и протянул их Гутману). "Here (вот). You shouldn't let him run around with these (вы не должны позволять ему носиться с этим). He'll get himself hurt (он может причинить себе вред)."

Gutman opened the door. A glad smile lighted his fat face. He held out a hand and said: "Ah, come in, sir! Thank you for coming. Come in."

Spade shook the hand and entered. The boy went in behind him. The fat man shut the door. Spade took the boy's pistols from his pockets and held them out to Gutman. "Here. You shouldn't let him run around with these. He'll get himself hurt."

The fat man laughed merrily (толстяк весело засмеялся) and took the pistols (и взял пистолеты). "Well, well (ну, ну)," he said, "what's this (что это)?" He looked from Spade to the boy (он посмотрел от Спейда на юношу).

Spade said: "A crippled newsie (калечный разносчик газет; *newsie* = *newsboy* — газетчик, особ. подросток; *cripple* — ущербный; калека; *to cripple* — получать травму) took them away from him (отобрал их у него), but I made him (но я заставил его) give them back (вернуть их)."

The white-faced boy (бледный юноша; *face* — лицо) took the pistols out of Gutman's hands (взял пистолеты из рук Гутмана) and pocketed them (и положил их в карман). The boy did not speak (парень ничего не сказал).

The fat man laughed merrily and took the pistols. "Well, well," he said, "what's this?" He looked from Spade to the boy.

Spade said: "A crippled newsie took them away from him, but I made him give them back."

The white-faced boy took the pistols out of Gutman's hands and pocketed them. The boy did not speak.

Gutman laughed again (Гутман снова засмеялся). "By Gad, sir (ей-Богу, сэр)," he told Spade (сказал он Спейду), "you're a chap worth knowing (вы такой парень, с которым стоит познакомиться), an amazing character (поразительный характер). Come in (заходите). Sit down (садитесь). Give me your hat (давайте мне вашу шляпу)."

The boy left the room (парень покинул комнату) by the door to the right (в дверь справа) of the entrance (от входа).

The fat man installed Spade (толстяк усадил Спейда; *to install* — вводить в должность, устраивать) in a green plush chair (в зеленое

плюшевое кресло) by the table (у стола), pressed a cigar upon him (навязал ему сигару; *to press* — *жать, нажимать*), held a light to it (поднес к ней огня), mixed whiskey and carbonated water (смешал виски и газированную воду; *carbonated* — *насыщенный углекислотой*), put one glass in Spade's hand (сунул один бокал в руку Спейда), and, holding the other (и, держа другой), sat down facing Spade (сел лицом к Спейду).

Gutman laughed again. "By Gad, sir," he told Spade, "you're a chap worth knowing, an amazing character. Come in. Sit down. Give me your hat."

The boy left the room by the door to the right of the entrance.

The fat man installed Spade in a green plush chair by the table, pressed a cigar upon him, held a light to it, mixed whiskey and carbonated water, put one glass in Spade's hand, and, holding the other, sat down facing Spade.

"Never mind that (не обращайтесь внимания)," Spade said. "Let's talk about the black bird (давайте поговорим о черной птице)."

The fat man cocked his head to the left (толстяк вздернул = наклонил свою голову влево) and regarded Spade with fond eyes (и рассматривал Спейда любящими глазами). "All right, sir (хорошо, сэр)," he agreed (согласился он). "Let's (давайте)." He took a sip (он сделал глоток) from the glass (из бокала) in his hand (в его руке). Spade nodded politely (Спейд вежливо кивнул).

The fat man screwed up his eyes (толстяк поднял вверх свои глаза; *to screw up* — *подвинчивать, сжимать*) and asked (и спросил): "What do you know, sir (что вы знаете, сэр), about the Order of the Hospital of St. John of Jerusalem (об ордене госпитальеров Св. Spade waved his cigar (Спейд махнул своей сигаретой). "Not much (немного) — only what I remember from history in school (только то, что я помню из истории в школе) — Crusaders or something (крестоносцы или что-то такое)."

"Very good (очень хорошо). Now you don't remember (а вы не помните) that Suleiman the Magnificent (что Сулейман Великолепный) chased them out of Rhodes in 1523 (изгнал их с Родоса в 1523 г.)?"

Spade waved his cigar. "Not much — only what I remember from history in school — Crusaders or something."

"Very good. Now you don't remember that Suleiman the Magnificent chased them out of Rhodes in 1523?"

"No."

"Well, sir, he did (да, сэ́р, он изгна́л их), and they settled in Crete (и они осели на Крите). The fat man looked over his shoulders (толстяк посмотрел через свои плечи) at the three closed doors (на три закрытые двери), hunched his chair (толкнул свое кресло) a few inches nearer Spade's (на несколько дюймов ближе к креслу Спейда), and reduced his voice (и понизил свой голос; *to reduce* — *снижать, сокращать*) to a husky whisper (до сиплого шепота): "Have you any conception (вы имеете какое-нибудь представление) of the

He shut his eyes (он закрыл глаза) and smiled complacently (и самодовольно улыбнулся) at an inner thought (внутренней мысли). He opened his eyes and said (он открыл свои глаза и сказал): "That was seventeen years ago (это было семнадцать лет назад). Well, Sir, it took me seventeen years (так, сэр, это заняло у меня семнадцать лет) to locate that bird (чтобы установить местонахождение этой птицы), but I did it (но я сделал это). I wanted it (я хотел ее), and I'm not a man (и я не человек) that's easily discouraged (который просто падает духом; *courage* — бесстрашие, мужество, «кураж»; *to discourage* — лишать мужества, силы духа, уверенности в себе; *обескураживать*) when he wants something (когда он хочет чего-нибудь)."

That made me think that the thief had simply taken the bird along with the rest of his plunder, not knowing what it was. Because I assure you that a thief who knew its value would not burden himself with anything else — no, sir — at least not anything less than crown jewels."

He shut his eyes and smiled complacently at an inner thought. He opened his eyes and said: "That was seventeen years ago. Well, Sir, it took me seventeen years to locate that bird, but I did it. I wanted it, and I'm not a man that's easily discouraged when he wants something."

His smile grew broad (его улыбка расплылась: «стала широкой»). "I wanted it and I found it (я хотел ее, и я нашел ее). I want it and I'm going to have it (я хочу ее, и я собираюсь заполучить ее)." He drained his glass (он

осушил свой бокал), dried his lips again (снова насухо вытер свои губы), and returned his handkerchief to his pocket (и вернул свой носовой платок в свой карман). It was nothing but a black enameled figure to him (для него это не было ничем, кроме черной эмалированной фигуры), but his natural contrariness (но его природное упрямство) — the natural contrariness of a Russian general (природное упрямство русского генерала) — kept him from selling it to me (удержало его от продаже ее мне) when I made him an offer (когда я сделал ему предложение). "But I'm going to get it (но я собираюсь получить ее). Your glass, sir (ваш бокал, сэр)."

"Then the bird doesn't belong to any of you (тогда птица не принадлежит никому из вас)?" Spade asked (спросил Спейд), "but to a General Kemidov (а генералу Кемидову)?"

"Then the bird doesn't belong to any of you?" Spade asked, "but to a General Kemidov?"

"Belong (принадлежит)?" the fat man said jovially (весело сказал толстяк). "Well, sir, you might say (ну, сэр, вы могли сказать) it belonged to the King of Spain (что она принадлежала королю Испании), but I don't see (но я не понимаю) how you can honestly grant anybody else (как вы можете честно присудить кому-либо еще) clear title to it (ясное право на нее; *title* — *титул*) — except by right of possession (за исключением по праву /самого фактического / обладания)." "Then it's Miss O'Shaughnessy's now?"

"No, sir, except as my agent (нет, сэр, исключительно/разве что как моему агенту)."

Spade said, "Oh," ironically (иронично).

Gutman, looking thoughtfully at the stopper (Гутман, задумчиво глядя на пробку) of the whiskey-bottle (от бутылки виски) in his hand, asked (в его руке, спросил): "There's no doubt (нет сомнений) that she's got it now (что она у нее)?"

"Not much."

"Where?"

"I don't know exactly."

The fat man set the bottle (толстяк поставил бутылку) on the table (на стол) with a bang (с грохотом). "But you said you did (но вы сказали, вы знаете)," he protested (запротестовал он).

Spade made a careless gesture (Спейд сделал небрежный жест) with one hand (одной рукой). "I meant to say (я имел в виду сказать) I know where to get it (я знаю, где достать ее) when the time comes (когда придет время)."

The pink bulbs of Gutman's face (розовые отвислости на лице Гутмана) arranged themselves more happily (устроились более счастливо). "And you do (и вы знаете)?" he asked (спросил он).

"Yes."

"Where?"

Spade grinned and said: "Leave that to me. That's my end."

"When (когда)?"

"When I'm ready (когда я буду готов)."

The fat man pursed his lips and (толстяк сжал губы и), smiling with only slight uneasiness (улыбаясь с легким беспокойством; *uneasy* — *неудобный; беспокойный, тревожный*), asked (спросил): "Mr. Spade, where is Miss O'Shaughnessy now (мистер Спейд, где сейчас мисс О'Шонессси)?"

"In my hands (в моих руках), safely tucked away (спрятана в безопасности; *to tuck /away/* — *засовывать, прятать; запрягать*)."

Gutman smiled with approval (Гутман улыбнулся одобрительно). "Trust you for that, sir (верю вам в этом, сэр)," he said. "Well now, sir (так, сэр), before we sit down to talk prices (прежде чем мы сядем обсуждать цены), answer me this (ответьте мне на это): how soon can you (как скоро вы можете) — or how soon are you willing to (или как скоро вы хотите) — produce the falcon (достать сокола)?"

"A couple of days (пара дней)."

The fat man nodded (толстяк кивнул). "That is satisfactory (это хорошо: «удовлетворительно»). They drank (они выпили). The fat man sat down (толстяк сел). Spade asked: "What's your idea of a fair bargain (каково ваше представление о честной сделке)?"

Gutman held his glass up to the light (Гутман поднял свой бокал к свету), looked affectionately at it (посмотрел на него с чувством), took another long drink (сделал еще один длинный глоток), and said: "I have two proposals to make, sir (у меня есть два предложения, сэр), and either is fair (и каждое честное). They drank. The fat man sat down. Spade asked: "What's your idea of a fair bargain?"

Gutman held his glass up to the light, looked affectionately at it, took another long drink, and said: "I have two proposals to make, sir, and either is fair. Take your choice.

There you are, sir (вот вам, сэр): an almost immediate fifty thousand dollars (почти что немедленно пятьдесят тысяч долларов) or a vastly greater sum within (или безмерно большая сумма в течении), say, a couple of months (скажем, пары месяцев)."

Spade drank and asked: "How much greater?"

"Vastly (безмерно)," the fat man repeated (повторил толстяк). "Who knows how much greater (кто знает насколько больше)? Shall I say a hundred thousand (скажу я сто тысяч), or a quarter of a million (или

четверть миллиона)? Will you believe me (поверите ли вы мне) if I name the sum (если я назову сумму) that seems the probable minimum (которая кажется возможным минимумом)?"

"Why not (почему нет)?"

The fat man smacked his lips (толстяк причмокнул губами) and lowered his voice (и понизил голос) to a purring murmur (до мурлыкающего шепота). "What would you say, sir (что вы скажете, сэр), to half a million (на полмиллиона)?"

"Why not?"

The fat man smacked his lips and lowered his voice to a purring murmur. "What would you say, sir, to half a million?"

Spade narrowed his eyes (Спейд сузил свои глаза). "Then you think the dingus (тогда, вы думаете, что эта штука; *dingus* — как его там, как это?) is worth two million (стоит два миллиона)?"

Gutman smiled serenely (Гутман невозмутимо улыбнулся). "In your own words (вашими же словами), why not (почему нет)?" he asked.

Spade emptied his glass (Спейд опустошил свой бокал) and set it on the table (и поставил его на стол). He put his cigar in his mouth (он вложил /свою/ сигару в /свой/ рот), took it out (вытащил ее), looked at it (посмотрел на нее), and put it back in (и вложил ее снова). His yellow-grey eyes (его желто-серые глаза) were faintly muddy (были слегка мутными; *mud* — грязь, слякоть; ил, тина). Gutman smiled serenely. "In your own words, why not?" he asked.

Spade emptied his glass and set it on the table. He put his cigar in his mouth, took it out, looked at it, and put it back in. His yellow-grey eyes were faintly muddy. He said: "That's a hell of a lot of dough."

The fat man agreed (толстяк согласился): "That's a hell of a lot of dough (это чертовски много бабок)." He leaned forward (он наклонился вперед) and patted Spade's knee (и похлопал колено Спейда). "That is the absolute rock-bottom minimum (это абсолютно самый низкий минимум; *rock-bottom* — твердое основание, нижний предел) — or Charilaos Konstantinides was a blithering idiot (или Харилаос Константинидес был конченным идиотом; *blithering* — болтливый; бессвязно говорящий /о чем-л./; законченный, полный; презренный, отпетый) — and he wasn't (а он не был)."

Spade removed the cigar from his mouth again (Спейд снова вытащил сигару из своего рта), frowned at it (хмуро посмотрел на нее) with distaste (с отвращением), and put it on the smoking-stand (и положил ее в пепельницу). He shut his eyes hard (он плотно закрыл глаза), opened them again (открыл их снова). Their muddiness had thickened (их замутненность усилилась; *to thicken* — утолщать, сгущать, мрачнеть). He said: "The (это) — the minimum, huh (минимум, у)? And the maximum (а максимум)?" An unmistakable sh (несомненное ш) followed the x (последовало за кс) in maximum (в слове максимум) as he said it (когда он сказал его).

The fat man agreed: "That's a hell of a lot of dough." He leaned forward and patted Spade's knee. "That is the absolute rock-bottom minimum — or Charilaos Konstantinides was a blithering idiot — and he wasn't."

Spade removed the cigar from his mouth again, frowned at it with distaste, and put it on the smoking-stand. He shut his eyes hard, opened them again. Their muddiness had thickened. He said: "The — the minimum, huh? And the maximum?" An unmistakable *sh* followed the *x* in maximum as he said it.

"The maximum?" Gutman held his empty hand out (Гутман протянул свою пустую руку), palm up (ладонью вверх). "I refuse to guess (я отказываюсь предположить). There's no telling (нельзя говорить) how high it could go, sir (как высоко это может пойти, сэр), and that's the one (и это одна) and only truth about it (и единственная правда о ней)."

Spade pulled (Спейд подтянул) his sagging lower lip (свою провисшую нижнюю губу) tight against the upper (плотно к верхней). He shook his head impatiently (он нетерпеливо покачал головой). A sharp frightened gleam (резкий испуганный блеск) awoke in his eyes (проснулся в его глазах) — and was smothered (и был погашен; *to smother* — душить, задохаться, подавлять) by the deepening muddiness (все углубляющимся туманом). He stood up (он встал), helping himself up (помогая себе подняться) with his hands (своими руками) on the arms of his chair (на подлокотниках своего кресла). He shook his head again (он покачал головой снова) and took an uncertain step forward (и сделал неуверенный

шаг вперед). He laughed thickly and muttered (он неразборчиво засмеялся и пробормотал): "God damn you (будьте прокляты)."

"The maximum?" Gutman held his empty hand out, palm up. "I refuse to guess. You'd think me crazy. I don't know. There's no telling how high it could go, sir, and that's the one and only truth about it."

Spade pulled his sagging lower lip tight against the upper. He shook his head impatiently. A sharp frightened gleam awoke in his eyes — and was smothered by the deepening muddiness. He stood up, helping himself up with his hands on the arms of his chair. He shook his head again and took an uncertain step forward. He laughed thickly and muttered: "God damn you."

Gutman jumped up (Гутман вскочил) and pushed his chair back (и толкнул свое кресло назад). His fat globes jiggled (его толстые округлости тряслись). His eyes were dark holes (его глаза были темными дырами) in an oily pink face (на масляно-розовом лице).

Spade swung his head (Спейд качал головой) from side to side (из стороны в сторону) until his dull eyes (пока его тусклые глаза) were pointed at (не направились) — if not focused on (если не сфокусировались) — the door (на двери). He took another uncertain step (он сделал другой неуверенный шаг).

The fat man called sharply (толстяк резко позвал): "Wilmer (Вилмер)!"

Gutman jumped up and pushed his chair back. His fat globes jiggled. His eyes w-ere dark holes in an oily pink face.

Spade swung his head from side to side until his dull eyes were pointed at — if not focused on — the door. He took another uncertain step.

The fat man called sharply: "Wilmer!"

A door opened (дверь открылась) and the boy came in (и парень вошел).

Spade took a third step (Спейд сделал третий шаг). His face was grey now (его лицо было теперь серым), with jaw-muscles (с мускулами челюсти) standing out like tumors (выступающими, как опухоли) under his ears (под его ушами). His legs did not straighten again (его ноги снова не выпрямились) after his fourth step (после его четвертого шага) and his muddy eyes (и его мутные глаза) were almost covered by their lids (были почти прикрыты их веками). He took his fifth step (он сделал пятый шаг).

The boy walked over (парень подошел) and stood close to Spade (и стал близко к Спейду), a little in front of him (немного впереди него), but not directly between Spade and the door (но не прямо между Спейдом и дверью). The boy's right hand (правая рука парня) was inside his coat (была внутри его пальто) over his heart (над его сердцем). The corners of his mouth twitched (уголки его рта дернулись).

The boy walked over and stood close to Spade, a little in front of him, but not directly between Spade and the door. The boy's right hand was inside his coat over his heart. The corners of his mouth twitched.

Spade essayed his sixth step (Спейд попробовал сделать шестой шаг).

The boy's leg darted out (нога парня резко выбросилась) across Spade's leg (наперерез ноге Спейда), in front (вперед). Spade tripped over (Спейд споткнулся) the interfering leg (о мешающую ногу; *to interfere* — *служить препятствием, мешать*) and crashed face-down on the floor (и свалился с грохотом лицом на пол). The boy, keeping his right hand (парень, держа свою правую руку) under his coat (под своим пальто), looked down at Spade (посмотрел вниз на Спейда). Spade tried to get up (Спейд попытался встать). The boy drew his right foot (парень отвел свою правую ногу) far back (далеко назад) and kicked Spade's temple (и пнул висок Спейда). The kick rolled Spade over on his side (пинок опрокинул Спейда на /его/ бок). Once more (еще раз) he tried to get up (он попытался встать), could not (не смог), and went to sleep (и уснул).

Spade tried to get up. The boy drew his right foot far back and kicked Spade's temple. The kick rolled Spade over on his side. Once more he tried to get up, could not, and went to sleep.

XIV. La Paloma

(Ла Палома)

Spade, coming around the corner (Спейд, выходя из-за угла) from the elevator (из лифта) at a few minutes past six in the morning (несколько минут седьмого утра), saw yellow light (увидел желтый свет) glowing through the frosted glass (светящийся сквозь матовое стекло) of his office-door (двери его офиса). He halted abruptly (он резко остановился), set his lips together (сдвинул губы), looked up and down the corridor (посмотрел взад и вперед по коридору), and advanced to the door (и продвинулся к двери) with swift quiet strides (быстрыми, тихими шагами).

He put his hand (он положил руку) on the knob (на шарообразную ручку) and turned it with care (и повернул ее с осторожностью) that permitted neither rattle (которая не допускала ни треска; *to permit* — *позволять, разрешать*) nor click (ни щелчка). He turned the knob (он крутил ручку) until it would turn no farther (пока она не перестала крутиться дальше): the door was locked (дверь была закрыта на ключ). Holding the knob still (держа ручку неподвижно), he changed hands (он поменял руки), taking it now in his left hand (беря ее теперь в свою левую руку).

past [pQ:st] abruptly [q'brAptII] permitted [pq'mItId]

Spade, coming around the corner from the elevator at a few minutes past six in the morning, saw yellow light glowing through the frosted glass of his office-door. He halted abruptly, set his lips together, looked up and down the corridor, and advanced to the door with swift quiet strides.

He put his hand on the knob and turned it with care that permitted neither rattle nor click. He turned the knob until it would turn no

farther: the door was locked. Holding the knob still, he changed hands, taking it now in his left hand.

With his right hand (правой рукой) he brought his keys (он достал свои ключи) out of his pocket (из своего кармана), carefully (осторожно), so they could not jingle (так что они не могли звенеть) against one another (один о другой). He separated the office-key (он отделил ключ офиса) from the others (от других) and, smothering the others together in his palm (и сжимая другие вместе в своей ладони), inserted the office-key in the lock (вставил ключ от офиса в замок). The insertion was soundless (введение ключа было беззвучным). He balanced himself (он сбалансировал) on the balls of his feet (на подушечках пальцев /своих/ ног = на цыпочках; *ball* — шар, мяч, закругленный предмет), filled his lungs (наполнил свои легкие), clicked the door open (щелкнул, открыв дверь), and went in (и вошел).

Effie Perine sat sleeping (Эффи Пирайн сидела во сне) with her head on her forearms (с головой на своих предплечьях), her forearms on her desk (ее предплечья на ее столе). She wore her coat (на ней была ее куртка) and had one of Spade's overcoats (и одно пальто Спейда) wrapped cape-fashion around her (обернутое как накидка вокруг нее; *fashion* — образ, манера, фасон, мода).

brought [br0:t] pocket ['p0kIt] wrapped [r x pt]

With his right hand he brought his keys out of his pocket, carefully, so they could not jingle against one another. He separated the office-key from the others and, smothering the others together in his palm, inserted the office-key in the lock. The insertion was soundless. He balanced himself on the balls of his feet, filled his lungs, clicked the door open, and went in.

Effie Perine sat sleeping with her head on her forearms, her forearms on her desk. She wore her coat and had one of Spade's overcoats wrapped cape-fashion around her.

Spade blew his breath out (Спейд выдохнул воздух) in a muffled laugh (в приглушенном смехе), shut the door behind him (закрыл дверь за собой), and crossed to the inner door (и перешел ко внутренней двери). The inner office was empty (внутренний офис был пуст). He went over to the girl (он подошел к девушке) and put a hand on her shoulder (и положил руку на ее плечо).

She stirred (она пошевелилась), raised her head drowsily (подняла голову сонно), and her eyelids fluttered (и ее веки задрожали). Suddenly she sat up straight (вдруг она села прямо), opening her eyes wide (открывая широко свои глаза). She saw Spade (она увидела Спейда), smiled (улыбнулась), leaned back in her chair (откинулась в своем кресле), and rubbed her eyes with her fingers (и потерла свои глаза своими пальцами). "So you finally got back (так ты, наконец, вернулся)?" she said. "What time is it (который час)?"

"Six o'clock (шесть часов). What are you doing here (что ты здесь делаешь)?"

Spade blew his breath out in a muffled laugh, shut the door behind him, and crossed to the inner door. The inner office was empty. He went over to the girl and put a hand on her shoulder.

She stirred, raised her head drowsily, and her eyelids fluttered. Suddenly she sat up straight, opening her eyes wide. She saw Spade, smiled, leaned back in her chair, and rubbed her eyes with her fingers. "So you finally got back?" she said. "What time is it?"

"Six o'clock. What are you doing here?"

She shivered (она вздрогнула), drew Spade's overcoat closer (притянула пальто Спейда ближе) around her (вокруг себя), and yawned (и зевнула). "You told me to stay (ты сказал мне оставаться здесь) till you got back or phoned (пока ты не вернешься или позвонишь)."

"Oh, you're the sister of the boy (о, ты сестра парня) who stood on the burning deck (который стоял на горящей палубе)?"

"I wasn't going to (я не собиралась) — " She broke off (она прервалась) and stood up (и встала), letting his coat slide down (позволяя его пальто соскользнуть вниз) on the chair behind her (на кресло позади нее). She looked with dark excited eyes (она смотрела темными взволнованными глазами) at his temple (на его висок) under the brim of his hat (под краем его шляпы) and exclaimed (и воскликнула): "Oh, your head (о, твоя голова)! "Oh, you're the sister of the boy who stood on the burning deck?"

"I wasn't going to — " She broke off and stood up, letting his coat slide down on the chair behind her. She looked with dark excited eyes at his temple under the brim of his hat and exclaimed: "Oh, your head! What happened?"

His right temple (его правый висок) was dark and swollen (был темным и распухшим).

"I don't know (я не помню) whether I fell (упал ли я) or was slugged (или меня ударили; *slug* — сильный удар кулаком; сильно ударять,

5:06 A. M. (5:06 утра) — Albarado from Bandon (— «Альбарадо» из Бэндона).

column ['kOlqm] caption ['kxpS(q)n] above [q'bAv]

He turned the paper over and looked at the page that had been folded inside, the page that held financial and shipping news, the weather, births, marriages, divorces, and deaths. From the lower left-hand corner, a little more than two inches of the bottom of the second column had been torn out.

Immediately above the tear was a small caption Arrived Today followed by:

12:20 A. M. — Capac from Astoria.

5:05 A. M. — Helen P. Drew from Greenwood.

5:06 A. M. — Albarado from Bandon.

The tear passed through the next line (отрыв проходил через следующую строку), leaving only enough of its letters (оставляя только достаточно из ее букв) to make from Sydney inferable (чтобы сделать вывод «из Сиднея»; *to infer* — заключать, подразумевать).

Spade put the Call down on the desk (Спейд положил «Колл» вниз на стол) and looked into the wastebasket again (и посмотрел в корзину для бумаг снова). He found a small piece of wrapping-paper (он нашел маленький кусок оберточной бумаги), a piece of string (кусок веревки), two hosiery tags (две этикетки от носков; *hosiery* — чулочные или трикотажные изделия), a haberdasher's sale-ticket (продажный чек от галантерейщика) for half a dozen pairs of socks (на полдюжины пар носков), and, in the bottom of the basket (и, на дне корзины), a piece of newspaper (кусок газеты) rolled into a tiny ball (скатанный в крошечный шарик).

inferable [In'fɜ:rqb(q)l] hosiery ['hɔVzlqrɪ] tiny ['taɪnl]

The tear passed through the next line, leaving only enough of its letters to make from Sydney inferable.

Spade put the Call down on the desk and looked into the wastebasket again. He found a small piece of wrapping-paper, a piece of string, two hosiery tags, a haberdasher's sale-ticket for half a dozen pairs of socks, and, in the bottom of the basket, a piece of newspaper rolled into a tiny ball.

He opened the ball carefully (он осторожно раскрыл шарик), smoothed it out on the desk (разгладил его на столе), and fitted it (и приложил его) into the torn part of the Call (к оторванной части «Колла»). The fit at the sides was exact (прилегание по сторонам было точным), but between the top (но между верхушкой) of the crumpled fragment (смятого фрагмента) and the inferable from Sydney (и предположительно «из Сиднея») half an inch was missing (пол-дюйма не хватало), sufficient space (достаточно места) to have held announcement (чтобы содержать объявление) of six or seven boats' arrival (о прибытии шести или семи судов). He turned the sheet over (он перевернул листок) and saw (и увидел) that the other side of the missing portion (что другая сторона отсутствующей части) could have held only a meaningless corner (могла содержать только неважный: «не имеющий смысла/значения» угол) of a stockbroker's advertisement (объявления биржевого маклера).

fragment ['frɪgmənt] announcement [ə'naʊnsmənt] boat [bəʊt]

He opened the ball carefully, smoothed it out on the desk, and fitted it into the torn part of the Call. The fit at the sides was exact, but between

the top of the crumpled fragment and the inferable from Sydney half an inch was missing, sufficient space to have held announcement of six or seven boats' arrival. He turned the sheet over and saw that the other side of the missing portion could have held only a meaningless corner of a stockbroker's advertisement.

Luke, leaning over his shoulder (Люк, наклонившись над его плечом), asked (спросил): "What's this all about (что это все значит)?"

"Looks like the gent's interested in a boat (выглядит так, словно джентльмен заинтересован в каком-то корабле; *gent* = /шутл. простор./ сокр. от *gentleman* — джентльмен, хорошо воспитанный человек)."

"Well, there's no law against that (ну, против этого нет закона), or is there (или есть)?" Luke said while Spade was folding the torn page (пока Спейд складывал разорванную страницу) and the crumpled fragment together (и скомканный фрагмент вместе) and putting them into his coat-pocket (и клал их в карман своего пальто). "You are through here now (ты закончил здесь теперь; *to be through* — завершить что-либо)?"

"Yes. Thanks a lot, Luke (большое спасибо, Люк). Will you give me a ring (ты позвонишь мне) as soon as he comes in (как только он придет)?"

"Sure (конечно)."

law [lɔ:] them [Dem] ring [rɪn]

Luke, leaning over his shoulder, asked: "What's this all about?"

"Looks like the gent's interested in a boat."

"Well, there's no law against that, or is there?" Luke said while Spade was folding the torn page and the crumpled fragment together and putting them into his coat-pocket. "You are through here now?"

"Yes. Thanks a lot, Luke. Will you give me a ring as soon as he comes in?"

"Sure."

Spade went to the Business Office of the Call (Спейд пошел в деловую канцелярию «Колл»), bought a copy (купил экземпляр) of the previous day's issue (номера предыдущего дня), opened it to the shipping-news-page (открыл его на странице расписания судов), and compared it (и сравнил ее) with the page (со страницей) taken from Cairo's wastebasket (взятой из корзины для бумаг Кейро). The missing portion had read (недостающая часть гласила):

5:17 A. M. (5:17 утра) — Tahiti from Sydney and Papeete («Таити» из Сиднея и Папеэте).

6:05 A. M. (6:05 утра) — Admiral Peoples from Astoria («Адмирал Пиплз» из Астории).

8:07 A. M. (8:07 утра) — Caddopeak from San Pedro («Кэддопик» из Сан-Педро).

8:17 A. M. (8:17 утра) — Silverado from San Pedro («Сильверадо» из Сан-Педро).

8:05 A. M. (8:05 утра) — La Paloma from Hongkong («Ла Палома» из Гонконга).

9:03 A. M. (9:03 утра) — Daisy Gray from Seattle («Дэзи Грэй из Сиэтла).

issue ['ɪsu:, 'ɪsju:] compare [kəm'peɪ] portion ['pɔːs(q)n]

Spade went to the Business Office of the Call, bought a copy of the previous day's issue, opened it to the shipping-news-page, and compared it with the page taken from Cairo's wastebasket. The missing portion had read:

5:17 A. M. — Tahiti from Sydney and Papeete.

6:05 A. M. — Admiral Peoples from Astoria.

8:07 A. M. — Caddopeak from San Pedro.

8:17 A. M. — Silverado from San Pedro.

8:05 A. M. — La Paloma from Hongkong.

9:03 A. M. — Daisy Gray from Seattle.

He read the list slowly (он прочитал список медленно) and when he had finished (и когда он закончил) he underscored Hongkong (он подчеркнул Гонконг) with a fingernail (ногтем пальца), cut the list of arrivals (вырезал список прибытий) from the paper (из газеты) with his pocket-knife (своим карманным ножом), put the rest of the paper (сунул остаток газеты) and Cairo's sheet (и листок Кейро) into the wastebasket (в корзину для бумаг), and returned to his office (и вернулся в свой офис).

He sat down at his desk (он сел за свой стол), looked up a number in the telephone-book (нашел номер в телефонной книге), and used the telephone (и воспользовался телефоном).

"Kearny one four o one (Кирни один четыре ноль один; *о [qV]* — зд. ноль в телефонных номерах, обозначении времени, дат), please (пожалуйста). Where is the Paloma (где «Палома»), in from Hongkong yesterday morning (прибывшая из Гонконга вчера утром), docked (пришвартовалась: «стала в док»)?" He repeated the question (он повторил вопрос). "Thanks (спасибо)."

underscore ["Andq'sk0:] dock [d0k] repeated [rɪ'pi:tɪd]

He read the list slowly and when he had finished he underscored Hongkong with a fingernail, cut the list of arrivals from the paper with

his pocket-knife, put the rest of the paper and Cairo's sheet into the wastebasket, and returned to his office.

He sat down at his desk, looked up a number in the telephone-book, and used the telephone.

"Kearny one four o one, please Where is the Paloma, in from Hongkong yesterday morning, docked?" He repeated the question. "Thanks."

He held the receiver-hook down (он нажал на рычажок: «крючок телефонной трубки») with his thumb for a moment (своим большим пальцем на мгновение), released it (отпустил его), and said: "Davenport two o two o, please (Дэвенпорт два ноль два ноль, пожалуйста)... Detective bureau, please (детективное бюро, пожалуйста)... Is Sergeant Polhaus there (сержант Полхауз там)? ... Thanks (спасибо)... Hello, Tom, this is Sam Spade (привет, Том, это Сэм Спейд)... Yes, I tried to get you yesterday afternoon (да, я пытался дозвониться до тебя вчера вечером).

Sure (конечно), suppose you go to lunch with me (думаю, ты пойдешь пообедать со мной)... Right (хорошо)."

bureau ['bjV(q)rɔV] sergeant ['sQ:dZ(q)nt] me [mi:]

He held the receiver-hook down with his thumb for a moment, released it, and said: "Davenport two o two o, please... Detective bureau, please... Is Sergeant Polhaus there? ... Thanks... Hello, Tom, this is Sam Spade... Yes, I tried to get you yesterday afternoon.

Sure, suppose you go to lunch with me... Right."

He kept the receiver to his ear (он держал трубку у своего уха) while his thumb (пока его большой палец) worked the hook again (снова нажал на крючок).

"Davenport o one seven o, please (Дэвенпорт ноль один семь один, пожалуйста). Hello, this is Samuel Spade (алло, это Сэмюэл Спейд). My secretary got a phone-message yesterday (моя секретарша получила телефонное сообщение вчера) that Mr. Bryan wanted to see me (что мистер Брайан хотел видеть меня). Will you ask him (вы спросите его) what time's (какое время) the most convenient for him (наиболее удобно для него)? ... Yes, Spade (да, Спейд), S-p-a-d-e (С-п-э-й-д)." A long pause (долгая пауза). "Yes (да)... Two-thirty (два тридцать)? All right (хорошо). Thanks (спасибо)."

receiver [rɪ'si:vq] hook [hʊk] yesterday ['jestqdɪ]

He kept the receiver to his ear while his thumb worked the hook again.

"Davenport o one seven o, please Hello, this is Samuel Spade. My secretary got a phone-message yesterday that Mr. Bryan wanted to see me. Will you ask him what time's the most convenient for him? ... Yes, Spade, S-p-a-d-e." A long pause. "Yes... Two-thirty? All right. Thanks."

He called a fifth number (он позвонил по пятому номеру) and said: "Hello, darling (привет, дорогая), let me talk to Sid (дай мне поговорить с Сидом)? ... Hello, Sid (привет, Сид) — Sam (Сэм). I've got a date (у меня встреча) with the District Attorney (с окружным прокурором) at half-past two this afternoon (в половине третьего сегодня днем). Will you give me a ring (ты позвонишь мне) — here or there (сюда или туда) — around four (около четырех), just to see (просто, чтобы убедиться: «увидеть») that I'm not in trouble (что я не попал в беду)? ... Hell with your Saturday afternoon golf (к черту твой гольф в субботу днем): your job's (твоя работа) to keep

me out of jail (убережь меня от тюрьмы) ... Right, Sid (хорошо, Сид). Bye (пока)."

He pushed the telephone away (он толкнул телефон прочь), yawned (зевнул), stretched (потянулся), felt his bruised temple (пощупал свой поврежденный висок), looked at his watch (посмотрел на свои часы), and rolled and lighted a cigarette (и свернул, и закурил сигарету). He smoked sleepily (он курил сонно) until Effie Perine came in (пока не вошла Эффи Пирайн).

golf [gOlf] jail [dZell] temple ['temp(q)l]

He called a fifth number and said: "Hello, darling, let me talk to Sid? ... Hello, Sid — Sam. I've got a date with the District Attorney at half-past two this afternoon. Will you give me a ring — here or there — around four, just to see that I'm not in trouble? ... Hell with your Saturday afternoon golf: your job's to keep me out of jail... Right, Sid. 'Bye."

He pushed the telephone away, yawned, stretched, felt his bruised temple, looked at his watch, and rolled and lighted a cigarette. He smoked sleepily until Effie Perine came in.

Effie Perine came in smiling (Эффи Пирайн вошла, улыбаясь), bright-eyed (со светящимися глазами) and rosy-faced (и розовым лицом). "Ted says it could be (Тед сказал, это может быть)," she reported (сообщила она), "and he hopes it is (и он надеется, что это так). He says he's not a specialist in that field (он сказал, что он не специалист в этой области), but the names and dates are all right (но имена и даты правильные), and at least (и, по крайней мере) none of your authorities (никто из твоих авторитетов) or their works (или их работ) are out-and-out fakes (не

является несомненными подделками). He's all excited over it (он совершенно взволнован этим)."

"That's swell (это прекрасно), as long as he doesn't get too enthusiastic (пока он не станет слишком воодушевленным) to see through it (чтобы распознать) if it's phoney (если это жульничество: «обман»)." "

"Oh, he wouldn't (он, он не будет) — not Ted (не Тед)! He's too good at his stuff (он слишком хороший в своем деле) for that (для этого)."

rosy ['rɒʒl] specialist ['speʃ(q)lɪst] authority [O:'Tɒrɪtl]

Effie Perine came in smiling, bright-eyed and rosy-faced. "Ted says it could be," she reported, "and he hopes it is. He says he's not a specialist in that field, but the names and dates are all right, and at least none of your authorities or their works are out-and-out fakes. He's all excited over it."

"That's swell, as long as he doesn't get too enthusiastic to see through it if it's phoney."

"Oh, he wouldn't — not Ted! He's too good at his stuff for that."

"Uh-huh (угу), the whole damned Perine family's wonderful (вся чертовская семья Пирайн прекрасна)," Spade said, "including you (включая тебя) and the smudge of soot (и пятно сажи) on your nose (на твоём носу)."

"He's not a Perine (он не Пирайн), he's a Christy (он Кристи)." She bent her head (она наклонила голову) to look at her nose (чтобы посмотреть на свой нос) in her vanity-case-mirror (в свое зеркальце в косметичке). "I must've got that (я, должно быть, получила его) from the fire (от пожара; *fire* — *огонь*)." She scrubbed the smudge (она потерла пятно) with the corner of a handkerchief (кончиком носового платка).

"The Perine-Christy enthusiasm (энтузиазм Пирайн-Кристи) ignite Berkeley (поджег Беркли)?" he asked.

smudge [smAdZ] vanity ['vʌnɪtl] mirror ['mɪrɔ]

"Uh-huh, the whole damned Perine family's wonderful," Spade said, "including you and the smudge of soot on your nose."

"He's not a Perine, he's a Christy." She bent her head to look at her nose in her vanity-case-mirror. "I must've got that from the fire." She scrubbed the smudge with the corner of a handkerchief.

"The Perine-Christy enthusiasm ignite Berkeley?" he asked.

She made a face at him (она сделала ему гримаску) while patting her nose (пока гладила по своему носу) with a powdered pink disc (напудренным розовым диском /пуховки/). "There was a boat on fire (там был корабль в огне) when I came back (когда я вернулась). They were towing it out (они буксировали его) from the pier (от причала) and the smoke blew (и дым разносило; *to blow (blew, blown) — дуть, веять, развеивать*) all over our ferry-boat (по всему нашему парому)."

Spade put his hands (Спейд положил свои руки) on the arms of his chair (на подлокотники своего кресла). "Were you near enough (ты была достаточно близко) to see the name of the boat (чтобы увидеть, название корабля)?" he asked (спросил он).

"Yes (да). La Paloma (Ла Палома). Why (а что такое)?"

Spade smiled ruefully (Спейд уныло улыбнулся). "I'm damned (будь я проклят) if I know why, sister (если я знаю, что такое, сестренка)," he said.

pier [pɪɹ] ruefully ['ru:fvlɪ] sister ['sɪstɹ]

She made a face at him while patting her nose with a powdered pink disc. "There was a boat on fire when I came back. They were towing it out from the pier and the smoke blew all over our ferry-boat."

Spade put his hands on the arms of his chair. "Were you near enough to see the name of the boat?" he asked.

"Yes. La Paloma. Why?"

Spade smiled ruefully. "I'm damned if I know why, sister," he said.

XV. Every Crackpot

(Каждый псих; *to crack* — давать трещину, трескаться, растрескиваться; раскалывать(ся); *pot* — горшок)

Spade and Detective-sergeant Polhaus ate pickled pigs' feet (Спейд и сержант Полхауз ели маринованные свиные ножки) at one of big John's tables (за одним из столов Большого Джона) at the States Hof Brau (в «Стэйтс Хоф Брау»).

Polhaus, balancing pale bright jelly (Полхауз, уравнивая белое прозрачное желе) on a fork (на вилке) half-way between plate and mouth (на полдороге между тарелкой и ртом), said: "Hey, listen, Sam (эй, послушай, Сэм)! Forget about the other night (забудь о той ночи). He was dead wrong (он был очень совершенно неправ; *dead* — мертвый, увядший), but you know (но ты знаешь) anybody's liable to lose their head (всякий склонен потерять свою голову; *liable* — обязанный, подверженный) if you ride them that way (если ты издеваешься над /ними/ таким образом; *to ride* — ехать верхом, направляться, зд. потешаться)."

pig [pɪg] balancing ['bælənsɪŋ] liable ['laɪəb(ə)l]

Spade and Detective-sergeant Polhaus ate pickled pigs' feet at one of big John's tables at the States Hof Brau.

Polhaus, balancing pale bright jelly on a fork half-way between plate and mouth, said: "Hey, listen, Sam! Forget about the other night. He was dead wrong, but you know anybody's liable to lose their head if you ride them that way."

Spade looked thoughtfully (Спейд задумчиво посмотрел) at the police-detective (на полицейского детектива; *thought* — *мысль*). "Was that what (это было то) you wanted to see me about (из-за чего ты хотел со мной встретиться)?" he asked.

Polhaus nodded (Полхауз кивнул), put the forkful of jelly (сунул полную вилку желе; *fork* — *вилка*) into his mouth (в свой рот), swallowed it (проглотил его), and qualified his nod (и уточнил свой кивок; *to qualify* — *готовиться к какой-либо деятельности, получать право*): "Mostly (по большей части)."

"Dundy send you (тебя послал Данди)?"

thoughtfully ['T0:tf(q)ll] forkful ['f0:kfVl] jelly ['dZell]

Spade looked thoughtfully at the police-detective. "Was that what you wanted to see me about?" he asked.

Polhaus nodded, put the forkful of jelly into his mouth, swallowed it, and qualified his nod: "Mostly."

"Dundy send you?"

Polhaus made a disgusted mouth (Полхауз скривил рот с отвращением; *disgust* — *отвращение*; *to disgust* — *внушать отвращение*). "You know he didn't (ты знаешь, это он не посылал). He's as bullheaded as you are (он такой же упрямый, как и ты; *bull* — *бык*)."

Spade smiled and shook his head (Спейд улыбнулся и покачал головой). "No, he's not, Tom (нет, он не такой, Том)," he said. "He just thinks he is (он просто так думает, что он такой)."

Tom scowled (Том нахмурился) and chopped at his pig's foot with a knife (и ударил по пороссячьей ножке ножом; *to chop* — рубить, крошить). "Ain't you ever going to grow up (ты собираешься когда-нибудь стать взрослым)?" he grumbled (проворчал он). "What've you got to beef about (на что ты можешь жаловаться)? He didn't hurt you (он не поранил тебя). You came out on top (ты вышел победителем; *top* — верхушка, верхняя часть). What's the sense (какой смысл) of making a grudge of it (таить за это злобу; *grudge* — недовольство, обида)? You're just making (ты просто доставляешь) a lot of grief for yourself (себе много бед; *grief* — горе, печаль)."

bull-headed ["bʌl'hedld] top [tɒp] grief [gri:f]

Polhaus made a disgusted mouth. "You know he didn't. He's as bullheaded as you are."

Spade smiled and shook his head. "No, he's not, Tom," he said. "He just thinks he is."

Tom scowled and chopped at his pig's foot with a knife. "Ain't you ever going to grow up?" he grumbled. "What've you got to beef about? He didn't hurt you. You came out on top. What's the sense of making a grudge of it? You're just making a lot of grief for yourself."

Spade placed his knife (Спейд положил свой нож) and fork carefully together on his plate (и вилку осторожно вместе на тарелку), and put his hands (и положил свои руки) on the table beside his plate (на стол рядом со своей тарелкой). His smile was faint (его улыбка была слабой) and devoid of warmth (и лишенной тепла). "With every bull in town (с каждым

полицейским в городе; *bull* — бык, /амер. сл./ полицейский) working overtime (работающим круглые сутки; *overtime* — сверхурочное время) trying to pile up grief for me (пытаясь нагрести кучу неприятностей для меня; *pile* — куча, груда) a little more (немного побольше) won't hurt (не повредит). I won't even know (я даже не буду знать) it's there (что это есть)."

Polhaus's ruddiness deepened (румянец Полхауза углубился; *ruddy* — румяный, покрытый румянцем). He said: "That's a swell thing (это прекрасная вещь) to say to me (чтобы говорить ее мне)."

Spade picked up his knife and fork (Спейд поднял свой нож и вилку) and began to eat (и начал есть). Polhaus ate (Полхауз ел).

plate [pleɪt] warmth [wɜːmθ] ruddiness ['rʌdɪnɪs]

Spade placed his knife and fork carefully together on his plate, and put his hands on the table beside his plate. His smile was faint and devoid of warmth. "With every bull in town working overtime trying to pile up grief for me a little more won't hurt. I won't even know it's there."

Polhaus's ruddiness deepened. He said: "That's a swell thing to say to me."

Spade picked up his knife and fork and began to eat. Polhaus ate.

Presently Spade asked (вскоре Спейд спросил): "See the boat on fire in the bay (видел пожар на корабле: «корабль в огне» в заливе)?"

"I saw the smoke (я видел дым). Be reasonable, Sam (будь разумным, Сэм). Dundy was wrong (Данди был неправ) and he knows it (и он знает это). Why don't you let it go at that (почему ты не хочешь остановиться: «отпустить» на этом)?"

"Think I ought to go around (считаешь, я должен прийти) and tell him (и сказать ему) I hope my chin (я надеюсь, мой подбородок) didn't hurt his fist (не причинил боли его кулаку)?"

Polhaus cut savagely (Полхаус свирепо отрезал) into his pig's foot (от своей свиной ножки).

Spade said: "Phil Archer been in (Фил Арчер приходил) with any more hot tips (с еще какой-нибудь новой информацией из первых рук; *hot* — горячий; *tip* — кончик; совет /ненавязчивый, как бы между делом/ намек, подсказка).

fire ['faɪə] bay [beɪ] tip [tɪp]

Presently Spade asked: "See the boat on fire in the bay?"

"I saw the smoke. Be reasonable. Sam. Dundy was wrong and he knows it. Why don't you let it go at that?"

"Think I ought to go around and tell him I hope my chin didn't hurt his fist?"

Polhaus cut savagely into his pig's foot.

Spade said: "Phil Archer been in with any more hot tips?"

"Aw, hell (о, черт)! Dundy didn't think (Данди не считал) you shot Miles (что ты застрелил Майлза), but what else could he do (но что еще он мог сделать) except run the lead down (кроме того, чтобы бежать по следу/следовать обстоятельствам: «вниз по отвесу»; *lead* — свинец; /мор./ лот)? You'd've done the same thing (ты бы сделал то же самое) in his place (на его месте), and you know it (и ты знаешь это)."

"Yes?" Malice glittered in Spade's eyes (злоба блеснула в глазах Спейда). "What made him think (что заставило его думать) I didn't do it (что не я делал этого)? What makes you think (что заставляет тебя думать) I didn't (что я не делал)? Or don't you (или ты так не думаешь)?"

lead [led] malice ['m x lls] glitter ['glItq]

"Aw, hell! Dundy didn't think you shot Miles, but what else could he do except run the lead down? You'd've done the same thing in his place, and you know it."

"Yes?" Malice glittered in Spade's eyes. "What made him think I didn't do it? What makes you think I didn't? Or don't you?"

Polhaus's ruddy face (красное лицо Полхауза) flushed again (покраснело снова). He said: "Thursby shot Miles (Терсби застрелил Майлза)."

"You think he did (ты думаешь, он)."

"He did (он). That Webley was his (тот «Уэбли» был его), and the slug in Miles (и пуля в Майлза) came out of it (вышла из него)."

"Sure (точно)?" Spade demanded (спросил Спейд).

ruddy ['rAdl] slug [slAg] came [kelm]

Polhaus's ruddy face flushed again. He said: "Thursby shot Miles."

"You think he did."

"He did. That Webley was his, and the slug in Miles came out of it."

"Sure?" Spade demanded.

"Dead sure (совершенно точно)," the police-detective replied (ответил полицейский детектив). "We got hold of a kid (мы взяли юнца) — a bellhop at Thursby's hotel (коридорный в отеле Терсби) — that had seen it in his room (который видел его /револьвер/ в его номере) just that morning (как раз в то утро). He noticed it particular (он заметил его в особенности) because he'd never saw (потому что он никогда не видел) one just like it

(такого, похожего на этот) before (прежде). I never saw one (я никогда не видел). You say (ты говоришь) they don't make them any more (они их больше не делают). It ain't likely (не похоже) there'd be another around and (что есть еще один и) — anyway (во всяком случае) — if that wasn't Thursby's (если это не был тот, который принадлежал Терсби) what happened to his (что случилось с его)? And that's the gun (и это пистолет) the slug in Miles (пуля в Майлза) come out of (вышла из которого)." He started to put a piece of bread (он начал совать кусок хлеба) into his mouth (в свой рот), withdrew it (вытащил его обратно), and asked (и спросил): "You say you've seen them before (ты говоришь, ты видел их раньше): where was that at (где это было)?" He put the bread into his mouth (он положил хлеб в свой рот).

bellhop ['belhOp] saw [s0:] before [bl'f0:]

"Dead sure," the police-detective replied. "We got hold of a kid — a bellhop at Thursby's hotel — that had seen it in his room just that morning. He noticed it particular because he'd never saw one just like it before. I never saw one. You say they don't make them any more. It ain't likely there'd be another around and — anyway — if that wasn't Thursby's what happened to his? And that's the gun the slug in Miles come out of." He started to put a piece of bread into his mouth, withdrew it, and asked: "You say you've seen them before: where was that at?" He put the bread into his mouth.

"In England before the war (в Англии, до войны)."

"Sure, there you are (конечно, вот как дело обстоит/вот именно)."

Spade nodded and said (Спейд кивнул и сказал): "Then that leaves Thursby the only one (тогда Терсби остается единственным) I killed (кого я убил)."

Polhaus squirmed in his chair (Полхауз поерзал на своем стуле) and his face was red and shiny (и его лицо было красным и блестящим). "Christ's sake (ради Христа), ain't you never going to forget that (ты никогда не собираешься забыть об этом)?" he complained earnestly (пожаловался он всерьез). "That's out (с этим покончено). You know it as well as I do (ты знаешь это так же хорошо, как и я). You'd think you wasn't a dick yourself (ты, можно подумать, никогда сам не был детективом; *dick* — *парень, малый; сыщик*) the way you bellyache over things (так ты жалуешься на вещи; *to bellyache* — *ныть, скулить, bellyache* — *боль в животе, жалоба*). I suppose (я полагаю) you don't never pull the same stuff (ты никогда не дурачил такой же ерундой; *stuff* — *материал, вещество*) on anybody (никого) that we pulled on you (которой мы дурачили тебя; *to pull* — *тянуть, дергать*)?"

war [wO:] belly-ache ['belleɪk] stuff [stAf]

"In England before the war."

"Sure, there you are."

Spade nodded and said: "Then that leaves Thursby the only one I killed."

Polhaus squirmed in his chair and his face was red and shiny. "Christ's sake, ain't you never going to forget that?" he complained earnestly. "That's out. You know it as well as I do. You'd think you wasn't a dick yourself the way you bellyache over things. I suppose you don't never pull the same stuff on anybody that we pulled on you?"

"You mean (ты считаешь) that you tried to pull on me, Tom (что вы пытались дурачить меня, Том) — just tried (только пытались)."

Polhaus swore (Полхауз выругался; *to swear* — *клясться; ругаться*) under his breath (тихо; *breath* — *дыхание, вздох*) and attacked (и атаковал) the remainder of his pig's foot (остаток своей свиной ножки).

Spade said: "All right (хорошо). You know (ты знаешь) it's out (что это все) and I know it's out (и я знаю, что это все). What does Dundy know (что знает Данди)?"

"He knows it's out (он знает, что это закончилось)."

"What woke him up (что это его заставило осознать; *to wake* (*woke, woken*) *up* — *просыпаться, пробуждаться*)?"

"You mean that you tried to pull on me, Tom — just tried."

Polhaus swore under his breath and attacked the remainder of his pig's foot.

Spade said: "All right. You know it's out and I know it's out. What does Dundy know?"

"He knows it's out."

"What woke him up?"

"Aw, Sam, he never really thought you'd (о, Сэм, он никогда, на самом деле, не думал, что ты бы)" Spade's smile checked Polhaus (улыбка Спейда остановила Полхауза). He left the sentence incomplete and said (он оставил предложение незаконченным и сказал): "We dug up a record on Thursby (мы раскопали данные на Терсби; *record* — *запись, регистрация*)."

"Yes? Who was he (кем он был)?"

Polhaus's shrewd small brown eyes (проницательные маленькие карие глаза Полхауза) studied Spade's face (изучали лицо Спейда). Spade exclaimed irritably (Спейд раздраженно воскликнул): "I wish to God (я

желал бы искренне) I knew half as much about this business (я знал бы хотя бы половину об этом деле) as you smart guys think I do (как вы, крутые парни, считаете, что я знаю; *smart* — *быстрый, проворный, толковый*)!"

Polhaus's shrewd small brown eyes studied Spade's face. Spade exclaimed irritably: "I wish to God I knew half as much about this business as you smart guys think I do!"

"I wish we all did (я хочу, чтобы мы все знали)," Polhaus grumbled (проворчал Полхауз). "Well, he was a St. Louis gunman (ну, он был /вооруженным/ бандитом из Сент-Луиса) the first we hear of him (это первое, что мы слышали о нем). He was picked up (он был арестован; *to pick up* — *поднимать, подбирать*) a lot of times back there (много раз там) for this and that (за то и это), but he belonged to the Egan mob (но он принадлежал к банде Игэна), so nothing much was ever done (и поэтому ничего особенного и никогда не было сделано) about any of it (по поводу ни одного из них /арестов/). I don't know how come he left that shelter (я не знаю, как получилось, что он покинул это убежище; *how come* — *каким же образом*), but they got him once in New York (но его взяли однажды в Нью-Йорке) for knocking over a row of stash-games (за то что ограбил ряд притонов; *game* — *игра, в т.ч. азартная*)— his twist turned him up (его обман раскрылся; *twist* — *кручение, изгиб*) — and he was in a year (и он просидел в тюрьме один год; *to be in* — *зд. быть в тюрьме*)

I don't know (я не знаю) if Dixie had any part in that (была ли у Дикси какая-нибудь доля в этом /клубе/). Anyways, this is the first time him or Thursby's been seen since."

"Dixie's been seen (Дикси видели)?" Spade asked.

Polhaus shook his head (Полхауз покачал своей головой). "No." His small eyes (его маленькие глаза) became sharp, prying (стали резкими, пытливыми). "Not unless you've seen him (нет, если ты не видел его) or know somebody's seen him (или знаешь кого-то, кто видел его)."

Spade lounged back in his chair (Спейд откинулся на своем стуле) and began to make a cigarette (и начал делать сигарету). "I haven't (я нет)," he

said mildly (сказал он спокойно). "This is all new stuff to me (это все ново: «новый материал, новые вещи» для меня)."

"I guess it is (я думаю, да)," Polhaus snorted (фыркнул Полхауз).

"Dixie's been seen?" Spade asked.

Polhaus shook his head. "No." His small eyes became sharp, prying. "Not unless you've seen him or know somebody's seen him."

Spade lounged back in his chair and began to make a cigarette. "I haven't," he said mildly. "This is all new stuff to me."

"I guess it is," Polhaus snorted.

Spade grinned at him and asked (Спейд ухмыльнулся ему и спросил): "Where'd you pick up (где ты добыл) all this news about Thurshy (все эти новости о Терсби)?"

"Some of it's on the records (некоторые из них в официальных досье). The rest (остальное) — well (ну) — we got it here and there (мы получили их здесь и там)."

"From Cairo, for instance (от Кейро, например)?" Now Spade's eyes (теперь уже глаза Спейда) held the prying gleam (приобрели: «содержали» испытующий блеск; *to pry* — *вглядываться, всматриваться; pry* — *любопытство*).

Polhaus put down his coffee-cup (Полхауз поставил свою чашку кофе) and shook his head (и покачал своей головой). "Not a word of it (ни слова об этом). You poisoned that guy for us (ты испортил этого парня для нас; *to poison* — *отравлять, заражать*)."

"Some of it's on the records. The rest — well — we got it here and there."

"From Cairo, for instance?" Now Spade's eyes held the prying gleam.

Polhaus put down his coffee-cup and shook his head. "Not a word of it. You poisoned that guy for us."

Spade laughed (Спейд засмеялся). "You mean a couple of high-class sleuths (ты имеешь в виду, пара ищеек высокого класса) like you and Dundy (как ты и Данди) worked on that lily-of-the-valley all night (работали над этим ландышем всю ночь) and couldn't crack him (и не смогли расколоть его)?"

"What do you mean (что ты имеешь в виду) — all night (всю ночь)?" Polhaus protested (Полхауз запротестовал). "We worked on him (мы работали над ним) for less than a couple of hours (меньше пары часов). We saw (мы видели) we wasn't getting nowhere (что мы ничего не добьемся: «никуда не придем»), and let him go (и отпустили его)."

Spade laughed again (Спейд засмеялся снова) and looked at his watch (и посмотрел на свои часы). He caught John's eye (он уловил взгляд Джона) and asked for the check (и попросил чек). "I've got a date (у меня свидание) with the D. A. (с окружным прокурором; *D. A. = District Attorney*) this afternoon (сегодня вечером)," he told Polhaus (сказал он Полхаузу) while they waited for his change (пока они ждали его сдачи).

sleuth [slu:T] valley ['væli] nowhere ['nɒVweɪ]

Spade laughed. "You mean a couple of high-class sleuths like you and Dundy worked on that lily-of-the-valley all night and couldn't crack him?"

"What do you mean — all night?" Polhaus protested. "We worked on him for less than a couple of hours. We saw we wasn't getting nowhere, and let him go."

Spade laughed again and looked at his watch. He caught John's eye and asked for the check. "I've got a date with the D. A. this afternoon," he told Polhaus while they waited for his change.

"He sent for you (он послал за тобой)?"

"Yes."

Polhaus pushed his chair back (Полхауз подвинул свой стул назад) and stood up (и встал), a barrel-bellied tall man (высокий, с толстым: «бочкообразным» животом мужчина), solid and phlegmatic (солидный и флегматичный). "You won't be doing me any favor (ты не окажешь мне никакой любезности)," he said, "by telling him (рассказывая ему) I've talked to you like this (о том, что я с тобой так разговаривал)."

A lathy youth (долговязый парень; *lath* — планка, рейка; *lathy* — похожий на жердь, долговязый; худой) with salient ears (с оттопыренными ушами; *salient* — выдающийся, выступающий) ushered Spade into the District Attorney's office (проводил Спейда в кабинет окружного прокурора). Spade went in smiling easily (Спейд вошел, легко

= беспечно улыбаясь), saying easily (легко = по-свойски, просто говоря):
"Hello, Bryan (привет, Брайан)!"

District Attorney Bryan (окружной прокурор Брайан) stood up and held his hand out across his desk (встал и протянул свою руку через свой стол). He was a blond man (он был блондином) of medium stature (среднего телосложения), perhaps forty-five years old (вероятно, сорока пяти лет), with aggressive blue eyes (с агрессивными голубыми глазами) behind black-ribboned nose-glasses (за очками с черными дужками /на носу/; *ribbon* — лента, тесьма, узкая полоска), the over-large mouth of an orator (с огромным: «сверх-широким/крупным» ртом оратора), and a wide dimpled chin (и широким подбородком с ямочкой). When he said (когда он сказал), "How do you do, Spade (как дела, Спейд)?" his voice was resonant (его голос был звучащим: «резонировал») with latent power (скрытой силой).

A lathy youth with salient ears ushered Spade into the District Attorney's office. Spade went in smiling easily, saying easily: "Hello, Bryan!"

District Attorney Bryan stood up and held his hand out across his desk. He was a blond man of medium stature, perhaps forty-five years old, with aggressive blue eyes behind black-ribboned nose-glasses, the over-large mouth of an orator, and a wide dimpled chin. When he said, "How do you do, Spade?" his voice was resonant with latent power.

They shook hands and sat down (они пожали руки и сели).

The District Attorney (окружной прокурор) put his finger on one of the pearl buttons (положил свой палец на одну из жемчужных кнопок) in a battery of four on his desk (в комплекте из четырех кнопок на своем

столе; *battery* — батарея, аккумулятор, группа одинаковых предметов), said to the lathy youth (сказал долговязому парню) who opened the door again (который открыл дверь снова), "Ask Mr. Thomas and Healy to come in (попроси мистера Томаса и Хили войти)," and then (а потом), rocking back in his chair (откинувшись в своем кресле), addressed Spade pleasantly (добродушно обратился к Спейду): "You and the police (ты и полиция) haven't been hitting it off so well, have you (не в хороших отношениях, не так ли; *to hit off* — зд. гармонировать, соответствовать)?"

pearl [pɜ:l] battery ['bæt(ə)rɪ] ask [ɑ:sk]

They shook hands and sat down.

The District Attorney put his finger on one of the pearl buttons in a battery of four on his desk, said to the lathy youth who opened the door again, "Ask Mr. Thomas and Healy to come in," and then, rocking back in his chair, addressed Spade pleasantly: "You and the police haven't been hitting it off so well, have you?"

Spade made a negligent gesture (Спейд сделал небрежное движение) with the fingers of his right hand (пальцами своей правой руки). "Nothing serious (ничего серьезного)," he said lightly (сказал он легко). "Dundy gets too enthusiastic (Данди стал слишком восторженным: «полным энтузиазма»)."

The door opened (дверь открылась) to admit two men (чтобы впустить двух мужчин). The one to whom Spade said (один, которому Спейд сказал), "Hello, Thomas (привет, Томас)!" was a sunburned stocky man (был загорелым коренастым мужчиной) of thirty (тридцати лет) in clothing and hair of a kindred unruliness (в одежде и причёске одинаково неуправляемых; *kindred* — родственный, однородный; *unruly* — непослушный, несдержанный; буйный, непокорный; *to rule* — править;

управлять). He clapped Spade on the shoulder (он похлопал Спейда по плечу) with a freckled hand (веснушчатой рукой; *freckle* — веснушка), asked (спросил), "How's tricks (как дела; *trick* — хитрость, фокус)?" and sat down beside him (и сел рядом с ним). The second man was younger (второй мужчина был моложе) and colorless (и совсем бесцветный). He took a seat a little apart from the others (он сел немного поодаль от всех остальных) and balanced a stenographer's notebook (и уравновесил блокнот стенографиста) on his knee (на своих коленях), holding a green pencil over it (держа зеленый карандаш над ним).

He took a seat a little apart from the others and balanced a stenographer's notebook on his knee, holding a green pencil over it.

Spade glanced his way (Спйэд взглянул по-своему), chuckled (хихикнул), and asked Bryan (и спросил Брайана): "Anything I say (все, что я скажу) will be used against me (будет использовано против меня)?"

The District Attorney smiled (окружной прокурор улыбнулся). "That always holds good (это всегда остается в силе; *to hold good* — иметь силу)." He took his glasses off (он снял свои очки), looked at them (посмотрел на них), and set them on his nose again (и снова усадил их на

свой нос). He looked through them at Spade (он посмотрел сквозь них на Спейда) and asked (и спросил): "Who killed Thursby (кто убил Терсби)?"

Spade said: "I don't know (я не знаю)."

The District Attorney smiled. "That always holds good." He took his glasses off, looked at them, and set them on his nose again. He looked through them at Spade and asked: "Who killed Thursby?"

Spade said: "I don't know."

Bryan rubbed his black eyeglass-ribbon (Брайан потер свою черную дужку очков) between thumb and fingers (между большим пальцем и пальцами) and said knowingly (и со знанием дела сказал): "Perhaps you don't (возможно, ты не знаешь), but you certainly could make (но ты точно можешь сделать) an excellent guess (отличное предположение)."

"Maybe, but I wouldn't (может быть, но я не буду)."

The District Attorney raised his eyebrows (окружной прокурор поднял свои брови).

"I wouldn't (я не буду)," Spade repeated (повторил Спейд). He was serene (он был невозмутим). "My guess might be excellent (мое предположение может быть отличным), or it might be crummy (или оно может быть жалким), but Mrs. Spade didn't raise any children (но миссис Спейд не растила детей) dippy enough (достаточно рехнувшихся) to make guesses (чтобы делать предположения) in front of a district attorney (перед окружным прокурором), an assistant district attorney (помощником окружного прокурора), and a stenographer (и стенографистом)."

Bryan rubbed his black eyeglass-ribbon between thumb and fingers and said knowingly: "Perhaps you don't, but you certainly could make an excellent guess."

"Maybe, but I wouldn't."

The District Attorney raised his eyebrows.

"I wouldn't," Spade repeated. He was serene. "My guess might be excellent, or it might be crummy, but Mrs. Spade didn't raise any children dippy enough to make guesses in front of a district attorney, an assistant district attorney, and a stenographer."

"Why shouldn't you (почему ты не должен), if you've nothing to conceal (если ты ничего не утаиваешь)?"

"Everybody (каждый)," Spade responded mildly (мягко ответил Спейд), "has something to conceal (что-то утаивает)."

"And you have (и ты) —?"

"My guesses (мои предположения), for one thing (хотя бы для примера)."

The District Attorney looked down (окружной прокурор посмотрел вниз) at his desk (на свой стол) and then up at Spade (а потом наверх, на Спейда). He settled his glasses (он устроил свои очки) more firmly (более прочно) on his nose (на своем носу). He said: "If you'd prefer (если ты предпочитаешь) not having the stenographer here (не иметь здесь стенографиста) we can dismiss him (мы можем отпустить его). It was simply as a matter of convenience (это было просто для удобства; *matter* — *вещество, материал, дело*) that I brought him in (что я привел его сюда)."

"Why shouldn't you, if you've nothing to conceal?"

"Everybody," Spade responded mildly, "has something to conceal."

"And you have — ?"

"My guesses, for one thing."

The District Attorney looked down at his desk and then up at Spade. He settled his glasses more firmly on his nose. He said: "If you'd prefer not having the stenographer here we can dismiss him. It was simply as a matter of convenience that I brought him in."

"I don't mind him a damned bit (я совершенно не против него; *a bit* — немного, чуть-чуть)," Spade replied (ответил Спейд). "I'm willing to have anything (я хочу, чтобы все) I say (что я скажу) put down (было записано) and I'm willing to sign it (и я хочу подписать это)."

"We don't intend (мы не собираемся) asking you (просить тебя) to sign anything (подписывать что-либо)," Bryan assured him (уверил его Брайан), "I wish (я хочу) you wouldn't regard this (чтобы ты не рассматривал это) as a formal inquiry (как формальное расследование) at all (вовсе). And please don't think (и, пожалуйста, не думай) I've any belief (что у меня есть какая-либо вера) — much less confidence (не говоря уж об уверенности) — in those theories (в отношении в тех теорий) the police seem to have formed (которые, кажется, выработала полиция)."

"No?"

"Not a particle (ни капельки; *particle* — *частица, крупица*)."

Spade sighed and crossed his legs (Спейд вздохнул и скрестил ноги). "I'm glad of that (я рад этому)." He felt in his pockets (он пощупал свои карманы) for tobacco and papers (в поисках табака и бумаги). "What's your theory (какова твоя теория)?"

Bryan leaned forward (Брайан наклонился вперед) in his chair (в своем кресле) and his eyes were hard and shiny (и его глаза были твердыми и блестящим) as the lenses over them (как линзы над ними). Bryan leaned forward in his chair and his eyes were hard and shiny as the lenses over them. "Tell me who Archer was shadowing Thursby for and I'll tell you who killed Thursby."

Spade's laugh (смех Спейда) was brief and scornful (был коротким и презрительным/насмешливым). "You're as wrong as Dundy (ты ошибаешься, как Данди)," he said.

"Don't misunderstand me, Spade (не пойми меня неправильно, Спейд)," Bryan said (сказал Брайан), knocking on the desk (стуча по столу) with his knuckles (костяшками пальцев). "I don't say (я не говорю) your client

Spade lighted his cigarette (Спейд зажег свою сигарету), removed it from his lips (достал ее со своих губ), emptied his lungs of smoke (освободил свои легкие от дыма), and spoke as if puzzled (и сказал, словно озадаченный): "I don't exactly get that (я не совсем понял это)."

"You don't (нет)? Then suppose I put it this way (тогда, предположим, я скажу это таким образом): where is Dixie Monahan (где Дикси Монэхэн)?"

Spade's face retained its puzzled look (лицо Спейда сохранило озадаченный вид). "Putting it that way (сказать таким образом) doesn't help much (не очень-то поможет)," he said. "I still don't get it (я все еще не понимаю)."

Spade's face retained its puzzled look. "Putting it that way doesn't help much," he said. "I still don't get it."

The District Attorney took his glasses off (окружной прокурор снял свои очки) and shook them for emphasis (и потряс ими для выразительности; *emphasis* — *подчеркивание, ударение*). He said: "We know Thursby was Monahan's bodyguard (мы знаем, что Терсби был телохранителем Монэхэна) and went with him (и отправился с ним) when Monahan found it wise (когда Монэхэн посчитал это мудрым) to vanish from Chicago (исчезнуть из Чикаго). We know Monahan welshed on (мы знаем, что Монэхэн не заплатил кому-то; *to welsh* — *скрыться, не уплатив*) something like two-hundred-thousand-dollars' worth of bets (приблизительно на двести тысяч долларов пари) when he vanished (когда он исчез). We don't know (мы не знаем) — not yet (пока нет) — who his creditors were (кто были его кредиторы)." He put the glasses on again (он надел очки снова) and smiled grimly (и мрачно улыбнулся). "But we all know (но мы все знаем) what's likely to happen to a gambler (что, вероятнее всего, могло случиться с игроком) who welshes (который не отдает долги), and to his bodyguard (и с его телохранителем), when his creditors find him (когда кредиторы находят его). It's happened before (это случалось раньше)."

Spade ran his tongue over his lips (Спейд пробежал своим языком по своим губам) and pulled his lips back (и оттянул свои губы назад) over his teeth (открывая зубы: «над своими зубами») in an ugly grin (в уродливой усмешке). His eyes glittered (его глаза блестели) under pulled-down brows (под опущенными бровями). His reddening neck bulged (его краснеющая шея набухла) over the rim of his collar (над краем его воротника). His voice was low and hoarse and passionate (его голос был тихим и хриплым, и страстным). "Well, what do you think (ну, что вы думаете)? Did I kill him for his creditors (я убил его для его кредиторов)? Or just find him (или просто нашел его) and let them do their own killing (и позволил им самим убить его)?"

"No, no!" the District Attorney protested (окружной прокурор запротестовал). "You misunderstand me (ты неправильно понял меня)."

"I hope to Christ I do (искренне надеюсь /на Бога/, что так и есть)," Spade said.

"He didn't mean that (он не это имел в виду)," Thomas said.

"Then what did he mean (тогда что он имел в виду)?"

Bryan waved a hand (Брайан махнул рукой). "I only mean (я только имел в виду) that you might have been involved in it (что ты мог быть вовлечен в это) without knowing what it was (не зная, что это было). That could (это могло бы) — "

Bryan and Thomas exchanged glances (Брайан и Томас обменялись взглядами). Bryan's eyes came back to Spade (глаза Брайана вернулись назад к Спейду) and he said: "But, by your own admission (но, по твоему собственному признанию), somebody did hire you (кто-то все-таки нанимал тебя) to do something about his bodyguard Thursby (сделать что-то по поводу его телохранителя Терсби)."

"You know (ты знаешь) that Thursby was no longer associated with Monahan (что Терсби больше не был связан с Монэхэном)? You know that positively (ты знаешь это определенно; *positively* — *безусловно, категорически, положительно*)?"

Spade stretched out his hand (Спейд протянул свою руку) and dropped the stub of his cigarette (и уронил окурочок от своей сигареты) into an ashtray on the desk (в пепельницу на столе). He spoke carelessly (он небрежно сказал): "I don't know anything positively (я ничего не знаю точно) except that my client (за исключением того, что мой клиент) wasn't interested in Monahan (не интересовался Монэхэном), had never been interested in Monahan (и никогда не был заинтересован в Монэхэне). Again the District Attorney (снова окружной прокурор) and his assistant (и его помощник) exchanged glances (обменялись взглядами).

Thomas, in a tone (Томас, тоном) whose matter-of-factness (чья конкретность) did not quite hide excitement (не совсем скрывала волнение), said: "That opens another angle (это открывает другой аспект дела; *angle* — угол; точка зрения). Bryan smacked the back of his left hand down (Брайан хлопнул тыльной стороной своей левой руки) into the palm of his right (по ладони правой). XVI. The Third Murder

(Третье убийство)

Spade went into the Hotel Sutter (Спейд зашел в отель «Саттер») and telephoned the Alexandria (и позвонил в «Александрию»). Gutman was not in (Гутмана не было). No member of Gutman's party was in (никого из компании Гутмана не было). Spade telephoned the Belvedere (Спейд позвонил в «Бельведер»). Cairo was not in (Кейро не было), had not been in that day (/вообще/ не было в тот день).

Spade went to his office (Спейд отправился в свой офис).

Spade went to his office.

A swart greasy man (смуглый, засаленный мужчина) in notable clothes (в примечательной одежде; *notable* — замечательный, выдающийся) was waiting in the outer room (ждал во внешней комнате). Effie Perine, indicating the swart man (Эффи Пирайн, указывая на смуглого мужчину), said: "This gentleman wishes to see you, Mr. Spade (этот джентльмен хочет видеть Вас, мистер Спейд)."

Spade smiled and bowed (Спейд улыбнулся и поклонился) and opened the inner door (и открыл внутреннюю дверь). "Come in (входите)." Before following the man in (прежде чем последовать за мужчиной) Spade asked Effie Perine (Спейд спросил Эффи Пирайн): "Any news on that other matter (какие-нибудь новости о том, другом деле)?"

Spade smiled and bowed and opened the inner door. "Come in." Before following the man in Spade asked Effie Perine: "Any news on that other matter?"

"No, sir."

The swart man (смуглый человек) was the proprietor of a moving-picture-theater (был владельцем передвижного кинотеатра) in Market

Street (на Маркет-стрит). He suspected one of his cashiers (он подозревал одного из своих кассиров) and a doorman (и привратника) of colluding (в сговоре) to defraud him (чтобы обмануть его). Spade hurried him through the story (Спейд торопил его в течение истории), promised to "take care of it" (пообещал «позаботиться об этом»), asked for (попросил) and received fifty dollars (и получил пятьдесят долларов), and got rid of him (и избавился от него) in less than half an hour (за менее, чем полчаса).

When the corridor-door (когда дверь коридора) had closed behind the showman (закрылась за хозяином кинотеатра) Effie Perine came into the inner office (Эффи Пирайн вошла во внутренний офис). Her sunburned face (ее загорелое лицо) was worried and questioning (было обеспокоенным и вопросительным). "You haven't found her yet (ты еще не нашел ее)?" she asked.

He shook his head (он покачал своей головой) and went on stroking his bruised temple lightly (и продолжил легко поглаживать свой поврежденный висок; *bruise* — ушиб, синяк, кровоподтек) in circles (кругами) with his fingertips (своими кончиками пальцев).

"All right (все хорошо), but I've got plenty of headache (но у меня очень болит голова; *plenty* — изобилие, множество)."

She went around behind him (она обошла его вокруг за его спиной), put his hand down (опустила его руку), and stroked his temple (и стала поглаживать его висок) with her slender fingers (своими тонкими пальцами). He leaned back (он откинулся назад) until the back of his head (пока задняя часть его головы) over the chair-top (над верхушкой кресла) rested against her breast (не улеглась у ее груди). She bent her head forward (она нагнула свою голову вперед) over his (над его /головой/) and looked down into his face (и посмотрела вниз в его лицо). "You've got to find her, Sam (ты должен найти ее, Сэм). It's more than a day and she (/прошел/ больше чем один день, и она)— "

"All right, but I've got plenty of headache."

She went around behind him, put his hand down, and stroked his temple with her slender fingers. He leaned back until the back of his head over the chair-top rested against her breast. He said: "You're an angel."

She bent her head forward over his and looked down into his face. "You've got to find her, Sam. It's more than a day and she — "

He stirred (он пошевелился) and impatiently interrupted her (и нетерпеливо прервал ее): "I haven't got to do anything (я не должен делать ничего), but if you'll let me rest (но если ты дашь мне отдохнуть) this damned head (от этой проклятой головной боли) a minute or two (минуту или две) I'll go out and find her (я выйду и найду ее)."

She murmured (она прошептала), "Poor head (бедная голова)," and stroked it in silence awhile (гладила ее в тишине некоторое время). Then she asked (потом она спросила): "You know where she is (ты знаешь, где она)? Have you any idea (у тебя есть хоть какое-то представление)?"

The telephone-bell rang (зазвенел телефонный звонок). Spade picked up the telephone (Спейд поднял трубку) and said (и сказал): "Hello (алло)... Effie Perine came from behind him (Эффи Пирайн вышла из-за его спины) and stood at his side (и стала рядом с ним). She demanded (она спросила): "Do you think you know (ты думаешь, ты знаешь) where she is, Sam (где она, Сэм)?"

"I know where she went (я знаю, куда она пошла)," he replied in a grudging tone (ответил он с недовольством в голосе).

"Where?" She was excited (она была возбуждена).

"Down to the boat (к тому самому кораблю) you saw burning (который ты видела горящим)."

Her eyes opened (ее глаза открылись) until their brown (пока их карие зрачки) was surrounded by white (не были окружены белками). "You went down there (ты ходил туда)." It was not a question (это был не вопрос).

Am I supposed to run around after my clients (что, считается, что я должен бегать за моими клиентами) begging them to let me help them (умоляя их позволить мне помочь им)?"

"But, Sam (но, Сэм), when I told you (когда я сказала тебе) the boat was on fire (корабль был в огне)!"

She glared at him (она пристально смотрела на него) between tightened lids (между прищуренных: «сжатых» век). "Sam Spade," she said, "you're the most contemptible man (ты — самый презренный человек) God ever made (которого когда-либо создавал Бог) when you want to be (когда ты хочешь таким быть). Spade's face flushed (лицо Спейда покраснело). He said stubbornly (он упрямо сказал): "She's pretty capable (она вполне в состоянии) of taking care of herself (позаботиться о себе) and she knows where to come for help (и она знает, куда идти за помощью) when she thinks she needs it (если она считает, что она ей нужна), and when it suits her (и если ей это подходит)."

His tone brought a brief uneasy glint (его тон привнес быстрый беспокойный блеск) into her hot eyes (в ее горячие глаза), but she tossed her head (но она дернула головой) and the glint vanished (и блеск исчез). Her mouth was drawn taut and small (ее рот был плотно сжат и маленький; *taut* — *тугой, напряженный*). She said: "If you don't go down there (если ты пойдешь туда) this very minute, Sam (прямо сию минуту, Сэм), I will (пойду я) and I'll take the police down there (и я возьму туда полицию)." Her voice trembled (ее голос задрожал), broke (сорвался), and was thin and wailing (и был тонким и причитающим). "Oh, Sam, go (о, Сэм, иди)!"

He stood up cursing her (он встал, проклиная ее; *to curse* — *сквернословить; ругаться; проклинать*). Then he said (потом он сказал): "Christ (Боже)! She said: "I won't (я не пойду). I'm going to wait right here (я собираюсь ждать прямо здесь) till you come back (пока ты не вернешься)."

An hour and a half later (через полтора часа; *half* — *половина*), at twenty minutes past five (в двадцать минут шестого), Spade returned (Спейд вернулся). He was cheerful (он был радостный). He came in asking (он вошел, спрашивая): "What makes you so hard (что делает тебя такой трудной) to get along with, sweetheart (в обращении, дорогая; *to go along* — *зд. ладить, поддерживать кого-либо*)?"

"Me (меня)?"

"Yes, you." "Luke (Люк) — what's his name (как его зовут)? — at the Belvedere (в «Бельведере») called up to tell you (звонил, чтобы сказать тебе) Cairo has returned (что Кейро вернулся). That was about half an hour ago (это было около получаса назад)."

Spade snapped his mouth shut (Спейд быстро захлопнул рот; *to snap* — щелкать, захлопывать; *shut* — закрытый, запертый), turned with a long step (повернулся длинным шагом), and started for the door (и начал двигаться к двери).

"Did you find her (ты ее нашел)?" the girl called (позвала девушка).

"Tell you about it (расскажу тебе об этом) when I'm back (когда вернусь)," he replied without pausing (ответил он не останавливаясь) and hurried out (и поспешил выйти: «наружу»).

A taxicab brought Spade to the Belvedere (такси привезло Спейда к «Бельведеру») within ten minutes (в течение десяти минут) of his departure (после его отбытия) from his office (из своего офиса). He found Luke in the lobby (он нашел Люка в вестибюле). The hotel-detective came grinning (гостиничный детектив шел, усмехаясь) and shaking his head (и качая головой) to meet Spade (чтобы встретить Спейда). Spade cursed his luck (Спейд проклял свою судьбу).

"Checked out (съехал) — gone bag and baggage (уехал со всеми пожитками; *bag* — сумка, мешок, *baggage* — багаж)," Luke said. They went up to Cairo's room (они поднялись в номер Кейро). The trunk was there (его чемодан был там). It was closed (он был закрыт), but not locked (но не заперт). Effie Perine, frightened (Эффи Пирайн, испуганная), stepped out of the man's way (отступила с пути мужчины).

He stood in the doorway (он стоял в дверном проеме) with his soft hat (со своей мягкой шляпой) crushed between his head and the top of the door-frame (зажатой между его головой и верхушкой дверной рамы; *to crush* — *давить, мять*): he was nearly seven feet tall (он был около семи футов роста; *foot* — *мера длины, равная 30,48 см*). A black overcoat (черное пальто) cut long and straight (скроенное длинно и прямо) and like a sheath, buttoned from throat to knees (и подобно футляру, застегнутое от горла до колен), exaggerated his leanness (чрезмерно подчеркивало его худобу; *to exaggerate* — *преувеличивать*). His shoulders stuck out (его плечи торчали), high, thin, angular (высокие, узкие, угловатые). His bony face (его худое лицо) — weather-coarsened (огрубевшее от погоды), age-lined (морщинистое от возраста) — was the color of wet sand (было цвета мокрого песка) and was wet with sweat (и было мокрым от пота) on cheeks and chin (на щеках и подбородке).

doorway ['d0:weɪ] nearly ['nɪlqɪl] coarsen ['k0:s(q)n]

Effie Perine, frightened, stepped out of the man's way.

He stood in the doorway with his soft hat crushed between his head and the top of the door-frame: he was nearly seven feet tall. A black overcoat cut long and straight and like a sheath, buttoned from throat to knees, exaggerated his leanness. His shoulders stuck out, high, thin, angular. His bony face — weather-coarsened, age-lined — was the color of wet sand and was wet with sweat on cheeks and chin.

His eyes were dark (его глаза были темными) and bloodshot (и налитыми кровью) and mad above lower lids (и сумасшедшими над нижними веками) that hung down (которые висели) to show' pink inner membrane (показывая розовые внутренние оболочки /глаза/). Held tight (прижимаемый плотно) against the left side of his chest (к левой стороне его груди) by a black-sleeved arm (рукой в черном рукаве) that ended in a yellowish claw (которая заканчивалась желтоватой ручищей; *claw* — коготь, клешня, лапа) was a brown-paper-wrapped parcel (был сверток, завернутый в коричневую бумагу) bound with thin rope (перевязанный тонкой веревкой) — an ellipsoid (что-то овальное: «эллипсоид») somewhat larger (немного больше) than an American football (чем мяч для американского футбола).

membrane ['membreɪn] parcel ['pQ:s(q)l] rope [rQVp]

His eyes were dark and bloodshot and mad above lower lids that hung down to show' pink inner membrane. Held tight against the left side of his chest by a black-sleeved arm that ended in a yellowish claw was a brown-paper-wrapped parcel bound with thin rope — an ellipsoid somewhat larger than an American football.

The tall man (высокий человек) stood in the doorway (стоял в дверном проеме) and there was nothing to show (и не было ничего, указывающего на то) that he saw Spade (что он видел Спейда). He said, "You know (вы знаете) — " and then the liquid bubbling (а потом жидкое бульканье) came up in his throat (поднялось в его горле) and submerged whatever else he said (и затопило все, что он еще сказал). He put his other hand (он положил свою другую руку) over the hand (на ту руку) that held the ellipsoid (которая держала овал). Holding himself stiffly straight (держа себя чопорно прямо), not putting his hands out (не вытягивая своих рук) to

break his fall (чтобы прервать падение), he fell forward (он упал вперед) as a tree falls (как падает дерево).

liquid ['lɪkwɪd] bubble ['bʌb(q)l] submerged [sqb'mq:dʒd]

The tall man stood in the doorway and there was nothing to show that he saw Spade. He said, "You know — " and then the liquid bubbling came up in his throat and submerged whatever else he said. He put his other hand over the hand that held the ellipsoid. Holding himself stiffly straight, not putting his hands out to break his fall, he fell forward as a tree falls.

Spade, wooden-faced and nimble (Спейд с деревянным лицом и проворный), sprang from his chair (вскочил со своего кресла) and caught the falling man (и схватил падающего человека). When Spade caught him (когда Спейд схватил его) the man's mouth opened (рот мужчины открылся) and a little blood spurted out (и немного крови вытекло; *to spurt* — забить струей, хлынуть), and the brown-wrapped parcel (и сверток, обернутый коричневой бумагой) dropped from the man's hands (упал из рук мужчины) and rolled across the floor (и покатился по полу) until a foot of the desk stopped it (пока ножка стола не остановила его). Then the man's knees bent (потом колени мужчины подогнулись) and he bent at the waist (и он согнулся в талии) and his thin body became limber (и его худое тело стало податливым) inside the sheath like overcoat (внутри похожего на футляр пальто), sagging in Spade's arms (провиснув в руки Спейда) so that Spade could not hold it up from the floor (так что Спейд не мог удержать его от пола).

nimble ['nɪmb(q)l] blood [blʌd] sheath [ʃi:t]

Spade, wooden-faced and nimble, sprang from his chair and caught the falling man. When Spade caught him the man's mouth opened and a little blood spurted out, and the brown-wrapped parcel dropped from the man's hands and rolled across the floor until a foot of the desk stopped it. Then the man's knees bent and he bent at the waist and his thin body became limber inside the sheath like overcoat, sagging in Spade's arms so that Spade could not hold it up from the floor.

Spade lowered the man carefully (Спейд осторожно опустил мужчину) until he lay on the floor (пока он не лег на пол) on his left side (на левый бок). The man's eyes (глаза мужчины) — dark and bloodshot (темные и налитые кровью), but not now mad (но теперь уже не сумасшедшие) — were wide open and still (были широко открыты и неподвижны). His mouth was open (его рот был открыт) as when blood had spurted from it (как когда кровь вытекла из него), but no more blood came from it (но больше кровь оттуда не выходила), and all his long body was as still (и все его длинное тело было неподвижным) as the floor it lay on (как пол, на котором он лежал).

Spade said: "Lock the door (запри дверь)."

bloodshot ['blAdS0t] spurt [spq:t] long [lON]

Spade lowered the man carefully until he lay on the floor on his left side. The man's eyes — dark and bloodshot, but not now mad — were wide open and still. His mouth was open as when blood had spurted from it, but no more blood came from it, and all his long body was as still as the floor it lay on.

Spade said: "Lock the door."

While Effie Perine (пока Эффи Пирайн), her teeth chattering (стуча зубами), fumbled with the corridordoor's lock (возилась с замком коридорной двери; *to fumble* — нащупывать, неумело обращаться) Spade knelt beside the thin man (Спейд встал на колени рядом с худым мужчиной), turned him over on his back (перевернул его на спину), and ran a hand down (и сунул руку) inside his overcoat (внутри его пальто). When he withdrew the hand presently (когда он высунул руку через некоторое время) it came out (она вышла) smeared with blood (измазанная кровью). The sight of his bloody hand (вид его кровавой руки) brought not the least (не вызвала ни малейшего) nor briefest (ни кратковременнейшего) of changes (изменения) to Spade's face (в лице Спейда). Holding that hand up (держа эту руку высоко) where it would touch nothing (где она не прикоснулась бы ни к чему), he took his lighter out of his pocket (он достал свою зажигалку из своего кармана) with his other hand (своей другой рукой). He snapped on the flame (он щелкнул огнем) and held the flame close to first one (и держал пламя близко к первому) and then the other (а потом к другому) of the thin man's eyes (глазу худого мужчины). The eyes (глаза) — lids (веки), balls (глазные яблоки), irises (радужные оболочки), and pupils (и зрачки) — remained frozen, immobile (оставались застывшими, неподвижными; *frozen* — замерзший, скованный льдом).

chatter ['tʃɪtʃ] knelt [nelt] ball [bɔ:l]

While Effie Perine, her teeth chattering, fumbled with the corridordoor's lock Spade knelt beside the thin man, turned him over on his back, and ran a hand down inside his overcoat. When he withdrew the hand presently it came out smeared with blood. The sight of his bloody hand brought not the least nor briefest of changes to Spade's face. Holding that hand up where it would touch nothing, he took his lighter

out of his pocket with his other hand. He snapped on the flame and held the flame close to first one and then the other of the thin man's eyes. The eyes — lids, balls, irises, and pupils — remained frozen, immobile.

Spade extinguished the flame (Спейд погасил огонь) and returned the lighter (и вернул зажигалку) to his pocket (в свой карман). He moved on his knees around (он двинулся на своих коленях кругом) to the dead man's side (к боку мертвеца) and, using his one clean hand (и, используя одну чистую руку), unbuttoned and opened the tubular overcoat (расстегнул и открыл трубообразное пальто; *tube* — труба, трубка; тубик). The inside of the overcoat (внутренняя часть пальто) was wet with blood (была мокрой от крови) and the double-breasted blue jacket (и двубортный голубой пиджак) beneath it (под ним) was sodden (был сырым). The jacket's lapels (лацканы пиджака), where they crossed over the man's chest (где они пересекались на груди мужчины), and both sides of his coat (и обе стороны его пальто) immediately below that point (непосредственно под этой точкой), were pierced (были пробиты; *to pierce* — пронзать, протыкать, буравить) by soggy ragged holes (мокрыми, с неровными краями дырами; *rag* — лоскут, тряпка, тряпица).

extinguished [ɪk'stɪŋɡwɪst] tubular ['tju:bjʌlq] lapel [lq'pel]

Spade extinguished the flame and returned the lighter to his pocket. He moved on his knees around to the dead man's side and, using his one clean hand, unbuttoned and opened the tubular overcoat. The inside of the overcoat was wet with blood and the double-breasted blue jacket beneath it was sodden, The jacket's lapels, where they crossed over the man's chest, and both sides of his coat immediately below that point, were pierced by soggy ragged holes.

Spade rose (Спейд встал) and went to the washbowl (и пошел к умывальной раковине) in the outer office (в приемной: «во внешнем офисе»).

Effie Perine, wan and trembling (Эффи Пирайн, бледная и дрожащая; *wan* — бледный, изнуренный; болезненный) and holding herself upright (и удерживающая себя прямо) by means of a hand (при помощи руки) on the corridor-door's knob (на шарообразной ручке коридорной двери) and her back against its glass (и спины, /опирающейся/ на ее /двери в коридор/ стекло), whispered (прошептала): "Is — is he —?"

"Yes. Shot through the chest (застрелен в грудь; *through* — насквозь), maybe half a dozen times (может быть, с полдюжины раз)." Spade began to wash his hands (Спейд начал мыть руки).

washbowl ['wɒsbɔʊl] wan [wɒn] upright ['ʌpraɪt] knob [nɒb]

Spade rose and went to the washbowl in the outer office.

Effie Perine, wan and trembling and holding herself upright by means of a hand on the corridor-door's knob and her back against its glass, whispered: "Is — is he — ?"

"Yes. Shot through the chest, maybe half a dozen times." Spade began to wash his hands.

"Oughtn't we (мы не должны) — ?" she began (начала она), but he cut her short (но он коротко оборвал ее; *to cut* — резать): "It's too late for a doctor now (слишком поздно для доктора сейчас) and I've got to think (и я должен подумать) before we do anything (прежде чем мы что-то сделаем)." He finished washing his hands (он закончил мыть свои руки) and began to rinse the bowl (и начал промывать/ополаскивать раковину). "He couldn't have come far (он не мог пройти далеко) with those in him (с этими /пулями/ в нем). If he (если он) — Why in hell (почему, к черту)

couldn't he have stood up long enough (он не смог выдержать достаточно долго) to say something (чтобы что-нибудь сказать)?" He frowned at the girl (он хмуро посмотрел на девушку), rinsed his hands again (ополоснул свои руки снова), and picked up a towel (и поднял полотенце). "Pull yourself together (соберись). For Christ's sake (ради Христа) don't get sick on me now (только чтобы тебя не вырвало на меня сейчас; *sick* — больной; чувствующий тошноту) He threw the towel down (он бросил полотенце вниз) and ran fingers through his hair (и пробежал пальцами по своим волосам). "We'll have a look at that bundle (мы должны взглянуть на этот сверток)."

doctor ['dɒktə] rinse [rɪns] towel ['taʊəl]

"Oughtn't we — ?" she began, but he cut her short: "It's too late for a doctor now and I've got to think before we do anything." He finished washing his hands and began to rinse the bowl. "He couldn't have come far with those in him. If he — Why in hell couldn't he have stood up long enough to say something?" He frowned at the girl, rinsed his hands again, and picked up a towel. "Pull yourself together. For Christ's sake don't get sick on me now!" He threw the towel down and ran fingers through his hair. "We'll have a look at that bundle."

He went into the inner office again (он снова вошел во внутренний офис), stepped over the dead man's legs (перешагнул через ноги мертвеца), and picked up the brown-paper-wrapped parcel (и поднял сверток, завернутый в коричневую бумагу). When he felt its weight (когда он почувствовал его вес) his eyes glowed (его глаза блеснули). He put it on his desk (он положил его на свой стол), turning it over (перевернув его так) so that the knotted part of the rope (чтобы завязанная узлом часть веревки) was uppermost (была сверху). The knot was hard and tight (узел

был жестким и тугим). He took out his pocket-knife (он вытащил свой карманный ножик) and cut the rope (и разрезал веревку).

glow [glɔV] uppermost ['ʌpɔmqVst] knotted ['nɔtɪd]

He went into the inner office again, stepped over the dead man's legs, and picked up the brown-paper-wrapped parcel. When he felt its weight his eyes glowed. He put it on his desk, turning it over so that the knotted part of the rope was uppermost. The knot was hard and tight. He took out his pocket-knife and cut the rope.

The girl had left the door and (девушка покинула дверь и), edging around the dead man (огибая мертвеца; *to edge* — *точить, обрамлять, медленно продвигаться*) with her face turned away (отвернув лицо), had come to Spade's side (подошла к Спейду; *side* — *сторона, бок*). As she stood there (когда она стояла там) — hands on a corner of the desk (руки на углу стола) — watching him pull the rope loose (глядя, как он развязывает веревку) and push aside brown paper (и отворачивает коричневую бумагу в сторону: «толкает в сторону»), excitement began to supplant nausea in her face (возбуждение начало вытеснять тошноту не ее лице). "Do you think it is (ты считаешь, это то, это оно)?" she whispered (прошептала она).

loose [lu:s] supplant [sq'plɔ:nt] nausea ['nɔ:zlɔ, -slɔ]

The girl had left the door and, edging around the dead man with her face turned away, had come to Spade's side. As she stood there — hands on a corner of the desk — watching him pull the rope loose and push aside brown paper, excitement began to supplant nausea in her face. "Do you think it is?" she whispered.

"We'll soon know (мы скоро узнаем)," Spade said, his big fingers (его большие пальцы) busy with the inner husk (занятые внутренним слоем; *husk* — шелуха, скорлупа) of coarse grey paper (грубой серой бумаги), three sheets thick (толщиной в три листа), that the brown paper's removal had revealed (которую обнаружило/открыло удаление коричневой бумаги). His face was hard and dull (его лицо было жестким и угрюмым; *dull* — тупой; тусклый; хмурый). His eyes were shining (его глаза блестели). When he had put the grey paper out of the way (когда он убрал серую бумагу /с дороги/) he had an egg-shaped mass (он получил яйцеобразную массу) of pale excelsior (белой мягкой древесной стружки), wadded tight (туго завернутую в ватин). His fingers tore the wad apart (его пальцы оторвали ватин /в сторону/) and then he had the foot-high figure of a bird (а потом он вытащил фигуру птицы высотой в фут), black as coal (черную как уголь) and shiny (и блестящую) where its polish (где ее полировка) was not dulled (не была поблекшей) by wood-dust (из-за деревянной пыли) and fragments of excelsior (и частичек стружки).

husk [hAsk] revealed [rɪ'vi:ld] excelsior [ɪk'selsɪɔ:, -slɔ]

"We'll soon know," Spade said, his big fingers busy with the inner husk of coarse grey paper, three sheets thick, that the brown paper's removal had revealed. His face was hard and dull. His eyes were shining. When he had put the grey paper out of the way he had an egg-shaped mass of pale excelsior, wadded tight. His fingers tore the wad apart and then he had the foot-high figure of a bird, black as coal and shiny where its polish was not dulled by wood-dust and fragments of excelsior.

Spade laughed (Спейд засмеялся). He put a hand down on the bird (он положил руку на птицу). His wide-spread fingers (его широко

расставленные пальцы) had ownership (выражали право собственности) in their curving (в своем изгибе; *curve* — кривая /линия/; дуга; *to curve* — гнуть; изгибать(ся), перегибать). He put his other arm (он положил свою другую руку) around Effie Perine (вокруг Эффи Пирайн) and crushed her body against his (и с силой прижал ее тело к своему). "We've got the damned thing, angel (мы получили, чертову штуку, ангел)," he said.

"Ouch (ой)!" she said, "you're hurting me (ты делаешь мне больно)."

Spade laughed. He put a hand down on the bird. His wide-spread fingers had ownership in their curving. He put his other arm around Effie Perine and crushed her body against his. "We've got the damned thing, angel," he said.

"Ouch!" she said, "you're hurting me."

He took his arm away from her (он убрал свою руку от нее), picked the black bird up in both hands (поднял черную птицу обеими руками), and shook it (и потряс ее) to dislodge clinging excelsior (чтобы удалить прилипшую стружку; *dislodge* — заставить уйти, вытеснить). Then he stepped back (потом он отступил назад) holding it up in front of him (держа ее высоко перед собой) and blew dust off it (и сдул с нее пыль), regarding it triumphantly (рассматривая ее триумфально).

Effie Perine made a horrified face (Эффи Пирайн сделала ужаснувшееся/испуганное лицо) and screamed (и закричала), pointing at his feet (указывая на его ноги).

both [bqVT] dislodge [dls'l0dZ] horrify ['h0rIfal]

He took his arm away from her, picked the black bird up in both hands, and shook it to dislodge clinging excelsior. Then he stepped back holding it up in front of him and blew dust off it, regarding it triumphantly.

Effie Perine made a horrified face and screamed, pointing at his feet.

He looked down at his feet (он посмотрел вниз на свои ноги). His last backward step (его последний шаг назад) had brought his left heel (привел его левый каблук) into contact (в соприкосновение) with the dead man's hand (с рукой мертвеца), pinching a quarter-inch of flesh (прищемив четверть сантиметра плоти) at a side of the palm (со стороны ладони) between heel and floor (между каблуком и полом). Spade jerked his foot (Спейд отдернул свою ногу) away from the hand (от руки).

The telephone-bell rang (зазвенел телефонный звонок).

backward ['b x kwqd] heel [hi:l] pinching ['plntSIN]

He looked down at his feet. His last backward step had brought his left heel into contact with the dead man's hand, pinching a quarter-inch of flesh at a side of the palm between heel and floor. Spade jerked his foot away from the hand.

The telephone-bell rang.

He nodded at the girl (он кивнул девушке). She turned to the desk (она повернулась к столу) and put the receiver to her ear (и поднесла трубку к своему уху). She said: "Hello... Yes... Who? ... Oh, yes!" Her eyes became large (ее глаза стали большими). "Yes. Yes... Hold the line (оставайтесь на линии: «держите линию»)". Her mouth suddenly stretched wide (ее рот вдруг растянулся широко) and fearful (и стал испуганным; *fear* — *страх*). She cried (она закричала): "Hello! Hello! Hello!" She rattled the prong up

and down (она затрещала рычажком вверх и вниз) and cried (и закричала), "Hello!" twice (дважды). Then she sobbed (потом она всхлипнула) and spun around (и повернулась; *to spin* — *прясть; крутить(ся), вертеть(ся)*) to face Spade (чтобы посмотреть на Спейда), who was close beside her by now (который теперь был близко рядом с ней). "It was Miss O'Shaughnessy (это была мисс О'Шонессси)," she said wildly (закричала она дико). "She wants you (ты ей нужен). She's at the Alexandria (она в «Александрии») — in danger (в опасности). Her voice was (ее голос был) — oh, it was awful, Sam (о, он был ужасен, Сэм)! — and something happened to her (и что-то случилось с ней) before she could finish (прежде чем она смогла закончить). Go help her, Sam (иди помоги ей, Сэм)!"

He nodded at the girl. She turned to the desk and put the receiver to her ear. She said: "Hello... Yes... Who? ... Oh, yes!" Her eyes became large. "Yes. Yes... Hold the line". Spade put the falcon down (Спейд положил сокола /вниз/) on the desk (на стол) and scowled gloomily (и мрачно нахмурился). "I've got to take care of this fellow first (сначала я должен позаботиться об этом парне)," he said, pointing his thumb (указывая своим большим пальцем) at the thin corpse on the floor (на худой труп на полу).

She beat his chest (она стала бить его в грудь) with her fists (своими кулаками), crying (крича): "No, no — you've got to go to her (ты должен пойти к ней). Don't you see, Sam (ты не понимаешь, Сэм)? He had the thing (у него была вещь) that was hers (принадлежавшая ей) and he came to you with it (и он пришел к тебе с ней). Don't you see (ты не понимаешь)? Spade put the falcon down on the desk and scowled gloomily. "I've got to take care of this fellow first," he said, pointing his thumb at the thin corpse on the floor.

"All right (хорошо)." Spade pushed her away (Спейд оттолкнул ее) and bent over his desk (и склонился над своим столом), putting the black bird back (кладя черную птицу обратно) into its nest of excelsior (в ее гнездо из стружек), bending the paper around it (сгибая бумагу вокруг нее), working rapidly (действуя быстро), making a larger and clumsy package (делая более большую и нескладную упаковку). "As soon as I've gone (как только я уйду) phone the police (звони в полицию). I got the phone-call (я получил телефонный звонок) and I told you (и я сказал тебе) I had to go out (что я должен уйти), but I

didn't say where (но я не сказал, куда)." He cursed the rope (он проклинал веревку) for being tangled (за то что она была спутанной), yanked it into straightness (дернул ее, чтобы выпрямить), and began to bind the package (и начал завязывать упаковку). "Forget this thing (забудь эту вещь). Tell it as it happened (скажи как все случилось), but forget he had a bundle (но забудь, что у него был сверток)." He chewed his lower lip (он пожевал свою нижнюю губу). "Unless they pin you down (если они не припрут тебя к стенке; *to pin* — *прикалывать, скалывать*). "All right." Spade pushed her away and bent over his desk, putting the black bird back into its nest of excelsior, bending the paper around it, working rapidly, making a larger and clumsy package. "Unless they pin you down. If they seem to know about it you'll have to admit it. But that's not likely. If they do then I took the bundle away with me, unopened."

He finished tying the knot (он закончил завязывать узел) and straightened up (и выпрямился) with the parcel under his left arm (со свертком под своей левой подмышкой). "Get it straight, now (пойми это точно, сейчас).

"Yes, Sam. Who — do you know who he is (ты знаешь, кто это)?"

He grinned wolfishly (он по-волчьи усмехнулся; *wolf* — волк). "Uh-uh (не-а)," he said, "but I'd guess (но могу предположить) he was Captain Jacobi (что это был капитан Якоби), master of La Paloma (хозяин «Ла-Паломы»)." He picked up his hat (он поднял свою шляпу) and put it on (и надел ее). He looked thoughtfully at the dead man (он задумчиво посмотрел на мертвеца) and then around the room (а потом вокруг в комнаты).

Might not hurt (наверное, не повредит) to get those few scraps of excelsior off the floor (убрать эти несколько кусочков стружки с пола) before the police come (до того, как придет полиция). And maybe you ought to try (и, может быть, ты должна попытаться) to get hold of Sid (соединиться с Сидом). No." He rubbed his chin (он потер свой подбородок). "We'll leave him out of it awhile (мы оставим его в стороне на некоторое время). It'll look better (это будет выглядеть лучше). I'd keep the door locked (я бы держал дверь запертой) till they come (пока они придут)." He took his hand from his chin (он убрал свою руку со своего подбородка) and rubbed her cheek (и потер ее щеку). "You're a damned good man, sister (ты чертовски хороший человек, сестренка)," he said and went out (сказал он и вышел).

XVII. Saturday Night

(Субботний вечер)

Carrying the parcel lightly under his arm (неся сверток легко подмышкой), walking briskly (шагая бодро), with only the ceaseless shifting of his eyes (только с беспрерывно бегающими глазами; *to shift* — *перемещать, передвигать*; *to cease* — *прекращать*) to denote wariness (/которые/ указывали на осторожность), Spade went (Спейд шел), partly by way of an alley and a narrow court (частично по аллее и узкому двору), from his office-building (от своего офисного здания) to Kearny and Post Streets (к Керни-стрит и Пост-стрит), where he hailed a passing taxicab (где он окликнул проезжающее такси).

denote [dl'nqVt] hail [hell] wariness ['we(q)rInIs]

Carrying the parcel lightly under his arm, walking briskly, with only the ceaseless shifting of his eyes to denote wariness, Spade went, partly by way of an alley and a narrow court, from his office-building to Kearny and Post Streets, where he hailed a passing taxicab.

The taxicab carried him (такси привезло его) to the Pickwick Stage terminal (к вокзалу Пиквик Стейдж) in Fifth Street (на Пятой улице). He checked the bird at the Parcel Room there (он сдал там птицу в камеру хранения; *parcel* — *пакет, сверток, бандероль*), put the check into a stamped envelope (положил чек в конверт с маркой; *check* — *зд. номерок*,

багажная квитанция), wrote M. F. Holland (*написал М. Ф. Холланд*) and a San Francisco Post Office box-number (*и Сан-Франциский номер почтового ящика*) on the envelope (*на конверте*), sealed it (*запечатал его*), and dropped it into a mail-box (*и бросил его в почтовый ящик*). From the stage-terminal (*от вокзала; stage — сцена, театр, платформа*) another taxicab carried him to the Alexandria Hotel (*другое такси доставило его в отель «Александрия»*).

terminal ['tq:mln(q)l] stamp [st x mp] envelope ['envqlqVp]

The taxicab carried him to the Pickwick Stage terminal in Fifth Street. He checked the bird at the Parcel Room there, put the check into a stamped envelope, wrote M. F. Holland and a San Francisco Post Office box-number on the envelope, sealed it, and dropped it into a mail-box. From the stage-terminal another taxicab carried him to the Alexandria Hotel.

Spade went up to suite 12-C (*Спейд поднялся в номер-люкс 12-С*) and knocked on the door (*и постучал в дверь*). The door was opened (*дверь была открыта*), when he had knocked a second time (*когда он постучал во второй раз*), by a small fair-haired girl (*маленькой белокурой девушкой*) in a shimmering yellow dressing-gown (*в блестящем желтом пеньюаре*) — a small girl (*маленькой девушкой*) whose face was white and dim (*чье лицо было белым и тусклым*) and who clung desperately (*и которая отчаянно держалась; to cling — епляться; прилипнуть; крепко держаться*) to the inner doorknob with both hands (*за внутреннюю дверную ручку обеими руками*) and gasped (*и с трудом дыша, сказала*): "Mr. Spade?"

Spade said, "Yes," and caught her as she swayed (*и поймал ее, когда она покачнулась*).

knock [nOk] shimmer ['ʃImq] dim [dIm]

Spade went up to suite 12-C and knocked on the door. The door was opened, when he had knocked a second time, by a small fair-haired girl in a shimmering yellow dressing-gown — a small girl whose face was white and dim and who clung desperately to the inner doorknob with both hands and gasped: "Mr. Spade?"

Spade said, "Yes," and caught her as she swayed.

Her body arched back (ее тело выгнулось назад) over his arm (на его руке) and her head dropped straight back (и ее голова упала прямо назад) so that her short fair hair (так что ее короткие светлые волосы) hung down her scalp (свисавшие вниз с ее головы) and her slender throat (и ее узкого горла) was a firm curve (были твердой дугой) from chin to chest (от подбородка до груди).

Spade slid his supporting arm higher up her back (Спейд переместил свою поддерживающую руку: «скользнул своей поддерживающей рукой» выше по ее спине; *to slide* — *скользить*; *двигаться плавно*) and bent (и он наклонился) to get his other arm (чтобы положить свою другую руку) under her knees (под ее колени), but she stirred then (но она тогда пошевелилась), resisting (сопротивляясь), and between parted lips (и между разделенных губ) that barely moved (которые едва двигались) blurred words came (послышались неясные слова): "No! Ma' me wa' (я пойду сама; *ma' me wa' = make me walk*)!"

arched [Q:tSt] supporting [sq'p0:tIN] barely ['beqlI]

Her body arched back over his arm and her head dropped straight back so that her short fair hair hung down her scalp and her slender throat was a firm curve from chin to chest.

Spade slid his supporting arm higher up her back and bent to get his other arm under her knees, but she stirred then, resisting, and between parted lips that barely moved blurred words came: "No! Ma' me wa'!"

Spade made her walk (Спейд помог ей идти). He kicked the door shut (он пинком закрыл дверь) and he walked her up and down (и он повел ее взад и вперед) the green-carpeted room (по комнате с зеленым ковром) from wall to wall (от стены к стене). One of his arms (одна из его рук) around her small body (вокруг ее хрупкого тела), that hand under her armpit (эта рука у нее под мышкой), his other hand (его другая рука) gripping her other arm (сжимающая ее другую руку), held her erect (держали ее прямо) when she stumbled (когда она спотыкалась), checked her swaying (удерживали ее от покачиваний), kept urging her forward (продолжали продвигать ее вперед; *to urge* — *понуждать, заставлять, подстрекать*), but made her tottering legs (но заставляли ее шатающиеся ноги) bear all her weight they could bear (нести весь ее вес, который они /только/ могли вынести). They walked across and across the floor (они ходили и ходили по полу; *across* — *поперек, от края до края*), the girl falteringly (девушка нетвердо), with uncoordinated steps (нескоординированными шагами), Spade surely (Спейд уверенно) on the balls of his feet (на подушечках /пальцев/ своих ног) with balance (с равновесием) unaffected by her staggering (на которое не повлияли ее пошатывания). Her face was chalk-white (ее лицо было белым, как мел) and eyeless (и незрячим), his sullen (его сердитым), with eyes hardened (с глазами жесткими) to watch everywhere at once (чтобы смотреть всюду сразу).

carpet ['kQ:plt] armpit ['Q:m"plt] urge [q:dZ]

Spade made her walk. He kicked the door shut and he walked her up and down the green-carpeted room from wall to wall. One of his arms

around her small body, that hand under her armpit, his other hand gripping her other arm, held her erect when she stumbled, checked her swaying, kept urging her forward, but made her tottering legs bear all her weight they could bear. They walked across and across the floor, the girl falteringly, with uncoordinated steps, Spade surely on the balls of his feet with balance unaffected by her staggering. Her face was chalk-white and eyeless, his sullen, with eyes hardened to watch everywhere at once.

He talked to her monotonously (он говорил с ней монотонно): "That's the stuff (вот это то, что надо). Left, right, left, right (левой, правой, левой, правой). That's the stuff (вот это то, что надо). One, two, three, four (раз, два, три, четыре), one, two, three (раз, два, три), now we turn (теперь мы поворачиваем)." He shook her (он встряхнул ее) as they turned from the wall (когда они повернули от стены). "Now back again (теперь снова назад). One, two, three, four (раз, два, три, четыре). Hold your head up (держите вашу голову высоко). That's the stuff (вот это то, что надо). Good girl (хорошая девочка). Left, right, left, right (левой, правой, левой, правой). Now we turn again (теперь мы поворачиваем снова)." He shook her again (он встряхнул ее снова). "That's the girl (вот это девочка). Walk, walk, walk, walk (идите, идите, идите, идите). One, two, three, four (раз, два, три, четыре). Now we go around (теперь мы пойдем вокруг)." He shook her (он встряхнул ее), more roughly (более грубо), and increased their pace (и увеличил /их/ скорость; *pace* — шаг, длина шага). "That's the trick (в этом весь фокус). Left, right, left, right (левой, правой, левой, правой). We're in a hurry (мы торопимся: «мы в спешке»). One, two, three (раз, два, три»)...

monotonously [mq'n0t(q)nqslɪ] walk [w0:k] roughly ['rAflɪ]

He talked to her monotonously: "That's the stuff. Left, right, left, right. That's the stuff. One, two, three, four, one, two, three, now we turn." He shook her as they turned from the wall. "Now back again. One, two, three, four. Hold your head up. That's the stuff. Good girl. Left, right, left, right. Now we turn again." He shook her again. "That's the girl. Walk, walk, walk, walk. One, two, three, four. Now we go around." He shook her, more roughly, and increased their pace. "That's the trick. Left, right, left, right. We're in a hurry. One, two, three...

She shuddered and swallowed audibly (она вздрогнула и слышно сглотнула). Spade began to chafe her arm (Спейд начал растирать ее руку) and side (и бок) and he put his mouth (и приложил свой рот) nearer her ear (ближе к ее уху). "That's fine (это прекрасно). You're doing fine (у вас очень хорошо получается). One, two, three, four (раз, два, три, четыре). Faster, faster, faster, faster (быстрее, быстрее, быстрее, быстрее). That's it (вот так). Step, step, step, step (шаг, шаг, шаг, шаг). Pick them up and lay them down (поднимайте их и опускайте их). That's the stuff (вот это то, что надо). Now we turn (теперь мы поворачиваем). Left, right, left, right (левой, правой, левой, правой). What'd they do (что они сделали) — dope you (дали вам наркотик)? The same stuff (ту же гадость) they gave me (которую они дали мне)?"

Her eyelids twitched up then (ее веки тогда дернулись) for an instant (на мгновение) over dulled golden-brown eyes (над тусклыми золотистыми глазами) and she managed to say all of "Yes" (и она сумела сказать целиком /слово/ «да») except the final consonant (за исключением последнего гласного звука; *consonant* — согласный).

fast [fQ:st] step [step] consonant ['k0nsqnt]

She shuddered and swallowed audibly. Spade began to chafe her arm and side and he put his mouth nearer her ear. "That's fine. You're doing fine. One, two, three, four. Faster, faster, faster, faster. That's it. Step, step, step, step. Pick them up and lay them down. That's the stuff. Now we turn. Left, right, left, right. What'd they do — dope you? The same stuff' they gave me?"

Her eyelids twitched up then for an instant over dulled golden-brown eyes and she managed to say all of "Yes" except the final consonant.

They walked the floor (они ходили по полу), the girl almost trotting now (девушка теперь почти рысью) to keep up with Spade (чтобы поспевать за Спейдом; *to keep up* — *держаться на прежнем уровне, продолжать, поддерживать*), Spade slapping and kneading her flesh (Спейд, шлепая и растирая ее тело) through yellow silk (через желтый шелк) with both hands (обеими руками), talking and talking (говоря и говоря) while his eyes remained hard and aloof (в то же время как его глаза оставались твердыми и безучастными) and watchful (и осторожными; *watchful* — *внимательный, наблюдательный*). "Left, right, left, right, left, right, turn (левой, правой, левой, правой, левой, правой, поворот). That's the girl (вот это девочка). One, two, three, four, one, two, three, four (раз, два, три, четыре, раз, два, три, четыре). Keep the chin up (держи подбородок выше). That's the stuff (вот это то, что надо). One, two (раз, два).

Her lids lifted again (ее веки поднялись снова) a bare fraction of an inch (на малейшую долю дюйма; *fraction* — *часть, частица, отрезок*) and under them (и под ними) her eyes moved weakly (ее глаза двигались слабо) from side to side (из стороны в сторону).

trotting ['trɒtɪŋ] kneading ['ni:dɪŋ] fraction ['frʌkʃ(ə)n]

They walked the floor, the girl almost trotting now to keep up with Spade, Spade slapping and kneading her flesh through yellow silk with both hands, talking and talking while his eyes remained hard and aloof and watchful. "Left, right, left, right, left, right, turn. That's the girl. One, two, three, four, one, two, three, four. Keep the chin up. That's the stuff. One, two . .

Her lids lifted again a bare fraction of an inch and under them her eyes moved weakly from side to side.

"That's fine (это прекрасно)," he said in a crisp voice (сказал он резким голосом; *crisp* — завитой, кудрявый; жесткий), dropping his monotone (отбрасывая свою монотонность). "Keep them open (держите их открытыми). Open them wide (откройте их широко) — wide (широко)!" He shook her (он встряхнул ее).

She moaned in protest (она застонала, протестуя), but her lids went farther up (но ее веки поднялись дальше наверх), though her eyes (хотя ее глаза) were without inner light (были без внутреннего света). He raised his hand (он поднял свою руку) and slapped her cheek (и шлепнул ее щеку) half a dozen times (с полдюжины раз) in quick succession (быстрой очередью; *succession* — преемственность, последовательность). She moaned again (она застонала снова) and tried to break away from him (и попыталась вырваться от него). His arm held her (его рука удержала ее) and swept her along beside him (и увлекла ее рядом с ним; *to sweep* (*swept*) — мести, сгребать, сносить) from wall to wall (от стены к стене).

crisp [kɾɪsp] *moan* [mqVn] *succession* [sqk'seS(q)n]

"That's fine," he said in a crisp voice, dropping his monotone. "Keep them open. Open them wide — wide!" He shook her.

She moaned in protest, but her lids went farther up, though her eyes were without inner light. He raised his hand and slapped her cheek half a dozen times in quick succession. She moaned again and tried to break away from him. His arm held her and swept her along beside him from wall to wall.

"Keep walking (продолжайте ходить)," he ordered in a harsh voice (приказал он грубым голосом), and then (а потом): "Who are you (кто вы)?"

Her "Rhea Gutman" was thick but intelligible (ее «Рея Гутман» было хриплым, но вразумительным; *thick* — толстый, дородный; густой).

"The daughter (дочь)?"

"Yes." Now she was no farther (теперь она была не дальше) from the final consonant (от конечного согласного) than *sh* (чем *ш*).

"Where's Brigid (где Бриджит)?"

harsh [hQ:S] intelligible [In'telIdZqb(q)l] daughter ['dO:tq]

"Keep walking," he ordered in a harsh voice, and then: "Who are you?"

Her "Rhea Gutman" was thick but intelligible.

"The daughter?"

"Yes." Now she was no farther from the final consonant than *sh*.

"Where's Brigid?"

She twisted convulsively around (она судорожно изогнулась /вокруг/) in his arms (в его руках) and caught at one of his hands (и схватила одну из его рук) with both of hers (обеими своими /руками/). He pulled his hand away quickly (он быстро отнял свою руку) and looked at it (и посмотрел на нее /руку/). Across its back (через ее тыльную часть) was a thin red

scratch (была тонкая красная царапина) an inch and a half or more in length (в полтора дюйма или больше в длину).

"What the hell (какого черта)?" he growled (зарычал он) and examined her hands (и проверил ее руки). Her left hand was empty (ее левая рука была пустой). In her right hand (в ее правой руке), when he forced it open (когда он принудил ее открыть), lay a three-inch (лежала трехдюймовая) jade-headed (с нефритовой головкой) steel bouquet-pin (стальная булавка; *bouquet* — *букет*). "What the hell (какого черта)?" he growled again (зарычал он снова) and held the pin up (и поднял булавку /из ее руки/) in front of her eyes (перед ее глазами).

convulsively [kqn'vAlslvll] growl [graVl] bouquet [bqV'keI, bu:-]

She twisted convulsively around in his arms and caught at one of his hands with both of hers. He pulled his hand away quickly and looked at it. Across its back was a thin red scratch an inch and a half or more in length.

"What the hell?" he growled and examined her hands. Her left hand was empty. In her right hand, when he forced it open, lay a three-inch jade-headed steel bouquet-pin. "What the hell?" he growled again and held the pin up in front of her eyes.

When she saw the pin (когда она увидела булавку) she whimpered (она захныкала) and opened her dressing-gown (и распахнула свой пеньюар). She pushed aside (она отодвинула в сторону) the cream-colored pajama-coat (кремового цвета куртку пижаму) under it (под ним /пеньюаром/) and showed him her body (и показала ему свое тело) below her left breast (под ее левой грудью) — white flesh (белое тело) crisscrossed with thin red lines (испещренное красными линиями), dotted with tiny red dots (усыпанное крошечными красными точками), where the pin had scratched

and punctured it (где булавка царапала и колола его). "To stay awake (чтобы оставаться бодрствующей) ... walk (ходить) ... till you came (пока вы придете)... She said you'd come ere so long (вы придете сюда вскоре; *ere* — *рано, прежде чем, скорее чем*)." She swayed (она покачнулась).

cream [kri:m] crisscross ['krɪskrɒs] punctured ['pʌŋktʃd]

When she saw the pin she whimpered and opened her dressing-gown. She pushed aside the cream-colored pajama-coat under it and showed him her body below her left breast — white flesh crisscrossed with thin red lines, dotted with tiny red dots, where the pin had scratched and punctured it. "To stay awake ... walk ... till you came... She said you'd come ere so long." She swayed.

Spade tightened his arm around her (Спейд плотнее прижал свою руку вокруг нее) and said: "Walk (ходите)."

She fought against his arm (она боролась против его руки; *to fight* — *сражаться, бороться*), squirming around (изгибаясь) to face him again (чтобы посмотреть на него снова). "No, tell you (нет, говорю вам) ... sleep (спать) ... save her (спасите ее)..."

"Brigid (Бриджит)?" he demanded (спросил он требовательно).

"Yes ... took her (забрали ее) ... Bur-Burlingame (Бэр-Бэрлингем) ... twenty-six Ancho (двадцать шесть Анчо). Hurry (торопитесь) ... too late (слишком поздно) ..." Her head fell over on her shoulder (ее голова упала на ее плечо).

Spade tightened his arm around her and said: "Walk."

She fought against his arm, squirming around to face him again. "No tell you ... sleep ... save her ..."

"Brigid?" he demanded.

"Yes ... took her ... Bur-Burlingame ... twenty-six Ancho . hurry ... too late ..." Her head fell over on her shoulder.

Spade pushed her head up roughly (Спейд грубо поднял ее голову).
"Who took her there (кто забрал ее туда)? Your father (ваш отец)?"

"Yes ... Wilmer ... Cairo." She writhed (она скорчилась) and her eyelids twitched (и ее веки дернулись) but did not open (но не открылись). "... kill her (убить ее)." Her head fell over again (ее голова снова упала), and again he pushed it up (и снова он толкнул ее кверху).

"Who shot Jacobi (кто застрелил Якоби)?"

She did not seem to hear the question (казалось, она не слышала вопроса). She tried pitifully (она пыталась жалко) to hold her head up (держатъ голову высоко), to open her eyes (открыть свои глаза). She mumbled (она пробормотала): "Go (идите) ... she (она) ...

"Yes ... Wilmer ... Cairo." She writhed and her eyelids twitched but did not open. "... kill her." Her head fell over again, and again he pushed it up.

"Who shot Jacobi?"

She did not seem to hear the question. She tried pitifully to hold her head up, to open her eyes. She mumbled: "Go ... she ...

He shook her brutally (он грубо встряхнул ее). "Stay awake (не засыпай) till the doctor comes (пока не приедет врач)."

Fear opened her eyes (страх открыл ее глаза) and pushed for a moment the cloudiness (и вытолкнул на мгновение туманность; *cloud* — *облако*) from her face (с ее лица). "No, no," she cried thickly (хрипло закричала она), "father (отец) ... kill me (убьет меня) ... swear you won't (поклонитесь, что вы не) ... he'd know (он узнает) ... I did (я сделала) ... for her (ради нее) ... promise (обещайте) ... won't sleep (не усну) ... all right (хорошо) ... morning (утром)...."

He shook her again (он встряхнул ее снова). "You're sure (вы уверены) you can sleep the stuff off all right (что вы проспите от этой гадости)?"

brutal ['bru:tɪ] cloudiness ['klaʊdɪnɪs] promise ['prɒmɪs]

He shook her brutally. "Stay awake till the doctor comes."

Fear opened her eyes and pushed for a moment the cloudiness from her face. "No, no," she cried thickly, "father ... kill me ... swear you won't ... he'd know ... I did ... for her ... promise ... won't sleep ... all right ... morning ..."

He shook her again. "You're sure you can sleep the stuff off all right?"

"Yes." Her head fell down again (ее голова снова упала).

"Where's your bed (где ваша кровать)?"

She tried to raise a hand (она попыталась поднять руку), but the effort had become too much for her (но усилие было слишком большим для нее) before the hand pointed at anything (прежде, чем рука показала на что-нибудь) except the carpet (кроме ковра). With the sigh (со вздохом) of a tired child (уставшего ребенка) she let her whole body relax (она

позволила всему своему телу расслабиться) and crumple (и рухнуть; *to crumple* — мять; свалиться, согнуться).

bed [bed] pointed ['pɔɪntɪd] again [q'ge(l)n]

"Yes." Her head fell down again.

"Where's your bed?"

She tried to raise a hand, hut the effort had become too much for her before the hand pointed at anything except the carpet. With the sigh of a tired child she let her whole body relax and crumple.

Spade caught her up in his arms (Спейд подхватил ее на свои руки) — scooped her up (подхватил ее; *to scoop* — копать, черпать, сгребать) as she sank (когда она упала/падала) — and, holding her easily against his chest (и, держа ее легко у своей груди), went to the nearest of the three doors (пошел к ближайшей из трех дверей). He turned the knob (он повернул /шарообразную/ ручку) far enough (достаточно далеко) to release the catch (чтобы освободить задвижку), pushed the door open (толчком открыл дверь) with his foot (своей ногой), and went into a passageway (и вошел в коридор) that ran past an open bathroom-door (который проходил мимо открытой двери ванной) to a bedroom (к спальне). He looked into the bathroom (он заглянул в ванную), saw it was empty (увидел, что она пуста), and carried the girl (и понес девушку) into the bedroom (в спальню). Nobody was there (там никого не было). The clothing that was in sight (одежда, которая была видна) and things on the chiffonier (и вещи в шифоньере) said it was a man's room (говорили, что это был номер мужчины).

chest [tʃest] bathroom ['bʊ:tru(:)m] chiffonier [ˈʃɪfə'nɪq]

Spade caught her up in his arms — scooped her up as she sank — and, holding her easily against his chest, went to the nearest of the three doors. He turned the knob far enough to release the catch, pushed the door open with his foot, and went into a passageway that ran past an open bathroom-door to a bedroom. He looked into the bathroom, saw it was empty, and carried the girl into the bedroom. Nobody was there. The clothing that was in sight and things on the chiffonier said it was a man's room.

Spade carried the girl back (Спейд отнес девушку назад) to the green-carpeted room (в комнату с зеленым ковром) and tried the opposite door (и попробовал противоположную дверь). Through it (через нее) he passed into another passageway (он прошел в другой коридор), past another empty bathroom (мимо другой пустой ванной), and into a bedroom (и в спальню) that was feminine (которая была женской) in its accessories (по своим принадлежностям). He turned back the bedclothes (он откинул постельное белье) and laid the girl on the bed (и уложил девушку на кровать), removed her slippers (снял ее туфли), raised her a little (поднял ее немного) to slide the yellow dressing-gown off (чтобы снять желтый пеньюар), fixed a pillow under her head (закрепил подушку под ее головой), and put the covers up over her (и накрыл ее одеялами).

Spade carried the girl back to the green-carpeted room and tried the opposite door. Through it he passed into another passageway, past another empty bathroom, and into a bedroom that was feminine in its accessories. He turned back the bedclothes and laid the girl on the bed, removed her slippers, raised her a little to slide the yellow dressing-gown off, fixed a pillow under her head, and put the covers up over her.

Then he opened the room's two windows (потом он открыл два окна в комнате) and stood with his back to them (и стоял спиной к ним) staring at the sleeping girl (глядя на спящую девушку). Her breathing was heavy (ее дыхание было тяжелым) but not troubled (но не тревожным). He frowned (он нахмурился) and looked around (и осмотрелся), working his lips together (двигая своими /сжатыми/ губами). Twilight was dimming the room (сумрак затемнял комнату). He stood there (он стоял там) in the weakening light (в слабеющем свете) for perhaps five minutes (около пяти минут). Finally (наконец) he shook his thick sloping shoulders (он встряхнул своими полными покатыми плечами; *to slope* — клониться; *иметь наклон*) impatiently (нетерпеливо) and went out (и вышел), leaving the suite's outer door unlocked (оставив внешнюю дверь номера незапертой; *lock* — замок; *to lock* — запирать на замок).

Then he opened the room's two windows and stood with his back to them staring at the sleeping girl. Her breathing was heavy but not troubled. He frowned and looked around, working his lips together. Twilight was dimming the room. He stood there in the weakening light for perhaps five minutes. Finally he shook his thick sloping shoulders impatiently and went out, leaving the suite's outer door unlocked.

Spade went (Спейд пошел) to the Pacific Telephone and Telegraph Company's station (в отделение телефонной и телеграфной компании «Пэсифик»; *station* — место, станция, *Pacific* — Тихоокеанский) in Powell Street (на Пауэлл-стрит) and called Davenport 2020 (и позвонил /по номеру/ Дэвенпорт 2020). "Emergency Hospital, please (госпиталь скорой помощи, пожалуйста).... Hello, there's a girl in suite twelve C (там

Spade went to the Pacific Telephone and Telegraph Company's station in Powell Street and called Davenport 2020. "Emergency Hospital, please... Hello, there's a girl in suite twelve C at the Alexandria Hotel who has been drugged... Yes, you'd better send somebody to take a look at her... This is Mr. Hooper of the Alexandria."

He put the receiver on its prong (он положил трубку на рычажок; *prong* — зубец, вилка) and laughed (и засмеялся). He called another number (он позвонил по другому номеру) and said: "Hello, Frank. This is Sam Spade. Can you let me have a car (ты можешь дать мне машину) with a driver (с водителем) who'll keep his mouth shut (который будет держать свой рот закрытым)? ... He called another number (он набрал другой номер) — his office's (своего офиса) — held the receiver to his ear (подержал трубку у своего уха; *to receive* — принимать, получать) for a little while (недолгое время) without saying anything (не говоря ничего), and replaced it on its hook (и вернул ее на свой крючок).

He called another number — his office's — held the receiver to his ear for a little while without saying anything, and replaced it on its hook.

He went to John's Grill (он пошел а гриль «Джона»), asked the waiter to hurry his order (попросил официанта поторопить его заказ) of chops (на отбивные), baked potato (запеченный картофель), and sliced tomatoes (и нарезанные помидоры), ate hurriedly (торопливо съел), and was smoking a cigarette (и курил сигарету) with his coffee (со своим кофе) when a thick-set youngish man (когда коренастый моложавый мужчина) with a plaid cap (в клетчатой кепке) set askew (сидящей набекрень) above pale eyes (над светлыми: «бледными» глазами) and a tough cheery face (и жестким радостным лицом) came into the Grill (вошел в гриль /бар/) and to his table (к его столу).

"All set, Mr. Spade (все готово, мистер Спейд). She's full of gas (она полна бензина; *gas* = *gasoline*) and rearing to go (и встает на дыбы, готовая ехать; *to rear* — *поднимать, воздвигать*)."

"Swell (прекрасно)." Spade emptied his cup (Спейд опустошил свою чашку) and went out with the thick-set man (и вышел с коренастым мужчиной). "Know where Ancho Avenue (знаете где-нибудь Анчо авеню), or Road (или магистральную улицу), or Boulevard (или бульвар), is in Burlingame (это в Берлингеме)?"

"All set, Mr. Spade. She's full of gas and rearing to go."

"Swell." Spade emptied his cup and went out with the thick-set man. "Know' where Ancho Avenue, or Road, or Boulevard, is in Burlingame?"

"Nope, hut if she's there we can find her (нет, но если она там, мы сможем найти ее)."

"Let's do that (давайте сделаем это)," Spade said as he sat beside the chauffeur (когда он сел рядом с водителем) in the dark Cadillac sedan (в темный седан «кадиллак»). "Twenty-six is the number (двадцать шесть это номер) we want (который нам нужен), and the sooner the better (и чем скорее, тем лучше), but we don't want to pull up (но нам не надо останавливаться) at the front door (у входной двери)."

"Correct (правильно)."

They rode half a dozen blocks in silence (они проехали полдюжину кварталов в тишине). The chauffeur said (водитель сказал): "Your partner got knocked off (вашего партнера прикончили: «был прикончен»), didn't he, Mr. Spade (не так ли, мистер Спейд)?"

"Uh-huh (угу)."

The chauffeur clucked (водитель закудахтал). "She's a tough racket (это тяжелая работенка; *tough* — жесткий, крепкий, надежный). You can have it for mine (можете поверить мне на слово)."

"Well, hack-drivers don't live forever (ну, наемные водители не живут вечно; *hack* — наемная лошадь; аемный экипаж; коляска)."

"Maybe that's right (может, это верно)," the thick-set man conceded (признал крепкий мужчина), "but, just the same (но, тем не менее), it'll always be a surprise to me (это будет для меня сюрпризом) if I don't (если я не проживу)."

Spade stared ahead at nothing (Спейд смотрел вперед, ни на что /в частности/) and thereafter (и после этого), until the chauffeur tired of making conversation (пока водитель пытался поддерживать разговор), replied with uninterested yeses and noes (отвечал незаинтересованными «да» и «нет»).

At a drug-store in Burlingame (в аптеке в Бэрлингеме) the chauffeur learned (водитель узнал) how to reach Ancho Avenue (как достичь Анчо-авеню). Ten minutes later (спустя десять минут) he stopped the sedan (он остановил седан) near a dark corner (недалеко от темного угла), turned off the lights (выключил огни), and waved his hand (и махнул рукой) at the block ahead (на квартал впереди). "There she is (она там)," he said. "She ought to be on the other side (она должна быть на другой стороне), maybe the third or fourth house (может быть, третий или четвертый дом)."

Spade said, "Right (хорошо)," and got out of the car (и вышел из машины). "Keep the engine going (держите двигатель работающим). We may have to leave in a hurry (нам может понадобится убраться в спешке)."

Spade said, "Right," and got out of the car. "Keep the engine going. We may have to leave in a hurry."

He crossed the street (он пересек улицу) and went up the other side (и пошел по другой стороне). Far ahead (далеко впереди) a lone street-light

burned (горел одинокий уличный фонарь). Warmer lights (более теплые огни) dotted the night (усеивали ночь точками) on either side (с обеих сторон) where houses were spaced (где располагались дома /через промежутки/) half a dozen to a block (с полдюжины на квартал). A high thin moon (высокая тонкая луна) was cold and feeble (была холодной и слабой) as the distant street-light (как далекий уличный свет). In front of the second house (перед вторым домом) from the corner (от угла) Spade halted (Спейд остановился). On one of the gateposts (на одном из воротных столбов) that were massive out of all proportion (которые были намного значительнее; *proportion* — *пропорция, правильное соотношение, размеры*) to the fence flanking them (ограды, расположенной по бокам от них /столбов/) a 2 and a 6 of pale metal (/цифры/ 2 и 6 из бледного металла) caught what light there was (ловили /и отражали/ весь свет, который там был). A square white card (квадратная белая карточка) was nailed over them (была прибита над ними). Putting his face close to the card (приложив свое лицо близко к карточке), Spade could see (Спейд смог видеть) that it was a For Sale (что это был знак «Продается»; *sale* — *продажа, торговля*) or Rent sign (или

«сдается»; *rent* — *квартирная или арендная плата*). There was no gate between the posts (*между столбами не было ворот*). Spade went up the cement walk (*Спейд пошел вверх по цементной тропинке*) to the house (*к дому*). He stood still (*он стоял неподвижно*) on the walk (*на тропинке*) at the foot of the porch-steps (*у подножия ступенек крыльца*) for a long moment (*достаточно долго; moment — момент, миг, минута*). No sound came from the house (*никакого звука не доносилось из дома*). He stood still on the walk at the foot of the porch-steps for a long moment. No sound came from the house. The house was dark except for another pale square card nailed on its door.

Spade went up to the door and listened (*Спейд поднялся к двери и прислушался*). He could hear nothing (*он не слышал ничего*). He tried to look through the glass of the door (*он пытался посмотреть сквозь стекло двери*). There was no curtain (*там не было занавески*) to keep his gaze out (*/которая могла бы/ помешать его взгляду; to keep out — держать вне*), but inner darkness (*но внутренняя темнота /в помещении/*). He left the porch (он покинул крыльцо) and, stepping carefully (и, осторожно ступая) over dark unfamiliar ground (по темной, незнакомой земле), walked through weeds (прошел через сорняки) around the house (вокруг дома). The side-windows (боковые окна) were too high (были слишком высокими) to be reached from the ground (чтобы /их/ можно было достать с земли). The back door (задняя дверь) and the one back window (и одно заднее окно) he could reach (которых он мог достичь) were locked (были заперты).

Spade went back (Спейд снова вернулся назад) to the gatepost (к стойкам ворот) and, cupping the flame between his hands (и, прикрывая огонь между своими ладонями; *to cup* — придавать форму чашки, складывать пригоршней), held his lighter up (поднял свою зажигалку) to the For Sale or Rent sign (к знаку «Продается» или «Сдается»). Spade returned to the sedan (Спейд вернулся к седану) and asked the chauffeur (и спросил шофера): "Got a flashlight (есть фонарь)?"

"Sure (конечно)." He gave it to Spade (он дал его Спейду). "Can I give you a hand at anything (могу я вам чем-то помочь)?"

"Maybe (может быть)." Spade got into the sedan (Спейд сел в седан). "We'll ride up to number thirty one (мы поедем к /дому/ номер тридцать один; *to ride — ехать /в т. ч. верхом/*). You can use your lights (вы можете использовать ваши фары)."

Number 31 was a square grey house (/дом/ номер 31 был квадратным серым домом) across the street from (через улицу /от/), but a little farther up than, 26 (но немного дальше, чем дом номер 26). Lights glowed in its downstairs-windows (огни горели в его нижних окнах). Spade went up on the porch (Спейд подошел к крыльцу) and rang the bell (и позвонил в звонок). A dark-haired girl (темноволосая девушка) of fourteen or fifteen (четырнадцати или пятнадцати лет) opened the door (открыла дверь). Spade, bowing and smiling, said (Спейд, кланяясь и улыбаясь, сказал): "I'd like to get the key to number twenty-six (я хотел бы получить ключ от /дома/ номер двадцать шесть)."

"I'll call Papa (я позову папу)," she said and went back into the house (сказала она и ушла назад в дом) calling (крича): "Papa!"

"I'll call Papa," she said and went back into the house calling: "Papa!"

A plump red-faced man (пухлый краснолицый мужчина), bald-headed (с лысой головой) and heavily mustached (и густыми усами), appeared (появился), carrying a newspaper (неся газету).

Spade said: "I'd like to get the key to twenty-six (я хотел бы получить ключ от двадцать шестого /дома/)."

The plump man looked doubtful (пухлый мужчина смотрел с сомнением). He said: "The juice is not on (там нет света; *juice* — сок, /зд. амер. разг./ электрический ток). You couldn't see anything (вы не сможете ничего увидеть)."

Spade patted his pocket (Спейд похлопал по карману). "I've a flashlight (у меня есть фонарь)."

Spade showed him one of his business-cards (Спейд показал ему одну из своих визиток), put it back in his pocket (положил ее обратно в свой карман), and said in a low voice (и сказал тихим голосом): "We got a tip (нам намекнули; *tip* — совет, подсказка) that there might be something hidden there (что там может быть что-то скрыто; *to hide* — прятать, скрывать)."

The plump man's face and voice were eager (лицо и голос человека стали любопытными). "Wait a minute (подождите минуту)," he said. "I'll go over with you (я пойду вместе с вами)."

A moment later (секунду спустя) he came back (он вернулся) carrying a brass key (неся медный ключ) attached to a black and red tag (прикрепленный к черному и красному ярлыку). "Anybody been looking at the house lately (кто-нибудь смотрел дом на днях)?" Spade asked.

"Not that I know of (я о таком не знаю)," the plump man replied (ответил пухлый человек). "Nobody's been to me (никого не было у меня) for the key (за ключом) in a couple of months (уж пару месяцев)."

The plump man marched ahead (пухлый человек шел впереди) with the key (с ключом) until they had gone up on the porch (пока они не взобрались на крыльцо). Then he thrust the key (потом он сунул ключ)

Spade unlocked the door (Спейд отпер дверь) and pushed it open (и открыл ее толчком). There was silence and darkness (там была тишина и темнота). Holding the flashlight (держа фонарик) — dark (темно) — in his left hand (в своей левой руке), Spade entered (вошел Спейд). The chauffeur came close behind him (водитель шел близко позади него) and then (а затем), at a little distance (на некотором расстоянии), the plump man followed them (пухлый человек следовал за ними). Saying (говоря), "Thanks, that's all (спасибо, это все)," Spade left the sedan (Спейд покинул седан) in front of the Alexandria (перед гостиницей «Александрия»). He went into the hotel (он вошел в отель), to the desk (к стойке регистрации), where a tall young man (где высокий молодой человек) with a dark grave face said (со смуглым важным лицом сказал): "Good evening, Mr. Spade (добрый вечер, мистер Спейд)."

Effie Perine opened the door (Эффи Пирайн открыла дверь). Her boyish face was tired and smiling (ее мальчишеское лицо было усталым и улыбающимся). "Hello, boss (привет, босс)," she said. "They took you down to the Hall?"

"Oh, yes, and they asked me loads of questions, but it was all — you know — routine."

Spade rubbed his palms together (Спейд потер свои ладони друг об друга). "Swell (прекрасно)," he said and then frowned (сказал он, а потом нахмурился), "though I guess (хотя, я думаю) they'll think up plenty (они придумают много чего) to put to me (чтобы задать мне) when we meet (когда мы встретимся). That damned Dundy will (этот проклятый Данди будет), anyway (во всяком случае), and Bryan (и Брайан)." He moved his shoulders (он двинул своими плечами). "Anybody you know (кто-нибудь, кого ты знаешь), outside of the police (не из полиции), come around (заходил)?"

"Yes." She sat up straight (она села прямо). "That boy (тот парень) — the one who brought the message from Gutman (тот, который принес сообщение от Гутмана) — was there (был там). He didn't come in (он не вошел), but the police left the corridor-door open (но полиция оставила коридорную дверь открытой) while they were there (пока они были там) and I saw him standing there (и я видела его стоящим там)."

"Why (почему)?"

"He's a bad egg (он плохой; *egg* — яйцо; /разг./ *тип, парень*), that lad (этот парень) — poison (опасный; *poison* — яд, *отрава*). Was the dead man Jacobi (мертвец был Якоби)?"

Midnight was a few minutes away (полночь наступила несколько минут назад) when Spade reached his home (когда Спейд достиг своего дома). He put his key (он вставил свой ключ) into the street-door's lock (в замок парадной двери). Heels clicked rapidly (каблуки быстро защелкали) on the sidewalk (по тротуару) behind him (позади него). He let go the key and wheeled (он засунул ключ и повернул; *to wheel* — катить, описать круг). Brigid O'Shaughnessy ran up the steps to him (Бриджит О'Шонесси бежала вверх по ступенькам к нему). She put her arms around him (она обвила свои руки вокруг него) and hung on him, panting (и повисла на нем, задыхаясь): "Oh, I thought you'd never come (о, я думала, ты никогда не придешь)!" Her face was haggard (ее лицо было изможденным), distraught (ошалелым; *distraught* — потерявший рассудок, обезумевший /от горя и т.п./), shaken by the tremors (сотрясаемое дрожью) that shook her (которая била ее; *to shake (shook, shaken)* — трясти, встряхивать) from head to foot (с ног до головы).

"Yes." Panting spaced her words (тяжелое дыхание разделяло ее слова). "In a (в) — doorway (проходе) — up the (выше) — street (по улице)."

They rode up to Spade's floor (они поднялись на этаж Спейда) in the elevator (на лифте) and went around to his apartment (и пошли к его квартире). She left his arm (она оставила его руку) and stood beside him (и встала рядом с ним) — panting (задыхаясь), both hands to her breast (обе руки на ее груди) — while he unlocked his door (пока он отпирает свою дверь). He switched on the passageway light (он включил свет в коридоре). They went in (они вошли). He shut the door (он закрыл дверь) and, with his arm around her again (и со своей рукой снова вокруг нее), took her back (провел ее назад) towards the living-room (в сторону гостиной). When they were within a step of the living-room-door (когда они были в шаге от двери в гостиную) the light in the living-room went on (свет в гостиной зажегся).

Gutman said: "Well, sir, we're all here (ну, сэр, теперь мы все здесь), as you can see for yourself (как вы можете видеть сами). Now let's come in and sit down (теперь, давайте войдем и сядем) and be comfortable (и успокоимся) and talk (и поговорим)."

XVIII. The Fall-Guy

(Козел отпущения)

Spade, with his arms around Brigid O'Shaughnessy (Спейд, с руками вокруг Бриджит О'Шонесси), smiled meagerly over her head (слабо/вяло улыбнулся над ее головой; *meager* — худой, изнуренный, вялый) and said: "Sure, we'll talk (конечно, мы поговорим)."

Gutman's bulbs jounced (отвислости Гутмана затрепыхались) as he took three waddling backward steps (когда он сделал три шага вразвалочку назад) away from the door (от двери).

Spade and the girl went in together (Спейд и девушка вместе вошли). The boy and Cairo followed them in (парень и Кейро последовали за ними внутрь). Cairo stopped in the doorway (Кейро остановился в дверном проеме). The boy put away one of his pistols (юноша спрятал один из своих пистолетов) and came up close behind Spade (и подошел близко позади Спейда).

Spade and the girl went in together. The boy and Cairo followed them in. Cairo stopped in the doorway. The boy put away one of his pistols and came up close behind Spade.

Spade turned his head (Спейд повернул голову) far around (дальше назад: «вокруг») to look down over his shoulder (чтобы посмотреть через свое плечо) at the boy (на юнца) and said: "Get away (убирайся). You're not going to frisk me (ты же не собираешься обыскать меня)."

The boy said (юнец сказал): "Stand still (стой спокойно). Shut up (заткнись)."

Spade's nostrils (ноздри Спейда) went in and out (двигались внутрь и наружу) with his breathing (вместе с его дыханием). His voice was level (его голос был ровным). "Get away (убирайся). Put your paw on me (положи свою лапу на меня) and I'm going to make you use the gun (и я заставлю тебя использовать пистолет). Ask your boss (спроси своего босса) if he wants me shot up (хочет ли он, чтобы меня застрелили) before we talk (прежде чем мы поговорим)."

"Never mind, Wilmer (не беспокойся Вилмер)," the fat man said (сказал толстяк). He frowned indulgently at Spade (он снисходительно нахмурился на Спейда). "You are certainly (вы определенно) a most headstrong individual (самая упрямая личность). Well, let's be seated (ну, давайте сядем)."

Spade said, "I told you (я сказал вам) I didn't like that punk (что мне не нравится этот молокосос)," and took Brigid O'Shaughnessy to the sofa by the windows (и подвел Бриджит О'Шонесси к дивану у окон). They sat close together (они сели близко друг к другу), her head against his left shoulder (ее голову у его левого плеча), his left arm around her shoulders (его левая рука вокруг ее плеч). She had stopped trembling (она перестала дрожать; *to tremble*), had stopped panting (перестала задыхаться). The appearance of Gutman (внешний вид Гутмана) and his companions (и его компаньонов) seemed to have robbed her (казалось, лишило ее; *to rob* — *грабить, обкрадывать*) of that freedom of personal movement (той свободы личного движения) and emotion (и эмоции) that is animal (что свойственны животному /организму/), leaving her alive (оставив ее живой), conscious (в сознании), but quiescent as a plant (но покоящейся/неподвижной, как растение).

"Never mind, Wilmer," the fat man said. He frowned indulgently at Spade. "You are certainly a most headstrong individual. Well, let's be seated."

Spade said, "I told you I didn't like that punk," and took Brigid O'Shaughnessy to the sofa by the windows. They sat close together, her head against his left shoulder, his left arm around her shoulders. She had stopped trembling, had stopped panting. The appearance of Gutman and his companions seemed to have robbed her of that freedom of personal movement and emotion that is animal, leaving her alive, conscious, but quiescent as a plant.

Gutman lowered himself (Гутман опустился) into the padded rocking chair (в обитое кресло-качалку). Cairo chose the armchair by the table (Кейро выбрал кресло у стола). The boy Wilmer did not sit down (юнец Вилмер не сел). He stood in the doorway (он стоял в дверном проеме) where Cairo had stood (где Кейро стоял), letting his one visible pistol (оставив свой один видимый пистолет) hang down at his side (висящим у своего бока), looking under curling lashes (глядя из-под изогнутых ресниц) at Spade's body (на тело Спейда). Cairo put his pistol (Кейро положил свой пистолет) on the table beside him (на стол рядом с ним).

Spade took off his hat (Спейд снял свою шляпу) and tossed it to the other end of the sofa (и бросил ее на другой конец дивана). He grinned at Gutman (он улыбнулся Гутману). The looseness of his lower lip (расслабленность его нижней губы) and the droop of his upper eyelids (и опущенные верхние веки; *droop* — наклон, спад, сутулость) combined with the v's in his face (сочетались с «v» в его лице) to make his grin lewd as a satyr's (и делали его улыбку непристойной, как у сатира). "That

daughter of yours (у этой вашей дочери) has a nice belly (прекрасный живот)," he said, "too nice (слишком прекрасный) to be scratched up with pins (чтобы его царапали булавками)."

Gutman's smile was affable (улыбка Гутмана была любезной/приветливой) if a bit oily (хоть и немного елейной; *oily* — масляный, сальный, елейный).

The boy in the doorway (парень в дверном проеме) took a short step forward (сделал короткий шаг вперед), raising his pistol (поднимая свой пистолет) as far as his hip (на уровне своего бедра). The boy blushed (парень покраснел), drew back his advanced foot (потянул назад свою выдвинутую ногу), straightened his legs (выпрямил свои ноги), lowered the pistol (опустил

пистолет) and stood as he had stood before (и встал, как он стоял раньше), looking under lashes (глядя из-под ресниц) that hid his eyes (которые скрывали его глаза) at Spade's chest (на грудь Спейда). The blush was pale enough (румянец был достаточно бледным) and lasted for only an instant (и длился всего мгновение), but it was startling on his face (но он был поразительным на его лице) that habitually was so cold and composed (которое обычно было таким холодным и невозмутимым).

Gutman turned (Гутман повернул) his sleek-eyed fat smile (свою елейную жирную улыбку; *-eyed* — как компонент сложных слов — *имеющий такие-то глаза*) on Spade again (снова к Спейду). His voice was a suave purring (его голос был вкрадчивым мурлыканьем). "Yes, sir, that was a shame (да сэр, это было стыдно), but you must admit (но вы должны признать) that it served its purpose (что это послужило своей цели)."

Spade's brows twitched together (брови Спейда дернулись вместе). "Anything would've (что угодно послужило бы)," he said. "Naturally I wanted to see you (конечно, я хотел вас видеть) as soon as I had the falcon (как только я получил сокола). Cash customers (покупатели с наличными)

Gutman chuckled (Гутман хихикнул). His chuckle seemed to hold nothing (казалось, его хихиканье не содержало ничего) but satisfaction (кроме удовлетворения). "Well, sir (ну, сэр)," he said, "in any case (в любом случае), here we are having our little meeting (мы здесь на нашей маленькой встрече), if that's what you wanted (если это то, что вы хотели)."

"That's what I wanted (это то, что я хотел). How soon (как скоро) are you ready to make the first payment (вы готовы сделать первый платеж) and take the falcon off my hands (и забрать сокола из моих рук)?"

Brigid O'Shaughnessy sat up straight (Бриджит О'Шонесси села прямо) and looked at Spade (и посмотрела на Спейда) with surprised blue eyes (удивленными голубыми глазами). He patted her shoulder inattentively (он небрежно: «невнимательно» похлопал ее по плечу). His eyes were steady on Gutman's (его глаза были постоянно на Гутмане). Gutman's twinkled merrily (Гутман весело моргнул) between sheltering fat puffs (между нависающими жирными вздутиями; *to shelter* — *приютить, укрыть, защитить*). He said: "Well, sir, as to that (ну, сэр, раз так)," and put a hand inside the breast (и сунул руку в верхнюю часть; *breast* — *грудь*) of his coat (своего пальто).

Cairo, hands on thighs (Кейро, руки на бедрах), leaned forward in his chair (наклонился вперед в своем кресле), breathing between parted soft lips (дыша через: «между» раскрытые мягкие губы). His dark eyes (его темные глаза) had the surface-shine of lacquer (имели внешний блеск лакировки). They shifted their focus warily (они осторожно меняли свой фокус) from Spade's face to Gutman's (от Спейда к Гутману), from Gutman's to Spade's (от Гутмана к Спейду).

Brigid O'Shaughnessy sat up straight and looked at Spade with surprised blue eyes. He patted her shoulder inattentively. His eyes were steady on Gutman's. Gutman's twinkled merrily between sheltering fat

Cairo, hands on thighs, leaned forward in his chair, breathing between parted soft lips. His dark eyes had the surface-shine of lacquer. They shifted their focus warily from Spade's face to Gutman's, from Gutman's to Spade's.

Gutman repeated (Гутман повторил), "Well, sir, as to that (ну, сэр, раз так)," and took a white envelope (и достал белый конверт) from his pocket (из своего кармана). Ten eyes (десять глаз) — the boy's now only half obscured by his lashes (/глаза/ юнца, теперь только наполовину скрытые его ресницами) — looked at the envelope (смотрели на конверт). Turning the envelope over in his swollen hands (поворачивая конверт в своих пухлых руках), Gutman studied for a moment its blank white front (Гутман мгновение изучал его чистую белую поверхность /передней стороны/) and then its back (потом заднюю сторону), unsealed (незапечатанную), with the flap tucked in (с заправленным клапаном). He raised his head (он поднял свою голову), smiled amiably (дружелюбно улыбнулся), and scaled the envelope at Spade's lap (и бросил конверт на колени Спейду).

obscure [qb'skjVq] eyelash ['allxS] scale [skell]

Gutman repeated, "Well, sir, as to that," and took a white envelope from his pocket. Ten eyes — the boy's now only half obscured by his lashes — looked at the envelope. Turning the envelope over in his swollen hands, Gutman studied for a moment its blank white front and then its back, unsealed, with the flap tucked in. He raised his head, smiled amiably, and scaled the envelope at Spade's lap.

The envelope, though not bulky (конверт, хотя и не объемный), was heavy enough (был достаточно тяжел) to fly true (чтобы лететь прямо; *true — правдиво, честно, точно*). It struck the lower part of Spade's chest (он ударил нижнюю часть груди Спейда) and dropped down (и упал вниз) on his thighs (на его бедра). He picked it up deliberately (он поднял его неторопливо) and opened it deliberately (и открыл его неторопливо), using both hands (используя обе руки), having taken his left arm (сняв свою вторую руку) from around the girl (с девушки). The contents of the envelope (содержимым конверта) were thousand-dollar bills (были купюры по тысяче долларов), smooth and stiff and new (гладкие и жесткие и новые). Spade took them out (Спейд вытащил их) and counted them (и пересчитал их). There were ten of them (там было десять /купюр/). Spade looked up smiling (Спейд поднял взгляд, улыбаясь). He said mildly (он мягко сказал): "We were talking about more money than this (мы говорили о больших деньгах, чем эти)."

He said mildly: "We were talking about more money than this."

"Yes, sir, we were (да, сэр, мы говорили)," Gutman agreed (согласился Гутман), "but we were talking then (но мы говорили тогда). This is actual money (это реальные деньги), genuine coin of the realm, sir (истинные

With a dollar of this (с таким долларом) you can buy more (вы можете купить больше) than with ten dollars of talk (чем с десятью долларами разговора)." Silent laughter (беззвучный смех) shook his bulbs (потряс его округлости). When their commotion stopped (когда их волнение закончилось) he said more seriously (он сказал более серьезно), yet not altogether seriously (но в тоже время не совсем серьезно): "There are more of us (нас больше) to be taken care of nosy (и нам надо позаботиться о любопытных; *nosy* — носатый; длинноносый; любопытный; пронырливый)." He moved his twinkling eyes (он двинул своими мигающими глазами) and his fat head (и своей толстой головой) to indicate Cairo (чтобы указать на Кейро). While Gutman talked (пока Гутман говорил) Spade had tapped the edges of the ten bills (Спейд похлопывал уголки десяти банкнот) into alignment (выравнивая) and had returned them to their envelope (а потом вернул их в конверт), tucking the flap in over them (вкладывая клапан в конверт над ними). Now, with forearms on knees (теперь, с предплечьями на коленях), he sat hunched forward (он сидел, согнувшись вперед), dangling the

envelope (раскачивая конверт) from a corner (за уголок) held lightly by finger and thumb (легко сжимаемого большим и указательным пальцами) down between his legs (внизу, между своих ног). His reply to the fat man was careless (его ответ толстяку был беззаботным): "Sure (конечно). You're together now (вы теперь вместе), but I've got the falcon (но у меня сокол)."

Joel Cairo spoke (Джоэль Кейро заговорил). Ugly hands (уродливые руки) grasping the arms of his chair (сжимающие подлокотники его кресла), he leaned forward (он наклонился вперед) and said primly (и сказал натянуто) in his high-pitched thin voice (своим пронзительным тонким голосом): "I shouldn't think (я не мог подумать) it would be necessary to remind you, Mr. Spade (что окажется необходимым напомнить вам, мистер Спейд), that though you may have the falcon (что хотя вы можете иметь птицу) yet we certainly have you (все же вы точно в нашей власти: «мы точно имеем Вас»)."

You're together now, but I've got the falcon."

Joel Cairo spoke. Ugly hands grasping the arms of his chair, he leaned forward and said primly in his high-pitched thin voice: "I shouldn't think it would be necessary to remind you, Mr. Spade, that though you may have the falcon yet we certainly have you."

Spade grinned (Спейд усмехнулся). "I'm trying to (я пытаюсь) not let that (не дать этому) worry me (волновать меня)," he said. He sat up straight (он сел прямо), put the envelope aside (отложил конверт в сторону) — on the sofa (на диван) — and addressed Gutman (и обратился к Гутману): "We'll come back to the money later (мы вернемся к деньгам позже). There's another thing (есть другая вещь) that's got to be taken care of first (о которой нужно позаботиться вначале). We've got to have a fall-guy (нам нужен: «мы должны иметь» козел отпущения)."

The fat man frowned (толстяк нахмурился) without comprehension (не понимая), but before he could speak (но прежде чем он смог заговорить) Spade was explaining (Спейд объяснял): "The police has got to have a victim (у полиции должна быть жертва) — somebody (кто-то) they can stick (кого они могут задержать; *to stick* — *наклеивать, приклеивать, крепко держать*) for those three murders (за те три убийства). Cairo, speaking in a brittle excited voice (Кейро, говоря хрупким взволнованным голосом), interrupted Spade (прервал Спейда). "Two (два) — only two (только два) — murders, Mr. Spade (убийства, мистер Спейд).

Thursby undoubtedly (Терсби, без сомнения) killed your partner (убил вашего компаньона)."

"All right, two (хорошо, два)," Spade growled (проворчал Спейд). "What difference does that make (какая разница из-за этого)? The point is (дело в том) we've got to feed the police some (мы должны скормить полиции кого-то) — "

Now Gutman broke in (теперь Гутман вмешался), smiling confidently (доверительно улыбаясь), talking with good-natured assurance (говоря с добродушной уверенностью): "Well, sir (ну, сэр), from what we've seen and heard of you (из того, что мы видели и слышали о вас) I don't think we'll have to bother ourselves about that (я не считаю, что мы должны утомлять себя этим). Now Gutman broke in, smiling confidently, talking with good-natured assurance: "Well, sir, from what we've seen and heard of you I don't think we'll have to bother ourselves about that. We can leave the handling of the police to you, all right. You won't need any of our inexperienced help."

"If that's what you think (если это то, что вы думаете)," Spade said, "you haven't seen or heard enough (вы не видели или = и не слышали достаточно)."

"Nosy come, Mr. Spade (бросьте, мистер Спейд). You can't expect us to believe (вы не можете ожидать, что мы поверим) at this late date (на этом позднем этапе; *date* — *дата, время*) that you are the least bit afraid of the police (что вы хоть немного боитесь полиции), or that you are not quite able to handle (или вы не можете справиться с ней) — "

Spade snorted with throat and nose (Спейд хмыкнул своим горлом и носом). He bent forward (он наклонился вперед), resting forearms on knees again (снова опершись предплечьями на колени), and interrupted Gutman irritably (и раздраженно прервал Гутмана): "I'm not a damned bit afraid of them (я ни черта не боюсь их) and I know how to handle them (и я знаю, как обращаться с ними). "But hell (но черт)!" Spade said. "It's the only way (это единственный способ)." His eyes were hot and earnest (его глаза были горячими и серьезными) under a reddening forehead (под краснеющим лбом). The boy in the doorway (юноша в дверном проеме) tightened the corners of his mouth (сжал уголки своего рта) in what may have been (в нечто, что могло бы быть) a minute smile (мимолетной улыбкой). Brigid O'Shaughnessy had moved away from Spade (Бриджит О'Шонесси отодвинулась от Спейда) and had twisted herself around on the sofa (и повернулась на диване) to stare at him (чтобы уставиться на него). The boy's eyes were cold hazel gleams under his lashes. He said in a low distinct voice: "Yes, it's funny — the son of a bitch."

Spade was talking to Brigid O'Shaughnessy: "How do you feel now, angel? Any better?"

"Yes, much better, only" — she reduced her voice until the last words would have been unintelligible two feet away — "I'm frightened."

"Don't be," he said carelessly and put a hand on her grey-stockinged knee. "Nothing very bad's going to happen. Want a drink?"

"Not now, thanks (не сейчас, спасибо)." Her voice sank again (ее голос снова опустился). "Be careful, Sam (будь осторожен, Сэм)."

Spade grinned (Спейд усмехнулся) and looked at Gutman (и посмотрел на Гутмана), who was looking at him (который смотрел на него). The fat man smiled genially (толстяк сердечно улыбнулся), saying nothing for a moment (какое-то время ничего не говоря), and then asked (а потом спросил): "How (как)?"

Spade was stupid (Спейд был глупым). "How what (как что)?"

The fat man considered (толстяк посчитал) more laughter necessary then (нужным еще посмеяться тогда: «больше смеха необходимым тогда»), and an explanation (и объяснить: «объяснение»): "Well, sir, if you're really serious about this (сэр, если вы действительно серьезно об этом) — this suggestion of yours (это ваше предложение), the least we can do in common politeness (самое меньшее, что мы можем из обычной вежливости сделать; *polite* — *вежливый*) is to hear you out (это выслушать вас). Now how are you going (ну, как вы собираетесь) about fixing it so (устроить это так) that Wilmer (чтобы Вилмер)" — he paused here to laugh again (он остановился, чтобы засмеяться снова) — "won't be able to do us any harm (не смог нам никак навредить)?"

Spade grinned and looked at Gutman, who was looking at him. The fat man smiled genially, saying nothing for a moment, and then asked: "How?"

Spade was stupid. "How what?"

The fat man considered more laughter necessary then, and an explanation: "Well, sir, if you're really serious about this — this

suggestion of yours, the least we can do in common politeness is to hear you out. Now how are you going about fixing it so that Wilmer" — he paused here to laugh again — "won't be able to do us any harm?"

Spade shook his head (Спейд покачал своей головой). "No," he said, "I wouldn't want to take advantage of anybody's politeness (нет, я бы не стал пользоваться чьей-либо вежливостью), no matter how common (неважно насколько обычной), like that (подобно этой). Forget it (забудьте об этом)."

The fat man puckered up (толстяк сморщил) his facial bulbs (свои лицевые складки). "Yes, but (да, но) — " Gutman began (начал Гутман), and stopped (и остановился) to look at the boy (чтобы посмотреть на юношу).

The boy advanced from the doorway (юноша продвинулся от дверного проема), walking stiff-legged (идя на напряженных ногах), with his legs apart (с расставленными ногами), until he was between Gutman and Cairo (пока он не был между Гутманом и Кейро), almost in the center of the floor (почти в центре комнаты: «пола»).

"Yes, but — " Gutman began, and stopped to look at the boy.

The boy advanced from the doorway, walking stiff-legged, with his legs apart, until he was between Gutman and Cairo, almost in the center of the floor.

He halted there (там он остановился), leaning forward slightly (слегка наклонившись вперед) from the waist (от пояса), his shoulders raised towards the front (его плечи подняты вперед). The pistol in his hand

(пистолет в его руке) still hung at his side (все еще висел сбоку), but his knuckles were white (но его костяшки были белыми) over its grip (на его рукоятке; *grip* — *зажатие, хватка*). His other hand (его другая рука) was a small hard fist (была маленьким твердым кулаком) down at his other side (внизу у его другого бока). The indelible youngness of his face (неизгладимая юность его лица) gave an indescribably vicious (придавала неописуемо порочный; *to describe* — *описывать*; *vice* — *порок*) — and inhuman (и жестокий) — turn (вид; *поворот*; *стиль, манера*) to the white-hot hatred (разъяренной: «раскаленной добела» ненависти) and the cold white malevolence (и холодной белой злобе: «недоброжелательности») in his face (в его лице). He said to Spade in a voice (он сказал Спейду голосом) cramped by passion (сведенным от ярости; *cramp* — *спазм, судорога*): "You bastard (ты, ублюдок), get up on your feet (встань на свои ноги) and go for your heater (и сходи за своей пушкой; *heater* — *печь, нагревательный прибор, /амер. сл./ пистолет*)!"

indelible [ɪn'delɪb(ə)l] inhuman [ɪn'hju:mən]
malevolence [mɔ'lev(ə)ləns]

He halted there, leaning forward slightly from the waist, his shoulders raised towards the front. The pistol in his hand still hung at his side, but his knuckles were white over its grip. His other hand was a small hard fist down at his other side. The indelible youngness of his face gave an indescribably vicious — and inhuman — turn to the white-hot hatred and the cold white malevolence in his face. He said to Spade in a voice cramped by passion: "You bastard, get up on your feet and go for your heater!"

Spade smiled at the boy (Спейд улыбнулся юноше). His smile was not broad (его улыбка не была широкой), but the amusement in it (но веселье в

ней /«позабавленность услышанным»/) seemed genuine and unalloyed (казалось искренним и неподдельным; *alloy* — сплав; *to alloy* — делать сплав; омрачать /радость, удовольствие/).

The boy said: "You bastard (ты, ублюдок), get up (встань) and shoot it out (и сражайся до конца) if you've got the guts (если ты не трус; *guts* — кишки, внутренности). I've taken all the riding from you (я вынес все издевательства от тебя; *to ride* — /амер. разг./ потешаться, высмеивать) I'm going to take (какие только мог: «собираюсь» /вынести/)."

The amusement in Spade's smile deepened (веселье во взгляде Спейда углубилось; *deep* — глубокий). He looked at Gutman and said (он посмотрел на Гутмана и сказал): "Young Wild West (юный Дикий Запад)." His voice matched his smile (его голос соответствовал его улыбке). "Maybe you ought to tell him (может быть, вы должны ему сказать) that shooting me (что застрелить меня) before you get your hands on the falcon (прежде чем вы получите в свои руки сокола) would be bad for business (было бы плохо для дела)."

unalloyed [Anq'!Old] bastard ['bxs| tqd, 'bQ:s-] deepen ['di:p(q)n]

Spade smiled at the boy. His smile was not broad, but the amusement in it seemed genuine and unalloyed.

The boy said: "You bastard, get up and shoot it out if you've got the guts. I've taken all the riding from you I'm going to take."

The amusement in Spade's smile deepened. He looked at Gutman and said: "Young Wild West." His voice matched his smile. "Maybe you ought to tell him that shooting me before you get your hands on the falcon would be bad for business."

Gutman's attempt at a smile (попытка Гутмана улыбнуться) was not successful (не была успешной; *success* — успех), but he kept the resultant

grimace (но он хранил получившуюся гримасу; *resultant* — получающийся в результате; *проистекающий*) on his mottled face (на своем пестром лице). He licked dry lips (он облизал сухие губы) with a dry tongue (сухим языком). His voice was too hoarse (его голос был слишком хриплым) and gritty (и скрипучим; *gritty* — песчаный; *grit* — песок, гравий) for the paternally admonishing tone (для тона отеческого увещевания) it tried to achieve (который он пытался достичь), "Now, now, Wilmer (ну, ну, Вилмер)," he said, "we can't have any of that (мы не можем устроить что-то вроде этого). You shouldn't (ты не должен) let yourself attach (позволять себе придавать) so much importance (так много значения) to these things (таким вещам). You — "

The boy (юноша), not taking his eyes from Spade (не отводя своих глаз от Спейда), spoke in a choked voice (сказал сдавленным голосом) out the side of his mouth (сквозь зубы: «через бок своего рта»): "Make him lay off me then (тогда заставь его отстать от меня). I'm going to fog him (я собираюсь прикончить его) if he keeps it up (если он продолжит это) and there won't be anything (и ничто не сможет) that'll stop me (остановить меня) from doing it (от того, чтобы сделать это)."

Gutman's attempt at a smile was not successful, but he kept the resultant grimace on his mottled face. He licked dry lips with a dry tongue. His voice was too hoarse and gritty for the paternally admonishing tone it tried to achieve, "Now, now, Wilmer," he said, "we can't have any of that. You shouldn't let yourself attach so much importance to these things. You — "

The boy, not taking his eyes from Spade, spoke in a choked voice out the side of his mouth: "Make him lay off me then. I'm going to fog him if he keeps it up and there won't be anything that'll stop me from doing it."

"Now, Wilmer (ну же, Вилмер)," Gutman said and turned to Spade (сказал Гутман и повернулся к Спейду). His face and voice were under control now (его лицо и голос были теперь под контролем). "Your plan is, sir (ваш план, сэр), as I said (как я сказал) in the first place (в первую очередь), not at all practical (совершенно не применим). Let's not say anything more about it (давайте больше не будем ничего об этом говорить)."

Spade looked from one of them to the other (Спейд посмотрел с одного из них на других). He had stopped smiling (он перестал улыбаться). His face held no expression at all (его лицо не выражало совершенно ничего). "I say what I please (я говорю то, что хочу)," he told them (сказал он им).

"You certainly do (конечно)," Gutman said quickly (быстро сказал Гутман), "and that's one of the things (и это одна из вещей) I've always admired in you (которыми я всегда в вас восхищался). But this matter is (но дело в том), as I say (как я говорю), not at all practical (что это совершенно не применимо), so there's not the least bit of use (поэтому нет ни малейшей пользы) of discussing it any further (в его дальнейшем обсуждении), as you can see for yourself (как вы можете видеть сами)."

Spade looked from one of them to the other. He had stopped smiling. His face held no expression at all. "I say what I please," he told them.

"You certainly do," Gutman said quickly, "and that's one of the things I've always admired in you. But this matter is, as I say, not at all

"I can't see it for myself (я сам этого не вижу)," Spade said, "and you haven't made me see it (и вы не заставили меня это увидеть), and I don't think you can (и я не думаю, что вы сможете)." He frowned at Gutman (он хмуро взглянул на Гутмана). "Let's get this straight (давайте точно разберемся; *straight* — неизогнутый, прямой). Am I wasting time talking to you (я теряю время, разговаривая с вами)? I thought this was your show (я думал, это ваше дело). Should I do my talking to the punk (я что, должен говорить с молокососом)? I know how to do that (я знаю, как это сделать)."

"No, sir," Gutman replied (ответил Гутман), "you're quite right (вы совершенно правы) in dealing with me (имея дело со мной)."

Spade said: "All right (хорошо). Now I've got another suggestion (сейчас у меня есть другое предложение). It's not as good as the first (оно не такое хорошее, как первое), but it's better than nothing (но оно лучше, чем ничего). Want to hear it (хотите услышать его)?"

"No, sir," Gutman replied, "you're quite right in dealing with me."

Spade said: "All right. Now I've got another suggestion. It's not as good as the first, but it's better than nothing. Want to hear it?"

"Most assuredly (несомненно; *most* — в наибольшей степени)."

"Give them Cairo (отдайте им Кейро)."

Cairo hastily picked up his pistol (Кейро поспешно подхватил свой пистолет) from the table (со стола) beside him (рядом с ним). He held it tight in his lap (он держал его близко к своим коленям) with both hands (обеими руками), its muzzle pointed at the floor (его дуло было направлено на пол) a little to one side of the sofa (немного к одной стороне дивана). His face had become yellowish again (его лицо снова стало желтоватым). His black eyes (его черные глаза) darted their gaze (метали свой взгляд) from face to face (с одного лица на другое). The opaqueness of his eyes (непрозрачность его глаз; *opaque* — *непрозрачный; непроницаемый*) made them seem flat (сделала их, как казалось, плоскими), two-dimensional (двухмерными).

Gutman, looking as if he could not believe (глядя, словно он не мог поверить в то) he had heard what he had heard (что он слышал), asked (спросил): "Do what (сделать что)?"

His face had become yellowish again. His black eyes darted their gaze from face to face. The opaqueness of his eyes made them seem flat, two-dimensional.

Gutman, looking as if he could not believe he had heard what he had heard, asked: "Do what?"

"Give the police Cairo (отдать полиции Кейро)."

Gutman seemed about to laugh (Гутман, казалось, вот-вот засмеется), but he did not laugh (но он не засмеялся). Finally he exclaimed (наконец, он воскликнул): "Well, by Gad, sir (ну, в самом деле, сэр)!" in an uncertain tone (нерешительным тоном).

"It's not as good (это не так хорошо) as giving them the punk (как отдать им салагу)," Spade said. "Cairo's not a gunman (Кейро не бандит) and he carries a smaller gun (и у него пистолет поменьше) than Thursby and Jacobi were shot with (чем тот, которым были застрелены Терсби и Якоби). Cairo cried in a voice (Кейро закричал голосом) shrill with indignation (визгливым от возмущения): "Suppose we give them you, Mr. Spade (думаю, мы отдадим им вас, мистер Спейд), or Miss O'Shaughnessy (или мисс О'Шонессси)? How about that (как насчет этого) if you're so set (если вы так настаиваете на том) on giving them somebody (чтобы отдать им кого-нибудь)?"

Spade smiled at the Levantine (Спейд улыбнулся левантинцу) and answered him evenly (и ответил ему ровным /голосом/). You people want the falcon (вам, люди, нужен сокол). I've got it (он у меня). Cairo cried in a voice shrill with indignation: "Suppose we give them you, Mr. Spade, or Miss O'Shaughnessy? How about that if you're so set on giving them somebody?"

Spade smiled at the Levantine and answered him evenly: "You people want the falcon. I've got it. A fall-guy is part of the price I'm asking. As for Miss O'Shaughnessy" — his dispassionate glance moved to her white perplexed face and then back to Cairo and his shoulders rose and fell a fraction of an inch — "if you think she can be rigged for the part I'm perfectly willing to discuss it with you."

The girl put her hands (девушка приложила свои руки) to her throat (к своему горлу), uttered a short strangled cry (издала короткий, сдавленный крик; *to strangle* — *задушить, задавить; задохнуться*), and moved farther away from him (и отодвинулась дальше от него).

Cairo, his face and body (Кейро, его лицо и тело) twitching with excitement (подергивались от волнения), exclaimed (воскликнул): "You seem to forget (вы, кажется, забыли) that you are not in a position (что вы не в том положении) to insist on anything (чтобы настаивать на чем-либо)."

Spade laughed (Спейд засмеялся) a harsh, derisive snort (хриплым, ироническим фырканьем).

Cairo, his face and body twitching with excitement, exclaimed: "You seem to forget that you are not in a position to insist on anything."

Spade laughed a harsh, derisive snort.

Gutman said, in a voice that tried (голосом, который пытался) to make firmness ingratiating (сделать твердость чарующей; *firm* — *крепкий, прочный, твердый*; *to ingratiate oneself /with/* — *обхаживать /кого-либо/ в корыстных целях; втираться к /кому-либо/ в доверие*): "Come now, gentlemen (ну же, джентльмены), let's keep our discussion (давайте поддерживать наш разговор) on a friendly basis (на дружеских основаниях); but there certainly is (но, конечно, есть)" — he was addressing Spade (он обращался к Спейду) — "something in (что-то в том) what Mr. Cairo says (что говорит мистер Кейро). You must take into consideration the (вы должны принимать во внимание) — "

"Like hell I must (черта с два я должен)." Spade flung his words out (Спейд выплевывал слова; *to fling (flung)* — *метать, швырять*) with a brutal sort of carelessness (с грубым видом беззаботности; *care* — *забота; careless* — *беззаботный*) that gave them more weight (которая придавала

им больше веса) than they could have got (чем они могли бы получить) from dramatic emphasis (от драматической выразительности) or from loudness (или от громкости). "If you kill me (если вы убьете меня), how are you going to get the bird (как вы собираетесь получить птицу)? If I know (если я знаю) you can't afford (что вы не можете позволить себе) to kill me (убить меня) till you have it (пока вы ее не получите), how are you going to scare me (как вы собираетесь напугать меня) into giving it to you (чтобы я отдал ее вам)?"

"Like hell I must." Spade flung his words out with a brutal sort of carelessness that gave them more weight than they could have got from dramatic emphasis or from loudness. "If you kill me, how are you going to get the bird? If I know you can't afford to kill me till you have it, how are you going to scare me into giving it to you?"

Gutman cocked his head (Гутман поднял свою голову) to the left (налево) and considered these questions (и задумался над этими вопросами). His eyes twinkled (его глаза блестели) between puckered lids (между сморщенными веками). Presently he gave his genial answer (вскоре он дал свой добродушный ответ): "Well, sir (ну, сэр), there are other means of persuasion (есть другие средства убеждения) besides killing (кроме убийства) and threatening to kill (и угрозы убить)."

"Sure (конечно)," Spade agreed (согласился Спейд), "but they're not much good (но нет намного лучше) unless the threat of death is behind them

"Sure," Spade agreed, "but they're not much good unless the threat of death is behind them to hold the victim down. See what I mean? If you try anything I don't like I won't stand for it. I'll make it a matter of your having to call it off or kill me, knowing you can't afford to kill me."

"I see what you mean (я понимаю, что вы имеете в виду)." Gutman chuckled (Гутман хихикнул). "That is an attitude, sir (это отношение, сэр), that calls for the most delicate judgment (которое призывает к самым деликатным суждениям) on both sides (с обеих сторон), because (потому что), as you know, sir (как вы знаете, сэр), men are likely to forget (люди часто забывают) in the heat of action (в горячке действий) where their best interest lies (где находится их лучший интерес; *to lie* — *зд. лежать, располагаться*) and let their emotions carry them away (и позволяют своим эмоциям унести их)."

Spade too was (Спейд тоже был) all smiling blandness (улыбающейся обходительностью; *bland* — вежливый; ласковый; вкрадчивый). "That's the trick, from my side (это фокус с моей стороны)," he said, "to make my play strong enough (чтобы сделать мою игру достаточно сильной) that it ties you up (чтобы она связала вас), but yet not make you mad enough (но пока не сделала вас достаточно сумасшедшими) to bump me off (чтобы угрожать меня) against your better judgment (против ваших лучших суждений = более разумных суждений)."

Spade too was all smiling blandness. "That's the trick, from my side," he said, "to make my play strong enough that it ties you up, but yet not make you mad enough to bump me off against your better judgment."

Gutman said fondly (Гутман сказал с чувством: «любовно»): "By Cad, sir (честное слово, сэр), you are a character (вы — оригинал)!"

Joel Cairo jumped up from his chair (Джозель Кейро вскочил со своего кресла) and went around behind the boy (и обошел за юношей) and behind Gutman's chair (и за креслом Гутмана). He bent over the back of Gutman's chair (он склонился через спинку кресла Гутмана) and, screening his mouth (и закрывая свой рот) and the fat man's ear (и ухо толстяка) with his empty hand (пустой рукой), whispered (шептал).

Gutman listened attentively (Гутман слушал внимательно), shutting his eyes (закрывая глаза). Spade grinned at Brigid O'Shaughnessy (Спейд улыбнулся Бриджит О'Шонесси). Her lips smiled feebly in response (ее

губы слабо улыбнулись в ответ), but there was no change in her eyes (но в ее глазах не было изменения); they did not lose their numb stare (они не потеряли своего оцепенелого взгляда). Spade turned to the boy (Спейд повернулся к юноше): "Two to one (два к одному) they're selling you out, son (они сдают: «продают» тебя, сынок)."

Gutman said fondly: "By Cad, sir, you are a character!"

Joel Cairo jumped up from his chair and went around behind the boy and behind Gutman's chair. He bent over the back of Gutman's chair and, screening his mouth and the fat man's ear with his empty hand, whispered. Gutman listened attentively, shutting his eyes.

Spade grinned at Brigid O'Shaughnessy. Her lips smiled feebly in response, but there was no change in her eyes; they did not lose their numb stare. Spade turned to the boy: "Two to one they're selling you out, son."

The boy did not say anything (юноша ничего не сказал). A trembling in his knees (дрожание его коленей) began to shake (начало трясти) the knees of his trousers (колени его брюк).

Spade addressed Gutman (Спейд обратился к Гутману): "I hope you're not letting yourself be (я надеюсь, вы не позволите себе оказаться) influenced by the guns (под влиянием пистолетов) these pocket-edition desperadoes (которыми эти головорезы карманного формата) are waving (размахивают)."

Gutman opened his eyes (Гутман открыл свои глаза). Cairo stopped whispering (Кейро перестал шептать) and stood erect (и стал прямо) behind the fat man's chair (за креслом толстяка).

Spade said: "I've practiced (я уже попрактиковался) taking them away from both of them (отбирать их у них обоих), so there'll be no trouble there (поэтому с этим не будет проблем). The punk is (молокосос) — "

Gutman opened his eyes. Cairo stopped whispering and stood erect behind the fat man's chair.

Spade said: "I've practiced taking them away from both of them, so there'll be no trouble there. The punk is — "

In a voice (голосом) choked horribly by emotion (ужасно сдавленным от эмоции) the boy cried (юноша крикнул), "All right (хорошо)!" and jerked his pistol up (и взметнул свой пистолет) in front of his chest (перед его грудью).

Gutman flung a fat hand out (Гутман выбросил толстую руку; *to fling*) at the boy's wrist (к запястью юноши), caught the wrist (схватил запястье), and bore it and the gun down (и опустил ее и пистолет вниз) while Gutman's fat body (пока толстое тело Гутмана) was rising in haste (в спешке поднималось) from the rocking chair (из кресла-качалки). Joel Cairo scurried around (Джоэль Кейро быстро пробежал) to the boy's other side (к другому боку юноши) and grasped his other arm (и схватил его другую руку). They wrestled with the boy (они боролись с юношей), forcing his arms down (принуждая его руки вниз), holding them down (удерживая их внизу), while he struggled futilely against them (пока он тщетно боролся против них). Words came out (слова доносились) of the

In a voice choked horribly by emotion the boy cried, "All right!" and jerked his pistol up in front of his chest.

Gutman flung a fat hand out at the boy's wrist, caught the wrist, and bore it and the gun down while Gutman's fat body was rising in haste from the rocking chair. Joel Cairo scurried around to the boy's other side and grasped his other arm. They wrestled with the boy, forcing his arms down, holding them down, while he struggled futilely against them. Words came out of the struggling group: fragments of the boy's incoherent speech — "right ... go ... bastard ... smoke" — Gutman's "Now, now, Wilmer!" repeated many times; Cairo's "No, please, don't" and "Don't do that, Wilmer."

Wooden-faced (с деревянным лицом), dreamy-eyed (мечтательными глазами), Spade got up from the sofa (Спейд поднялся с дивана) and went over to the group (и перешел к группе). The boy (юноша), unable to cope (неспособный справиться) with the weight against him (по весу с ним), had stopped struggling (прекратил борьбу). Cairo, still holding the boy's arm (Кейро, все еще держа руку юноши), stood partly in front of him (стоял частично перед ним), talking to him soothingly (говоря с ним успокоительно). Spade pushed Cairo aside (Спейд отодвинул Кейро в

сторону) gently (мягко) and drove his left fist (и двинул своим левым кулаком) against the boy's chin (по подбородку юноши). The boy's head snapped back (голова юноши откинулась назад) as far as it could (так далеко, как она могла) while his arms were held (пока его держали за руки), and then came forward (а потом вернулась вперед). Gutman began a desperate (Гутман начал отчаянное) "Here, what (эй, что) —?" Spade drove his right fist (Спейд двинул своим правым кулаком) against the boy's chin (по подбородку юноши).

group [gru:p] desperate ['desp(q)rɪt] chin [tʃɪn]

Wooden-faced, dreamy-eyed, Spade got up from the sofa and went over to the group. The boy, unable to cope with the weight against him, had stopped struggling. Cairo, still holding the boy's arm, stood partly in front of him, talking to him soothingly. Spade pushed Cairo aside gently and drove his left fist against the boy's chin. The boy's head snapped back as far as it could while his arms were held, and then came forward. Gutman began a desperate "Here, what — ?" Spade drove his right fist against the boy's chin.

Cairo dropped the boy's arm (Кейро бросил руку юноши), letting him collapse (позволяя ему осесть; *to collapse* — рушиться, обваливаться) against Gutman's great round belly (на большой круглый живот Гутмана). Cairo sprang at Spade (Кейро прыгнул на Спейда), clawing at his face (царапая его лицо) with the curved stiff fingers (согнутыми негибкими пальцами) of both hands (обеих рук). Spade blew his breath out (Спейд выдохнул /свое дыхание/) and pushed the Levantine away (и оттолкнул левантинца). Cairo sprang at him again (Кейро прыгнул на него снова). Tears were in Cairo's eyes (слезы были в глазах Кейро) and his red lips worked angrily (и его красные губы двигались сердито), forming words

(образуя слова), but no sound came (но никакого звука) from between them (не доносилось из-за них).

belly ['bell] again [q'ge(l)n] angrily ['xNgrIII]

Cairo dropped the boy's arm, letting him collapse against Gutman's great round belly. Cairo sprang at Spade, clawing at his face with the curved stiff fingers of both hands. Spade blew his breath out and pushed the Levantine away. Cairo sprang at him again. Tears were in Cairo's eyes and his red lips worked angrily, forming words, but no sound came from between them.

Spade laughed (Спейд засмеялся), grunted (проворчал), "Jesus, you're a rip (Боже, ну ты крут; *rip* /амер. сл./ — нечто замечательное, выдающееся: *that's a rip* — это круто; достойная вещь)!" and cuffed the side of Cairo's face (и легко ударил щеку: «сторону лица» Кейро) with an open hand (открытой ладонью), knocking him over against the table (сбив его через стол). Cairo regained his balance (Кейро восстановил /свое/ равновесие) and sprang at Spade (и прыгнул на Спейда) the third time (в третий раз). Spade stopped him with both palms (Спейд остановил его обеими ладонями) held out on long rigid arms (вытянутыми на длинных неподвижных руках) against his face (напротив его лица). Cairo, failing to reach Spade's face (Кейро, не в состоянии достичь лица Спейда; *to fail* — потерпеть неудачу) with his shorter arms (своими более короткими руками), thumped Spade's arms (тяжело ударил Спейда по рукам).

"Stop it (прекратите)," Spade growled (прорычал Спейд). "I'll hurt you (я сделаю вам больно)."

Cairo cried (Кейро закричал), "Oh, you big coward (о, да вы, большой трус)!" and backed away from him (и отступил от него).

rigid ['rldZld] thump [Tʌmp] coward ['kauqd]

Spade laughed, grunted, "Jesus, you're a pip!" and cuffed the side of Cairo's face with an open hand, knocking him over against the table. Cairo regained his balance and sprang at Spade the third time. Spade stopped him with both palms held out on long rigid arms against his face. Cairo, failing to reach Spade's face with his shorter arms, thumped Spade's arms.

"Stop it," Spade growled. "I'll hurt you."

Cairo cried, "Oh, you big coward!" and backed away from him.

Spade stooped (Спейд наклонился) to pick up Cairo's pistol (чтобы поднять пистолет Кейро) from the floor (с пола), and then the boy's (а потом /и пистолет/ юноши). He straightened up (он выпрямился) holding them in his heft hand (держа их в своей левой руке), dangling them upside-down (раскачивая их /вверх тормашками/) by their trigger-guards (за их спусковые скобы) from his forefinger (на своем указательном пальце).

Gutman had put the boy (Гутман уложил юношу) in the rocking chair (на кресло-качалку) and stood looking at him (и стоял, глядя на него) with troubled eyes (озабоченными глазами) in an uncertainly puckered face (на сморщенном от сомнений лице). Cairo went down on his knees (Кейро встал на колени) beside the chair (около кресла) and began to chafe (и начал растирать) one of the boy's limp hands (одну из безвольных рук юноши).

dangling ['dʌŋɡlɪn] trigger guard ['trɪɡɡɔ:d] chafe [tʃeɪf]

Spade stooped to pick up Cairo's pistol from the floor, and then the boy's. He straightened up holding them in his heft hand, dangling them upside-down by their trigger-guards from his forefinger.

Gutman had put the boy in the rocking chair and stood looking at him with troubled eyes in an uncertainly puckered face. Cairo went down on his knees beside the chair and began to chafe one of the boy's limp hands.

Spade felt the boy's chin (Спейд пощупал подбородок юноши) with his fingers (своими пальцами). "Nothing cracked (ничего не сломано)," he said. "We'll spread him on the sofa (мы уложим его на диване; *to spread* — *распространяться, раскладывать*)." He put his right arm (он положил свою правую руку) under the boy's arm (под руку юноши) and around his back (и вокруг его спины), put his left forearm (положил свое левое предплечье) under the boy's knees (под колени юноши), lifted him (поднял его) without apparent effort (без видимого усилия), and carried him to the sofa (и отнес его к дивану).

Brigit O'Shaughnessy got up quickly (Бриджит О'Шонесси быстро поднялась) and Spade laid the boy there (и Спейд положил туда парня). With his right hand (своей правой рукой) Spade patted the boy's clothes (Спейд похлопал одежду юноши), found his second pistol (нашел второй пистолет), added it to the others (добавил его к другим) in his left hand (в своей левой руке), and turned his back on the sofa (и повернулся спиной к дивану). Cairo was already sitting (Кейро уже сидел) beside the boy's head (рядом с головой юноши).

Spade felt the boy's chin with his fingers. "Nothing cracked," he said. "We'll spread him on the sofa." He put his right arm under the boy's arm and around his back, put his left forearm under the boy's knees, lifted him without apparent effort, and carried him to the sofa.

Brigid O'Shaughnessy got up quickly and Spade laid the boy there. With his right hand Spade patted the boy's clothes, found his second

pistol, added it to the others in his left hand, and turned his back on the sofa. Cairo was already sitting beside the boy's head.

Spade clinked the pistols together (Спейд звякнул пистолетами друг о друга) in his hand (в своей руке) and smiled cheerfully at Gutman (и радостно улыбнулся Гутману). "Well (ну)," he said, "there's our fall-guy (это наш козел отпущения)."

Gutman's face was grey (лицо Гутмана было серым) and his eyes were clouded (и его глаза были затуманены). He did not look at Spade (он не смотрел на Спейда). He looked at the floor (он смотрел на пол) and did not say anything (и не сказал ничего).

Spade said: "Don't be a damned fool again (не будьте снова проклятым дураком). You let Cairo whisper to you (вы позволили Кейро шептать Вам) and you held the kid (и вы держали мальчика) while I pasted him (пока я избивал его; *to paste* — *наклеить, склеить, сленг.исколотить*). You can't laugh that off (вы не сможете отделаться шуткой) and you're likely (и вы, кажется) to get yourself shot (будете застрелены) trying to (пытаясь /отшутиться/)."

Gutman moved his feet (Гутман двинул свои ноги) on the rug (на ковре) and said nothing (и ничего не сказал).

Spade clinked the pistols together in his hand and smiled cheerfully at Gutman. "Well," he said, "there's our fall-guy."

Gutman's face was grey and his eyes were clouded. He did not look at Spade. He looked at the floor and did not say anything.

Spade said: "Don't be a damned fool again. You let Cairo whisper to you and you held the kid while I pasted him. You can't laugh that off and you're likely to get yourself shot trying to."

Gutman moved his feet on the rug and said nothing.

Spade said: "And the other side of it is (и другая сторона этого то) that you'll either say yes (что вы либо говорите «да») right now (прямо сейчас) or I'll turn the falcon (или я выдам и сокола; *to turn in* — зд. выдавать полиции) and the whole God-damned lot of you in (и всю вашу чертову шайку полиции; *lot* — зд. партия, люди)."

Gutman raised his head (Гутман поднял свою голову) and muttered through his teeth (и тихо сказал сквозь свои зубы): "I don't like that, sir (мне это не нравится, сэр)."

"You won't like it (вам это не понравится)," Spade said. "Well (ну)?"

The fat man sighed (толстяк вздохнул) and made a wry face (и скривил лицо: «сделал кривое лицо») and replied sadly (и грустно ответил): "You can have him (вы можете получить его)."

Spade said: "That's swell (это отлично)."

"You won't like it," Spade said. "Well?"

The fat man sighed and made a wry face and replied sadly: "You can have him."

Spade said: "That's swell."

The boy lay on his back (юноша лежал на своей спине) on the sofa (на диване), a small figure (маленькая фигура) that was (которая была) — except for its breathing (за исключением ее дыхания) — altogether corpselike (совершенно похожа на труп; *corpse* — *труп*) to the eye (на глаз). Joel Cairo sat beside the boy (Джоэль Кейро сидел рядом с юношей), bending over him (наклонившись над ним), rubbing his cheeks and wrists (потирая его щеки и запястья), smoothing his hair (приглаживая его волосы) back from his forehead (назад с его лба), whispering to him (шепча ему), and peering anxiously down (и всматриваясь с волнением вниз) at his white still face (в его белое, неподвижное лицо).

The boy lay on his back on the sofa, a small figure that was — except for its breathing — altogether corpselike to the eye. Joel Cairo sat beside the boy, bending over him, rubbing his cheeks and wrists, smoothing his hair back from his forehead, whispering to him, and peering anxiously down at his white still face.

Brigid O'Shaughnessy stood in an angle (Бриджит О'Шонесси стояла в углу) made by table and wall (образованном столом и стеной). One of her hands (одна из ее рук) was flat on the table (лежала плашмя на столе), the other to her breast (другая на ее груди). She pinched her lower lip (она прижала свою нижнюю губу) between her teeth (между своими зубами) and glanced furtively at Spade (и украдкой смотрела на Спейда) whenever he was not looking at her (каждый раз, когда он не смотрел на нее). When he looked at her (когда он смотрел на нее) she looked at Cairo and the boy (она смотрела на Кейро и юношу).

Brigid O'Shaughnessy stood in an angle made by table and wall. One of her hands was flat on the table, the other to her breast. She pinched her lower hip between her teeth and glanced furtively at Spade whenever he was not looking at her. When he looked at her she looked at Cairo and the boy.

Gutman's face had lost its troubled cast (лицо Гутмана потеряло свое тревожное выражение) and was becoming rosy again (и снова становилось розовым). He had put his hands (он положил свои руки) in his trousers-pockets (в карманы своих брюк). He stood facing Spade (он стоял перед Спейдом), watching him without curiosity (глядя на него без любопытства).

Spade, idly jingling his handful of pistols (лениво звеня полной пригоршней пистолетов; *to jingle* — *звенеть, звякать*), nodded at Cairo's rounded back (кивнул на круглую спину Кейро) and asked Gutman: "It'll be all right with him (он согласится: «это будет в порядке с ним»)?"

Gutman's face had lost its troubled cast and was becoming rosy again. He had put his hands in his trousers-pockets. He stood facing Spade, watching him without curiosity.

Spade, idly jingling his handful of pistols, nodded at Cairo's rounded back and asked Gutman: "It'll be all right with him?"

"I don't know (я не знаю)," the fat man replied placidly (спокойно ответил толстяк). "That part (эта часть) will have to be strictly up to you,

sir (должна быть строго на ваше усмотрение, сэр; *to be up to smb. — зависеть от кого-либо*)."

Spade's smile (улыбка Спейда) made his v-shaped chin (сделала его v-образный подбородок) more salient (более выступающим). He said: "Cairo."

The Levantine screwed (левантинец повернул) his dark anxious face (свое смуглое озабоченное лицо) around over his shoulder (через свое плечо).

Spade said: "Let him rest awhile (дайте ему ненадолго отдохнуть). We're going to give him to the police (мы собираемся сдать его полиции). We ought to get the details fixed (мы должны договориться о деталях) before he comes to (прежде чем он придет в себя)."

The Levantine screwed his dark anxious face around over his shoulder.

Spade said: "Let him rest awhile. We're going to give him to the police. We ought to get the details fixed before he comes to."

Cairo asked bitterly (Кейро горько спросил): "Don't you think (вы не думаете) you've done enough to him (что вы сделали ему достаточно) without that (и без этого)?"

Spade said: "No."

Cairo left the sofa (Кейро оставил диван) and went close (и подошел ближе) to the fat man (к толстяку). "Please don't do this thing, Mr. Gutman

(пожалуйста, не делайте этого, мистер Гутман)," he begged (попросил он). "You must realize that (вы должны понимать, что) — "

Spade interrupted him (Спейд прервал его): "That's settled (это решено; *to settle — ставить на место, приводить в порядок*). The question is (вопрос в том), what are you going to do about it (что вы собираетесь делать по этому поводу)? Coming in (входите /в дело/)? Or getting out (или выходите /из него/)?"

beg [beg] realize ['rɪəlɪz] interrupted ['ɪntə'rʌptɪd]

Cairo asked bitterly: "Don't you think you've done enough to him without that?"

Spade said: "No."

Cairo left the sofa and went close to the fat man. "Please don't do this thing, Mr. Gutman," he begged. "You must realize that — "

Spade interrupted him: "That's settled. The question is, what are you going to do about it? Coming in? Or getting out?"

Though Gutman's smile was a bit sad (хотя улыбка Гутмана была немного грустной), even wistful in its way (даже тоскливой, в своем роде), he nodded his head (он согласно кивнул головой). "I don't like it either (мне это тоже не нравится)," he told the Levantine (он сказал левантинцу), "but we can't help ourselves now (но мы не можем теперь выбирать). We really can't (мы действительно не можем)."

Spade asked: "What are you doing, Cairo (что вы собираетесь делать, Кейро)? In or out (/Вы/ за или против: «/вы/ входите или выходите /из дела/»)?"

Cairo wet his lips (Кейро увлажнил свои губы) and turned slowly (и медленно повернулся) to face Spade (чтобы посмотреть на Спейда).

"Suppose (думаю)," he said, and swallowed (сказал он и сглотнул). "Have I (я имею) — ? Can I choose (я могу выбирать)?"

wistful ['wɪstf(ɪ)] really ['rɪ(q)lɪ] choose [tʃuːz]

Though Gutman's smile was a bit sad, even wistful in its way, he nodded his head. "I don't like it either," he told the Levantine, "but we can't help ourselves now. We really can't."

Spade asked: "What are you doing, Cairo? In or out?"

Cairo wet his lips and turned slowly to face Spade. "Suppose," he said, and swallowed. "Have I — ? Can I choose?"

"You can (вы можете)," Spade assured him seriously (серьезно уверил его Спейд), "but you ought to know (но вы должны знать) that if the answer is out (что если ответ «против»: «выхожу») we'll give you to the police (мы сдадим вас полиции) with your boy-friend (вместе с вашим дружкой)."

"Oh, come, Mr. Spade (о, что вы, мистер Спейд)," Gutman protested (запротестовал Гутман), "that is not (это не) — "

"Like hell (черта с два) we'll let him walk out on us (мы позволим ему кинуть нас в трудном положении)," Spade said. "He'll either come in (он или войдет /в дело/) or he'll go in (или он отправится /в тюрьму/). We can't have (мы не можем иметь) a lot of loose ends (кучу неразрешенных вопросов: «свободных концов») hanging around (/висящих/ повсюду)."

He scowled at Gutman (он хмуро взглянул на Гутмана) and burst out irritably (и раздраженно воскликнул): "Jesus God (Иисус Бог)! is this the first thing (это, что первый раз) you guys ever stoic (когда вы парни мужественны)? Which (которое)?"

"You give me no choice (вы не даете мне выбора)." Cairo's narrow shoulders (узкие плечи Кейро) moved in a hopeless shrug (двинулись в безнадежном пожимании). "I come in (я вхожу /в дело/)."

"Good (хорошо)," Spade said and looked at Gutman and at Brigid O'Shaughnessy (и посмотрел на Гутмана и Бриджит О'Шонесса). "Sit down (садитесь)."

"Good," Spade said and looked at Gutman and at Brigid O'Shaughnessy. "Sit down."

The girl sat down gingerly (девушка робко села) on the end of the sofa (на край дивана) by the unconscious boy's feet (у ног юноши, /лежащего/ без сознания). Gutman returned to the padded rocking chair (Гутман вернулся к обитому креслу-качалке), and Cairo to the armchair (а Кейро к креслу). Spade put his handful of pistols (Спейд положил свою пригоршню пистолетов) on the table (на стол) and sat on the table-corner (и сел на угол стола) beside them (рядом с ними). He looked at the watch (он посмотрел на часы) on his wrist (на своем запястье) and said: "Two o'clock (два часа). Gutman cleared his throat (Гутман прочистил свое горло). "Where is it (где он)?" he asked and then added in haste (а потом поспешно добавил): "I don't really care, sir (мне на самом деле, все равно, сэр). "Yes, I have it (да, он у меня)," she murmured (прошептала она), putting a hand inside her coat (кладя руку внутрь своего пальто). "I picked it up (я подняла его)

Gutman leaned forward (Гутман наклонился вперед) and wagged a fat finger (и пошевелил толстым пальцем) at the pistols on the table (пистолеты на столе) beside Spade's legs (рядом с ногами Спейда). Gutman interlaced his fingers (Гутман сплел свои пальцы) over his belly (над своим животом) and rocked his chair (и качнул свое кресло). His voice (его голос), like his smile (как и его улыбка), was frankly rueful (был искренне грустным). "You are an uncommonly difficult person (вы необычно трудная личность) to get the best of (чтобы от вас чего-нибудь добиться; *to get the best of smb.* — извлечь лучшее из кого-л.)," he said. Spade nodded thoughtfully (Спейд задумчиво кивнул) and asked (и спросил): "You didn't try to make a deal with him (вы не попытались договориться с ним; *deal* — сделка, соглашение) before you gave him the works (прежде чем вы прикончили его)?"

Spade thought for a moment. "That sounds all right. Now Jacobi."

After a shrewd look at Spade (после проницательного взгляда на Спейда), Gutman smiled (Гутман улыбнулся). "Just as you say, sir (точно как вы скажете, сэр)," he said. Well, sir, we mere men should have known better than to suppose ourselves capable of coping with her. En route, she and Captain Jacobi and the falcon slipped completely through our fingers." He laughed merrily. "By Gad, sir, it was neatly done."

Spade looked at the girl. Her eyes, large and dark with pleading, met his. He asked Gutman: "You touched off the boat before you left?"

"Not intentionally, no, sir (не намеренно, нет, сэр)," the fat man replied (ответил толстяк), "though I dare say we (хотя я рискну сказать, что мы) — or Wilmer at least (или Вилмер, по крайней мере) — were responsible for the fire (были ответственны за пожар). He had been out (он вышел)

trying to find the falcon (пытаясь найти сокола) while the rest of us (пока остальные из нас) were talking in the cabin (разговаривали в каюте) and no doubt was careless (и без сомнения был неосторожен) with matches (со спичками)."

"That's fine (это хорошо)," Spade said. "If any slip-up (если какая-нибудь оплошность) makes it necessary for us (сделает необходимым для нас) to try him for Jacobi's murder (судить его за убийство Якоби) we can also hang an arson-*rap* on him (мы также можем повесить на него ответственность за поджог; *rap* — /амер. сл./ наказание; обвинение; приговор). "Well, sir (и, сэр), we dashed around town (мы метались по всему городу) all day (весь день) trying to find them (пытаясь найти их) and we found them (и мы нашли их) late this afternoon (поздно этим днем). "We knew what that meant, of course (конечно, мы знали, что это значит); so Wilmer hurried downstairs (потому Вилмер поспешил вниз) as fast as he could (так быстро, как он мог) and around (и вокруг) to the rear of the building (к задней части здания) to cover the fire-escape (чтобы прикрыть пожарный выход). And when he turned into the alley (а когда он повернулся к аллее) he ran right plumb smack (он прямо столкнулся) into Captain Jacobi (с капитаном Якоби) running away (убегавшим) with the falcon under his arm (с соколом под мышкой). That was a difficult situation (это была трудная ситуация) to handle (чтобы справиться с ней /хорошо/), but Wilmer did every bit (но Вилмер сделал все) as well as he could (так хорошо, как он мог). He shot Jacobi (он выстрелил в Якоби) — more than once (больше одного раза) — but Jacobi was too tough (но Якоби был слишком крепким) to either fall (чтобы или упасть) or drop the falcon (или

The boy on the sofa groaned and roiled over on his side. His eyes opened and closed several times. The girl stood up and moved into the angle of table and wall again.

" — cooperate with us (сотрудничать с нами)," Gutman concluded hurriedly (заклучил Гутман торопливо), "and so you had the falcon (и так вы получили сокола) before we could reach you (прежде, чем мы смогли достать вас)."

The boy put one foot on the floor (парень поставил одну ногу на пол), raised himself on an elbow (поднялся на локте), opened his eyes wide (широко открыл глаза), put the other foot down (поставил вниз другую ногу), sat up (сел), and looked around (и посмотрел вокруг). " — cooperate with us," Gutman concluded hurriedly, "and so you had the falcon before we could reach you."

The boy put one foot on the floor, raised himself on an elbow, opened his eyes wide, put the other foot down, sat up, and looked around. When his eyes focused on Spade bewilderment went out of them.

Cairo left his armchair (Кейро покинул свое кресло) and went over to the boy (и подошел к юноше). He put his arm on the boy's shoulders (он положил свою руку на плечи юноши) and started to say something (и начал что-то говорить). The boy rose quickly (парень быстро вскочил) to his feet (на свои ноги), shaking Cairo's arm off (стряхивая руку Кейро). He glanced around the room once (он огляделся вокруг в комнате еще раз) and then fixed his eyes on Spade again (а потом снова зафиксировал свои глаза на Спейде). His face was set hard (его лицо было жестким) and he held his body so tense (и он держал свое тело таким напряженным) that it seemed

drawn in (что оно казалось уменьшенным) and shrunken (и съежившимся; *to shrink* — сморщиваться; садиться /о материи/; съеживаться).

Cairo left his armchair and went over to the boy. He put his arm on the boy's shoulders and started to say something. The boy rose quickly to his feet, shaking Cairo's arm off. He glanced around the room once and then fixed his eyes on Spade again. His face was set hard and he held his body so tense that it seemed drawn in and shrunken.

Spade, sitting on the corner of the table (Спейд, сидя на углу стола), swinging his legs carelessly (беззаботно качая ногами), said: "Now listen, kid (теперь послушай, малыш). If you come over here (если ты подойдешь сюда) and start cutting up (и начнешь валять дурака) I'm going to kick you in the face (я ударю тебя в лицо). Sit down and shut up (садись и заткнись) and behave (и веди себя хорошо) and you'll last longer (и ты продержишься дольше)."

The boy looked at Gutman (юноша посмотрел на Гутмана).

Spade, sitting on the corner of the table, swinging his legs carelessly, said: "Now listen, kid. If you come over here and start cutting up I'm going to kick you in the face. Sit down and shut up and behave and you'll last longer."

The boy looked at Gutman.

Gutman smiled benignly at him and said (Гутман добродушно улыбнулся ему и сказал): "Well, Wilmer (ну, Вилмер), I'm sorry indeed to

lose you (мне действительно жаль терять тебя), and I want you to know (и я хочу, чтобы ты знал) that I couldn't be any fonder of you (что я не мог бы любить тебя больше) if you were my own son (если бы ты был моим собственным сыном); but (но) — well, by Gad (эх, ей-Богу)! — if you lose a son (если ты теряешь сына) it's possible to get another (это возможно занять другого) — and there's only one Maltese falcon (а Мальтийский сокол всего один)."

Spade laughed (Спейд засмеялся).

Spade laughed.

Cairo moved over (Кейро подвинулся) and whispered in the boy's ear (и что-то шепнул в ухо парню). The boy, keeping his cold hazel eyes (сохраняя взгляд своих холодных карих глаз) on Gutman's face (на лице Гутмана), sat down on the sofa again (сел на диван снова). The Levantine sat beside him (левантинец сел рядом с ним).

Gutman's sigh (вздых Гутмана) did not affect (не повлиял) the benignity of his smile (на доброту его улыбки). He said to Spade: "When you're young (когда ты молод) you simply don't understand things (ты просто не понимаешь вещей)."

Cairo moved over and whispered in the boy's ear. The boy, keeping his cold hazel eyes on Gutman's face, sat down on the sofa again. The Levantine sat beside him.

Gutman's sigh did not affect the benignity of his smile. He said to Spade: "When you're young you simply don't understand things."

Cairo had an arm around the boy's shoulders again (Кейро снова положил руку на: «вокруг» плечи юноши) and was whispering to him (и что-то шептал ему). Spade grinned at Gutman (Спейд ухмыльнулся Гутману) and addressed Brigid O'Shaughnessy (и обратился к Бриджит О'Шонессии): "I think it'd be swell (я думаю, было бы прекрасно) if you'd see (если бы ты посмотрела) what you can find us to eat (что ты сможешь найти для нас поесть) in the kitchen (на кухне), with plenty of coffee (с большим количеством кофе). Will you (ты согласишься)? I don't like to leave my guests (мне не нравится оставлять моих гостей)."

"Surely (конечно)," she said and started towards the door (и двинулась в сторону кухни).

Gutman stopped rocking (Гутман перестал раскачиваться). "Just a moment, my dear (минутку, моя дорогая)." He held up a thick hand (он поднял толстую руку). "Hahn't you better leave the envelope in here (не лучше ли вам оставить конверт здесь)? You don't want to get grease-spots on it (вы же не хотите посадить на него жирные пятна)."

Cairo had an arm around the boy's shoulders again and was whispering to him. Spade grinned at Gutman and addressed Brigid O'Shaughnessy: "I think it'd be swell if you'd see what you can find us to eat in the kitchen, with plenty of coffee. Will you? I don't like to leave my guests."

"Surely," she said and started towards the door.

Gutman stopped rocking. "Just a moment, my dear." He held up a thick hand. "Hadn't you better leave the envelope in here? You don't want to get grease-spots on it."

The girl's eyes questioned Spade (глаза девушки спросили Спейда). He said in an indifferent tone (безразличным тоном): "It's still his (он /конверт/ все еще его)."

She put her hand inside her coat (он сунула свою руку внутрь своего пальто), took out the envelope (достала конверт), and gave it to Spade (и отдала его Спейду). Spade tossed it into Gutman's lap (Спейд кинул его на колени Гутману), saying (говоря): "Sit on it (садитесь на него) if you're afraid of losing it (если вы боитесь потерять его)."

"You misunderstand me (вы неправильно поняли меня)," Gutman replied suavely (отвели Гутман учтиво). "It's not that at all (это совсем не то), but business should be transacted (но дела нужно вести) in a business-like manner (в деловой манере)." He opened the flap of the envelope (он открыл клапан конверта), took out the thousand-dollar bills (вытащил тысячедолларовые купюры), counted them (пересчитал их), and chuckled (и хихикнул) so that his belly bounced (так, что его живот подпрыгнул).

"You misunderstand me," Gutman replied suavely. "It's not that at all, but business should be transacted in a business-like manner." He opened the flap of the envelope, took out the thousand-dollar bills, counted them, and chuckled so that his belly bounced.

"For instance (например) there are only nine bills here now (здесь только девять купюр сейчас)." He spread them out (он разложил их) on his fat knees and thighs (на своих толстых коленях и бедрах). "There were ten (там было десять) when I handed it to you (когда я вручил их вам), as you very well know (как вы очень хорошо знаете)." His smile was broad (его улыбка была широкой) and jovial (и радостной) and triumphant (и триумфальной).

Spade looked at Brigid O'Shaughnessy and asked (Спейд посмотрел на Бриджит О'Шонесси и спросил): "Well (ну)?"

She shook her head (она покачала головой) sidewise (в стороны) with emphasis (выразительно). She did not say anything (она ничего не сказала), though her lips moved slightly (хотя ее глаза слегка двинулись), as if she had tried to (словно она пыталась /сказать что-то/). Her face was frightened (ее лицо было испуганным; *to frighten — испугать*).

She shook her head sidewise with emphasis. She did not say anything, though her lips moved slightly, as if she had tried to. Her face was frightened.

Spade held his hand out to Gutman (Спейд вытянул свою руку к Гутману) and the fat man put the money into it (и толстяк положил на нее деньги). Spade counted the money (Спейд пересчитал деньги) — nine thousand-dollar bills (девять тысячедолларовых купюр) — and returned it to Gutman (и возвратил их Гутману). Then Spade stood up (потом Спейд встал) and his face was dull and placid (и его лицо было хмурым и спокойным). He picked up the three pistols (он поднял три пистолета) on the table (со стола). He spoke in a matter-of-fact voice (он говорил обстоятельным голосом). "I want to know about this (я хочу знать об этом). Spade held his hand out to Gutman and the fat man put the money into it. Spade counted the money — nine thousand-dollar bills — and returned it to Gutman. Unless you want a three-story drop there's no way out of here except past the bathroom door. Don't try to make it."

"Really, sir (в самом деле, сэр)," Gutman protested (запротестовал Гутман), "it's not necessary (это не обязательно), and certainly not very courteous of you (и конечно не очень вежливо с вашей стороны), to threaten us in this manner (обращаться с нами подобным образом). You must know (вы должны знать) that we've not the least desire to leave (что у нас нет ни малейшего желания уйти)."

"I'll know a lot (я буду знать много) when I'm through (когда я закончу /с этим/)." Spade was patient but resolute (Спейд был терпеливым, но решительным). "This trick upsets things (этот фокус путает вещи). I've got to find the answer (я должен найти ответ). It won't take long (это не займет много времени)." He touched the girl's elbow (он тронул локоть девушки). "Come on (пойдем)."

She took the clothing from him. She did not say anything. He picked up his pistols. He shut the bathroom door behind him and went into the living-room.

Gutman smiled amiably at him (Гутман дружелюбно улыбался ему) from the rocking chair (из кресла-качалки). "Find it (нашли ее)?" he asked.

Cairo, sitting beside the boy on the sofa (Кейро, сидя рядом с юношей на диване), looked at Spade (взглянул на Спейда) with questioning opaque eyes (вопросительными непроницаемыми глазами). The boy did not look up (юноша не поднял взгляда). He was leaning forward (он наклонился вперед), head between hands (голова между рук), elbows on knees (локти

на коленях), staring at the floor (глядя на пол) between his feet (между своих ног).

Spade told Gutman (Спейд сказал Гутману): "No, I didn't find it (нет, я не нашел ее). You palmed it (вы ее спрятали в руке; *palm* — ладонь)."

The fat man chuckled (толстяк хихикнул). "I palmed it (я спрятал ее в руке)?"

Cairo, sitting beside the boy on the sofa, looked at Spade with questioning opaque eyes. The boy did not look up. He was leaning forward, head between hands, elbows on knees, staring at the floor between his feet.

Spade told Gutman: "No, I didn't find it. You palmed it."

The fat man chuckled. "I palmed it?"

"Yes," Spade said, jingling the pistols (звения пистолетами) in his hand (в своей руке). "Do you want to say so (вы хотите сказать, что это так) or do you want to stand (или вы хотите встать) for a frisk (для обыска)?"

"Stand for (встать для) — ?"

"You're going to admit it (вы должны признать это)," Spade said, "or I'm going to search you (или я обыщу вас). There's no third way (третьего пути нет)."

Gutman looked up (Гутман посмотрел) at Spade's hard face (на жесткое лицо Спейда) and laughed outright (и искренне засмеялся). "By Gad, sir (ей-Богу, сэр), I believe you would (я верю что вы общаете). I really do (я действительно верю). You're a character, sir (вы личность, сэр), if you don't mind my saying so (если вы не возражаете, чтобы я так говорил)."

Gutman looked up at Spade's hard face and laughed outright. "By Gad, sir, I believe you would. I really do. You're a character, sir, if you don't mind my saying so."

"You palmed it (вы спрятали это в руке)," Spade said.

"Yes, sir, that I did (да, сэр, я сделал это)." The fat man took a crumpled bill (толстяк взял смятую купюру) from his vest-pocket (из кармана своего жилета), smoothed it on a wide thigh (разгладил ее на широком бедре), took the envelope (взял конверт) holding the nine bills (содержащий девять купюр) from his coat-pocket (из кармана своего пальто), and put the smoothed bill (и положил разглаженную купюру) in with the others (внутри вместе с остальными). "I must have my little joke (я должен пошутить: «иметь мою маленькую шутку») every now and then (время от времени: «каждые сейчас и тогда») and I was curious to know (и мне было любопытно узнать) what you'd do (что вы сделаете) in a situation of that sort (в ситуации такого рода). Spade sneered at him (Спейд насмешливо улыбнулся ему) without bitterness (без горечи; *bitter* — *горький*). "That's the kind of thing (это вещь такого рода) I'd expect from somebody (которую я бы ожидал от кого-нибудь) the punk's age (в возрасте этого салаги)."

Gutman chuckled (Гутман хихикнул).

Brigid O'Shaughnessy (Бриджит О'Шонесси), dressed again (снова одетая) except for coat and hat (за исключением пальто и шляпы), came out of the bathroom (вышла из ванной), took a step towards the living-room (сделал шаг в сторону гостиной), turned around (повернулась), went to the kitchen (пошла на кухню), and turned on the light (и включила свет).

Cairo edged closer (Кейро придвинулся ближе) to the boy on the sofa (к юноше на диване) and began whispering in his ear again (и начал снова шептать ему в ухо). The boy shrugged irritably (юноша раздраженно пожал плечами).

Spade, looking at the pistols in his hand (Спейд, глядя на пистолеты в своей руке) and then at Gutman (а потом на Гутмана), went out into the passageway (вышел в коридор), to the closet there (к платянному шкафу там). He opened the door (он открыл дверь), put the pistols inside (положил пистолеты внутрь) on the top of a trunk (на верх чемодана), shut the door (закрыл дверь), locked it (запер ее), put the key in his trousers-pocket (положил ключ в карман своих брюк), and went to the kitchen door (и пошел к двери кухни).

Brigid O'Shaughnessy was filling an aluminum percolator (Бриджит О'Шонессе наполняла алюминиевый кофейник).

"Find everything (все нашла)?" Spade asked.

"Yes," she replied in a cool voice (ответила она холодным голосом), not raising her head (не поднимая головы). Then she set the percolator aside (потом она отставила кофейник в сторону) and came to the door (и подошла к двери). She blushed (она покраснела) and her eyes were large (и ее глаза были большими) and moist (и влажными) and chiding (и упрекающими; *to chide* — *распекать, ругать; винить*). "You shouldn't have done that to me, Sam (ты не должен был делать это со мной, Сэм)," she said softly (сказала она тихо).

"I had to find out, angel (я должен был выяснить, ангел)." He bent down (он наклонился), kissed her mouth lightly (легко поцеловал ее губы: «рот»), and returned to the living-room (и вернулся в гостиную).

"I had to find out, angel." He bent down, kissed her mouth lightly, and returned to the living-room.

Gutman smiled at Spade (Гутман улыбнулся Спейду) and offered him the white envelope (и предложил ему белый конверт), saying (говоря): "This will soon be yours (скоро это будет вашим); you might as well take it now (так что вы можете взять это уже сейчас; *as well* — *также, с тем же успехом*)."

Spade did not take it (Спейд не взял его). He sat in the armchair and said (он сел в кресло и сказал): "There's plenty of time for that (есть много

времени для этого). We haven't done enough talking (мы недостаточно поговорили) about the money end (о вопросе денег). I ought to have more (я должен получить больше) than ten thousand (чем десять тысяч)."

Gutman said: "Ten thousand dollars is a lot of money."

Spade said: "You're quoting me (вы цитируете меня), but it's not all the money in the world (но это же не все деньги мира)."

"No, sir, it's not (нет, сэр, не все). I grant you that (я признаю это, признаю вашу правоту в этом). But it's a lot of money (но это очень много денег) to be picked up (полученные) in as few days (и за несколько дней) and as easily (и так просто) as you're getting it (как вы их получаете)."

"You think (вы считаете) it's been so damned easy (это было так чертовски легко)?" Spade asked (спросил Спейд), and shrugged (и пожал плечами). "Well, maybe (да, может быть), but that's my business (но это мое дело)."

"It certainly is (конечно)," the fat man agreed (согласился толстяк). He screwed up his eyes (он сузил свои глаза), moved his head (двинул своей головой) to indicate the kitchen (чтобы указать на кухню), and lowered his voice (и понизил свой голос). Spade's eyes held a mocking light (в глазах Спейда был насмешливый свет). He asked (он спросил): "Bad (плохая)?"

"Bad (плохая)," the fat man replied (ответил толстяк).

Spade grinned (Спейд ухмыльнулся) and began to roll a cigarette (и начал скручивать сигарету).

Cairo, still muttering in the boy's ear (Кейро, все еще бормоча в ухо юноше), had put his arm (положил свою руку) around the boy's shoulders again (на плечи юноши снова). Suddenly the boy pushed his arm away (вдруг юноша оттолкнул его руку) and turned on the sofa (и повернулся на диване) to face the Levantine (чтобы посмотреть на левантинца). He made a fist (он сложил в кулак) of one small hand (одну маленькую ладонь) and struck Cairo's mouth with it (и ударил им рот Кейро). Cairo cried out (Кейро закричал) as a woman might have cried (как могла бы закричать женщина) and drew back (и отодвинулся) to the very end of the

sofa (к самому краю дивана). He took a silk handkerchief (он вытащил шелковый носовой платок) from his pocket (из своего кармана) and put it to his mouth (и приложил его к своему рту). It came away (/когда он/ отнял его: «он /платок/ отошел») daubed with blood (/он был/ измазан кровью; *daub* — *штукатурка из строительного раствора с соломой, обмазка; to daub* — *мазать /глиной, известкой и т. п./, штукатурить; марать*). The boy snarled (парень прорычал), "Keep away from me (держись подальше от меня)," and put his face (и положил свое лицо) between his hands again (между своих ладоней снова). Cairo's handkerchief (носовой платок Кейро) released the fragrance of chypre (распространил аромат шипра) in the room (по комнате).

The boy snarled, "Keep away from me," and put his face between his hands again. Cairo's handkerchief released the fragrance of chypre in the room.

Cairo's cry (крик Кейро) had brought Brigid O'Shaughnessy to the door (привел Бриджит О'Шонесси к двери). Spade, grinning (Спейд, ухмыляясь), jerked a thumb at the sofa (дернул большим пальцем /в сторону/ дивана) and told her (и сказал ей): "The course of true love (ход настоящей любви). How's the food coming along (как насчет еды; *to come along* — *идти вместе, соглашаться, преуспевать*)?"

"It's coming (скоро)," she said and went back to the kitchen (и пошла обратно на кухню).

Spade lighted his cigarette (Спейд зажег свою сигарету) and addressed Gutman (и обратился к Гутману): "Let's talk about money (давайте поговорим о деньгах)."

Cairo's cry had brought Brigid O'Shaughnessy to the door. Spade, grinning, jerked a thumb at the sofa and told her: "The course of true love. How's the food coming along?"

Spade lighted his cigarette and addressed Gutman: "Let's talk about money."

"Willingly, sir (охотно, сэр), with all my heart (от всей души; *heart* — *сердце*)," the fat man replied (ответил толстяк), "but I might as well tell you (но я могу также сказать вам) frankly right now (откровенно, прямо сейчас) that ten thousand (что десять тысяч) is every cent (это все /деньги/ до цента) I can raise (которые я могу достать; *to raise* — *поднимать*)."

Spade exhaled smoke (Спейд выдохнул дым). "I ought to have twenty (я должен получить двадцать)."

"I wish you could (я хочу, чтобы вы получили; *to wish* — *хотеть, желать*). Spade laughed (Спейд засмеялся). Spade said gloomily (Спейд мрачно сказал): "That's not any too good (это не слишком хорошо), but if it's the best (но если это самое лучшее) you can do (что вы можете сделать) — give it to me (дайте их мне)."

Gutman handed him the envelope (Гутман передал ему конверт). Spade counted the bills (Спейд пересчитал купюры) and was putting them in his pocket (и стал класть их в свой карман) when Brigid O'Shaughnessy came in (когда вошла Бриджит О'Шонесси) carrying a tray (неся поднос).

The boy would not eat (парень есть не захотел). Cairo took a cup of coffee (Кейро взял чашку кофе). The girl, Gutman, and Spade ate the scrambled eggs (съели омлет; *to scramble* — *взбалтывать /обычно яйца для болтуньи/; scrambled eggs — яичница-болтунья, омлет*), bacon (бекон), toast (тосты), and marmalade (и джем) she had prepared (который

After one glance (после одного взгляда) she did not look at Gutman (она не смотрела /больше/ на Гутмана). She smiled at Spade (она улыбнулась Спейду) and gave him the parcel (и дала ему сверток).

He took it saying (он взял его, говоря): "Thanks a lot, lady (большое спасибо, леди). I'm sorry to spoil (извини, что я испортил) your day of rest (твой выходной; *rest* — *покой, отдых*), but this (но это) — "

"It's not the first one (это не первый /выходной/) you've spoiled (который ты испортил)," she replied (ответила она), laughing (смеясь), and then (а потом), when it was apparent (когда стало ясно) that he was not going to invite her in (что он не собирается пригласить ее внутрь), asked (спросила): "Anything else (что-нибудь еще)?"

glance [glɒːns] spoil [spɔɪl] invite [ɪn'vaɪt]

Her boyish face was gay and bright and she came forward quickly, almost trotting. After one glance she did not look at Gutman. She smiled at Spade and gave him the parcel.

He took it saying: "Thanks a lot, lady. I'm sorry to spoil your day of rest, but this — "

"It's not the first one you've spoiled," she replied, laughing, and then, when it was apparent that he was not going to invite her in, asked: "Anything else?"

He shook his head (он покачал своей головой). "No, thanks."

She said, "Bye-bye (пока)," and went back to the elevator (и пошла обратно к лифту).

Spade shut the door (Спейд закрыл дверь) and carried the parcel (и отнес сверток) into the living-room (в гостиную). Gutman's face was red (лицо Гутмана было красным) and his cheeks quivered (и его щеки тряслись). Cairo and Brigid O'Shaughnessy came to the table (Кейро и Бриджит О'Шонессии подошли к столу) as Spade put the parcel there (когда Спейд положил посылку туда). They were excited (они были взволнованы). The boy rose (парень встал), pale and tense (бледный и напряженный), but he remained by the sofa (но оставался у дивана), staring under curling lashes (глядя из-под изогнутых ресниц) at the others (на других).

parcel ['pQ:s(q)l] quivered ['kwlvqd] tense [tens]

He shook his head. "No, thanks."

She said, "Bye-bye," and went back to the elevator.

Spade shut the door and carried the parcel into the living-room. Gutman's face was red and his cheeks quivered. Cairo and Brigid O'Shaughnessy came to the table as Spade put the parcel there. They were excited. The boy rose, pale and tense, but he remained by the sofa, staring under curling lashes at the others.

Spade stepped back (Спейд шагнул назад) from the table saying (от стола, говоря): "There you are (пожалуйста)."

Gutman's fat fingers (толстые пальцы Гутмана) made short work (быстро разобрались с; *work — работа, труд, деятельность*) of cord (веревкой) and paper (и бумагой) and excelsior (и мягкой стружкой), and he had the black bird (и он держал черную птицу) in his hands (в своих руках). "Ah (ах)," he said huskily (сказал он сипло), "now, after seventeen years (сейчас, после семнадцати лет)!" His eyes were moist (его глаза были влажными).

Cairo licked his red lips (Кейро облизнул красные губы) and worked his hands together (и потер свои ладони). The girl's lower lip (нижняя губа девушки) was between her teeth (была между ее зубов). She and Cairo (она и Кейро), like Gutman (как Гутман), and like Spade (и как Спейд) and the boy (и юноша) were breathing heavily (тяжело дышали). The air in the room (воздух в комнате) was chilly and stale (был холодным и спертым) and thick with tobacco smoke (и душным от табачного дыма).

excelsior [ɪk'sel| sɪ0:, -sɪq] together [tə'geDq] chilly ['tʃɪlɪ]

Spade stepped back from the table saying: "There you are."

Gutman's fat fingers made short work of cord and paper and excelsior, and he had the black bird in his hands. "Ah," he said huskily, "now, after seventeen years!" His eyes were moist.

Cairo licked his red lips and worked his hands together. The girl's lower lip was between her teeth. She and Cairo, like Gutman, and like Spade and the boy, were breathing heavily. The air in the room was chilly and stale, and thick with tobacco smoke.

Gutman set the bird down (Гутман положил птицу) on the table again (снова на стол) and fumbled at a pocket (и пошарил в кармане). "It's it (это

она)," he said, "but we'll make sure (но мы должны удостовериться)." Sweat glistened (пот блестел) on his round cheeks (на его круглых щеках). His fingers twitched (его пальцы подергивались) as he took out (когда он вытащил) a gold pocket-knife (позолоченный карманный нож) and opened it (и открыл его).

Cairo and the girl stood close to him (Кейро и девушка стояли близко к нему), one on either side (по одному с каждой стороны). Spade stood back a little (Спейд стоял немного позади) where he could watch the boy (где он мог смотреть на юношу) as well as the group at the table (также, как и на группу у стола).

fumble ['fAmb(q)l] sweat [swet] group [gru:p]

Gutman set the bird down on the table again and fumbled at a pocket. "It's it," he said, "but we'll make sure." Sweat glistened on his round cheeks. His fingers twitched as he took out a gold pocket-knife and opened it.

Cairo and the girl stood close to him, one on either side. Spade stood back a little where he could watch the boy as well as the group at the table.

Gutman turned the bird upside-down (Гутман перевернул птицу вверх ногами) and scraped an edge (и отскреб угол) of its base (с ее основания) with his knife (своим ножом). Black enamel (черная эмаль) came off in tiny curls (отошла тонкой стружкой), exposing blackened metal beneath (открыв черненый металл под ним). Gutman's knife-blade bit (лезвие ножа Гутмана впицась) into the metal (в металл), turning back (откалывая: «отворачивая назад») a thin curved shaving (тонкую гнутую стружку). The inside of the shaving (внутренняя сторона стружки), and the narrow plane (и узкая плоскость) its removal had heft (которую оставила выемка: «ее

удаление»), had the soft grey sheen of lead (имели мягкий, серый блеск свинца).

upside ['Apsaɪd] enamel [ɪ'næm(q)l] sheen [ʃi:n]

Gutman turned the bird upside-down and scraped an edge of its base with his knife. Black enamel came off in tiny curls, exposing blackened metal beneath. Gutman's knife-blade bit into the metal, turning back a thin curved shaving. The inside of the shaving, and the narrow plane its removal had heft, had the soft grey sheen of lead.

Gutman's breath (дыхание Гутмана) hissed between his teeth (шипело между его зубов). His face became turgid (его лицо стало опухшим) with hot blood (от горячей крови). He twisted the bird around (он повернул птицу вокруг) and hacked at its head (и ударил по ее голове). There too (там тоже) the edge of his knife (острие его ножа) bared lead (обнажило свинец). He let knife (он позволил ножу) and bird (и птице) bang down on the table (упасть со стуком вниз на стол) while he wheeled (пока он повернулся) to confront Spade (чтобы встать перед Спейдом). "It's a fake (это подделка)," he said hoarsely (сказал он хрипло).

Spade's face had become somber (лицо Спейда стало мрачным). His nod was slow (его кивок был медленным), but there was no slowness in his hand's (но не было медлительности в его руке) going out (выброшенной) to catch Brigid O'Shaughnessy's wrist (чтобы схватить запястье Бриджит).

turgid ['tɜːdʒɪd] hack [hæk] wrist [rɪst]

Gutman's breath hissed between his teeth. His face became turgid with hot blood. He twisted the bird around and hacked at its head. There too the edge of his knife bared lead. He let knife and bird bang down on

the table while he wheeled to confront Spade. "It's a fake," he said hoarsely.

Spade's face had become somber. His nod was slow, but there was no slowness in his hand's going out to catch Brigid O'Shaughnessy's wrist.

He pulled her to him (он притянул ее к себе) and grasped her chin (и схватил ее подбородок) with his other hand (своей другой рукой), raising her face roughly (грубо поднимая ее лицо). "All right (хорошо)," he growled into her face (зарычал он в ее лицо). "You've had your little joke (ты слегка пошутила: «у тебя была твоя маленькая шутка»). Now tell us about it (теперь расскажи нам об этом)."

She cried (она закричала): "No, Sam, no (нет, Сэм, нет)! That is the one (это та птица) I got from Kemidov (которую я получила от Кемидова). I swear (я клянусь) — "

Joel Cairo thrust himself between Spade and Gutman (Джоэль Кейро бросился между Спейдом и Гутманом) and began to emit words (и начал извергать слова) in a shrill spluttering stream (в пронзительном бессвязном потоке; splutter — плеск, всплеск, звук разлетающихся брызг; *to splutter* — говорить быстро и бессвязно, лопотать): "That's it (вот оно что)! That's it! It was the Russian (это был тот русский)! I should have known (я должен был знать)! What a fool we thought him (каким дураком мы его считали), and what fools he made of us (и какими дураками он сделал нас)!"

grasp [grQ:sp] chin [tʃɪn] stream [stri:m]

He pulled her to him and grasped her chin with his other hand, raising her face roughly. "All right," he growled into her face. "You've had your little joke. Now tell us about it."

She cried: "No, Sam, no! That is the one I got from Kemidov. I swear — "

Joel Cairo thrust himself between Spade and Gutman and began to emit words in a shrill spluttering stream: "That's it! That's it! It was the Russian! I should have known! What a fool we thought him, and what fools he made of us!"

Tears ran down (слезы бежали вниз) the Levantine's cheeks (по щекам левантинца) and he danced up and down (и он прыгал вверх и вниз; *to dance* — *танцевать, плясать*). "You bungled it (вы испортили это; *bungle* — *плохая работа, плохо сделанная работа; to bungle* — *неумело работать, портить работу; грубо ошибаться*)!" he screamed at Gutman (крикнул он Гутману). "You and your stupid attempt (вы и ваша глупая попытка) to buy it from him (купить ее у него)! You fat fool (вы, толстый дурак)! You let him know (вы дали ему понять) it was valuable (что это ценно) and he found out (и он выяснил) how valuable (насколько ценно) and made a duplicate for us (и сделал копию для нас)! No wonder (неудивительно) we had so little trouble (что у нас было так мало проблем) stealing it (при его краже)! No wonder (неудивительно) he was so willing (что он так хотел) to send me off around the world (отправить меня по миру) looking for it (в поисках его)! You imbecile (вы, глупец; *imbecile* — *слабоумный, идиот*)! You bloated idiot (вы — жирный идиот; *bloated* — *жирный, обрюзгший*)!" He put his hands (он положил свои руки) to his face (к своему лицу) and blubbered (и зарыдал).

trouble ['trAb(q)l] imbecile ['Imbqsi:l] bloated ['blqVtId]

Tears ran down the Levantine's cheeks and he danced up and down. "You bungled it!" he screamed at Gutman. "You and your stupid attempt to buy it from him! You fat fool! You let him know it was

valuable and he found out how valuable and made a duplicate for us! No wonder we had so little trouble stealing it! No wonder he was so willing to send me off around the world looking for it! You imbecile! You bloated idiot!" He put his hands to his face and blubbered.

Gutman's jaw sagged (челюсть Гутмана отвисла). He blinked vacant eyes (он мигнул безжизненными глазами; *vacant* — незанятый, свободный; вакантный; безжизненный; беззвучный). Then he shook himself (потом он встряхнул себя) and was (и был) — by the time (к этому времени) his bulbs had stopped jouncing (когда его отвислости перестали колыхаться) — again a jovial fat man (снова веселым толстяком). "Come, sir (ладно, сэр)," he said good-naturedly (сказал он добродушно), "there's no need (нет необходимости) of going on (продолжать) like that (таким образом). Everybody errs at times (каждый ошибается временами) and you may be sure (и вы можете быть уверены) this is every bit as severe a blow to me (это такой же суровый удар по мне; *bit* — кусочек, частица) as to anyone else (как и по всем другим). Yes, that is the Russian's hand (да, это рука того русского), there's no doubt of it (нет никаких сомнений в этом). Well, sir (ну, сэр), what do you suggest (что вы предлагаете)? Shall we stand here (должны мы стоять здесь) and shed tears (и проливать слезы) and call each other names (и обзывать друг друга)? Or shall we (или мы должны)" — he paused (он помедлил) and his smile was a cherub's (и его улыбка была херувимской) — "go to Constantinople (ехать в Константинополь)?"

Cairo took his hands (Кейро отнял свои руки) from his face (со своего лица) and his eyes bulged (и его глаза выпучились). He stammered (он, заикаясь, сказал): "You are (вы) — ?" Amazement (изумление) coming with full comprehension (пришедшее вместе с полным пониманием) made him speechless (сделало его безмолвным; *speech* — речь, дар речи).

jaw [dʒO:] vacant ['velkənt] jounce [dʒaVns]

Gutman's jaw sagged. He blinked vacant eyes. Then he shook himself and was — by the time his bulbs had stopped jouncing — again a jovial fat man. "Come, sir," he said good-naturedly, "there's no need of going on like that. Everybody errs at times and you may be sure this is every bit as severe a blow to me as to anyone else. Yes, that is the Russian's hand, there's no doubt of it. Well, sir, what do you suggest? Shall we stand here and shed tears and call each other names? Or shall we" — he paused and his smile was a cherub's — "go to Constantinople?"

Cairo took his hands from his face and his eyes bulged. He stammered: "You are — ?" Amazement coming with full comprehension made him speechless.

Gutman patted (Гутман похлопал) his fat hands (своими толстыми ладонями) together (друг о друга). His eyes twinkled (его глаза блеснули). His voice (его голос) was a complacent (был самодовольным) throaty purring (горловым мурлыканьем; *throat* — *горло, гортань; глотка*): "For seventeen years (семнадцать лет) I have wanted that little item (я хотел эту маленькую вещицу) and have been trying to get it (и пытался добыть ее). If I must spend another year (если я должен потратить еще год) on the quest (на поиски) — well, sir (ну, сэр) — that will be (это будет лишь) an additional expenditure in time (дополнительный расход времени) of only (только)" — his lips moved silently (его губы беззвучно двигались) as he calculated (пока он считал) — "five and fifteen seventeenths per cent (пять и пятнадцать семнадцатых процента)."

The Levantine giggled and cried (левантинец захихикал и закричал): "I go with you (я поеду с вами)!"

complacent [kəm'pleɪs(q)nt] throaty ['TrɔVtɪ] expenditure [ɪk'spendɪtʃ]

Gutman patted his fat hands together. His eyes twinkled. His voice was a complacent throaty purring: "For seventeen years I have wanted that little item and have been trying to get it. If I must spend another year on the quest — well, sir — that will be an additional expenditure in time of only" — his lips moved silently as he calculated — "five and fifteen seventeenths per cent."

The Levantine giggled and cried: "I go with you!"

Spade suddenly released (Спейд вдруг отпустил) the girl's wrist (запястье девушки) and looked around the room (и осмотрел комнату). The boy was not there (юноши там не было). Spade went into the passageway (Спейд вышел в коридор). The corridor-door stood open (коридорная дверь стояла открытой). Spade made a dissatisfied mouth (Спейд скривил: «сделал» неудовлетворенный рот; *to satisfy* — *удовлетворять*), shut the door (закрыл дверь), and returned to the living-room (и вернулся в гостиную). He leaned against the door-frame (он прислонился к дверной раме) and looked at Gutman and Cairo (и посмотрел на Гутмана и Кейро). He looked at Gutman (он смотрел на Гутмана) for a long time (долго), sourly (мрачно; *sourly* — *кислый, недовольный*). Then he spoke (потом он заговорил), mimicking (имитируя) the fat man's throaty purr (горловое мурлыканье толстяка): "Well, sir, I must say (я должен сказать) you're a swell lot of thieves (что вы прекрасная свора воров)!"

dissatisfied [dɪs'sɪsfald] sour ['saʊə] thieves [ˈti:vz]

Spade suddenly released the girl's wrist and looked around the room. The boy was not there. Spade went into the passageway. The corridor-door stood open. Spade made a dissatisfied mouth, shut the door, and returned to the living-room. He leaned against the door-frame and

looked at Gutman and Cairo. He looked at Gutman for a long time, sourly. Then he spoke, mimicking the fat man's throaty purr: "Well, sir, I must say you're a swell lot of thieves!"

Gutman chuckled (Гутман хихикнул). "We've little enough (мы слишком ничтожны) to boast about (чтобы хвастаться), and that's a fact, sir (и это факт, сэр)," he said. "But, well (но, ладно), we're none of us dead yet (никто из нас не мертв пока) and there's not a bit of use (и нет ни малейшей пользы) thinking (/в том, чтобы/ думать) the world's come to an end (что мир подошел к концу) just because we've run into a little setback (только потому, что мы потерпели небольшую неудачу; *setback* — задержка, препятствие; *to set back* — отодвигать, передвигать назад; *препятствовать, задерживать*)." He brought his left hand (он достал свою левую руку) from behind him (из-за своей спины) and held it out towards Spade (и протянул ее Спейду), pink smooth hilly (розовую, гладкую, бугристую; *hill* — холм) palm up (ладонью вверх). "I'll have to ask you (должен буду попросить у вас) for that envelope, sir (тот конверт, сэр)."

boast [bqVst] world [wq:ld] hilly ['hill]

Gutman chuckled. "We've little enough to boast about, and that's a fact, sir," he said. "But, well, we're none of us dead yet and there's not a bit of use thinking the world's come to an end just because we've run into a little setback." He brought his left hand from behind him and held it out towards Spade, pink smooth hilly palm up. "I'll have to ask you for that envelope, sir."

Spade did not move (Спейд не двинулся). His face was wooden (его лицо было деревянным). He said: "I held up my end (я свои обязательства

выполнил; *end* — конец, край, намерения). You got your dingus (вы получили вашу штуку). It's your hard luck (это ваша неудача), not mine (а не моя), that it wasn't what you wanted (что это не было тем, что вы хотели)."

"Now come, sir (да ладно, сэр)," Gutman said persuasively (сказал Гутман убеждающе; *to persuade* — убеждать), "we've all failed (мы все потерпели неудачу) and there's no reason (и нет причины) for expecting (ожидать) any one of us (что кто-то из нас) to bear the brunt of it (вынесет основную тяжесть всего этого; *brunt* — главный удар), and — " He brought his right hand (он достал свою правую руку) from behind him (из-за своей спины). In the hand was a small pistol (в руке был маленький пистолет), an ornately engraved (пышно гравированная) and inlaid affair (и инкрустированная штучка) of silver and gold (серебром и золотом) and mother-of-pearl (и перламутром). "In short, sir (короче, сэр), I must ask you (я должен попросить вас) to return my ten thousand dollars (вернуть мои десять тысяч долларов)."

dingus ['dɪŋqs] reason ['ri:z(q)n] inlaid ['ɪn'leɪd]

Spade did not move. His face was wooden. He said: "I held up my end. You got your dingus. It's your hard luck, not mine, that it wasn't what you wanted."

"Now come, sir," Gutman said persuasively, "we've all failed and there's no reason for expecting any one of us to bear the brunt of it, and — " He brought his right hand from behind him. In the hand was a small pistol, an ornately engraved and inlaid affair of silver and gold and mother-of-pearl. "In short, sir, I must ask you to return my ten thousand dollars."

Spade's face did not change (лицо Спейда не изменилось). He shrugged (он пожал плечами) and took the envelope (и достал конверт) from his pocket (из своего кармана). He started to hold it out to Gutman (он начал протягивать его Гутману), hesitated (поколебался), opened the envelope (открыл конверт), and took out one thousand-dollar bill (и вытащил купюру в одну тысячу долларов). He put that bill (он положил эту купюру) into his trousers-pocket (в карман своих брюк). He tucked the envelope's flap in (он вложил клапан конверта) over the other bills (над остальными купюрами) and held them out to Gutman (и протянул их Гутману). "That'll take care of my time (это возместит мое время; *to take care of smb., smth* — заботиться о ком-либо, чем-либо) and expenses (и мои расходы)," he said.

hesitate ['hezɪteɪt] tucked [tʌkt] expense [ɪk'spens]

Spade's face did not change. He shrugged and took the envelope from his pocket. He started to hold it out to Gutman, hesitated, opened the envelope, and took out one thousand-dollar bill. He put that bill into his trousers-pocket. He tucked the envelope's flap in over the other bills and held them out to Gutman. "That'll take care of my time and expenses," he said.

Gutman, after a little pause (Гутман, после небольшой паузы), imitated Spade's shrug (повторил: «имитировал» пожимание плечами Спейда) and accepted the envelope (и принял конверт). He said: "Now, sir (теперь, сэр), we will say good-bye to you (мы прощаемся с вами), unless (если только)" — the fat puffs (толстые отвислости) around his eyes (вокруг его глаз) crinkled (сморщились) — "you care to undertake (вы не хотите предпринять) the Constantinople expedition with us (экспедицию в Константинополь с нами). You don't (вы не хотите)? Well, sir (ну, сэр),

frankly (честно говоря) I'd like to have you along (я бы хотел, чтобы вы поехали вместе с нами). You're a man to my liking (вы мне нравитесь), a man of many resources (человек с большими возможностями) and nice judgment (и хорошим суждением). Because we know (потому что мы знаем) you're a man of nice judgment (что вы — человек правильных суждений) we know (мы знаем) we can say good-bye (что мы можем сказать «до свидания») with every assurance (в полной уверенности) that you'll hold the details (что вы сохраните детали) of our little enterprise (нашего небольшого предприятия) in confidence (в тайне).

imitate ['lɪmɪteɪt] crinkle ['krɪŋk(q)l] enterprise ['entɹɹpraɪz]

Gutman, after a little pause, imitated Spade's shrug and accepted the envelope. He said: "Now, sir, we will say good-bye to you, unless" — the fat puffs around his eyes crinkled — "you care to undertake the Constantinople expedition with us. You don't? Well, sir, frankly I'd like to have you along. You're a man to my liking, a man of many resources and nice judgment. Because we know you're a man of nice judgment we know we can say good-bye with every assurance that you'll hold the details of our little enterprise in confidence.

You're too

shrewd (вы слишком проницательны) not to recognize that (чтобы не признавать этого), sir, I'm sure (сэр, я уверен)."

"I understand that (я понимаю это)," Spade replied.

"I understand that," Spade replied.

"I was sure you would (я был уверен в этом: «что вы поймете»). I'm also sure that (я также уверен в том), now there's no alternative (что теперь нет альтернативы), you'll somehow manage the police (вы как-нибудь сумеете уладить с полицией) without a fall-guy (без козла отпущения)."

"I'll make out all right (я понимаю это, несомненно)," Spade replied (ответил Спейд).

"I was sure you would (я был уверен в этом). Well, sir, the shortest farewells are the best (самые короткие прощания — самые лучшие). Adieu (прощайте)." He made a portly bow (он величественно поклонился). "And to you, Miss O'Shaughnessy, adieu (и вы, мисс О'Шонесси, прощайте). I leave you the rara avis (я оставляю вам эту «редкую птицу — лат.») on the table (на столе) as a little memento (как небольшой сувенир)."

XX. If They Hang You

(Если они повесят тебя)

For all of five minutes (за все пять минут) after the outer door (после того как внешняя дверь) had closed behind Casper Gutman (закрылась за Каспером Гутманом) and Joel Cairo (и Джоэлем Кейро), Spade, motionless (Спейд, без движения), stood staring at the knob (стоял, уставившись на шарообразную ручку) of the open living-room-door (открытой двери в гостиную). His eyes were gloomy (его глаза были угрюмыми) under a forehead drawn down (под опущенным лбом). The clefts at the root of his nose (складки у основания его носа; *cleft* — *трещина*; *root* — *корень*) were deep and red (были глубокими и красными). His lips protruded loosely (его губы выпячены свободно), pouting (надувшись). He drew them in (он втянул их) to make a hard v (чтобы сделать жесткое v) and went to the telephone (и пошел к телефону). He had not looked at Brigid O'Shaughnessy (он не взглянул на Бриджит О'Шонессси), who stood by the table (которая стояла у стола) looking with uneasy eyes at him (глядя на него тревожными глазами).

motionless ['mɒʃ(ə)nlɪs] drawn [drɔ:n] pout [paʊt]

For all of five minutes after the outer door had closed behind Casper Gutman and Joel Cairo, Spade, motionless, stood staring at the knob of the open living-room-door. His eyes were gloomy under a forehead

drawn down. The clefts at the root of his nose were deep and red. His lips protruded loosely, pouting. He drew them in to make a hard v and went to the telephone. He had not looked at Brigid O'Shaughnessy, who stood by the table looking with uneasy eyes at him.

He picked up the telephone (он поднял телефон), set it on its shelf again (поставил его снова на полку), and bent to look into the telephone-directory (и наклонился, чтобы посмотреть в телефонный справочник) hanging from a corner of the shelf (свисающий с угла полки). He turned the pages rapidly (он переворачивал страницы торопливо) until he found the one he wanted (пока он не нашел ту, которую хотел), ran his finger down a column (пробежал пальцами вниз по колонке), straightened up (выпрямился), and lifted the telephone (и поднял телефон) from the shelf again (снова с полки). He called a number and said (он набрал номер и сказал):

hanging ['h xNIN] column ['kOlqm] call [k0:l]

He picked up the telephone, set it on its shelf again, and bent to look into the telephone-directory hanging from a corner of the shelf. He turned the pages rapidly until he found the one he wanted, ran his finger down a column, straightened up, and lifted the telephone from the shelf again. He called a number and said:

"Hello, is Sergeant Polhaus there (алло, сержант Полхауз там)? ... Will you call him, please (вы позовете его, пожалуйста)? This is Samuel Spade. He stared into space, waiting (он смотрел в пространство, ожидая). "Hello, Tom (привет, Том), I've got something for you (у меня есть кое-что для тебя) ... Yes, plenty (да, много). She started to speak, hesitated, and bit her lip.

He was pale. He said tenderly: "I hope to Christ they don't hang you, precious, by that sweet neck." He slid his hands up to caress her throat.

In an instant (в мгновение) she was out of his arms (она вырвалась из его объятий: «была вне его рук»), back against the table (снова у стола), crouching (сжавшись), both hands (обе руки) spread over her throat (распростерты над ее горлом). Spade's face was yellow-white now (лицо Спейда было желто-белым сейчас). His mouth smiled (его рот улыбался) and there were smile-wrinkles (и были морщинки от улыбки) around his glittering eyes (вокруг его блестящих глаз). She dropped her hands (она опустила руки) and stood erect (и стала прямо). Her face became smooth (ее лицо стало гладким) and untroubled (и безмятежным) except for the faintest of dubious glints (исключая небольшой нерешительный блеск) in her eyes (в ее глазах). She smiled back at him (она улыбнулась ему в ответ), gently (мягко). "Don't, Sam (не говори, Сэм), don't say that even in fun (не говори этого даже в шутку). Spade laughed (Спейд засмеялся). His yellow-white face (его желто-белое лицо) was damp with sweat (было влажным от пота) and though he held his smile (и, хотя на нем была улыбка) he could not hold softness (он не смог удержать мягкость) in his voice (в голосе). "I think I do (я думаю, люблю)," Spade said. "What of it (что из этого)?" The muscles holding his smile in place (мускулы, державшие его улыбку на месте) stood out like wales (выступали, как рубцы). "I'm not Thursby (я не Терсби). I'm not Jacobi (я не Якоби). I won't play the sap for you (я не буду играть дурака для тебя)."

"That is not just (это несправедливо)," she cried (заплакала она). Tears came to her eyes (слезы пришли в ее глаза). "It's unfair (это нечестно). Brigid O'Shaughnessy blinked her tears away (Бриджит О'Шонесса смахнула ресницами слезы). Spade, left arm around Brigid O'Shaughnessy (Спейд, левая рука вокруг Бриджит О'Шонесса), opened the corridor door (открыл дверь в коридор). Lieutenant Dundy (лейтенант Данди), Detective-sergeant Tom Polhaus (детектив сержант Том Полхауз), and two other detectives (и два других детектива) were there (были там).
